Item 1.01 Entry into a Definitive Material Agreement.

On September 2, 2011, CVD Equipment Corporation (the “Company”) entered into a Contract of Sale (the “Agreement”) to purchase a building and real property located at 355 South Technology Drive in Central Islip, New York (the “Premises”) from SJA Industries, LLC. The building and real property consist of approximately 120,000 square feet and eight acres, respectively.

The purchase price for the Premises is \$7,200,000, exclusive of closing costs (the “Purchase Price”). Upon execution of the Agreement, the Company deposited the sum of \$360,000 into escrow as an initial down payment against the Purchase Price, with the remaining balance of \$6,840,000 to be paid at the closing. The acquisition of the Premises and the consummation of the transactions contemplated by the Agreement are contingent upon, among other things, the Company obtaining a commitment from an Institutional Lender (as defined in the Agreement) to make a first mortgage loan to the Company, secured by the Premises, of \$5,400,000 on such terms and conditions as are specified in the Agreement.

The anticipated closing date of the acquisition of the Premises and the transactions contemplated by the Agreement is on or about November 15, 2011, and is subject to the satisfaction by the parties of customary closing conditions as described in the Agreement.

The foregoing is subject to, and qualified entirely by the terms of Agreement attached hereto as Exhibit 10.1. The terms of the Agreement are incorporated herein by reference.

On September 6, 2011, the Company issued a press release announcing the execution of the Agreement. A copy of the press release is filed as Exhibit 99.1 to this Report on Form 8-K and is incorporated herein by reference.
