Item 3. Source and Amount of Funds or Other Consideration

BalCo originally acquired 3,238,846 shares of Common Stock from GMAC Commercial Credit LLC f/k/a BNY Financial Corporation on May 1, 2001 pursuant to a letter agreement regarding the purchase of the Common Stock, dated April 30, 2001, for an aggregate cash payment of \$1,250,000. BalCo then acquired an additional 678,181 shares of the Common Stock from George Guttman on October 3, 2001 pursuant to a Stock Purchase Agreement dated October 1, 2001 for an aggregate cash payment of \$305,181. BalCo funded these purchases out of its working capital, which is composed of contributions to capital made by the Members of BalCo on a pro rata basis determined by their

respective percentage of ownership interest in BalCo. The contributions to the capital of BalCo made by Fulcrum and MGI were derived from their respective working capital.

On October 4, 2001, MGI's membership interest in BalCo was totally redeemed in exchange for 323,885 shares of Common Stock owned by BalCo, pursuant to an Agreement Relating to Withdrawal and Redemption of Member Interest dated October 4, 2001. These shares were immediately sold to Bradford, O'Brien and Schmidt individually pursuant to separate Stock Purchase Agreements each dated October 4, 2001. Bradford purchased 173,885 shares of Common Stock for \$67,109, funded by personal funds. O'Brien purchased 100,000 shares of Common Stock for \$38,594 funded by a 30-day note to MGI which was subsequently repaid from O'Brien's personal funds. Schmidt purchased 50,000 shares of Common Stock for \$19,207 funded by personal funds.

Item 4. Purpose of Transaction

Item 4 of Schedule 13D is amended in its entirety to read as follows:

MGI, acting for and on behalf of BalCo, Fulcrum, Bradford, O'Brien and Schmidt in the capacities set forth in Item 2, intends to monitor the business and affairs of the Issuer closely and to periodically review the investment of the Reporting Persons in securities of the Issuer. Depending upon the results of such activities and such other facts and circumstances then existing, including evaluation of the business and prospects of the Issuer, availability of funds, alternative uses for funds and investments to which such funds of the Reporting Persons may be dedicated and general market conditions, BalCo or one or more of the other Reporting Persons may, from time to time, acquire additional Common Stock or other debt or equity securities of the Issuer. Such additional investments may occur at any time and may include purchases in one or more open market or private transactions, including purchases by tender offer, transactions with the Issuer or other similar investments or acquisitions. If any of the Reporting Persons subsequently makes any such additional investments or acquisitions of Common Stock or other Issuer securities, such investments or acquisitions may be undertaken with a view to acquiring a greater or controlling interest (possibly even a majority interest) in the Issuer and a commensurately greater influence with respect to the business activities and affairs of the Issuer. As a result of, or in connection with, any such investment or acquisition, BalCo or one or more of the other Reporting Persons may propose, effect or cause to occur any one or more of the following: an extraordinary business transaction, such as a merger, reorganization or liquidation or similar transaction, involving the Issuer or any of its hereafter existing subsidiaries; either or both of a change in the present number of Directors and the present composition of the Board of Directors of the Issuer; changes in the present capitalization of the Issuer; and a change in the Issuer's corporate structure, any of which may cause a class of securities of the Issuer to be delisted from a national securities exchange or cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association. In addition to the foregoing, any or all of the Reporting Persons may dispose of some or all of the Common Stock or other Issuer securities from time to time, whether now owned or hereafter acquired, if any such Reporting Person deems such transaction to be in its best interest, except that Bradford, O'Brien and Schmidt cannot sell their respective shares without the prior approval of MGI.

As mentioned above, BalCo or one or more of the other Reporting Persons continue to evaluate the prospects of additional investment in the Issuer, but at the present time, except as described in this Item 4, none of the Reporting Persons presently has any plans or proposals which relate to or would result in: (a) the acquisition by any Reporting Person of additional securities of the Issuer or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) any material change in the present capitalization or dividend policy of the Issuer; (e) any other material change in the Issuer's business or corporate structure; (f) any changes in the Issuer's charter or by-laws or other actions which may

10

impede the acquisition of control of the Issuer by any person; (g) causing a class of securities of the Issuer to be de-listed from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (h) causing a class of equity securities of the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or (i) any action similar to those enumerated in (a) through (h) of this Item 4.

BalCo or one or more of the other Reporting Persons does have, however, a plan or proposal which relates to and would result in a change in the present board of directors or management of the Issuer. At the present time, BalCo, as the single largest beneficial owner of the Issuer and pursuant to the authority aforementioned and reserved in this Item 4, has proposed either or both of a change in the present number of Directors and the present composition of the Board of Directors of the Issuer and has nominated Mr. Mark David Hasebroock (the "Nominee") as a candidate for election to the board of directors of the Issuer to be held at the annual meeting of the shareholders in May 2003. MGI is the sole manager of BalCo and thus exercises sole voting and dispositive power over the shares owned by BalCo. MGI, on behalf of BalCo, has provided the Issuer with a timely and sufficient notice in compliance with the by-laws of the Issuer and for purposes of providing adequate disclosures in solicitations of proxies for the election of directors or as otherwise required pursuant to Regulation 14A of the Securities Exchange Act of 1934. The Nominee has also provided the Issuer with his consent to being named, in the proxy statement for the annual meeting of the shareholders of the Issuer, as a nominee and candidate for the board of directors of the Issuer.

The Nominee currently owns 19,462 shares, or 0.82%, of MGI. MGI owns 20% of Fulcrum, which owns BalCo. As such, the Nominee indirectly owns securities of the Issuer, and the Nominee has no other ownership interests in the Issuer. Within the last two years, the Nominee has not directly purchased or sold any securities of the Issuer. Other than indirectly, through MGI, if at all, the Nominee has: (i) not been a party to any contract, arrangement or understanding with any person with respect to securities of the Issuer; (ii) had no transaction or series of transactions and has no current transaction in an amount exceeding \$60,000 and in which the Nominee will or did have a direct or indirect material interest with any director, executive officer, nominee for election as a director, any security holder who is known to the Nominee to own, record or beneficially, more than five percent of the Issuer, or any member of the immediate family of any of the foregoing; and (iii) does not currently hold any public directorships. During the previous ten years, the Nominee has not been convicted in a criminal proceeding

Edgar Filing: BALLANTYNE OF OMAHA INC - Form SC 13D/A

(excluding traffic violations or similar misdemeanors) and was not a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which the Nominee was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finds any violation with respect to such laws.
