At the request of Participant, on behalf of Karpus, Cede & Co., as holder of record of Common Shares, is hereby submitting this notice (the "Notice") to the Company to submit the attached shareholder proposal pursuant to Rule 14a-8 of the Securities Exchange Act of 1934 (the "Proposal"), at the Company's 2015 Annual Meeting of Shareholders, and any postponement or adjournment thereof (the "Annual Meeting"), anticipated to be held in September 2015.

Cede & Co. has no interest in this matter other than to take those steps which are necessary to ensure that Karpus is not denied its rights as the owner of the Company's Common Shares, and Cede & Co. assumes no further responsibility in this matter.

EXHIBIT 1
Shareholder Proposal

BE IT RESOLVED, that the Investment Management Agreement between the Federated Enhanced Income Fund ("FTT" or the "Fund") and Federated Investment Management Company (the "Adviser") shall be terminated.

Supporting Statement

FTT lists the Barclays U.S. Treasury Bond Index as its benchmark. Compared to this stated benchmark, the Fund's net asset value (or the full value of FTT's underlying assets minus the Fund's liabilities) has underperformed substantially since inception, as well as over 1 and 3 year time periods ending 12/31/2014.

In fact, on a 1 year basis, FTT has underperformed by 4.68%. And, on a 3 year basis and since inception (1/29/2010-12/31/2014), it has underperformed by 1.60% and 4.33%, respectively (Source: Bloomberg Finance, LP). Importantly, all of these figures are on an annualized basis. Clearly, this type of perpetual underperformance is not acceptable.

On top of this, throughout the end of 2014, the Fund has traded at an average discount of 8.5% despite the Board and Advisor recommending and implementing share repurchases, a managed distribution policy (which has been reduced), termination of the Fund's sub-adviser, a reduction in the management fee, and a change to the Fund's portfolio manager.

With the discount staying so wide, the only logical conclusion that can be drawn is that shareholders and the market have lost faith in the Adviser's ability to successfully manage the Fund, as well as the Board's ability to manage the Adviser. In fact, the results of last year's election show just that, where over 54% of votes cast (or just over 50% of the Fund's outstanding shares) withheld authority to vote for the Fund's Board nominees!

The Board and the Fund's Adviser have exhausted FTT's proverbial "bag of tricks" and we believe shareholders should be given an opportunity to realize the true value of their shares. While the Fund is likely to come up with a litany of arguments against our proposal, the simple fact of the matter is that the current Adviser has not been able to provide attractive, long-term performance for the Fund. Despite its best efforts, the Adviser has been given more than ample time to prove its value to FTT's shareholders and we believe it has fallen dramatically short of being able to do so.

It is clear that the time for change is now! If you agree and believe FTT should terminate its Investment Management Agreement with Federated Investment Management Company, please vote FOR this proposal.

Re: Federated Enhanced Income Fund ("FTT" or the "Fund")
cusip no. 314162108

Mr. McGonigle:

Karpus Management, Inc., d/b/a Karpus Investment Management ("Karpus") is the beneficial owner of 300 shares of Common Stock of the Federated Enhanced Income Fund ("FTT" or the "Fund") and by this letter is notifying the Fund of its intention to submit the enclosed Trustee Nominees (the "Nominees") at the Fund's 2015 Annual Meeting anticipated to be held in September 2015 (as well as any postponement or adjournment thereof) (the "Annual Meeting"). Also attached is a letter from U.S. Bank N.A., as well as a written statement from the "record" holder of the referenced shares.

If elected, we believe our well qualified Nominees would serve as a positive resource and check on the Fund's investment manager, which has substantially underperformed over various measurement periods. Given last year's trustee voting results, we also believe that many shareholders will agree that the time for change is now.

Please advise us immediately if this notice is deficient in any way or any additional information is required so that we may promptly provide that information or cure any deficiency.

Sincerely,

RE: Demand with respect to Submitting Advanced Notice of Common Stock Director Nominations for the Federated Enhanced Treasury Income Fund ("FTT" or the "Fund"), CUSIP 314162108

Mr. McGonigle:

Cede & Co., the nominee of The Depository Trust Company ("Cede & Co."), is a holder of record of shares of common stock (the "Common Shares"), of the Federated Enhanced Income Fund (the "Company", "Fund" or "FTT"). These shares are registered on the stock transfer books of the Company in the name of Cede & Co. Cede & Co. is informed by its Participant U.S. Bank N.A. (the Participant), that on the date hereof 300 Common Shares of the Company, CUSIP 314162108, which are credited to the Participant's account are beneficially owned by Karpus Management, Inc., d/b/a Karpus Investment Management ("Karpus").

Cede & Co.'s address is: c/o The Depository Trust Company, 55 Water Street, New York, NY 10041-0099. Participant U.S. Bank N.A.'s address is: U.S. Bank, c/o Sheldon Solbro, 60 Livingston Avenue, St. Paul, Minnesota 55107. Beneficial owner Karpus' address is : 183 Sully's Trail, Pittsford, New York 14534.

At the request of Participant, on behalf of Karpus, Cede & Co., as holder of record of shares of Common Stock, is hereby submitting this notice (the "Notice") to the Company to submit the following director nominations of Arthur Charles Regan, Dr. Daniel Robeson, and Ronald Mass, CFA (collectively, the "Nominees" or each individually as a "Nominee") to shareholders at the Company's 2015 Annual Meeting of Shareholders, and any postponement or adjournment thereof (the "Annual Meeting"), anticipated to be held in September 2015. Other than presenting its previously submitted 14a-8 proposal and Nominees, Cede has been informed by US Bank that Karpus does not intend to bring forth any additional business before the Annual Meeting. To the extent any of Karpus' Nominee(s) are unable to serve at a later date for whatever reason, Karpus reserves the right to nominate a replacement nominee or nominees in their stead.

Cede & Co. has been informed by U.S. Bank that Karpus is seeking at the Annual Meeting to nominate the Nominees as members of the Board of Directors of the Fund, to be elected by the vote of the Fund's Common Stock. Each nominee's consent to be named as a nominee for election as a director of the Fund and their consents to serve if elected are attached hereto as Exhibit 1. Each Nominee's biographical information is set forth in Exhibit 2. To the best of Karpus' knowledge, it does not believe that any of the nominees are an "interested person" of FTT as defined in the Investment Company Act of 1940, nor does Karpus believe that any further information about the Nominees is required.

Cede & Co. has been informed by U.S. Bank that Karpus believes the nomination, and all exhibits hereto, are proper matters for shareholder action. Further, Karpus deems the Nominees to be appropriate candidates for election by the vote of the Fund's Common Stock, and also believes that the Nominees' presence on the Board of Directors of the Fund, will help to enhance shareholder value, although there can be no assurance that the election of the Nominees will improve the Fund's business or otherwise enhance shareholder value. As a holder of Common Stock, for reasons submitted by Karpus in a 14a-8 shareholder proposal in March 2015, Karpus does not feel that the Fund's investment manager has provided attractive performance for the Fund's shareholders. Because of the current Board's inability to replace the Fund's investment manager due to its substantial underperformance, Karpus therefore submits the Nominees for election by the Fund's Common Stock.

Cede & Co. has been informed by U.S. Bank that Karpus intends to appear at the Meeting in person or by proxy to submit the business specified in this Notice, as well as the proposal it submitted to the Fund. Cede & Co. has further been informed by U.S. Bank that Karpus is submitting the director nominations at the Meeting and in that regard Cede & Co. hereby submits the director nominations for presentation by Karpus at the Meeting.

Please advise both Karpus and Cede & Co. immediately if this Notice with respect to nominating the Nominees is deficient in any way or if any additional information is required so that Karpus may promptly provide that information or cure any deficiency in a timely fashion.

While Cede & Co. is furnishing this Notice as the stockholder of record of the referenced shares of Common Stock nominating the Nominees at the Meeting, it does so at the request of the Participant on behalf of Karpus and only as a nominal party for the true party in interest, Karpus. Cede & Co. has no interest in this matter other than to take those steps which are necessary to ensure that Karpus is not denied its rights as the owner of Common Stock, and Cede & Co. assumes no further responsibility in this matter.

Sincerely yours,

Cede & Co.
