PROXY STATEMENT FOR

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON JULY 21, 2016

This Proxy Statement relates to the 2016 Annual Meeting of Stockholders (the “Annual Meeting”) of Live Ventures Incorporated (“Live Ventures” or the “Company”). The Annual Meeting will be held on Thursday, July 21, 2016 at 10:00 a.m. local time, at our corporate offices, which are located at 325 East Warm Springs Road, Suite 102, Las Vegas, Nevada 89119, or at such other time and place to which the Annual Meeting may be adjourned or postponed. The enclosed proxy is solicited by Live Ventures’ Board of Directors (the “Board”). The proxy materials relating to the Annual Meeting are first being mailed to stockholders entitled to vote at the Annual Meeting on or about June 21, 2016.

ABOUT THE MEETING

What is the purpose of the Annual Meeting?

At the Annual Meeting, stockholders will act upon the matters outlined in the accompanying Notice of Annual Meeting and this Proxy Statement, including (i) the election of five directors to the Board; (ii) the approval on an advisory basis of the compensation of our named executive officers; and (iii) the ratification of the Audit Committee’s appointment of Anton & Chia, LLP as the Company’s independent registered public accounting firm for the fiscal year ending September 30, 2016. In addition, management will report on our most recent financial and operating results and respond to questions from stockholders.

What are the Board’s recommendations?

The Board recommends a vote:

·FOR election of the nominated slate of directors;

·FOR the resolution approving, on an advisory basis, the compensation of our named executive officers (“say-on-pay”);
and

·FOR the ratification of the Audit Committee’s appointment of Anton & Chia, LLP as the Company’s independent registered public accounting firm for the fiscal year ending September 30, 2016.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

Who is entitled to attend and vote at the Annual Meeting?

Only stockholders of record at the close of business on the record date, June 9, 2016, or their duly appointed proxies, are entitled to receive notice of the Annual Meeting, attend the Annual Meeting and vote the shares that they held on that date at the Annual Meeting or any postponement or adjournment of the Annual Meeting. At the close of business on June 9, 2016, there were issued, outstanding and entitled to vote 16,795,058 shares of our common stock, par value \$0.001 per share, each of which is entitled to one vote.

How do I vote?

You may vote on matters to come before the meeting in two ways: (i) you can attend the Annual Meeting and cast your vote in person; or (ii) you can vote by completing, signing and dating the enclosed proxy card and returning it to us via mail or facsimile.

If you are a stockholder of record and return the proxy card, you will authorize the individuals named on the proxy card, referred to as the proxy holders, to vote your shares according to your instructions. If you return the proxy card but do not provide instructions, you will authorize the proxy holders to vote your shares according to the recommendations of the Board (which are described below).

If your shares are held by your broker, bank or other nominee in “street name,” you will receive a voting instruction form from your broker or the broker’s agent asking you how your shares should be voted. If you hold your shares in “street name” and do not provide specific voting instructions to your broker, a “broker non-vote” will result with respect to Proposals 1 and 2. Therefore, it is very important to respond to your broker’s request for voting instructions on a timely basis if you want your shares held in “street name” to be represented and voted at the Annual Meeting. Please see below for additional information if you hold your shares in “street name” and desire to attend the Annual Meeting and vote your shares in person.

What if I vote and then change my mind?

If you are a stockholder of record, you may revoke your proxy at any time before it is exercised by either (i) filing with our Corporate Secretary a notice of revocation; (ii) sending in another duly executed proxy bearing a later date; or (iii) attending the meeting and casting your vote in person. Your last vote will be the vote that is counted.

If you hold your shares in “street name,” refer to the voting instructing form provided by your broker or the broker’s agent for more information about what to do if you submit voting instructions and then change your mind in advance of the Annual Meeting.

How can I get more information about attending the Annual Meeting and voting in person?

The Annual Meeting will be held on Thursday, July 21, 2016 at 10:00 a.m. local time, at our corporate offices, which are located at 325 East Warm Springs Road, Suite 102, Las Vegas, Nevada 89119, or at such other time and place to which the Annual Meeting may be adjourned or postponed. For additional details about the Annual Meeting, including directions to the Annual Meeting and information about how you may vote in person if you so desire, please contact Live Ventures at (702) 939-0231.

If you hold your shares in “street name,” please bring an account statement or letter from the applicable broker, bank or nominee indicating that you are the beneficial owner of the shares *as of the record date* if you would like to gain admission to the Annual Meeting. In addition, if you hold your shares in “street name” and desire to actually vote your shares in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other nominee. For more information about obtaining such a proxy, contact your broker, bank or other nominee.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the issued and outstanding shares on the record date will constitute a quorum, permitting us to conduct our business at the Annual Meeting. Proxies received but marked as abstentions will be included in the calculation of the number of shares considered to be present at the meeting for purposes of determining whether a quorum is present. Broker non-votes will also be counted for purposes of determining whether a quorum is present.

What vote is required to approve each item?

Election of Directors. Election of a director requires the affirmative vote of the holders of a plurality of the shares for which votes are cast at a meeting at which a quorum is present. The five persons receiving the greatest number of votes will be elected as directors. Since only affirmative votes count for this purpose, a properly executed proxy marked “WITHHOLD AUTHORITY” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated. Stockholders may not cumulate votes in the election of directors.

Pursuant to rules approved by the Securities and Exchange Commission (the “SEC”) brokers are not entitled to use their discretion to vote uninstructed proxies in, among other things, uncontested director elections. In other words, if your shares are held by your broker in “street name” and you do not provide your broker with instructions about how your shares should be voted in connection with this proposal, your shares will not be voted and a “broker non-vote” will result. **Therefore, if you desire that your shares be voted in connection with the election of the Board, it is imperative that you provide your broker with voting instructions.** If your shares are held by your broker in “street name,” you will receive a voting instruction form from your broker or the broker’s agent asking you how your shares should be voted. Please complete the form and return it in the envelope provided by the broker or agent.

Advisory Vote on Compensation of Named Executive Officers (“Say-on-Pay”). The resolution approving, on an advisory basis, the compensation of our named executive officers (“say-on-pay”) will be approved if a majority of the votes cast affirmatively or negatively at the Annual Meeting are voted in favor of the proposal, assuming a quorum is present. A properly executed proxy marked “ABSTAIN” with respect to the proposal will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Accordingly, an abstention will not affect the outcome of the proposal.

Ratification of Auditors. The ratification of the Audit Committee's appointment of Anton & Chia, LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2016 will be approved if a majority of the votes cast at the Annual Meeting are voted in favor of the proposal. A properly executed proxy marked "ABSTAIN" with respect to such matter will not be voted or treated as a vote cast. Accordingly, an abstention will not affect the outcome of this proposal. Brokers are entitled to use their discretion to vote uninstructed proxies with respect to the ratification of our independent auditors.

Can I dissent or exercise rights of appraisal?

Under Nevada law, holders of our common stock are not entitled to dissenters' rights in connection with any of the proposals to be presented at the Annual Meeting or to demand appraisal of their shares as a result of the approval of any of the proposals.

Who pays for this proxy solicitation?

The Company will bear the entire cost of this proxy solicitation, including the preparation, assembly, printing, and mailing of this Proxy Statement, the proxy card and any additional solicitation materials furnished to the stockholders. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward the solicitation material to such beneficial owners.

Where can I access this Proxy Statement and the related materials online?

The Proxy Statement and our Annual Report to Stockholders are available at <http://ir.livedeal.com>.

ELECTION OF DIRECTORS

(Proposal No. 1)

General

Live Ventures' Amended and Restated Bylaws provide that the Board shall consist of not less than three nor more than nine directors (with the precise number of directors to be established by resolution of the Board), each of whom is elected annually. Currently, there are five members of the Board. The Board has determined that five directors will be elected at the 2016 Annual Meeting, and has nominated each of the five incumbent directors for re-election. Each director is to be elected to hold office until the next annual meeting of stockholders or until his successor is elected and qualified. If a director resigns or otherwise is unable to complete his term of office, the Board may elect another director for the remainder of the departing director's term.

The Board has no reason to believe that the nominees will not serve if elected, but if they should become unavailable to serve as a director, and if the Board designates a substitute nominee, the persons named as proxies will vote for the substitute nominee designated by the Board.

Vote Required

If a quorum is present at the Annual Meeting, the five nominees receiving the highest number of votes will be elected to the Board.

Certain Family Relationships

Jon Isaac, who is a director and serves as our President, Chief Executive Officer and Chief Financial Officer, is the son of Tony Isaac, who is also a director and serves as our Financial Planning and Strategist/Economist.

Involvement in Certain Legal Proceedings

To the best of our knowledge, there have been no events under any bankruptcy act, no criminal proceedings and no judgments, injunctions, orders or decrees material to the evaluation of the ability and integrity of any director during the past ten years.

CORPORATE GOVERNANCE

How often did the Board meet during fiscal 2015?

The Board met four times during fiscal 2015, either telephonically or in person, and acted five times by written consent. None of our directors attended fewer than 75% of the meetings of the Board held during the director's service or of any committee on which the director served during fiscal 2015.

Who are the Board's "independent" directors?

Each year, the Board of Directors reviews the relationships that each director has with the Company and with other parties. Only those directors who do not have any of the categorical relationships that preclude them from being independent within the meaning of applicable NASDAQ Listing Rules and who the Board of Directors affirmatively determines have no relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, are considered to be independent directors. The Board of Directors has reviewed a number of factors to evaluate the independence of each of its members. These factors include its members' current and historic relationships with the Company and its competitors, suppliers and customers; their relationships with management and other directors; the relationships their current and former employers have with the Company; and the relationships between the Company and other companies of which a member of the Company's Board of Directors is a director or executive officer.

After evaluating these factors, the Board of Directors has determined that a majority of the members of the Board of Directors, namely, Messrs. Butler, Gao and Sickmeyer, do not have any relationships that would interfere with the exercise of independent judgment in carrying out their responsibilities as directors and that each such director is an independent director of the Company within the meaning of NASDAQ Listing Rule 5605(a)(2) and the related rules of the SEC. The Company's independent directors conduct executive sessions at regularly scheduled meetings as required by NASDAQ Listing Rule 5605(b)(2).

How can our stockholders communicate with the Board?

Stockholders and others interested in communicating with the Board may do so by writing to Board of Directors, Live Ventures Incorporated, 325 East Warm Springs Road, Suite 102, Las Vegas, Nevada 89119.

What is the leadership structure of the Board?

Mr. Jon Isaac, our Chief Executive Officer, also serves as Chairman of the Board. Currently, the Board does not have a Lead Director. Although the Board assesses the appropriate leadership structure from time to time in light of internal and external events or developments and reserves the right to make changes in the future, it believes that the current structure, as described in this Proxy Statement, is appropriate at this time given the size and experience of the Board, as well as the background and experience of management.

What is the Board's role in risk oversight?

Our management is responsible for managing risk and bringing the most material risks facing the Company to the Board's attention. The Board has oversight responsibility for the processes established to report and monitor material risks applicable to the Company. The Board also oversees the appropriate allocation of responsibility for risk oversight among the committees of the Board. The Audit Committee plays a central role in overseeing the integrity of the Company's financial statements and reviewing and approving the performance of the Company's internal audit function and independent accountants. The Corporate Governance and Nominating Committee considers risks related to succession planning and considers risk related to the attraction and retention of talent and risks related to the design of compensation programs and arrangements. The Compensation Committee monitors the design and administration of the Company's compensation programs to ensure that they incentivize strong individual and group performance and include appropriate safeguards to avoid unintended or excessive risk taking by Company employees. The Board does not believe that its process for risk oversight should affect its leadership structure (i.e., whether it may combine the Chairman and CEO roles in the future) because Board committees (comprised entirely of independent directors) play the central role in risk oversight.

What committees has the Board established?

The Board has an Audit Committee, a Compensation Committee, and a Corporate Governance and Nominating Committee, each of which is a separately-designated standing committee of the Board. Each committee has a charter.

Audit Committee. The purpose of our Audit Committee is to assist our Board of Directors in overseeing (i) the integrity of our Company's accounting and financial reporting processes, the audits of our financial statements, as well as our systems of internal controls regarding finance, accounting, and legal compliance; (ii) our Company's compliance with legal and regulatory requirements; (iii) the qualifications, independence and performance of our independent public accountants; (iv) our Company's financial risk; and (v) our Company's internal audit function. In carrying out this purpose, the Audit Committee maintains and facilitates free and open communication between the Board, the independent public accountants, and our management. Messrs. Gao (Chairman), Butler and Sickmeyer currently serve on our Audit Committee. Each member of the committee satisfies the independence standards specified in Rule 5605(a)(2) of the NASDAQ Listing Rules and the related rules of the SEC and has been determined by the Board to be "financially literate" with accounting or related financial management experience. The Board has also determined that Mr. Gao is an "audit committee financial expert" as defined under SEC rules and regulations, and qualifies as a financially sophisticated audit committee member as required under Rule 5605(c)(2)(A) of the NASDAQ Listing Rules. The Board has adopted a charter for the Audit Committee, a copy of which is posted on our website at ir.livedeal.com/governance-documents. The Audit Committee met telephonically four times during fiscal 2015.

Compensation Committee. The purpose of the Compensation Committee is to (i) discharge the Board's responsibilities relating to compensation of the Company's directors and executives, (ii) produce an annual report on executive compensation for inclusion in the Company's proxy statement, as necessary, and (iii) oversee and advise the Board on the adoption of policies that govern the Company's compensation programs, including stock and benefit plans. During fiscal 2015, Messrs. Butler (Chairman), Gao and Sickmeyer served on the Compensation Committee. Each member of the committee satisfies the independence standards specified in Rule 5605(a)(2) of the NASDAQ Listing Rules and the related rules of the SEC. In addition, each of the current members of the Compensation Committee is a "non-employee director" under Section 16 of the Exchange Act and an "outside director" for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). The Board has adopted a charter for the Compensation Committee, a copy of which is posted on our website at ir.livedeal.com/governance-documents. The Compensation Committee acted by unanimous written consent one time during fiscal 2015.

Corporate Governance and Nominating Committee. The purpose of the Corporate Governance and Nominating Committee is to (i) identify individuals who are qualified to become members of the Board, consistent with criteria approved by the Board, and to select, or to recommend that the Board select, the director nominees for the next annual meeting of stockholders or to fill vacancies on the board; (ii) develop and recommend to the Board a set of corporate governance principles applicable to our Company; and (iii) oversee the evaluation of the Board and our Company's management. During fiscal 2015, Messrs. Butler (Chairman), Gao and Sickmeyer served on the Corporate Governance and Nominating Committee. Each member of the committee satisfies the independence standards specified in Rule 5605(a)(2) of the NASDAQ Listing Rules and the related rules of the SEC. The Board has adopted a charter for the Corporate Governance and Nominating Committee, a copy of which is posted on our website at ir.livedeal.com/governance-documents. The Corporate Governance and Nominating Committee acted by unanimous written consent one time during fiscal 2015.

What are the procedures of the Corporate Governance and Nominating Committee in making nominations?

The Corporate Governance and Nominating Committee establishes and periodically reviews the criteria and qualifications for board membership and the selection of candidates to serve as directors of our Company. In determining whether to nominate a candidate for director, the Corporate Governance and Nominating Committee considers the following criteria, among others:

- the candidate's integrity and ethical character;
- whether the candidate is "independent" under applicable SEC and NASDAQ;
- whether the candidate has any conflicts of interest that would materially impair his or her ability to exercise independent judgment as a member of the Board or otherwise discharge the fiduciary duties owed by a director to Live Ventures and our stockholders;
- the candidate's ability to represent all of our stockholders without favoring any particular stockholder group or other constituency of Live Ventures;
- the candidate's experience (including business experience relevant to Live Ventures and/or its industry), leadership qualities and commitment to devoting the amount of time required to be an active member of the Board and its committees; and
- the committee's desire to nominate directors from diverse business and personal backgrounds (although the Company does not have a specific policy regarding the consideration of diversity in identifying director nominees).

The committee has the authority to retain a search firm to identify director candidates and to approve any fees and retention terms of the search firm's engagement, although the committee has not recently engaged such a firm.

Although the committee has not specified any minimum criteria or qualifications that each director must meet, the committee conducts its nominating process in a manner designed to ensure that the Board continues to meet applicable requirements under SEC and NASDAQ rules (including, without limitation, as they relate to the composition of the Audit Committee).

The Board is of the view that the continuing service of qualified incumbents promotes stability and continuity in the boardroom, giving our Company the benefit of the familiarity and insight into our Company's affairs that its directors have accumulated during their tenure, while contributing to the Board's ability to work as a collective body. Accordingly, the process of the Corporate Governance and Nominating Committee for identifying nominees reflects the practice of re-nominating incumbent directors who continue to satisfy the committee's criteria for membership on the Board, who the committee believes will continue to make important contributions to the Board, and who consent to continue their service on the Board.

What are our policies and procedures with respect to director candidates who are nominated by security holders?

The Corporate Governance and Nominating Committee will consider director candidates recommended by our stockholders under criteria similar to those used to evaluate candidates nominated by the committee (including those listed above). In considering the potential candidacy of persons recommended by stockholders, however, the committee may also consider the size, duration and any special interest of the recommending stockholder (or group of stockholders) in Live Ventures's common stock.

Stockholders who desire to recommend a nominee for election to the Board must follow the following procedures:

Recommendations must be submitted to the Company in writing, addressed to our Principal Financial Officer at the Company's principal headquarters.

Recommendations must include all information reasonably deemed by the recommending stockholder to be relevant to the committee's consideration, including (at a minimum):

o the name, address and telephone number of the potential candidate;

o the number of shares of Live Ventures's common stock owned by the recommending stockholder (or group of stockholders), and the time period for which such shares have been held;

if the recommending stockholder is not a stockholder of record according to the books and records of the Company,
o a statement from the record holder of the shares (usually a broker or bank) verifying the holdings of the stockholder;

a statement from the recommending stockholder as to whether s/he has a good faith intention to continue to hold the
o reported shares through the date of Live Ventures's next annual meeting (at which the candidate would be elected to
the Board);

o with respect to the recommended nominee:

the information required by Item 401 of Regulation S-K (generally providing for disclosure of the name, address,
§ any arrangements or understandings regarding the nomination and the five-year business experience of the proposed
nominee, as well as information about the types of legal proceedings within the past five years involving the
nominee);

§ the information required by Item 403 of Regulation S-K (generally providing for disclosure regarding the proposed
nominee's ownership of securities of Live Ventures); and

the information required by Item 404 of Regulation S-K (generally providing for disclosure of transactions in which
§ Live Ventures l was or is to be a participant involving more than \$120,000 and in which the nominee had or will
have any direct or indirect material interest and certain other types of business relationships with Live Ventures);

o a description of all relationships between the proposed nominee and the recommending stockholder and any
arrangements or understandings between the recommending stockholder and the nominee regarding the nomination;

o a description of all relationships between the proposed nominee and any of Live Ventures's competitors, customers,
suppliers, labor unions or other persons with special interests regarding Live Ventures;

o a description of the contributions that the nominee would be expected to make to the Board and the governance of Live Ventures; and

o a statement as to whether, in the view of the stockholder, the nominee, if elected, would represent all stockholders and not serve for the purpose of advancing or favoring any particular stockholder or other constituency of Live Ventures.

The nominating recommendation must be accompanied by the consent of the proposed nominee to be interviewed by the Corporate Governance and Nominating Committee and other Board members and, if elected, to serve as a director of Live Ventures.

A stockholder nomination must be received by Live Ventures, as provided above, not later than 120 calendar days prior to the first anniversary of the mailing date of the proxy statement for the prior annual meeting.

If a recommendation is submitted by a group of two or more stockholders, the information regarding the recommending stockholders must be submitted with respect to each stockholder in the group (as the term group is defined under SEC regulations).

Does the Board have a policy on director attendance at the Annual Meeting?

The Board does not have a formal policy regarding director attendance at the Company's annual meeting of stockholders, but all directors are encouraged to attend. All of our directors who were standing for re-election at our 2015 Annual Meeting attended that meeting, either in person or via teleconference. All directors standing for re-election this year anticipate attending the Annual Meeting, either in person or via teleconference.

How are our directors compensated?

Directors who are also employees of the Company (including Mr. Jon Isaac and Mr. Tony Isaac) do not receive any separate compensation in connection with their Board service. Our non-employee directors generally receive a \$25,000 annual retainer, although we make different arrangements with certain of our non-employee directors from time to time. Our Lead Director (if any) and committee chairpersons generally receive an additional annual retainer (equal to \$10,000 for the Lead Director and Audit Committee Chairman, and \$5,000 for the chairpersons of the other committees). In the event that the Chairman of the Board is a non-employee director, we also pay such person an additional retainer. We reimburse directors for reasonable expenses related to their Board service. For more information about the compensation paid or provided to our directors during fiscal 2015, please refer to the "Director Compensation" section of this Proxy Statement.

Does the Company have a Code of Ethics?

We have adopted a Code of Business Conduct and Ethics that applies to all directors, officers and employees of our Company, including the Chief Executive Officer and other principal financial and operating officers of the Company. The Code of Business Conduct and Ethics is posted on our website at ir.livedeal.com/governance-documents. If we make any amendment to, or grant any waivers of, a provision of the Code of Business Conduct and Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller where such amendment or waiver is required to be disclosed under applicable SEC rules, we intend to disclose such amendment or waiver and the reasons therefor on Form 8-K or on our website.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, certain of our officers and persons who own at least 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. Based solely on our review of the copies of such forms filed with the SEC and on written representations provided to us by our directors and officers, all Section 16(a) filing requirements applicable to our directors, officers and 10% or greater stockholders were complied with during the fiscal year that ended September 30, 2015, with the exception of the following:

<u>Name</u>	<u>No. Late Reports (Form 4s)</u>	<u>No. Transactions Covered</u>
Richard D. Butler, Jr.	1	One transaction in which he was issued 900 shares of common stock in lieu of a cash payment of director compensation for the month of October 2014
	1	One transaction in which he was issued 799 shares of common stock in lieu of a cash payment of director compensation for the month of November 2014
	1	One transaction in which he was issued 845 shares of common stock in lieu of a cash payment of director compensation for the month of December 2014

RELATED PARTY TRANSACTIONS**Executive Office Space**

Our executive office is located in San Diego. This office is currently being provided to us by a company that is a related party to Isaac Capital Group LLC, one of our largest stockholders, which is owned by Jon Isaac, our President and Chief Executive Officer and one of our directors.

Mezzanine Loan from Isaac Capital Fund

In connection with the purchase of Marquis Industries Inc., the Company entered into a mezzanine loan in an amount of up to \$7,000,000 provided by Isaac Capital Fund, a private lender whose managing member is Jon Isaac, the chief executive officer of the Company.

The Isaac Capital Fund mezzanine loan bears interest at 12.5% with payment obligations of interest each month and all principal due in January 2021 (six months after the final payments are due under the Bank of America Term and Revolving Loan). As of September 30, 2015, there was \$6,495,825 outstanding on this mezzanine loan.

ICG Note

On January 23, 2014, the Company issued a note to Isaac Capital Group (“ICG”), a related party, in the principal amount of \$500,000. Because the conversion price of \$2.29 was less than the stock price, this gave rise to a beneficial conversion feature valued at \$500,000. The Company recognized this beneficial conversion feature as a debt discount and additional paid in capital. The debt discount is being amortized over the one year term. On December 3, 2014, ICG converted the note into 674,370 shares of common stock, therefore the remaining debt discount of \$158,219 was written off and recognized as interest expense. In addition, upon the conversion of note, the Company issued to ICG a warrant to acquire 674,370 additional shares of the Company’s common stock at an exercise price of \$0.95 per share. The fair value of the warrants issued in connection with the conversion of note was \$1,853,473 and was immediately recognized as interest expense.

Procedures for Approval of Related Party Transactions

In accordance with its charter, the Audit Committee reviews and recommends for approval all related party transactions (as such term is defined for purposes of Item 404 of Regulation S-K). The Audit Committee participated in the approval of the transactions described above.

AUDIT COMMITTEE REPORT

SEC rules require us to include in our Proxy Statement a report from the Company's Audit Committee. The following report concerns the Audit Committee's activities regarding oversight of our financial reporting and auditing process and does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing that we make under the Securities Act or the Exchange Act, except to the extent we specifically incorporate this report in such filings.

It is the duty of the Audit Committee to provide independent, objective oversight of our accounting functions and internal controls. The Audit Committee acts under a written charter that sets forth the audit-related functions we are expected to perform. Our functions are to:

- serve as an independent and objective party to monitor Live Ventures Incorporated's financial reporting process and system of internal control structure;
- review and appraise the audit efforts of Live Ventures Incorporated's independent registered public accounting firm; and
- provide an open avenue of communication among the independent auditors, financial and senior management, and the Board.

We meet with management periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. We discuss these matters with the Company's independent auditors and with appropriate financial personnel. We regularly meet privately with the independent auditors, who have unrestricted access to the Audit Committee. We also recommend to the Board the appointment of the independent auditors and review periodically their performance and independence from management. Toward that end, we have considered whether the non-audit related services provided by Live Ventures Incorporated's independent auditors are compatible with their independence. In addition, we review our financing plans and report recommendations to the full Board for approval and to authorize action.

Management of Live Ventures Incorporated has primary responsibility for the Company's financial statements and the overall reporting process, including its system of internal control structure. The independent auditors (i) audit the annual financial statements prepared by management, (ii) express an opinion as to whether those financial statements fairly present Live Ventures Incorporated's financial position, results of operations, and cash flows in conformity with generally accepted accounting principles, and (iii) discuss with the Company any issues they believe should be raised. Our responsibility is to monitor and review these processes.

It is not our duty or responsibility to conduct auditing or accounting reviews or procedures. We are not employees of Live Ventures Incorporated while serving on the Audit Committee. We are not and we may not represent ourselves to be or to serve as accountants or auditors by profession or experts in the fields of accounting and auditing. Therefore, we have relied, without independent verification; on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent auditors included in their report on Live Ventures Incorporated's consolidated financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent auditors do not assure that the Company's consolidated financial statements are presented in accordance with accounting principles generally accepted in the United States of America, that the audit of the Company's consolidated financial statements has been carried out in accordance with generally accepted auditing standards or that Live Ventures Incorporated's independent accountants are, in fact, "independent."

This year, we reviewed Live Ventures Incorporated's audited consolidated financial statements and met with both management and Anton & Chia, LLP, Live Ventures Incorporated's independent auditors, to discuss those consolidated financial statements. Management has represented to us that the consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. We have received from and discussed with Anton & Chia, LLP the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). These items relate to that firm's independence from Live Ventures Incorporated. We also discussed with Anton & Chia, LLP any matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees).

In reliance on the reviews and discussions referred to above, we recommended to the Board that the Company's audited consolidated financial statements should be included in Live Ventures Incorporated's Annual Report on Form 10-K for the fiscal year ended September 30, 2015.

**ADVISORY VOTE ON COMPENSATION OF
NAMED EXECUTIVE OFFICERS (“SAY-ON-PAY”)**

(Proposal No. 2)

Proposed Advisory Resolution of Stockholders

At the Annual Meeting, stockholders will be given the opportunity to vote on the following advisory resolution:

RESOLVED, that the stockholders of Live Ventures Incorporated hereby approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including, the compensation tables and accompanying narrative discussion set forth in this Proxy Statement.

Background on Proposal

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) and related SEC rules, stockholders are being given the opportunity to vote at the Annual Meeting on this advisory resolution regarding the compensation of our named executive officers (commonly referred to as “say-on-pay”). For more information about the compensation that we paid to our named executive officers during fiscal 2015, as well as a description of our overall executive compensation philosophy and program, please refer to the “Compensation of Named Executive Officers and Directors” section of this Proxy Statement, as well as the compensation tables and accompanying narrative disclosures that follow such section.

Effects of Advisory Vote

Because the vote on this proposal is advisory in nature, it will not affect any compensation already paid or awarded to our named executive officers and will not be binding on the Board or the Compensation Committee. However, the Compensation Committee and the Board will consider the outcome of the vote when making future executive compensation decisions.

Vote Required

The resolution approving, on an advisory basis, the compensation of our named executive officers (“say-on-pay”) will be approved if a majority of the votes cast at the Annual Meeting are voted in favor of the proposal, assuming a quorum is present. A properly executed proxy marked “ABSTAIN” with respect to the proposal will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Accordingly, an abstention will not affect the outcome of the proposal. Brokers are not entitled to use their discretion to vote uninstructed proxies with respect to the proposal, and any such “broker non-votes” will not be deemed a vote cast.

The Board recommends a vote FOR approval of the resolution set forth above regarding the compensation of our named executive officers.

RATIFICATION OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

(Proposal No. 3)

Audit Committee Appointment – Anton & Chia, LLP

Our Audit Committee, pursuant to authority granted to it by the Board, has selected Anton & Chia, LLP, certified public accountants (“Anton”), as independent auditors to examine our annual consolidated financial statements for the fiscal year ending September 30, 2016. The Board is submitting this proposal to the vote of the stockholders in order to ratify the Audit Committee’s selection. If stockholders do not ratify the selection of Anton, the Audit Committee will reconsider its selection of our independent registered public accounting firm for fiscal 2016, although the Audit Committee will be under no obligation to change its selection.

Change in Independent Registered Public Accounting Firm

On May 6, 2014, the Company dismissed Kabani as its independent registered public accounting firm and approved the engagement of Anton to replace Kabani as its independent accountant. Both actions were approved by the Company’s Audit Committee. The reports issued by Kabani with respect to the Company’s financial statements for the past two fiscal years, which ended on September 30, 2013 and 2012, respectively, did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company’s two most recent fiscal years (and the subsequent interim period preceding Kabani’s dismissal), there were no disagreements between the Company and Kabani on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of Kabani, would have caused Kabani to make reference to the subject matter of the disagreement(s) in connection with its report(s). In addition, there were no “reportable events” as defined in Item 304(a)(1)(v) of Regulation S-K during such periods.

During the Company’s two most recent fiscal years (and the subsequent interim period preceding the Company’s engagement of Anton), neither the Company nor anyone on its behalf consulted Anton regarding (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered by Anton with respect to the Company’s financial statements; or (ii) any matter that was either the subject of a disagreement between the Company and Kabani or a “reportable event” as defined in Item 304(a)(1)(v) of Regulation S-K.

We paid the following fees to our independent registered public accounting firm, Anton, for work performed in fiscal 2015 and 2014:

Attendance of Auditors at 2015 Annual Meeting

Representatives of Anton are not expected to be present at the Annual Meeting.

Vote Required

The ratification of the Audit Committee's appointment of Anton as our independent registered public accounting firm for the fiscal year ending September 30, 2016 will be approved if a majority of the votes cast affirmatively or negatively at the Annual Meeting are voted in favor of the proposal, assuming a quorum is present. A properly executed proxy marked "ABSTAIN" with respect to such matter will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Accordingly, an abstention will not affect the outcome of this proposal. Brokers are entitled to use their discretion to vote uninstructed proxies with respect to ratification of our independent auditors.

The Board recommends a vote FOR ratification of the Audit Committee's appointment of Anton & Chia, LLP as our independent registered public accounting firm for fiscal 2016.

STOCKHOLDER NOMINATIONS AND OTHER PROPOSALS

To be considered for inclusion in our proxy materials relating to our 2017 Annual Meeting, stockholder nominations or other proposals must be received at our principal executive offices by February 23, 2017, which is 120 calendar days prior to the anniversary of the mailing date of the Company's 2016 Proxy Statement. All stockholder proposals must be in compliance with applicable laws and regulations, including the provisions of Rule 14a-8 of the Exchange Act, in order to be considered for possible inclusion in the proxy statement and form of proxy for the 2017 Annual Meeting.

Pursuant to Section 2.7 of the Company's Amended and Restated Bylaws, any notice of a stockholder nomination or other proposal submitted outside of the process prescribed by Rule 14a-8 of the Exchange Act (i.e., proposals that are not to be included in the Company's proxy statement and form of proxy) received after February 23, 2017 will be considered untimely. To be in proper written form, a stockholder's notice must set forth, as to each matter such stockholder proposes to bring before the annual meeting, (i) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (ii) the name and record address of such stockholder, (iii) the class or series and number of shares of capital stock of the Company that are owned beneficially or of record by such stockholder, (iv) a description of all arrangements or understandings between such stockholder and any other person or persons (including their names) in connection with the proposal of such business by such stockholder and any material interest of such stockholder in such business and (v) a representation that such stockholder intends to appear in person or by proxy at the annual meeting to bring such business before the meeting.

OTHER MATTERS

As of the date of this Proxy Statement, the Board does not intend to present at the Annual Meeting any matters other than those described herein and does not presently know of any matters that will be presented by other parties. If any other matter is properly brought before the meeting for action by stockholders, proxies in the enclosed form returned to us will be voted in accordance with the recommendation of the Board or, in the absence of such a recommendation, in accordance with the judgment of the proxy holder.

ELECTRONIC DELIVERY OF FUTURE ANNUAL MEETING MATERIALS

We are offering our stockholders the opportunity to consent to receive our future proxy materials and annual reports electronically by providing the appropriate information when voting via the Internet. Electronic delivery could save us a significant portion of the costs associated with printing and mailing annual meeting materials, and we hope that our stockholders find this service convenient and useful. If you consent and we elect to deliver future proxy materials

and/or annual reports to you electronically, then we will send you a notice (either by electronic mail or regular mail) explaining how to access these materials but will not send you paper copies of these materials unless you request them. We may also choose to send one or more items to you in paper form despite your consent to receive them electronically. Your consent will be effective until you revoke it by terminating your registration at the website www.investordelivery.com if you hold shares at a brokerage firm or bank participating in the ADP program, or by contacting our transfer agent, VStock Transfer, LLC, if you hold shares in your own name.

By consenting to electronic delivery, you are stating to us that you currently have access to the Internet and expect to have access in the future. If you do not have access to the Internet, or do not expect to have access in the future, please do not consent to electronic delivery because we may rely on your consent and not deliver paper copies of future annual meeting materials. In addition, if you consent to electronic delivery, you will be responsible for your usual Internet charges (e.g., online fees) in connection with the electronic delivery of the proxy materials and annual report.
