### Proxy Solicitation

The enclosed proxy card is being solicited on behalf of the Board of Directors. The Company will pay all costs of preparing, assembling and mailing the proxy materials. In addition to mailing out proxy materials, the Company's directors, officers and employees may, without being additionally compensated, solicit proxies by telephone or fax. The Company has requested brokers, banks and other fiduciaries to forward proxy materials to the beneficial owners of the Company's common stock. No additional compensation will be paid for such solicitation. The Company does not expect to employ anyone else in the solicitation of proxies.

### How Proxy Cards Are Voted

The proxy holders named on the proxy card are Leonard Rosenbaum, the Company's Chairman, President and Chief Executive Officer, and Glen R. Charles, the Company's Chief Financial Officer and Secretary. Giving us your proxy means you authorize us to vote your shares at the Annual Meeting in the manner you direct. You may vote for all, some or none of our director nominees. You may also vote for or against the other proposals or abstain from voting. The proxy holders will vote shares according to the Shareholder instructions on the proxy card. If a signed proxy card does not contain instructions, then the proxy holders will vote the shares (1) "FOR" the election of the director nominees listed on the card; (2) "FOR" ratifying the appointment of MSPC as the Company's independent public accountants for the year ending December 31, 2009; and (3) in their discretion, on any other business that may properly come before the meeting.

### Broker Non-Votes

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item, and has not received instructions from the beneficial owner. Broker non-votes count for quorum purposes but not for voting purposes.

### Quorum and Votes Required

A majority of the outstanding shares of common stock entitled to vote represented at the Annual Meeting in person or by proxy constitute a quorum. Only votes "FOR" or "AGAINST" a proposal count. Abstentions and broker non-votes will count towards the quorum but not for voting purposes.

Directors are elected by a plurality of the votes cast, so the five nominees receiving the most votes will be elected. Shareholders who do not wish to vote for one or more of the individual nominees may withhold authority as directed in the proxy card.

The proposal to ratify the appointment of the independent auditors for the year ending December 31, 2009 requires the affirmative vote of the holders of a majority of shares of common stock present or represented by proxy at the Annual Meeting and entitled to vote.

**Edgar Filing: CVD EQUIPMENT CORP - Form DEF 14A**

**Voting Rights, Shares Outstanding and Votes Per Share**

Holders of common stock at the close of business on the record date of September 15, 2009 are entitled to vote at the Annual Meeting.

As of the close of business on September 10, 2009, there were 4,761,100 shares of common stock outstanding.

Each share of common stock is entitled to one vote on each matter submitted to the Shareholders at the Annual Meeting.

**Householding of Annual Meeting Materials**

Some banks, brokers and other nominee record holders may be participating in the practice of “householding” proxy statement and annual reports. This means that only one copy of our proxy statement and annual report to Shareholders may have been sent to multiple Shareholders in your household. The Company will promptly deliver a separate copy of either document to you if you contact the Secretary at the following address or telephone number: CVD Equipment Corporation, 1860 Smithtown Avenue, Ronkonkoma, NY 11779; telephone: (631) 981-7081. If you want to receive separate copies of the proxy statement or the annual report to Shareholder in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee record holder, or you may contact the Company at the above address or telephone number.

**Director Compensation**

On November 19, 2008 the Stock Option and Compensation Committee adopted a Director Compensation Plan applicable to all non-employee directors, which beginning in 2010 will provide for annual compensation of \$40,000 to each director in a combination of cash, stock grant and options. In 2008, each non-employee director was paid a cash retainer of \$7,000. In 2009, each non-employee director is to be paid a cash retainer of \$14,000 and will receive a stock grant on January 15, 2009, the number of shares of which will be equivalent to \$10,000, rounded up to the next 100 shares, based on the closing market price on January 14, 2009. On January 14, 2009 the closing market price of our stock was \$3.45, therefore 2,900 shares were granted to our non-employee directors. These shares are to be issued on January 15, 2009 and will vest as to 25% on each of January 15, 2009; April 15, 2009; July 15, 2009 and October 15, 2009.

### **Our Stock Option Plans**

The Company maintains two stock option plans and one share incentive plan.

*1989 "Key Employee" Stock Option Plan.* On June 15, 1989, we instituted the 1989 "Key Employee" Stock Option Plan, a non-qualified stock option plan (the "1989 Plan"). In connection therewith, 700,000 shares of the Company's common stock are reserved for issuance pursuant to options that may be granted under the 1989 Plan through June 30, 2009. The purchase price of the common stock under each option granted under the 1989 Plan shall be no lower than the average bid price per share, calculated on a monthly basis, that the common stock (as reported by the NASDAQ Capital Market) traded during the calendar year immediately preceding the year in which the option is granted. On June 3, 1996, the Company issued 84,000 options which expired ten years from the date of grant. None of these options were exercisable until June 3, 1999. The option price was less than the fair market value per share on the date the 1996 options were granted. On April 15, 1998, 140,000 options were granted to employees under the 1989 Plan. Options granted in 1998 vested straight-line over a four-year period following the date of grant and expired five years after the date of grant. On July 16, 1999, 52,500 options were granted to employees under this Plan. Options granted in 1999 vested incrementally over four-year periods following the date of grant and expire seven years after the date of grant. On February 2, 2000, 242,000 options were granted to employees under the 1989 Plan. On May 7, 2000 and August 8, 2000, a total of 80,000 options were granted to employees. On October 26, 2000, 3,500 options were granted to employees. All options granted in 2000 vested over a four-year period. All options granted in 2000 expired seven years after the date of grant. The option price for options granted in 1999 and 2000 not less than the fair market value per share on the date the options were granted. On April 1, 2003, the Company granted 12,500 options to employees under the 1989 Plan which expired April 1, 2008, and on September 23, 2003, granted 75,000 options to members of the Board of Directors which expire on September 23, 2010. On June 17, 2005 and August 4, 2005, 56,500 and 15,000 options respectively, were granted to employees under the 1989 Plan, which expire on June 16, 2012 and August 3, 2012, respectively. All of these options vest equally over a four-year period. On September 13, 2005, 105,000 options were granted to members of the Board of Directors which vest over three years and expire on September 12, 2012. On June 22, 2006, 10,000 options, which vest equally over a four-year period, were granted to an employee which expire on June 21, 2013. On February 22, 2007, 10,000 options which vest equally over a four-year period were granted to an employee which expire on February 22, 2014. On October 10, 2007, 100,000 options, of which 35,250 were applicable to the 1989 Plan, were granted to an employee. These options vest as to 12,500 per year at the end of each of the first two years and 10,250 at the end of the third year. These options expire on October 10, 2017. On June 30, 2009 the 1989 plan expired.

**2001 Stock Option Plan.** In November 2006, we registered a non-qualified stock option plan (the “2001 Plan”). Shareholders approved the 2001 Plan in July 2001, covering key employees, officers, directors and other persons that may be considered as service providers to the Company. Options may be awarded by the Board of Directors or by a committee appointed by the Board of Directors. Under the 2001 Plan, an aggregate of 300,000 shares of our common stock are reserved for issuance or transfer upon the exercise of options which are granted. Unless otherwise provided in the option agreement, options granted under the 2001 Plan are exercisable in 25% installments commencing one year from the anniversary date of the grant. The purchase price of the common stock under each option granted under the 2001 Plan is established by the Board of Directors provided, that the exercise price per share shall not be less than the closing price of the Company’s common stock on the date the option is granted. The stock options generally expire five years after the date of grant. The 2001 Plan shall terminate on July 22, 2011. On October 10, 2007, 100,000 options, of which 64,750 were applicable to the 2001 Plan, were granted to an employee. These options vest as to 2,250 at October 10, 2010 and then 12,500 equally over a five-year period and expire on October 10, 2017. On December 12, 2007 120,000 options were granted to members of the Board of Directors which vest over two years and expire on December 12, 2017.

**2007 Share Incentive Plan.** In August 2008, we registered the 2007 Share Incentive Plan (the “2007 Plan”). Shareholders approved the 2007 Plan in December 2007, covering key employees, officers, outside directors or third party consultants to the Company or any of its affiliates. The 2007 Plan authorizes the grant and issuance of two different types of Awards: Options (“Stock Options”), which can qualify as “incentive stock options” under the Internal Revenue Code (the “Code”), or as “non-qualified stock options”, and Restricted Stock, which is stock that is contingent on an employee satisfying conditions, including without limitation continued employment, passage of time or satisfaction of performance criteria. Options may be awarded by the Stock Option and Compensation Committee, although the Board of Directors may exercise any authority of the Committee under the 2007 Plan in lieu of the Committee’s exercise thereof. Under the 2007 Plan, an aggregate of 750,000 shares of our common stock are reserved for issuance or transfer upon the granting of Restricted Stock or upon the exercise of options which are granted. The purchase price of the common stock under each option granted under the 2007 Plan is established by the Board of Directors provided, that the exercise price per share shall not be less than the closing price of the Company’s common stock on the date the option is granted. On November 19, 2008 the Stock Option and Compensation Committee adopted a Director Compensation Plan applicable to all non-employee directors. As a directive of this plan, the four non-employee directors were granted the number of restricted shares which will be equivalent to \$10,000, rounded up to the next 100 shares, based on the closing market price on January 14, 2009. These shares are to be issued on January 15, 2009 and will vest as to 25% on each of January 15, 2009; April 15, 2009; July 15, 2009 and October 15, 2009.

### CHANGE IN CONTROL OR OTHER ARRANGEMENTS

Except for the foregoing, there are no other arrangements for compensation of directors and there are no employment contracts between the Company and its directors or any change in control arrangements.

### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

In addition, Reporting Persons are required to furnish the Company with copies of all Forms 3, 4 and 5 they file. Based solely on the Company’s review of (a) the copies of such reports and amendments thereto furnished to the Company by the Reporting Persons and (b) written representations from the Reporting Persons that no other reports were required, during the Company’s fiscal year ended December 31, 2008, all of the filings for such Reporting Persons were made on a timely basis.

## PROPOSAL 2: RATIFICATION OF INDEPENDENT REGISTERED ACCOUNTING FIRM

The Audit Committee has appointed MSPC (formerly Moore Stephens P.C.) as the Company's independent public accountants for the fiscal year ending December 31, 2009. The submission of the appointment of MSPC is not required by law or by the Company's Bylaws. The Board of Directors is nevertheless submitting it to the Shareholders to ascertain their views. If the Shareholders do not ratify the appointment, the selection of other independent public accountants will be considered by the Audit Committee. If MSPC shall decline to accept or become incapable of accepting its appointment, or if its appointment is otherwise discontinued, the Audit Committee will appoint other independent public accountants. MSPC has served as the Company's independent public accountants since 2005. The Board of Directors expects that a representative of MSPC will be present at the Annual Meeting to respond to appropriate questions from Shareholders, and the Board of Directors will provide this representative with an opportunity to make a statement if he or she desires to do so.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THIS PROPOSAL 2 TO APPROVE THE SELECTION OF MSPC AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS FOR THE YEAR ENDING DECEMBER 31, 2009.**
