**CONSENT SOLICITATION STATEMENT**

**General**

This Consent Solicitation Statement is being furnished in connection with the solicitation of written consents of the shareholders of Therapeutic Solutions International, Inc., a Nevada corporation (the Company or us or we or our ) v regard to the following proposal:

1.

To amend the Company s Articles of Incorporation as set forth in the form of the amendment to Articles of Incorporation attached to this Consent Solicitation Statement as Appendix A (the Articles Amendment ).

This Consent Solicitation Statement contains important information for you to consider when deciding how to vote on this matter. Please read it carefully.

Our board of directors has approved the Articles Amendment and has chosen to seek to obtain shareholder approval of the Articles Amendment by written consent, rather than by calling a special meeting of shareholders, in order to eliminate the costs and management time involved in holding a special meeting, and in order to effect the proposed corporate action as quickly as possible. Written consents are being solicited from all of our shareholders pursuant to Section 78.320(2) of the Nevada Revised Statutes.

Voting materials, which include this Consent Solicitation Statement and a written consent form, are being mailed to all shareholders on or about October 11, 2012. Our board of directors set the close of business on October 5, 2012 as the record date for the determination of shareholders entitled to act with respect to the consent action (the Record Date ). As of the record date, the Company had 305,458,333 shares of Common Stock outstanding of record, held by approximately 137 registered holders of record, and no shares of outstanding Preferred Stock.

### **How to Submit Consents; Expiration Date**

Shareholders of record who desire to consent to the Articles Amendment may do so by delivering the applicable written consent to us by hand, mail, facsimile or overnight courier, in accordance with the instructions contained in the written consent. A postage pre-paid envelope has been provided. If your shares are held in street name, voting will depend on the voting processes of your broker, bank, or other holder of record. Therefore, we recommend that you follow the voting instructions in the materials you receive directly from the holder of record.

If the written consent is properly completed and signed, the shareholder will be deemed to have consented to the Articles Amendment. Failure to return the enclosed written consent form will have the same effect as a vote against approval of the Articles Amendment.

Written consents by the shareholder(s) must be executed in exactly the same manner as the name(s) appear(s) on the stock certificates. If stock certificates to which a written consent relates are held of record by two or more joint holders, all such holders must sign the written consent. If a signature is by a trustee, executor, administrator, guardian, proxy, attorney-in-fact, officer of a corporation or other record holder acting in a fiduciary or representative capacity, such person should so indicate when signing and must submit proper evidence satisfactory to us of such person's authority so to act. If stock certificates are registered in different names, separate written consents must be executed covering each form of registration.

FOR A WRITTEN CONSENT TO BE VALID, A SHAREHOLDER MUST COMPLETE, SIGN, DATE AND DELIVER THE WRITTEN CONSENT (OR PHOTOCOPY THEREOF) FOR SUCH HOLDER'S SHARES TO THE COMPANY'S SECRETARY. SUCH WRITTEN CONSENT MAY BE DELIVERED TO THE COMPANY'S SECRETARY BY HAND, MAIL, FACSIMILE OR OVERNIGHT COURIER.

All written consents that are properly completed, signed and delivered to our Secretary before the Expiration Date, subject to extension by our board of directors, and not revoked before our acceptance of the written consents, will be accepted.

The term "Expiration Date" means 5:00 p.m. Pacific Time, on October 22, 2012, unless the Requisite Consents are received before such date, in which case this solicitation will expire on the date that such Requisite Consents are obtained, and such earlier date shall be the Expiration Date.

Final results of this solicitation of written consents will be published in a Form 8-K filed with the SEC after the Expiration Date.

Notwithstanding anything to the contrary set forth in this Consent Solicitation Statement, we reserve the right, at any time before the Expiration Date, to amend or terminate the solicitation, or to delay accepting written consents.

If you have any questions about the consent solicitation or how to vote or revoke your written consent, or if you should need additional copies of this Consent Solicitation Statement or voting materials, please contact Gerry B. Berg, our Chief Financial Officer, at (760) 295-7208.

### **Revocation of Consents**

Written consents may be revoked or withdrawn by the shareholders at any time before 5:00 p.m. Pacific Time on the Expiration Date. To be effective, a written or facsimile revocation or withdrawal of the written consent must be received by our Secretary before such time and addressed as follows: Therapeutic Solutions International, Inc., Attn: Secretary, 4093 Oceanside Boulevard, Suite B, Oceanside, California 92056; or by facsimile at (928) 395-1260. A notice of revocation or withdrawal must specify the shareholder's name and the number of shares being withdrawn. After the Expiration Date, all written consents previously executed and delivered and not revoked will become irrevocable.

**Solicitation of Consents**

Our board of directors is sending you this Consent Solicitation Statement in connection with its solicitation of consents to approve the Articles Amendment. Certain directors, officers and employees of our Company may solicit written consents by mail, email, telephone, facsimile or in person. Our Company will pay for the costs of solicitation.

We expect to pay the reasonable expenses of brokers, nominees and similar record holders in mailing voting materials to beneficial owners of our common stock.

## **PROPOSAL TO AMEND THE ARTICLES OF INCORPORATION**

In the first quarter of 2011, we filed articles of merger with the Nevada Secretary of State which, among other things, amended our Articles of Incorporation to change our name to Therapeutic Solutions International, Inc. and to increase the number of authorized shares of our capital stock from 75,000,000 (i.e., 70,000,000 shares of common stock and 5,000,000 shares of preferred stock) to 705,000,000 (i.e., 700,000,000 shares of common stock and 5,000,000 shares of preferred stock).

We believe that the articles of merger validly and effectively amended our Articles of Incorporation as stated therein (the 2011 Amendment), but a shareholder has expressed to us the view that there may be a question as to whether the 2011 Amendment was valid and effective. Our board of directors has determined that it is in the best interests of the Company and its shareholders to amend the Articles of Incorporation by adopting and effecting the amendment to Articles of Incorporation attached to this Consent Solicitation Statement as Appendix A (the Articles Amendment), to avoid doubt as to effectiveness of the previous amendment of the Articles of Incorporation, and to confirm and honor the expectations of all persons who have relied upon the 2011 Amendment. If the 2011 Amendment was not valid and effective, approximately 77% of our outstanding shares would not in fact be validly issued and outstanding, and we also would not have any authorized but unissued Common Stock to use for any corporate purpose.

There are no substantive differences between our current Articles of Incorporation provision as to authorized shares (i.e., the 2011 Amendment) and the Articles Amendment, other than to reduce the number of authorized shares of common stock from 700,000,000 to 699,999,999.

There currently are no plans, arrangements, commitments or understandings related to any of the classes of securities authorized by the Articles Amendment.

At the date of this Consent Solicitation Statement, we have no plans to engage in any merger or acquisition with other companies or entities. However, we consider and evaluate acquisition opportunities in the normal operation of our business, and further acquisition opportunities may arise at any time.

### **Interest of Certain Persons in the Articles Amendment**

No one who has been a Company director or executive officer since the beginning of our last fiscal year has any substantial interest, direct or indirect, by security holdings or otherwise, in the proposed Articles Amendment that is not shared by all other holders of the Company's Common Stock, except to the extent the matters described in the following paragraphs are deemed to constitute a substantial interest.

The holders of stock certificates representing certain shares first issued by us on or after March 31, 2011 would, if one assumes the 2011 Amendment was not valid and effective (i.e., if one assumes shares first issued by us after the 70,000,000-shares threshold was reached cannot be validly issued), have claims against us based on an overissue instead of holding the actual indicated shares ( Overissue Claims ). However, all of such Overissue Claims holders have agreed either to surrender their Overissue Claims to us as part of a general dispute resolution agreement (James P. Boyd, a director until August 2012 and a major shareholder: 223,991,333 Overissue Claims) or to exchange their Overissue Claims to us for the same number of newly authorized and certificated shares as originally intended (Timothy Dixon, a director, officer and major shareholder: 1,241,400 Overissue Claims; Gerry Berg, a director, officer and major shareholder: 25,000 Overissue Claims; Constellation Asset Advisors, Inc., a major shareholder: 10,000,000 Overissue Claims; and Spencer Edwards, Inc.: 200,000 Overissue Claims).

In addition, if one assumes the 2011 Amendment was not valid and effective, none of our outstanding stock options would be exercisable for shares. These include 1,800,000 options held by James P. Boyd, 1,800,000 options held by Timothy Dixon, 400,000 options held by Mr. Dixon's wife, and 1,500,000 options held by Gerry B. Berg (all at an exercise price of \$0.08 per share). However, if the Articles Amendment is approved and effected, even if such stock options were not now exercisable they would be and become exercisable in accordance with their terms, without any necessity for further action.

### **Vote(s) Required; Insider Voting Intentions**

In order for the Articles Amendment to be approved pursuant to Nevada law, we must receive the written consent of a majority of the outstanding shares of Common Stock (the **Requisite Consents**). Each share of Common Stock entitles the holder of record to one vote. Failure to vote (return a written consent form) at all will have the effect of a vote against the Articles Amendment. Abstentions will have the effect of a vote against the Articles Amendment. We expect that brokers and other nominees will not be allowed under the rules of the New York Stock Exchange to exercise discretionary authority with respect to the Articles Amendment for beneficial owners who have not provided voting instructions, and thus broker non-votes may result for this item. Broker non-votes will have the effect of a vote against the Articles Amendment.

Each member of our board of directors, Tim G. Dixon and Gerry B. Berg, has indicated his intent to give written consent (as shareholder) in favor of the Articles Amendment.

In addition, James P. Boyd appointed our chief financial officer (i.e., Mr. Berg) as Dr. Boyd's agent, attorney-in-fact and proxy, pursuant to an Irrevocable Proxy dated August 24, 2012, with respect to 223,991,333 shares of Common Stock represented, or ostensibly represented, by Common Stock certificates NS1 1044 and NS1 1058 (the **Boyd Special Shares**), to vote in favor of, or consent to, any proposal approved by our board of directors to amend our Articles of Incorporation, solely to change the number of authorized shares of Common Stock to any number of shares which is designated in such proposal and which is at least 100,000,000. Accordingly, Mr. Berg has indicated his intent, as the agent, attorney-in-fact and proxy of Dr. Boyd, to give written consent in favor of the proposed Articles Amendment as to the Boyd Special Shares.

If one assumes the 2011 Amendment was valid and effective, the shares of Common Stock held of record as of the Record Date by Mr. Dixon and Mr. Berg and the Boyd Special Shares total 255,822,733 shares of Common Stock, representing 83.8% of the voting power of our shareholders. As a result, Mr. Dixon and Mr. Berg would have sufficient voting power to approve the Articles Amendment as matter of Nevada law.

However, our board of directors has resolved that even if we receive the Requisite Consents, we will not file the Articles Amendment unless we also receive the written consent of a majority of the shares of Common Stock which would be duly outstanding on the Record Date even if the 2011 Amendment were not valid and effective (i.e., excluding all Overissue Claims from both the numerator and the denominator).

If one assumes the 2011 Amendment was not valid and effective, the shares of Common Stock held of record as of the Record Date by Mr. Dixon and Mr. Berg and which are not Overissue Claims (and with the Boyd Special Shares and the other Overissue Claims being deemed not to constitute outstanding shares) would total 30,565,000 shares of Common Stock, representing 43.7% (which would be less than a majority) of the duly outstanding shares.

*Our board of directors recommends that you vote (give written consent) **FOR** the Articles Amendment.*

### **Procedure for Implementing the Articles Amendment**

The Articles Amendment would become effective upon the filing by us with the Nevada Secretary of State of a Certificate of Amendment to Articles of Incorporation, reflecting the Articles Amendment, pursuant to Section 78.390(1) of the Nevada Revised Statutes.

### **No Appraisal Rights**

Under Nevada law and our charter documents, holders of our Common Stock will not be entitled to dissenters' rights or appraisal rights with respect to the Articles Amendment.

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth, as of September 4, 2012, information regarding the ownership of the Company's outstanding shares of common stock by (i) each person known to management to own, beneficially or of record, more than 5% of the outstanding shares of our common stock, (ii) each director of the Company, (iii) each executive officer of the Company, and (iv) all directors and executive officers as a group. The following table assumes the 2011 Amendment was valid and effective. As of September 4, 2012, if one assumes the 2011 Amendment was valid and effective, a total of 305,458,333 shares of our common stock were outstanding.

Name and Address of Beneficial Owners	Amount and Nature of	Percent of Shares
	Beneficial Ownership(1)	Outstanding
James P. Boyd (2)	233,346,933	76.2%
Tim G. Dixon (3)	21,916,400	7.2%
Gerry B. Berg (4)	11,923,000	3.9%
All directors and executive officers as a group (2 persons) (3)(4)	33,839,400	11.0%

- (1) Under SEC rules (i) a person is deemed to be the beneficial owner of shares if that person has, either alone or with others, the power to vote or dispose of those shares; and (ii) if a person holds options to purchase shares of our common stock, that person will be deemed to be the beneficial owner of the number of those shares that may be purchased by exercise of those options at any time during a 60 day period which, for purposes of this table, will end on November 3, 2012. The number of shares subject to options that are exercisable or may become exercisable during that 60-day period are deemed outstanding for purposes of computing the number of shares beneficially owned by, and the percentage ownership of, the person holding such options, but not for computing the percentage ownership of any other shareholder. Except as otherwise noted below, the persons named in the table have sole voting and dispositive power with respect to all shares shown as beneficially owned by them, subject to community property laws where applicable.
- (2) Includes 855,000 shares subject to outstanding stock options exercisable during the 60-day period ending November 3, 2012. Pursuant to a Master Dispute Resolution Agreement dated August 24, 2012, Dr. Boyd will surrender 223,991,333 shares to us for cancellation upon our making timely payments totaling \$351,000, all of which payments are scheduled to be made by January 2013; \$119,000 of such payments have already been timely made.
- (3) Includes 3,000 shares owned by Mr. Dixon's wife; Mr. Dixon disclaims beneficial ownership of those shares. Includes 855,000 shares subject to outstanding stock options exercisable during the 60-day period ending November 3, 2012. Also includes 190,000 shares subject to outstanding stock options held by Mr. Dixon's wife and exercisable during the 60-day period ending November 3, 2012; Mr. Dixon disclaims beneficial ownership of

those shares.

- (4) Includes 723,000 shares subject to outstanding stock options exercisable during the 60-day period ending November 3, 2012.

By contrast, if one assumes the 2011 Amendment was not valid and effective, the following table would set forth, as of September 4, 2012, information regarding the ownership of the Company's outstanding shares of common stock by (i) each person known to management to own, beneficially or of record, more than 5% of the outstanding shares of our common stock, (ii) each director of the Company, (iii) each executive officer of the Company, and (iv) all directors and executive officers as a group. As of September 4, 2012, if one assumed the 2011 Amendment was not valid and effective, a total of 70,000,000 shares of our common stock would be outstanding and no outstanding stock options would be exercisable.

Name and Address of Beneficial Owners	Amount and Nature of	Percent of Share
	Beneficial Ownership(1)	Outstanding
James P. Boyd	8,500,000	12.1%
Tim G. Dixon (2)	19,630,000	28.0%
Gerry B. Berg	11,175,000	16.0%
Tad Mailander	11,000,000	15.7%
Gemini Consulting LLC	6,000,000	8.6%
All directors and executive officers as a group (2 persons) (2)	30,805,000	44.0%

(1) Under SEC rules (i) a person is deemed to be the beneficial owner of shares if that person has, either alone or with others, the power to vote or dispose of those shares; and (ii) if a person holds options to purchase shares of our common stock, that person will be deemed to be the beneficial owner of the number of those shares that may be purchased by exercise of those options at any time during the next 60 days. Except as otherwise noted below, the persons named in the table have sole voting and dispositive power with respect to all shares shown as beneficially owned by them, subject to community property laws where applicable.

(2) Includes 3,000 shares owned by Mr. Dixon's wife; Mr. Dixon disclaims beneficial ownership of those shares.
