We have not completed the testing and evaluation of our internal controls over financial reporting, as such existed as of December 31, 2004, in accordance with Section 404 of the Sarbanes-Oxley Act of 2002. As a result, we have not provided our independent auditors with all of the information they require in order to issue their audit report on our 2004 financial statements and to provide their consents with respect to the audit reports to be included in our Annual Report on Form 10-K. Our current independent auditors, Grant Thornton LLP, have advised us that they are unable to provide their unqualified opinion on our financial statements, unless and until our management is virtually complete in its assessment of our internal controls over financial reporting, and we have been able to provide our auditors with the information they require. Accordingly, we were unable to complete and file our Annual Report on Form 10-K for the year ended December 31, 2004 by March 16, 2005. We currently anticipate filing such Annual Report on or before March 31, 2005.
