PROXY STATEMENT

FOR THE ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON FEBRUARY 25, 2013

The proxy statement and our annual report to shareholders,

which includes our Annual Report on Form 10-K for the year ended August 31, 2013,

are first being sent to shareholders, and will be available at www.simulations-plus.com, on or around January 6, 2014.

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why am I receiving these materials?

Simulations Plus, Inc. (“we”, “us”, “Simulations Plus” or the “Company”) sent you this proxy statement (“Proxy Statement”) and the enclosed proxy card because our Board of Directors (the “Board”) is soliciting your proxy to vote at the 2013 annual meeting of Shareholders (“Meeting”) to be held on February 25, 2014, at 2:00 p.m. Pacific Time, at the Company’s principal executive offices located at 42505 10th Street West, Lancaster, California 93534.

What am I voting on?

There are five matters scheduled for a vote at the Meeting:

Proposal No. 1 – To elect to the Board five (5) directors, to serve until the next meeting of shareholders of the Company (each a “Shareholder”) or until their successors are elected and qualified, subject to prior death, resignation or removal.

Proposal No. 2 – To ratify the appointment of Rose, Snyder, and Jacobs LLP (“RSJ”) as our independent registered public accounting firm for the fiscal year ending August 31, 2014.

Proposal No. 3 – To amend the Company’s 2007 Stock Option Plan to increase the number of shares issuable under the plan.

Proposal No. 4. - To approve on an advisory, non-binding basis named executive officers compensation.

Proposal No. 5. - To approve on an advisory, non-binding basis the frequency of the shareholder advisory vote to approve named executive officers compensation.

Who can vote at the annual Meeting?

Only Shareholders of record at the close of business on December 31, 2013, will be entitled to vote at the Meeting. The Company’s common stock is its only class of voting securities. As of December 5, 2013, there were 16,073,894 shares of the Company’s common stock of record issued and outstanding.

Am I a Shareholder of record for purpose of the Meeting?

If, on December 31, 2013, your shares were registered directly in your name with our transfer agent, Broadridge Corporate Issuer Solutions, Inc., then you are the Shareholder of record for purposes of the Meeting.

What if my shares are held in an account at a brokerage firm, bank or dealer?

If, on December 31, 2013, your shares were held in an account at a “street name” and these proxy materials are being forwarded to you by the organization holding your account, the organization holding your account is considered the Shareholder of record for purposes of voting at the Meeting. As a beneficial owner, you have the right to direct that organization on how to vote the shares in your account.

How do I vote?

With respect to the election of directors, you may either vote “for” any or all of the nominees proposed by the Board or you may abstain from voting for any or all of the nominees. With respect to the approval on an advisory, non-binding basis of the frequency of the shareholder advisory vote to approve named executive officers compensation, you may either vote for a one year, two year or three year frequency. For each of the other matters to be voted on, you may vote “for” or “against” or abstain from voting altogether. Whether you are a Shareholder of record or the beneficial owner of shares held in “street name,” the procedures for voting are fairly straightforward, as described below:

Shareholders of Record: Shares Registered in Your Name

If you are a Shareholder of record, you may vote in person at the Meeting or vote by proxy using the enclosed proxy card. To vote in person, you need only attend the Meeting, where you will be given a ballot to vote on each of the proposals. To vote using the proxy card, simply complete, sign, and date the enclosed proxy card and return it promptly in the envelope provided. So long as you return your signed proxy card to us before the Meeting, your shares will be voted as you have directed on the card. We request that all Shareholders voting by proxy return their completed proxy cards to us by no later than February 14, 2014.

Beneficial Owner: Shares Held in “Street Name”

If you are a beneficial owner of shares held in “street name,” you should have received a proxy card and voting instructions with these proxy materials from the organization holding your account. Simply complete and mail the proxy card to ensure that your vote is counted. Alternatively, you may vote in person at the Meeting. However, to vote in person, you must obtain a valid proxy from the organization holding your account and present it to the inspector of elections at the Meeting. Please refer to the instructions from that organization included with these proxy materials if you wish to obtain a proxy.

Regardless of how your shares are held and whether or not you plan to attend the Meeting, we encourage you to vote by proxy to ensure that your vote is counted. Please note that you may still attend the Meeting and vote in person, even if you have already voted by proxy.

If my shares are held in “street name” by a broker or other nominee, will my broker or nominee vote my shares for me?

If your shares are held in street name and you do not instruct your broker or other nominee on how to vote your shares, your broker or other nominee, in its discretion, may either leave your shares unvoted or vote your shares on routine matters. The election of directors and the approval of the amendment to the 2007 Stock Option Plan are considered a non-routine matters. Consequently, without your voting instructions, your broker or other nominee cannot vote your shares on these proposal. These unvoted shares, called “broker non-votes,” refer to: (i) shares held by brokers who have not received voting instructions from their clients and who do not have discretionary authority to vote on non-routine matters, or (ii) shares for which the broker did not exercise discretionary authority to vote on a particular matter. The other proposals are considered routine matters. Therefore, your broker or other nominee will be able to vote on these proposals even if it does not receive instructions from you, so long as it holds your shares in its name. To the extent your broker or other nominee votes your shares on your behalf on this proposal, your shares also will be counted as present for the purpose of determining a quorum. A broker non-vote will not be considered shares voting or as votes cast with respect to any matter presented at the Meeting. As a result, a broker non-vote will not have any effect on the proposals presented at the Meeting.

How are votes counted?

Votes will be counted by the Company's corporate secretary who will separately count "for" and (with respect to proposals other than the election of directors and frequency of the advisory vote on named executive officers compensation) "against" votes, abstentions and "broker non-votes". Abstentions and broker non-votes will be counted towards the presence or absence of a quorum but will not be counted towards the affirmative vote total for any proposal.

How many votes are needed to approve each proposal?

The number of votes needed to approve each proposal is as follows:

Proposal No. 1: The election of the directors contemplated by Proposal No. 1 will be decided by a plurality of votes cast. Accordingly, the five directors receiving the highest number of votes will be elected and abstentions and broker non-votes will have no effect on the outcome of the vote.

Proposal No. 2: The ratification of the selection of RSJ contemplated by Proposal No. 2 must receive a "for" vote from the holders of a majority of the shares of our common stock present and entitled to vote either in person or by proxy at the Meeting. Abstentions will have the same effect as "against" votes, and broker non-votes will have no effect.

Proposal No. 3: The amendment of the Company's 2007 Stock Option Plan requires the affirmative vote of a majority of the shares of Common Stock present and voting at a meeting. Abstentions will have the same effect as "against" votes, and broker non-votes will have no effect.

Proposal No. 4: The approval on an advisory non-binding basis of the named executive officers compensation requires the affirmative vote of a majority of the shares of Common Stock present and voting at the meeting. Abstentions will have the same effect as "against" votes, and broker non-votes will have no effect.

Proposal No. 5: The approval on an advisory, non-binding basis of the frequency of the advisory vote on named executive officers compensation requires the affirmative vote of a plurality of the shares present and voting at the meeting voting for a one, two or three year frequency. Abstentions and broker non-votes will have no effect.

How many votes do I have?

Each Shareholder of record as of December 31, 2013, is entitled to cast one vote for each share of our common stock held on each matter to come before the Meeting, except that Shareholders may have cumulative voting rights with respect to the election of directors.

Cumulative voting allows a Shareholder to cast a number of votes equal to the number of directors to be elected, which is five (5), multiplied by the number of votes held in the Shareholder's name on December 31, 2013. This total number of votes may be cast for one nominee or may be distributed among as many nominees as the Shareholder desires. Under California law, no shareholder can cumulate votes unless, prior to voting at the Meeting, such shareholder has given notice of his or her intention to cumulate his or her votes at the Meeting. If any shareholder properly gives such notice, then all shareholders may cumulate their votes for candidates in nomination. Our Board does not, at this time, intend to give such notice or to cumulate the votes it may hold pursuant to the proxies solicited herein unless the required notice by a Shareholder is given, in which event votes represented by proxies delivered pursuant to this Proxy Statement may be cumulated at the discretion of the proxy holders, in accordance with the recommendation of our Board.

What is the quorum requirement?

A quorum of Shareholders is necessary to hold a valid annual meeting of shareholders. A quorum will be present if at least a majority of the outstanding shares are present either in person or by proxy at the Meeting. On the record date, December 31, 2013, there were 16,073,894 shares outstanding and entitled to vote. Accordingly, 8,036,948 shares must be present either in person or by proxy at the Meeting in order to establish a proper quorum to enable us to conduct a vote on each of the proposals at the Meeting.

Your shares will be counted towards the quorum only if you submit a valid proxy or vote in person at the Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present either in person or by proxy at the Meeting may adjourn the Meeting to another date.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, then your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted at the Meeting.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, all of your shares will be voted “for” the election of the nominees for director, “for” a three year frequency for the advisory vote on named executive officers compensation and “for” the other proposals described in this Proxy Statement. If any other matter is properly presented at the Meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Can I change my vote after submitting my proxy?

You can change your vote with respect to any proposal by revoking your proxy at any time prior to the commencement of voting with respect to that proposal at the Meeting. You may revoke your proxy in one of three ways:

You may submit another properly completed proxy card with a later date. Please note that we request that all Shareholders voting by proxy return their completed proxy cards to us by no later than February 14, 2014, which is 11 days prior to the Meeting.

Edgar Filing: SIMULATIONS PLUS INC - Form DEF 14A

You may send a written notice that you are revoking your proxy to our Secretary (c/o Virginia Woltosz, Simulations Plus, Inc. 42505 10th Street West, Lancaster, CA 93534). To properly revoke your proxy via written notice, this notice must be received by us no later than the close of business on Friday, February 14, 2014.

You may attend the Meeting and vote in person. Bear in mind that simply attending the Meeting will not, by itself, revoke your proxy. In addition, please recall that if you are a beneficial owner of shares held in "street name" and wish to vote in person at the Meeting, you must obtain a valid proxy from the organization holding your account and present it to the inspector of elections at the Meeting.

Following the commencement of voting with respect to each proposal, you may not revoke your proxy or otherwise change your vote with respect to each such proposal. Please note that dissenter's rights are not available with respect to any proposal to be voted upon at this meeting.

How can I find out the results of the voting at the Meeting?

Preliminary voting results are expected to be announced at the Meeting. Final voting results will be disclosed in a Current Report on Form 8-K, which we will file with the U.S. Securities and Exchange Commission (the “SEC”) within four (4) business days after the Meeting.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks, and other agents for the cost of forwarding proxy materials to beneficial owners.

When are shareholder proposals due for next year’s Meeting?

Proposals of Shareholders that are intended to be presented by such Shareholders at the Company’s next Meeting of Shareholders for the fiscal year ending August 31, 2014, must be received by the Company no later than September 5, 2014, in order to be considered for inclusion in the proxy statement and form of proxy relating to that meeting.

PROPOSAL No. 1: ELECTION OF DIRECTORS

Nomination of Directors

The Governance and Nominating Committee (the “Nominating Committee”) is charged with making recommendations to the Board regarding qualified candidates to serve as members of the Board (each, a “Director”). The Nominating Committee’s goal is to assemble a Board with the skills and characteristics that, taken as a whole, will assure a strong Board with experience and expertise in all aspects of corporate governance. Accordingly, the Nominating Committee believes that candidates for Director should have certain minimum qualifications, including personal integrity, strength of character, an inquiring and independent mind, practical wisdom and mature judgment. In evaluating director nominees, the Nominating Committee considers the following factors:

- (1) The appropriate size of the Board;
- (2) Our needs with respect to the particular talents and experience of its directors; and

- (3) The knowledge, skills and experience of nominees, including experience in technology, business, finance, administration or public service.

Other than the foregoing, there are no stated minimum criteria for Director nominees, although the Nominating Committee may also consider such

other factors as it deems to be in our and our Shareholders' best interests. The Nominating Committee does, however, believe it appropriate for at least one member of the Board to meet the criteria for an "audit committee financial expert" as defined by SEC rules, and for a majority of the members of the Board to meet the definition of an "independent director" under NASDAQ (as defined below) listing standards. The Nominating Committee also believes it is appropriate for our Chief Executive Officer and our Corporate Secretary to participate as members of the Board.

The Nominating Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination, but the Nominating Committee at all times seeks to balance the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service, the Nominating Committee's policy is to not re-nominate that member for reelection. The Nominating Committee identifies the desired skills and experience of a new nominee for the criteria above, and then uses its network of contacts to compile a list of candidates.

We do not have a formal policy concerning Shareholder recommendations of Director candidates to the Nominating Committee. The absence of such a policy does not mean, however, that such recommendations will not be considered. To date, we have not received any recommendations from Shareholders requesting the Nominating Committee to consider a candidate for inclusion among the Nominating Committee's slate of nominees in our proxy statement. Shareholders wishing to make such a recommendation of a Director candidate may do so by sending a written notice to the Nominating Committee, Attn: Chairman, Simulations Plus, Inc., 42505 10th Street West, Lancaster, CA 93534, naming the proposed candidate and providing detailed biographical and contact information for such proposed candidate.

There are no arrangements or understanding between any of our directors, nominees for directors or officers and any other person pursuant to which any director, nominee for director, or officer was or is to be selected as a director, nominee or officer, as applicable.

Vote Required; Board Recommendation

The Board recommends that you vote all of your shares “for” the election to the Board of the nominees described in this Proposal No. 1.

PROPOSAL No. 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Background

The Audit Committee of the Board has selected RSJ as our independent registered public accounting firm for the fiscal year ending August 31, 2014, and has further directed us to submit the selection of RSJ as our independent registered public accounting firm for ratification by the Shareholders at the Meeting. Neither our governing documents nor any applicable laws require Shareholder ratification of the selection of RSJ as our independent registered public accounting firm. However, the Audit Committee is submitting the selection of RSJ to the Shareholders for ratification as a matter of good corporate practice. If the Shareholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain RSJ. Even if the selection is ratified however, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests and those of our Shareholders.

Independent Registered Public Accounting Firm Fee Information

In connection with the audit of our financial statements for the year ended August 31, 2013, we entered into an engagement agreement with RSJ which set forth the terms by which RSJ has performed audit services for us. That agreement is subject to alternative dispute resolution procedures and an exclusion of punitive damages.

The following table sets forth the aggregate fees billed by RSJ for the services indicated for each of the last two fiscal years:

	Fiscal Year Ended August 31, 2013	Fiscal Year Ended August 31, 2012
Audit Fees (1)	\$59,570	\$86,190
Audit-Related Fees	–	–
Tax Fees	–	–
All Other Fees	–	–
Total Fees	\$59,570	\$86,190

(1) Includes fees for (i) the audit of our annual financial statements for the fiscal years ended August 31, 2013 and 2012, included in our Annual Reports on Form 10-K, (ii) the review of our interim period financial statements for fiscal years 2013 and 2012 included in our Quarterly Reports on Form 10-Q, and (iii) related services that are normally provided in connection with regulatory filings or engagements.

Audit Committee Policy Regarding Preapproval of Audit and Permissible Non-audit Services of Our Independent Registered Public Accounting Firm

The Audit Committee has adopted policies and procedures for the preapproval of all audit and non-audit services to be rendered by our independent registered public accounting firm. Under the policies and procedures, the Audit Committee generally preapproves specified services in defined categories up to specified amounts. Preapproval may also be given as part of the Audit Committee's approval of the scope of the engagement of the independent registered public accounting firm or on a case-by-case basis for specific tasks before engagement. The Audit Committee has delegated the preapproval of services to the chairman of the Audit Committee who is required to report each preapproval to the full Audit Committee no later than its next meeting. One hundred percent (100%) of Audit Fees and Audit-Related Fees were approved by the Audit Committee.

Vote Required; Board Recommendation

To be approved, this Proposal No. 2 must receive a "for" vote from the holders of a majority of the shares of common stock present and entitled to vote either in person or by proxy at the Meeting. Abstentions will have the same effect as votes "against" Proposal No. 2; broker non-votes will have no effect. The Board recommends a vote "for" this Proposal No. 2 to ratify the selection by the Audit Committee of RSJ as our independent registered public accounting firm for the fiscal year ended August 31, 2014.

Representatives of RSJ are not expected to be present at the Meeting. Accordingly, RSJ will not have an opportunity to make a statement or be available to respond to questions at the Meeting.

PROPOSAL No. 3: APPROVAL OF AMENDMENT TO 2007 STOCK OPTION PLAN.

Our Board has approved an amendment to the Simulations Plus, Inc. 2007 Stock Option Plan (the “2007 Plan”), subject to Shareholder approval at the Meeting, in order to add 1,000,000 shares for possible future issuances under the 2007 Plan. The amendment of the 2007 Plan will be effective as of the date it is approved by the Shareholders. The 2007 Plan was initially approved by the the Board and the Shareholders in February 2007 to promote the interests of the Company and the Shareholders by: (i) attracting and retaining exceptional directors, employees and consultants (including prospective directors, employees and consultants), and (ii) enabling such individuals to participate in the long-term growth and financial success of the Company. The following description of the 2007 Plan is qualified by reference to the full text thereof, which is attached as Appendix A to the to this Proxy Statement and indicates the proposed changes to the 2007 Plan.

Eligible Participants

Any director, employee or consultant (including any prospective director, employee or consultant) of the Company and any affiliate of the Company shall be eligible to be designated a participant in the 2007 Plan for purposes of receiving awards. However, incentive stock options (“ISOs”) may be granted only to employees. After the Meeting, we anticipate that we will have approximately five directors, twenty eight employees, and no consultants eligible to receive awards under the 2007 Plan.

Plan Administration

Our Board, or one or more committees appointed by our Board, administers the 2007 Plan (in either case, the “administrator”). In the case of awards intended to qualify as “performance-based compensation” within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), the committee will consist of two or more “outside directors” within the meaning of Section 162(m) of the Code. The administrator has the power to determine the terms of the awards, including the exercise price (which may be changed by the administrator after the date of grant), the number of shares subject to each award, the exercisability of the awards and the form of consideration payable upon exercise. The administrator also has the power to implement an award exchange program (whereby awards may be exchanged or cancelled for awards with lower exercise prices or different terms), or a program through which participants may reduce cash compensation payable in exchange for awards. The administrator may also create other stock-based awards that are valued in whole or in part by reference to (or are otherwise based on) shares of our common stock.

Shares Available For Awards

Subject to adjustment as provided below, following the amendment to the 2007 Plan, the aggregate number of shares of our common stock that may be issued pursuant to awards granted under the 2007 Plan will be 2,000,000. As of December 5, 2013, there were 809,300 options granted pursuant to the 2007 Plan. Notwithstanding the foregoing, following the amendment of the 2007 Plan the maximum number of shares that may be issued pursuant to ISOs and NSOs granted under the 2007 Plan is 2,000,000.

If an award expires or is terminated or canceled without having been exercised or settled in full, it is forfeited back to or repurchased by us, the terminated portion of the award (or forfeited or repurchased shares subject to the award) will become available for future grant or sale under the 2007 Plan (unless it has terminated). Shares are not deemed to be issued under the 2007 Plan with respect to any portion of an award that is settled in cash. If the exercise or purchase price of an award is paid for through the tender of shares, or withholding obligations are met through the tender or withholding of shares, those shares tendered or withheld will again be available for issuance under the 2007 Plan.

Awards

The 2007 Plan provides for the grant of options intended to qualify as ISOs under Section 422 of the Code to our and our affiliates’ employees and NSOs, stock appreciation rights, restricted stock awards, restricted stock units, unrestricted stock awards, performance unit awards, performance share awards, and other stock-based awards (each, an “award”) to our and our affiliates’ directors, employees, and consultants.

STOCK OPTIONS.

An option is the right to purchase shares of our common stock at a fixed exercise price for a fixed period of time. The administrator may grant both ISOs and NSOs under the 2007 Plan. Except as otherwise determined by the administrator in an award agreement, the exercise price for options cannot be less than the fair market value (as defined in the 2007 Plan) of our common stock on the date of grant. The term of each option will be determined by the administrator; provided that no ISO will be exercisable after the tenth (10th) anniversary of the date the option is granted. In the case of ISOs granted to an employee who, at the time of the grant of an option, owns stock representing more than ten percent (10%) of the voting power of all classes of our stock or the stock of any of our affiliates, the exercise price cannot be less than 110% of the fair market value of a share of our common stock on the date of grant and its term will be five years or less from the date of grant. All options granted under the 2007 Plan will be NSOs unless the applicable award agreement expressly states that the option is intended to be an ISO. No participant shall be granted more than 100,000 options in any one year.

Options shall vest and become exercisable as determined by the administrator. The exercise price will be payable with cash (or its equivalent), under the “cashless” exercise program implemented by the Company or by other methods as permitted by the administrator to the extent permitted by applicable law.

If a participant’s employment or relationship with us is terminated, the participant (or his or her designated beneficiary or estate representative in the case of death) may exercise his or her option within such period of time as is specified in the award agreement to the extent that the option is vested on the date of termination. In the absence of a specified time in the award agreement, the option will remain exercisable for three (3) months following the date of termination, except in the case where termination is as a result of disability or death, in which case the option will remain exercisable for twelve (12) months following the date of termination or death.

The administrator may at any time offer to buy out an option previously granted for a payment in cash or shares of our common stock based on such terms and conditions as the administrator shall establish and communicate to the participant at the time that such offer is made.

RESTRICTED STOCK. Restricted stock awards are awards of shares of our common stock that vest in accordance with terms and conditions established by the administrator. The administrator may impose whatever conditions to vesting it determines to be appropriate. The administrator will determine the number of shares of restricted stock granted to any employee. The administrator determines the purchase price of any grants of restricted stock and, unless the administrator determines otherwise, shares that do not vest typically will be subject to forfeiture or to our right of repurchase, which we may exercise upon the voluntary or involuntary termination of the purchaser's service with us for any reason including death or disability. Holders of restricted stock may exercise voting rights with respect to such stock, unless the administrator determines otherwise. During the period of restriction, holders of restricted stock will be entitled to receive all dividends and other distributions paid with respect to such stock unless otherwise provided in the award agreement. If any such dividends or distributions are paid in our shares of common stock, such shares will be subject to the same restrictions on transferability and forfeitability as the restricted stock with respect to which they were paid.

UNRESTRICTED STOCK. Subject to the terms of an award agreement, a participant may be awarded (or sold at a discount) shares of our common stock that are not subject to restrictions, in consideration for past services rendered to us, our affiliates or for other valid consideration.

STOCK APPRECIATION RIGHTS. A stock appreciation right is the right to receive an amount equal to the appreciation in the fair market value of our common stock between the exercise date and the date of grant, for that number of shares of our common stock with respect to which the stock appreciation right is exercised. We may pay the appreciation in either cash, in shares of our common stock with equivalent value, or in some combination, as determined by the administrator and in conformance with Section 409A of the Code. The administrator determines the exercise price of stock appreciation rights, the vesting schedule, and other terms and conditions of stock appreciation

rights; however, stock appreciation rights expire under the same rules that apply to stock options. The administrator may at any time offer to buy out, for a payment in cash or shares of our common stock, a stock appreciation right previously granted based on such terms and conditions as the administrator shall establish and communicate to the participant at the time that such offer is made.

PERFORMANCE UNITS AND PERFORMANCE SHARES. Performance units and performance shares are awards that will result in a payment to a participant only if performance goals established by the administrator are achieved or the awards otherwise vest. The administrator will establish performance goals in its discretion, which, depending on the extent to which they are met, will determine the number and/or value of performance units and performance shares to be paid to the participant. The performance goals may be based upon the achievement of the Company, divisional or individual goals or objectives, securities laws, or any other basis determined by the administrator. Payment for performance units and performance shares may be made in cash or in shares of our common stock with equivalent value, or in some combination, as determined by the administrator. Performance units will have an initial dollar value established by the administrator prior to the grant date. Performance shares will have an initial value equal to the fair market value of our common stock on the grant date.

RESTRICTED STOCK UNITS. Restricted stock units are awards of restricted stock, performance shares, and/or performance units that are paid out in installments or on a deferred basis as determined by the administrator in its sole discretion in accordance with rules and procedures established by the administrator and in conformance with Section 409A of the Code.

OTHER STOCK BASED AWARDS. The administrator has the authority to create awards under the 2007 Plan in addition to those specifically described in the 2007 Plan. These awards must be valued in whole or in part by reference to, or must otherwise be based on, the shares of our common stock.

Transferability of Awards

Generally, unless the administrator determines otherwise, our 2007 Plan does not allow for the transfer of awards other than by will or by the laws of descent and distribution, and only the participant may exercise an award during his or her lifetime.

Amendment and Termination of the 2007 Plan

The Board may at any time amend, alter, suspend or terminate the 2007 Plan.

Unless sooner terminated, the 2007 Plan shall terminate on February 23, 2017, the date that is 10 years from the date the 2007 Plan was originally adopted by the Board.

Effectiveness

The amendment to the 2007 Plan will be effective as of February 25, 2014, subject to Shareholder approval.

Liquidation or Dissolution of the Company

In the event of the proposed dissolution or liquidation of the Company, the administrator will notify each participant as soon as practicable prior to the effective date of such proposed transaction. The administrator in its discretion may provide for a participant to have the right to exercise his or her award, to the extent applicable, until ten (10) days prior to such transaction as to all of the stock covered thereby, including shares of our common stock as to which such award would not otherwise be exercisable. In addition, the administrator may provide that any Company repurchase option or forfeiture rights applicable to any award shall lapse 100%, and that any award vesting shall accelerate 100%, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised or vested, an award will terminate immediately prior to the consummation of such proposed action.

Change in Control

Generally, in the event the Company experiences a “change in control,” as that term is defined in the 2007 Plan, it is anticipated that awards will be assumed by the successor corporation or that the successor corporation will substitute an equivalent award in its place. However, if the successor corporation refuses to assume or substitute the outstanding award, then the administrator may provide that the vesting of any award shall accelerate 100%. If accelerated, the administrator shall give the recipient fifteen (15) days notice from which to exercise the vested awards. At the end of such fifteen (15)-day period, the awards shall terminate if they are not exercised.

Plan Benefits

The benefits received by the Company’s executive officers and directors under the 2007 Plan are disclosed below under the captions “Director Compensation” and “Executive Compensation and Other Information.”

Federal Income Tax Consequences

To the Optionees or Recipients

NSOs. An optionee generally will not recognize any income for federal income tax purposes on the grant of an NSO. Upon the exercise of an NSO, an optionee generally will recognize compensation taxable as ordinary income, equal to the difference between the fair market value of our common stock on the date of exercise and the exercise price. This compensation is subject to withholding taxes. An optionee will recognize gain or loss on the sale or exchange of stock acquired pursuant to an exercise of an NSO. Such gain or loss will be equal to the difference between the optionee’s adjusted basis in the stock, which will include the exercise price and any ordinary income recognized on exercise of the option, and the fair market value of the stock on the date of sale or exchange. The gain may be subject to preferential tax treatment if the stock has been held for more than one year.

ISOs. An optionee will not recognize any income for federal income tax purposes on the grant of an ISO. Upon the exercise of an ISO, tax is deferred until the underlying stock is sold (though the spread at exercise may be a tax preference for purposes of the Alternative Minimum Tax). When sold, the ISO is taxed at the capital gains rate on the full amount of appreciation for the sales proceeds over the option cost, provided the employee has satisfied the holding period prescribed for ISOs -- the longer of two (2) years from the date of grant or one (1) year from the date of exercise. If the ISO stock is sold within the holding period, the option is taxed as an NSO.

RESTRICTED STOCK. Generally, a recipient recognizes no income from the grant of a restricted stock award until the grant is no longer subject to a substantial risk of forfeiture. Upon the lapse of a substantial risk of forfeiture (i.e.,

the restricted stock becomes vested), the recipient has taxable income equal to the excess of the fair market value of the restricted stock over the amount paid. Upon a later disposition, the computation of taxable gain will take into account any previous taxes paid, and the gain may be subject to preferential tax treatment if the restricted stock has been held for more than one (1) year.

UNRESTRICTED STOCK. Unrestricted stock generally has the same tax consequences as restricted stock.

STOCK APPRECIATION RIGHTS. A recipient of a stock appreciation right will generally recognize ordinary income for federal income tax purposes, the timing of which depends on the terms of the underlying award agreement and Section 409A of the Code.

PERFORMANCE UNITS AND PERFORMANCE SHARES. A recipient of a performance unit/share generally recognizes no income until the performance objectives are satisfied. If the payout is in stock, the recipient has taxable income equal to the excess of the fair market value of the stock over the amount paid. Upon a later disposition, the computation of taxable gain will take into account any previous taxes paid, and the gain may be subject to preferential tax treatment if the stock has been held for more than one year. If the payout is in cash, the recipient has ordinary income equal to the amount of cash received.

RESTRICTED STOCK UNITS. Restricted stock units must comply with Section 409A of the Code, and will be taxed in accordance with the terms of its underlying award agreement.

OTHER STOCK BASED AWARDS. The taxation of other stock based awards depends on the nature of the award.

With the exception of ISO awards, we generally are entitled to a business expense deduction at the time and in the amount that the optionee/recipient recognizes ordinary income in connection with the grant or exercise of the award. As to grants of ISOs, we generally receive no deduction associated with such grant except when the recipient has a disqualifying disposition. Upon a disqualifying disposition, the option loses its ISO status, converts to a NSO, and is taxed accordingly.

VOTE REQUIRED.

To be approved, this Proposal No. 3 must receive a “for” vote from the holders of a majority of the shares of common stock present and entitled to vote either in person or by proxy at the Meeting. Abstentions will have the same effect as votes “against” Proposal No. 3; broker non-votes will have no effect.

Recommendation of the Board of Directors

The Board recommends a vote “for” this Proposal No. 3 to amend the 2007 Plan.

PROPOSAL No. 4 ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

In accordance with Section 14a of the Exchange Act, the Company is providing Shareholders with an advisory (non-binding) vote on compensation programs, that is sometimes referred to as “say on pay,” for our Named Executive Officers (as defined below). Accordingly, you may vote on the following resolution at the Meeting:

"RESOLVED, that the compensation paid to the Named Executed Officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion is hereby APPROVED."

This vote is non-binding. The Board intends to consider the outcome of the vote when making future executive compensation decisions and, in particular, to consider any significant negative voting results to the extent they can determine the cause or causes for such votes. The Board has determined that, until the next vote on the frequency of shareholder votes on executive compensation, the Company will hold future advisory votes on executive compensation every 3 years.

We believe our executive compensation is structured in the manner that best serves the interests of the Company and its Shareholders. We encourage Shareholders to read the Compensation Discussion and Analysis section of this Proxy Statement which provides a more thorough review of our compensation philosophy and how that philosophy was implemented in 2013.

Vote Required

To be approved on an advisory basis, this Proposal No. 4 must receive a “for” vote from the holders of a majority of the shares of common stock present and entitled to vote either in person or by proxy at the Meeting. Abstentions will have the same effect as votes “against” Proposal No. 4; broker non-votes will have no effect.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that you vote “for” the approval of the Named Executive Officers compensation as disclosed in the accompanying compensation tables and the related narrative disclosure.

PROPOSAL No. 5 ADVISORY VOTE TO AS TO WHETHER THE ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICERS COMPENSATION SHOULD TAKE PLACE EVERY 1, 2 OR 3 YEARS

In accordance with Section 14a of the Exchange Act, the Company is providing Shareholders with an advisory (non-binding) vote as to whether the advisory vote to approve Named Executive Officers compensation should occur every 1, 2 or 3 years. The Board recommends that shareholders vote to hold an advisory vote on executive compensation every third year.

The Board has determined that holding an advisory vote on executive compensation every three (3) years is the most appropriate policy for the Company at this time, and therefore recommends that future shareholder advisory votes on executive compensation occur every three (3) years.

While this shareholder vote on the frequency of future advisory votes on the compensation of our Named Executive Officers is merely advisory and will not be binding upon the Company or the Board, we value the opinions of our Shareholders and will consider the outcome of the vote when considering the frequency with which the compensation of our Named Executive Officers will be subject to an advisory, non-binding shareholder vote. The Board may decide that it is in the best interests of our Shareholders and the Company to hold an advisory vote to approve the compensation of our Named Executive Officers more or less frequently than the option approved by our Shareholders.

Vote Required

The frequency of the advisory, non-binding stockholder advisory vote to approve the compensation of our Named Executive Officers will be selected by a plurality of “for” votes by the shares of common stock present and entitled to vote either in person or by proxy at the Meeting. The option (every one, two or three years) receiving the highest number of “for” votes will be considered the frequency recommended by the Shareholders. Abstentions and broker non-votes will have no effect on the outcome of this Proposal No. 5.

Recommendation of the Board of Directors

The Board recommends that shareholders vote “for” a frequency period of every three (3) years for future advisory votes on the compensation of our Named Executive Officers.

Section 16(a) Beneficial Ownership Reporting Compliance

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required during the fiscal year ended August 31, 2013, all Section 16(a) filing requirements applicable to our officers, Directors and 10% beneficial owners were complied with except the following: Walter Woltosz, known failure to file one Form 4 on time; Virginia Woltosz, known failure to file one Form 4 on time; and David D’Argenio, known failures to file two Form 4s on time.

Board Leadership Structure

The Company does not have a lead independent director and does not believe one is necessary. We believe our leadership structure is appropriate for the size and scope of operations of a company of our size.

Board's Role in Risk Management

The Board is responsible for oversight of risks facing the Company, while our management is responsible for day-to-day management of risk. The Board, as a whole, directly oversees our strategic and business risk, including financial reporting related risk, compensation practice risk, and product development risk. We believe the Board, as a whole, supports its role in risk oversight, with our Chief Executive Officer and our Chief Financial Officer responsible for assessing and managing risks facing the Company day-to-day and other members of the Board providing oversight of such risk management.

Director Compensation

Independent Directors currently receive annual stipends of \$5,000 (increased to \$9,000 for fiscal year 2014) plus 4,000 options (increased to 5,000 for fiscal year 2014) to purchase shares of the Company's common stock per person per year for their services. In addition to their annual stipends, the Company pays each Independent Director \$1,000 per Board meeting attended (Increased to \$1,500 for FY14). Mileage expense to attend those meetings is reimbursed at the Internal Revenue Service defined rate for business use, except for the Independent Directors who are local residents. The Company's President and Chief Executive Officer ("CEO"), Mr. Woltosz, serves also as a Director and therefore has a role in determining/recommending the amount or form of compensation for Independent Directors. Mr. Woltosz does not receive any additional compensation for his service as a director as, as stated above, he is not considered an "Independent Director".

EXECUTIVE COMPENSATION AND OTHER INFORMATION

Compensation Discussion and Analysis

The purpose of the Company's compensation program is to attract and retain talented and dedicated professionals to manage and execute our strategic plans and tactical operations. Although the Company's Named Executive Officer salaries have been and remain significantly lower than those of similar public companies, management and the Board believe that the award of stock options has fairly rewarded loyal, long-term employees who have contributed to our

growth and financial success.

The goal of our Named Executive Officer compensation program is the same as our goal for operating the Company - to create long-term value for our Shareholders. Toward this goal, we have designed and implemented our compensation programs for our Named Executive Officers to reward them for sustained financial and operating performance and leadership excellence, to align their interests with those of our Shareholders and to encourage them to remain with the Company for long and productive careers. Most of our compensation elements simultaneously fulfill one or more of our performance, alignment and retention objectives. These elements consist of salary and annual bonus, equity incentive compensation, and 401(k) matching retirement benefits. In deciding on the type and amount of compensation for each Named Executive Officer, we focus on both current pay and the opportunity for future compensation. We combine the compensation elements for each Named Executive Officer in a manner we believe optimizes the Named Executive Officer's contribution to the Company.

Determining Compensation

We rely on our judgment in making compensation decisions, after reviewing the performance of the Company and carefully evaluating an executive's performance during the year against established goals, leadership qualities, operational performance, business responsibilities, and career with the Company, current compensation arrangements and long-term potential to enhance Shareholder value.

The President and Chief Executive Officer's compensation is determined by the Compensation Committee and as set forth below under the subsection entitled "Employment and Other Compensation Agreements". The salaries of all other officers are determined by the CEO and the Compensation Committee together. Option grants are recommended by the CEO and the Company's Chief Financial Officer ("CFO") and approved by the Board. The Company has not retained a compensation consultant to date.

The CEO's bonus has been determined based on the terms of an employment agreement. Effective as of September 1, 2011 (fiscal year 2012), the CEO's employment agreement provides for an annual bonus of up to ten percent (10%) of his annual salary, and stock options as described in the agreement, which is attached to the Company's Annual Report on Form 10-K filed with the SEC on November 15, 2012 as Exhibit 10.5. On August 22, 2013, effective as of September 1, 2013, the CEO's employment agreement was renewed for another year by the Compensation Committee and provides for an annual bonus of up to five percent (5%) of the Company's net income before taxes of the previous fiscal year not to exceed \$60,000. In addition the agreement calls for the granting of ten (10) options to purchase shares of the Company's common stock for each \$1,000 of net income before taxes that the Company earns at the end of each fiscal year (up to a maximum of twenty thousand (20,000) options over the term of the agreement) at an exercise price equal to ten percent (10%) over the market value per share as of the date of grant (the number of shares to be adjusted accordingly for any stock splits or reverse splits after the date of the agreement). A copy of the agreement is attached to the Company's 2013 Form 10-K filed with the SEC on November 18, 2013 as Exhibit 10.9.

Bonuses for all other employees are determined through a calculation of two factors, one for longevity and one for performance, with the greater emphasis on performance. Supervisors provide an evaluation of each employee in five areas: attendance; attitude; productivity; skill level with respect to the position they occupy; and contribution to the Company's profitability. A scoring system is used and bonuses are awarded based on this system and the total budget for bonuses as determined by the CEO and CFO with the approval of the Board.

The Company provides 401(k) matching up to 4% of employees' salaries or wages up to the U.S. Internal Revenue Service maximum allowable, regardless of their position within the Company.

We provide cell phones to the Named Executive Officers and other employees for business communication purposes. However, we allow the personal use of cell phone usage as long as it does not exceed our allowable minutes and text messages. In the event the personal usage exceeds the allowance, the employees are financially responsible for the

excess. There are no other perquisites or other benefits of any kind for any officer or any other employee or director of the Company.

Employment and Other Compensation Agreements

During fiscal year ended August 31, 2012, the Company was party to an employment agreement with Walter Woltosz, the CEO, which commenced September 1, 2011, and had a term of two years. The agreement provided for: 1) a base salary of \$300,000 per year; 2) options to purchase fifty (50) shares of the Company's common stock for each \$1,000 of net income before taxes at the end of each fiscal year (up to a maximum of 120,000 options over the term – to be adjusted for stock split or reverse split) over the term of agreement; and 3) a bonus not to exceed ten percent (10%) of salary, or \$30,000 per year. This agreement ended as of August 31, 2013.

As stated above, effective as of September 1, 2013, the CEO's employment agreement was renewed for another year by the Compensation Committee and amended to provide for an annual bonus of up to five percent (5%) of the Company's net income before taxes of the previous fiscal year not to exceed \$60,000. In addition the agreement calls for the granting of ten (10) options to purchase shares of the Company's common stock for each \$1,000 of net income before taxes that the Company earns at the end of each fiscal year (up to a maximum of twenty thousand (20,000) options over the term of the agreement) at an exercise price equal to ten percent (10%) over the market value per share as of the date of grant (the number of shares to be adjusted accordingly for any stock splits or reverse splits after the date of the agreement).

Mr. Woltosz was entitled to such health insurance and other benefits that are not inconsistent with that which we customarily provide to our other management employees and to reimbursement of customary, ordinary and necessary business expenses incurred in connection with the rendering of services to the Company. The agreement also provides that we may terminate the agreement without cause upon thirty (30) days written notice, and that upon any such termination our only obligation to Mr. Woltosz would be for a payment equal to the greater of (i) twelve (12) months of salary or (ii) the amount of salary for the remainder of the term of the employment agreement from the date of notice of termination. Further, the agreement provides that we may terminate the agreement for cause (as defined in such employment agreement) and that our only obligation to Mr. Woltosz upon any such termination would be limited to the payment of Mr. Woltosz' salary and benefits through and until the effective date of any such termination.

As part of the agreement with the original underwriter and as partial compensation for the sale of Words+ to Simulations Plus in 1996, commencing with our fiscal year ended 1997 and for each fiscal year thereafter, Virginia Woltosz is entitled to receive bonuses not to exceed \$60,000, equal to five percent (5%) of our net annual income before taxes. The bonus for fiscal year 2012 was paid on September 14, 2012, and the bonus for fiscal year 2013 was paid on September 13, 2013.

Risk Assessment

The Compensation Committee has determined that our compensation programs are designed and administered with the appropriate balance of risk and reward in relation to our overall business strategy and do not encourage our executives to take unnecessary or excessive risks that are reasonably likely to have a material adverse effect on the Company.

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis provided above and based on such review, has recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

For documents relating to Simulations Plus, Inc., direct requests to:

Simulations Plus, Inc.

Attn: Renee Bouche

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for shareholders and cost savings for companies.

We have adopted householding for our Shareholders who share an address. If you reside at the same address as another Shareholder of the Company, and wish to receive a separate copy of the applicable materials, you may do so by making a written or oral request to: Renee Bouche, Simulations Plus, Inc., at 42505 10th Street West, Lancaster, CA 93534, or call (661) 723-7723. Upon your request, we will promptly deliver a separate copy to you.

Some brokers household proxy materials, delivering a single proxy statement or notice to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or notice, please notify your broker directly.

Any shareholders who share the same address and currently receive multiple copies of our proxy statements and annual reports, as applicable, and who wish to receive only one copy in the future may contact their bank, broker, or other holder of record, or the Company at the contact information listed above, to request information about householding.

Shareholders are encouraged to contact the Company with any requests for information or to communicate with the Board via telephone, mail, or through our web site investor information request form at:

SHAREHOLDER PROPOSALS

Under certain circumstances, our Shareholders are entitled to present proposals at Shareholder meetings. Shareholders of the Company who intend to submit proposals, including proposals for director nominees, to the Company's Shareholders at the 2015 Annual Meeting of Shareholders must submit such proposals to the Company no later than one hundred twenty (120) calendar days before the date of this Proxy Statement is released to Shareholders (expected to be approximately September 5, 2014), unless the date of the 2015 Annual Meeting of the Shareholders has been changed by more than thirty (30) days from the corresponding month and day of the 2014 Annual Meeting of Shareholders, in which case the deadline is a reasonable time before we begin to print and send our proxy materials in order for them to be included in our proxy materials for such meeting. Proposals received by the Company after such date will be considered untimely. Shareholder proposals should be directed to the attention of the Corporate Secretary of the Company, Virginia Woltosz, at 42505 10th Street West, Lancaster, California 93534. The submission by a Shareholder of a proposal does not guarantee that it will be included in the proxy statement. Shareholder proposals are subject to certain regulations and requirements under the federal securities laws.

Shareholders who intend to submit proposals to the Company's Shareholders at the 2015 Annual Meeting of Shareholders but intend to submit such proposals on their own, either from the floor or through their own proxy statement and proxy, must, in order for such matters to be voted upon by the Company's Shareholders, give notice of such to the management of the Company by forty-five (45) calendar days before the date this Proxy Statement is released to Shareholders for the prior year (expected to be approximately November 22, 2014), unless the corresponding date of the 2015 Annual Meeting of the Shareholders has been changed by more than thirty (30) days from the month and day of the 2014 Annual Meeting of Shareholders, in which case the deadline is a reasonable time before we begin to print and send our Proxy materials. The persons named as proxies for the 2014 Annual Meeting of Shareholders will have discretionary authority to vote on any Shareholder proposal not included in the Company's proxy materials for the meeting, unless the Company receives notice of the proposal within such forty-five (45)-day period. If proper notice is received by that date, the proxy holders will not have discretionary voting authority except as provided in federal regulations governing shareholder proposals.

OTHER MATTERS

The Board knows of no other matters to be presented at the Meeting other than those described above. However, if any other matters properly come before the Meeting, it is intended that any shares voted by proxy will be voted in the discretion of the Board.

Notwithstanding the foregoing, a Change in Control shall not be deemed to have occurred in the event the Corporation forms a holding company as a result of which the holders of the Corporation’s “Voting Securities” immediately prior to the transaction, hold, in approximately the same relative proportions as they held prior to the transaction, substantially all of the “Voting Securities” of a holding company owning all of the Corporation’s “Voting Securities” after the completion of the transaction.

ARTICLE 3
PLAN ADMINISTRATION

3.1 **Procedure.**

(a) *Board's Delegation.* The Board may delegate administration of the Plan to a Committee(s). If administration is delegated to a Committee, the Committee shall have, in connection with the administration of the Plan, the powers possessed by the Board, subject, however, to such resolutions, not inconsistent with the provisions of this Plan, as may be adopted from time to time by the Board. The Board may abolish the Committee at any time and revert in the Board the administration of the Plan. Different Committees with respect to different groups of Service Providers may administer the Plan.

(b) *Code § 162(m).* To the extent that the Administrator determines it to be desirable and necessary to qualify Awards granted hereunder as “performance-based compensation” within the meaning of Code § 162(m), the Plan will be administered by a Committee of two or more Outside Directors.

A-5

(c) *Rule 16b-3.* To the extent desirable to qualify transactions hereunder as exempt under Rule 16b-3, the transactions contemplated hereunder will be structured to satisfy the requirements for exemption under Rule 16b-3.

(d) *Other Administration.* Other than as provided above, the Plan will be administered by: (i) the Board, or (ii) a Committee, which committee will be constituted to satisfy Applicable Laws.

(e) *Delegation of Authority for Day-to-Day Administration.* Except to the extent prohibited by Applicable Law, the Administrator may delegate to one or more individuals the day-to-day administration of the Plan and any of the functions assigned to it in this Plan. Such delegation may be revoked at any time.

3.2 **Powers of the Administrator.** Subject to the provisions of the Plan, and in the case of a Committee, subject to the specific duties delegated by the Board to such Committee, the Administrator will have the authority, in its discretion:

(a) To determine the Fair Market Value.

(b) To select the Service Providers to whom Awards may be granted hereunder.

(c) To determine the number of Shares to be covered by each Award granted hereunder.

(d) To approve forms of agreement for use under the Plan.

(e) To determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Awards may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture or repurchase restrictions, and any restriction or limitation regarding any Award or the Shares relating thereto, based in each case on such factors as the Administrator will determine in its sole discretion.

(f) To reduce the exercise price of any Award to the then current Fair Market Value if the Fair Market Value of the Common Stock covered by such Award shall have declined since the date the Award was granted.

- (g) To institute an Exchange Program.

- (h) To construe and interpret the terms of the Plan and Awards granted pursuant to the Plan, and to establish, amend and revoke rules and regulations for its administration.

- (i) To prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of satisfying applicable foreign laws and/or qualifying for preferred tax treatment under applicable foreign tax laws.

A-6

- (j) To modify or amend each Award (subject to Section 14.13(c) of the Plan), including the discretionary authority to extend the post-termination exercise period of Awards longer than is otherwise provided for in the Plan.

- (k) To allow Participants to satisfy withholding tax obligations by electing to have the Corporation withhold from the Shares or cash to be issued upon exercise or vesting of an Award that number of Shares or cash having a Fair Market Value equal to the minimum amount required to be withheld. The Fair Market Value of any Shares to be withheld will be determined on the date that the amount of tax to be withheld is to be determined. All elections by a Participant to have Shares or cash withheld for this purpose will be made in such form and under such conditions as the Administrator may deem necessary or advisable.

- (l) To authorize any person to execute on behalf of the Corporation any instrument required to affect the grant of an Award previously granted by the Administrator.

- (m) To allow a Participant to defer the receipt of the payment of cash or the delivery of Shares that would otherwise be due to such Participant under an Award.

- (n) To determine whether Awards will be settled in Shares, cash or in any combination thereof.

- (o) To create Other Stock Based Awards for issuance under the Plan.

- (p) To establish a program whereby Service Providers designated by the Administrator can reduce compensation otherwise payable in cash in exchange for Awards under the Plan.

- (q) To impose such restrictions, conditions or limitations as it determines appropriate as to the timing and manner of any resales by a Participant or other subsequent transfers by the Participant of any Shares issued as a result of or under an Award, including without limitation, (i) restrictions under an insider trading policy, and (ii) restrictions as to the use of a specified brokerage firm for such resales or other transfers. AND

- (r) To make all other determinations deemed necessary or advisable for administering the Plan.

3.3 **Effect of Administrator's Decision.** The Administrator's decisions, determinations and interpretations will be final and binding on all Participants and any other holders of Awards.

ARTICLE 4

STOCK SUBJECT TO THE PLAN

4.1 **Stock Subject to the Plan.** Subject to the provisions of this Article 4 and Article 13 of the Plan, the maximum aggregate number of Shares that may be issued under the Plan is 2,000,000, of which the maximum number of Shares that may be delivered pursuant to Incentive Stock Options granted under the Plan shall be 2,000,000. The Shares may be authorized and unissued, or reacquired Common Stock. Shares shall not be deemed to have been issued pursuant to the Plan with respect to any portion of an Award that is paid in cash. Upon payment in Shares pursuant to the exercise of an Award, the number of Shares available for issuance under the Plan shall be reduced only by the number of Shares actually issued in such payment. If a Participant pays the exercise price (or purchase price, if applicable) of an Award through the tender of Shares, or if Shares are tendered or withheld to satisfy any Corporation withholding obligations, the number of Shares so tendered or withheld shall again be available for issuance pursuant to future Awards under the Plan.

A-7

4.2 **Lapsed Awards.** If any outstanding Award expires or is terminated or canceled without having been exercised or settled in full, or if Shares acquired pursuant to an Award subject to forfeiture or repurchase are forfeited or repurchased by the Corporation, the Shares allocable to the terminated portion of such Award or such forfeited or repurchased Shares shall again be available for grant under the Plan.

4.3 **Adjustments for Changes in Capitalization and Similar Events.** In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, change in corporate structure or other transaction not involving the receipt of consideration by the Company, then the Administrator shall:

(a) appropriately adjust any or all of (i) the number of Shares or other securities of the Company (or number and kind of other securities or property) with respect to which Awards may be granted, including (1) the aggregate number of Shares that may be delivered pursuant to Awards granted under the Plan, and the maximum number of Shares that may be delivered pursuant to Incentive Stock Options granted under the Plan, as provided in Section 4.1 of the Plan, and (2) the maximum number of Shares or other securities of the Company (or number and kind of other securities or property) with respect to which Awards may be granted to any Participant in any fiscal year of the Company, and (ii) the terms of any outstanding Award, including (1) the number of Shares or other securities of the Company (or number and kind of other securities or property) subject to outstanding Awards or to which outstanding Awards relate, and (2) the exercise price with respect to outstanding Awards; OR

(b) if required under the terms of an Award, make provision for a cash payment to the holder of an outstanding Award in consideration for the cancellation of such Award, including, in the case of an outstanding Option or SAR, a cash payment to the holder of such Option or SAR in consideration for the cancellation of such Option or SAR in an amount equal to the excess, if any, of the Fair Market Value (as of a date specified by the Administrator) of the Shares subject to such Option or SAR over the aggregate exercise price of such Option or SAR (it being understood that, in such event, any Option or SAR having a per Share exercise price equal to, or in excess of, the Fair Market Value of a Share subject to such Option or SAR may be cancelled and terminated without any payment or consideration therefore).

Such adjustments made by the Administrator shall be final, binding and conclusive. Any Shares issuable as a result of any such adjustment shall be rounded to the next lower whole Share; no fractional Shares shall be issued. At all times the conversion of any convertible securities of the Company shall not be treated as a “transaction not involving the receipt of consideration by the Company.”

4.4 **Substitute Awards.** Awards may, in the discretion of the Administrator, be granted under the Plan in assumption of, or in substitution for, outstanding awards previously granted by the Corporation and any Affiliate or a company acquired by the Corporation or with which the Corporation combines (“Substitute Awards”). The number of Shares underlying any Substitute Awards shall be counted against the aggregate number of Shares available for Awards under the Plan; provided, however, that Substitute Awards issued in connection with the assumption of, or in substitution for, outstanding awards previously granted by an entity that is acquired by the Corporation or its Affiliate through a merger or acquisition shall not be counted against the aggregate number of Shares available for Awards under the Plan; provided further, however, that Substitute Awards issued in connection with the assumption of, or in substitution for, outstanding stock options intended to qualify for special tax treatment under Code §§ 421 and 422 that were previously granted by an entity that is acquired by the Corporation or an Affiliate through a merger or acquisition shall be counted against the aggregate number of Shares available for Incentive Stock Options under the Plan.

ARTICLE 5 PARTICIPATION

5.1 **Eligibility.** Any Director, Employee or Consultant (including any prospective Director, Employee or Consultant) of the Corporation and any Affiliate shall be eligible to be designated a Participant in the Plan for purposes of receiving Awards. However, Incentive Stock Options may be granted only to Employees.

5.2 **Termination of Participation.** If a Participant is no longer a Service Provider due to a termination for “Cause,” then all Awards granted to the Participant shall expire upon the earlier of: (i) the date of the occurrence giving rise to such termination, or (ii) the natural expiration of the Award according to its underlying terms. Thereafter, the Participant shall have no rights with respect to any Awards under the Plan.

(a) *Defining “Cause.”* For purposes of the Plan, “Cause” shall mean a Participant’s personal dishonesty; misconduct; breach of fiduciary duty; incompetence; intentional failure to perform stated obligations; willful violation of any law, rule, regulation or final cease and desist order; or any material breach of any provision of this Plan, Award Agreement, or any employment agreement.

ARTICLE 6 STOCK OPTIONS

6.1 **Option Grant.** Subject to the provisions of the Plan, the Administrator shall have sole and plenary authority to determine the Participants to whom Options shall be granted, the number of Shares to be covered by each Option, whether the Option will be an Incentive Stock Option or a Non-Qualified Stock Option and the conditions and limitations applicable to the vesting and exercise of the Option. However, no Participant shall be granted more than 50,000 Options in any calendar year. In the case of Incentive Stock Options, the terms and conditions of such grants

shall be subject to and comply with such rules as may be prescribed by Code § 422 and any regulations related thereto, as may be amended from time to time. All Options granted under the Plan shall be Non-Qualified Stock Options unless the applicable Award Agreement expressly states that the Option is intended to be an Incentive Stock Option. If an Option is intended to be an Incentive Stock Option, and if for any reason such Option (or any portion thereof) shall not qualify as an Incentive Stock Option, then, to the extent of such non-qualification, such Option (or portion thereof) shall be regarded as a Non-Qualified Stock Option appropriately granted under the Plan, provided that such Option (or portion thereof) otherwise complies with the Plan's requirements relating to Non-Qualified Stock Options.

A-9

(a) *Term of Option.* The term of each Option will be stated in the Award Agreement. In the case of an Incentive Stock Option, the term will be 10 years from the date of grant or such shorter term as may be provided in the Award Agreement. Moreover, in the case of an Incentive Stock Option granted to a Participant who, at the time the Incentive Stock Option is granted, owns stock representing more than 10% of the total combined voting power of all classes of stock of the Corporation or any Affiliate, the term of the Incentive Stock Option will be five years from the date of grant or such shorter term as may be provided in the Award Agreement.

(b) *\$100,000 Limitation for Incentive Stock Options.* Each Option will be designated in the Award Agreement as either an Incentive Stock Option or a Non-Qualified Stock Option. However, notwithstanding such designation, to the extent the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Participant during any calendar year (under all plans of the Corporation and any Affiliate) exceeds \$100,000, such Options will be treated as Non-Qualified Stock Options. For purposes of this Section 6.1(b), Incentive Stock Options will be taken into account in the order in which they were granted. The Fair Market Value of the Shares will be determined as of the time the Option with respect to such Shares is granted.

6.2 **Exercise Price.** Except as otherwise established by the Administrator at the time an Option is granted and set forth in the applicable Award Agreement, the exercise price of each Share covered by an Option shall be not less than 100% of the Fair Market Value of such Share (determined as of the date the Option is granted); provided, however, that in the case of an Incentive Stock Option granted to an Employee who, at the time of the grant of such Option, owns stock representing more than 10% of the voting power of all classes of stock of the Corporation and any Affiliate, the per Share exercise price shall be no less than 110% of the Fair Market Value per Share on the date of the grant. Options are intended to qualify as “qualified performance-based compensation” under Code § 162(m).

Notwithstanding the foregoing, Options may be granted with an exercise price of less than 100% of the Fair Market Value per Share on the date of grant if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Code § 424(a) (involving a corporate reorganization).

6.3 **Waiting Period and Exercise Dates.** At the time an Option is granted, the Administrator will fix the period within which the Option may be exercised and will determine any conditions that must be satisfied before the Option may be exercised.

6.4 **Exercise of Option.**

(a) *Procedure for Exercise; Rights as a Shareholder.* Any Option granted hereunder will be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the Award Agreement. An Option may not be exercised for a fraction of a Share.

An Option will be deemed exercised when the Corporation receives: (i) written or electronic notice of exercise (in accordance with the Award Agreement) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Award Agreement and the Plan. Shares issued upon exercise of an Option will be issued in the name of the Participant or, if requested by the Participant, in the name of the Participant and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Corporation or of a duly authorized transfer agent of the Corporation), no right to vote or receive dividends or any other rights as a shareholder will exist with respect to the Awarded Stock, notwithstanding the exercise of the Option. The Corporation will issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Articles 4 and 13 of the Plan or the applicable Award Agreement.

Exercising an Option in any manner will decrease the number of Shares thereafter available for sale under the Option, by the number of Shares as to which the Option is exercised.

(b) *Termination of Relationship as Service Provider.* If a Participant ceases to be a Service Provider, other than upon the Participant's death or Disability, the Participant may exercise his or her Option within such period of time as is specified in the Award Agreement to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the Option will remain exercisable for three months following the Participant's termination.

(c) *Disability of Participant.* If a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her Option within such period of time as is specified in the Award Agreement to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the Option will remain exercisable for 12 months following the Participant's termination.

(d) *Death of Participant.* If a Participant dies while a Service Provider, the Option may be exercised following the Participant's death within such period of time as is specified in the Award Agreement to the extent that the Option is vested on the date of death (but in no event may the option be exercised later than the expiration of the term of such Option as set forth in the Award Agreement), by the Participant's designated beneficiary, provided such beneficiary has been designated prior to Participant's death in a form acceptable to the Administrator. If no such beneficiary has been designated by the Participant, then such Option may be exercised by the personal representative of the

Participant's estate or by the person(s) to whom the Option is transferred pursuant to the Participant's will or in accordance with the laws of descent and distribution. In the absence of a specified time in the Award Agreement, the Option will remain exercisable for 12 months following Participant's death.

A-11

(e) *Buyout Provisions.* The Administrator may at any time offer to buy out for a payment in cash or Shares an Option previously granted based on such terms and conditions as the Administrator shall establish and communicate to the Participant at the time that such offer is made.

(f) *Reversion to Plan.* Unless otherwise provided by the Administrator, if on the date of termination, Disability or death as provided in Sections 6.4(b), (c), and (d) of the Plan, Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will immediately revert to the Plan following the Participant's termination, Disability or death. If the Option is not so exercised within the time specified herein, the Option will terminate, and the Shares covered by such Option will revert to the Plan.

6.5 **Form of Consideration.** The Administrator will determine the acceptable form of consideration for exercising an Option, including the method of payment. In the case of an Incentive Stock Option, the Administrator will determine the acceptable form of consideration at the time of grant. To the extent permitted by Applicable Laws, consideration may consist entirely of:

(a) cash;

(b) check;

(c) promissory note (subject to Section 6.6);

(d) other Shares which meet the conditions established by the Administrator to avoid adverse accounting consequences (as determined by the Administrator);

(e) consideration received by the Corporation under a cashless exercise program implemented by the Corporation in connection with the Plan;

(f) a reduction in the amount of any Corporation liability to the Participant, including any liability attributable to the Participant's participation in any Corporation-sponsored deferred compensation program or arrangement;

(g) any combination of the foregoing methods of payment; or

(h) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws.

6.6 **Promissory Note.** Where applicable and subject to the requirements of Applicable Law, payment of all or part of the purchase price of an Award may be made by delivery of a full recourse promissory note (“Promissory Note”). The Promissory Note shall be executed by the Participant, made payable to the Corporation and bear interest at such rate as the Administrator shall determine, but in no case less than the minimum rate which will not cause under the Code: (i) imputed interest, (ii) original issue discount, or (iii) any other similar result. Unless otherwise determined by the Administrator, interest on the Promissory Note shall be payable in quarterly installments on March 31, June 30, September 30, and December 31 of each calendar year. A Promissory Note shall contain such other terms and conditions as may be determined by the Administrator; provided, however, that the full principal amount of the Promissory Note and all unpaid interest accrued thereon shall be due not later than five years from the date of exercise. The Corporation may obtain from the Participant a security interest in all Awards issued to the Participant under the Plan for the purpose of securing payment under the Promissory Note and may retain possession of, where applicable, the Share certificates in order to perfect its security interest.

7.2 **Restricted Stock Agreement.** Each Award of Restricted Stock will be evidenced by an Award Agreement that will specify the Period of Restriction, the number of Shares granted, and such other terms and conditions as the Administrator will determine in its sole discretion. Unless the Administrator determines otherwise, Shares of Restricted Stock will be held by the Corporation as escrow agent until the restrictions on such Shares have lapsed.

7.3 **Transferability.** Except as provided in this Article 7, Shares of Restricted Stock may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated until the end of the applicable Period of Restriction.

7.4 **Other Restrictions.** The Administrator, in its sole discretion, may impose such other restrictions on Shares of Restricted Stock as it may deem advisable or appropriate.

7.5 **Removal of Restrictions.** Except as otherwise provided in this Article 7, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan will be released from escrow as soon as practicable after the last day of the Period of Restriction. The Administrator, in its discretion, may accelerate the time at which any restrictions will lapse or be removed.

7.6 **Voting Rights.** During the Period of Restriction, Service Providers holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares, unless the Administrator determines otherwise.

7.7 **Dividends and Other Distributions.** During the Period of Restriction, Service Providers holding Shares of Restricted Stock will be entitled to receive all dividends and other distributions paid with respect to such Shares unless otherwise provided in the Award Agreement. If any such dividends or distributions are paid in Shares, the Shares will be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid.

7.8 **Return of Restricted Stock to Corporation.** On the date set forth in the Award Agreement, the Restricted Stock for which restrictions have not lapsed will revert to the Corporation and again will become available for grant under the Plan.

A-13

ARTICLE 8

9.6 **Payment of SAR Amount.** Upon exercise of a SAR, a Participant will be entitled to receive payment from the Corporation an amount determined by multiplying: (i) the difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times (ii) the number of Shares with respect to which the SAR is exercised. At the discretion of the Administrator, the payment upon SAR exercise may be in cash, in Shares of equivalent value, other securities, other Awards, other property or a combination of any of the foregoing.

ARTICLE 10

PERFORMANCE UNITS AND PERFORMANCE SHARES

10.1 **Grant of Performance Units/Shares.** Subject to the terms and conditions of the Plan, Performance Units and Performance Shares may be granted to Service Providers at any time and from time to time, as will be determined by the Administrator, in its sole discretion. The Administrator will have complete discretion in determining the number of Performance Units and Performance Shares granted to each Participant.

A-14

10.3 **Performance Objectives and Other Terms.** The Administrator will set performance objectives in its discretion which, depending on the extent to which they are met, will determine the number or value of Performance Units/Shares that will be paid out to the Service Providers. The time period during which the performance objectives must be met will be called the “Performance Period.” Each Award of Performance Units/Shares will be evidenced by an Award Agreement that will specify the “Performance Period,” and such other terms and conditions as the Administrator, in its sole discretion, will determine. The Administrator may set performance objectives based upon the achievement of Corporation-wide, divisional, or individual goals, applicable federal or state securities laws, or any other basis determined by the Administrator in its discretion.

10.4 **Earning of Performance Units/Shares.** After the applicable “Performance Period” has ended, the holder of Performance Units/Shares will be entitled to receive a payout of the number of Performance Units/Shares earned by the Participant over the “Performance Period,” to be determined as a function of the extent to which the corresponding performance objectives have been achieved. After the grant of a Performance Unit/Share, the Administrator, in its sole discretion, may reduce or waive any performance objectives for such Performance Unit/Share.

10.5 **Form and Timing for Payment of Performance Units/Shares.** Payment of earned Performance Units/Shares will be made as soon after the expiration of the applicable Performance Period at the time determined by the Administrator. A-15

ARTICLE 13

DISSOLUTION OR LIQUIDATION; OR CHANGE IN CONTROL

13.1 **Dissolution or Liquidation.** In the event of the proposed dissolution or liquidation of the Corporation, the Administrator will notify each Participant as soon as practicable prior to the effective date of such proposed transaction. The Administrator in its discretion may provide for a Participant to have the right to exercise his or her Award, to the extent applicable, until 10 days prior to such transaction as to all of the Awarded Stock covered thereby, including Shares as to which the Award would not otherwise be exercisable. In addition, the Administrator may provide that any Corporation repurchase option or forfeiture rights applicable to any Award shall lapse 100%, and that any Award vesting shall accelerate 100%, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised or vested, an Award will terminate immediately prior to the consummation of such proposed action.

13.2 **Change in Control.**

(a) *Options and SARs.* In the event of a Change in Control, each outstanding Option and SAR shall be assumed or an equivalent option or SAR substituted by the successor corporation or Affiliate of the successor corporation. With respect to Options and SARs granted to an Outside Director that are assumed or substituted for, if immediately prior to or after the Change in Control the Participant's status as a Director or a director of the successor corporation, as applicable, is terminated other than upon a voluntary resignation by the Participant, then the Participant shall fully vest in and have the right to exercise such Options and SARs as to all of the Awarded Stock, including Shares as to which it would not otherwise be vested or exercisable. Unless otherwise determined by the Administrator, in the event that the successor corporation refuses to assume or substitute for the Option or SAR, the Participant shall fully vest in and have the right to exercise the Option or SAR as to all of the Awarded Stock, including Shares as to which it would not otherwise be vested or exercisable. If an Option or SAR is not assumed or substituted in the event of a Change in Control, the Administrator shall notify the Participant in writing or electronically that the Option or SAR shall be exercisable for a period of up to 15 days from the date of such notice, and the Option or SAR shall terminate upon the expiration of such period. For the purposes of this paragraph, the Option or SAR shall be considered assumed if, following the Change in Control, the option or stock appreciation right confers the right to purchase or receive, for each Share of Awarded Stock subject to the Option or SAR immediately prior to the Change in Control, the consideration (whether stock, cash, or other securities or property) received in the Change in Control by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the Change in Control is not solely common stock of the successor corporation or its Affiliate, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the Option or SAR, for each Share of Awarded Stock subject to the Option or SAR, to be solely common stock of the successor corporation or its Affiliate equal in fair market value to the per share consideration received by holders of Common Stock in the Change in Control. Notwithstanding anything herein to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more performance goals will not be considered assumed if the Corporation or its successor modifies any of such performance goals without the Participant's consent; provided, however, a modification to such performance goals only to reflect the successor corporation's post-Change in Control corporate structure will not be deemed to invalidate an otherwise valid

Award assumption.

A-16

(b) *Restricted Stock, Unrestricted Stock, Performance Shares, Performance Units, Restricted Stock Units, and Other Stock Based Awards.* In the event of a Change in Control, each outstanding Restricted Stock, Unrestricted Stock, Performance Share, Performance Unit, Other Stock Based Award and Restricted Stock Unit awards shall be assumed or an equivalent Restricted Stock, Unrestricted Stock, Performance Share, Performance Unit, Other Stock Based Award and Restricted Stock Unit award substituted by the successor corporation or an Affiliate of the successor corporation. With respect to Awards granted to an Outside Director that are assumed or substituted for, if immediately prior to or after the Change in Control the Participant's status as a Director or a director of the successor corporation, as applicable, is terminated other than upon a voluntary resignation by the Participant, then the Participant shall fully vest in such Awards, including Shares as to which it would not otherwise be vested. Unless determined otherwise by the Administrator, in the event that the successor corporation refuses to assume or substitute for the Restricted Stock, Unrestricted Stock, Performance Share, Performance Unit, Other Stock Based Award or Restricted Stock Unit award, the Participant shall fully vest in the Restricted Stock, Unrestricted Stock, Performance Share, Performance Unit, Other Stock Based Award or Restricted Stock Unit including as to Shares which would not otherwise be vested. For the purposes of this paragraph, a Restricted Stock, Unrestricted Stock, Performance Share, Performance Unit, Other Stock Based Award and Restricted Stock Unit award shall be considered assumed if following the Change in Control, the award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash, or other securities or property) received in the Change in Control by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the Change in Control is not solely common stock of the successor corporation or its Affiliate, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received, for each Share and each unit/right to acquire a Share subject to the Award, to be solely common stock of the successor corporation or its Affiliate equal in fair market value to the per share consideration received by holders of Common Stock in the Change in Control. Notwithstanding anything herein to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more performance goals will not be considered assumed if the Corporation or its successor modifies any of such performance goals without the Participant's consent; provided, however, a modification to such performance goals only to reflect the successor corporation's post-Change in Control corporate structure will not be deemed to invalidate an otherwise valid Award assumption.

ARTICLE 14
MISCELLANEOUS PROVISIONS

14.1 **No Uniform Rights to Awards.** The Corporation has no obligation to uniformly treat Participants or holders or beneficiaries of Awards. The terms and conditions of Awards and the Administrator's determinations and interpretations with respect thereto need not be the same with respect to each Participant and may be made selectively among Participants, whether or not such Participants are similarly situated.

14.2 **Share Certificates.** All certificates for Shares or other securities of the Corporation or Affiliate delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Administrator may deem advisable under the Plan, the applicable Award Agreement or the rules, regulations and other requirements of the SEC, the NYSE or any other stock exchange or quotation system upon which such Shares or other securities are then listed or reported and any applicable Federal or state laws, and the Administrator may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

14.3 **No Rights as a Service Provider.** Neither the Plan nor any Award shall confer upon a Participant any right with respect to continuing his or her relationship as a Service Provider, nor shall they interfere in any way with the right of the Participant or the right of the Corporation or its Affiliate to terminate such relationship at any time, with or without cause.

14.4 **No Rights as Shareholder.** No Participant or holder or beneficiary of any Award shall have any rights as a shareholder with respect to any Shares to be distributed under the Plan until he or she has become the holder of such Shares. In connection with each grant of Restricted Stock, except as provided in the applicable Award Agreement, the Participant shall not be entitled to the rights of a shareholder in respect of such Restricted Shares. Except as otherwise provided in Section 4.3 or the applicable Award Agreement, no adjustments shall be made for dividends or distributions on (whether ordinary or extraordinary, and whether in cash, Shares, other securities or other property), or other events relating to, Shares subject to an Award for which the record date is prior to the date such Shares are delivered.

14.5 **No Trust or Fund Created.** Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Corporation or Affiliate, on one hand, and a Participant or any other person, on the other. To the extent that any person acquires a right to receive payments from the Corporation or Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Corporation or Affiliate.

14.6 **No Fractional Shares.** No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Administrator shall determine whether cash, other securities or other property shall be paid or transferred in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be cancelled, terminated or otherwise eliminated.

14.7 **Requirement of Consent and Notification of Election Under Code § 83(b) or Similar Provision.** No election under Code § 83(b) (to include in gross income in the year of transfer the amounts specified in Code § 83(b)) or under a similar provision of law may be made unless expressly permitted by the terms of the applicable Award Agreement or by action of the Administrator in writing prior to the making of such election. If an Award recipient, in connection with the acquisition of Shares under the Plan or otherwise, is expressly permitted under the terms of the applicable Award Agreement or by such Administrator action to make such an election and the Participant makes the election, the Participant shall notify the Administrator of such election within 10 days of filing notice of the election with the IRS or other governmental authority, in addition to any filing and notification required pursuant to regulations issued under Code § 83(b) or other applicable provision.

14.8 **Requirement of Notification Upon Disqualifying Disposition Under Code § 421(b).** If any Participant shall make any disposition of Shares delivered pursuant to the exercise of an Incentive Stock Option under the circumstances described in Code § 421(b) (relating to certain disqualifying dispositions) or any successor provision of the Code, such Participant shall notify the Corporation of such disposition within 10 days of such disposition.

14.9 **Leaves of Absence.** Unless the Administrator provides otherwise, vesting of Awards granted hereunder will be suspended during any unpaid leave of absence and will resume on the date the Participant returns to work on a regular schedule as determined by the Corporation; provided, however, that no vesting credit will be awarded for the time vesting has been suspended during such leave of absence. A Service Provider will not cease to be an Employee in the case of (i) any leave of absence approved by the Corporation or (ii) transfers between locations of the Corporation or between the Corporation or its Affiliate. For purposes of Incentive Stock Options, no such leave may exceed 3 months, unless reemployment upon expiration of such leave is guaranteed by statute or contract. If reemployment upon expiration of a leave of absence approved by the Corporation is not so guaranteed, then 6 months from the first day of such leave any Incentive Stock Option held by the Participant will cease to be treated as an Incentive Stock Option and will be treated for tax purposes as a Non-Qualified Stock Option.

14.10 **Notices.** Any written notice to the Corporation required by any provisions of the Plan shall be addressed to the Secretary of the Corporation and shall be effective when received.

14.11 **Non-Transferability of Awards.** Other than pursuant to a domestic relations order (within the meaning of Rule 16a-12 promulgated under the Exchange Act) and unless determined otherwise by the Administrator, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution, and may be exercised, during the lifetime of the Participant, only by the Participant. If the Administrator makes an Award transferable, such Award will contain such additional terms and conditions as the Administrator deems appropriate.

14.12 **Date of Grant.** The date of grant of an Award will be, for all purposes, the date on which the Administrator makes the determination granting such Award, or such other later date as is determined by the Administrator. Notice of the determination will be provided to each Participant within a reasonable time after the date of such grant.

14.13 **Amendment and Termination of Plan.**

(a) *Amendment and Termination.* The Board may at any time amend, alter, suspend or terminate the Plan. Unless sooner terminated, this Plan shall terminate on February 23, 2017, the date that is 10 years from the date the Plan was originally adopted by the Board or approved by the shareholders of the Corporation, whichever was earlier.

A-19

(b) *Shareholder Approval.* The Corporation will obtain shareholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.

(c) *Effect of Amendment or Termination.* Subject to Section 14.15 of the Plan, no amendment, alteration, suspension or termination of the Plan will impair the rights of any Participant, unless mutually agreed upon between the Participant and the Administrator, which agreement must be in writing and signed by the Participant and the Corporation. Termination of the Plan will not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.

14.14 **Conditions Upon Issuance of Shares.**

(a) *Legal Compliance.* Shares will not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares will comply with Applicable Laws and will be further subject to the approval of counsel for the Corporation with respect to such compliance.

(b) *Investment Representations.* As a condition to the exercise or receipt of an Award, the Corporation may require the person exercising or receiving such Award to represent and warrant at the time of any such exercise or receipt that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Corporation, such a representation is required.

14.15 **Severability.** Notwithstanding any contrary provision of the Plan or an Award to the contrary, if any one or more of the provisions (or any part thereof) of this Plan or the Awards shall be held invalid, illegal or unenforceable in any respect, such provision shall be modified so as to make it valid, legal and enforceable, and the validity, legality and enforceability of the remaining provisions (or any part thereof) of the Plan or Award, as applicable, shall not in any way be affected or impaired thereby.

14.16 **Inability to Obtain Authority.** The inability of the Corporation to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Corporation's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, will relieve the Corporation of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority will not have been obtained.

14.17 **Shareholder Approval.** The Plan will be subject to approval by the shareholders of the Corporation within 12 months after the date the Plan is adopted. Such shareholder approval will be obtained in the manner and to the degree required under Applicable Laws, and is effective as of the Effective Date.

A-20

14.18 **Governing Law.** The validity, construction and effect of the Plan and any rules and regulations relating to the Plan and any Award Agreement shall be determined in accordance with the laws of the State of California, without giving effect to the conflict of laws provisions thereof.
