PROXY STATEMENT

Edgar Filing: DERMA SCIENCES, INC. - Form DEF 14A

This statement is furnished by the Board of Directors of Derma Sciences, Inc. (the "Company") in connection with the Board's solicitation of proxies for use at a Special Meeting of Shareholders (the "Meeting") to be held at 10:00 a.m. on Friday, December 28, 2007, at the offices of the Company, 214 Carnegie Center, Suite 300, Princeton, New Jersey, 08540, and at any adjournments thereof. The purpose of the Meeting and the matters to be acted upon are set forth in the accompanying Notice of Special Meeting of Shareholders.

If the accompanying form of Proxy is executed properly and returned, shares represented by it will be voted at the Meeting in accordance with the instructions on the Proxy. However, if no instructions are specified, shares will be voted for amendment of the Company's Articles of Incorporation to increase the authorized shares of Common Stock to 150,000,000. The Board knows of no matters which are to be presented for consideration at the Meeting other than those specifically described in the Notice of Special Meeting of Shareholders, but if other matters are properly presented, it is the intention of the persons designated as proxies to vote on them in accordance with their judgment.

A Proxy may be revoked at any time prior to the time it is voted by written notice to the Secretary of the Company at the above address or by delivery of a proxy bearing a later date. Any shareholder may attend the Meeting and vote in person whether or not a Proxy was previously submitted.

The close of business on November 23, 2007, has been fixed as the record date (the "Record Date") for the determination of shareholders entitled to notice of, and to vote at, the Meeting. On the Record Date, the Company had 33,829,755 shares of Common Stock, 150,003 shares of Series A Convertible Preferred Stock, 440,003 shares of Series B Convertible Preferred Stock, 619,055 shares of Series C Convertible Preferred Stock and 1,071,346 shares of Series D Convertible Preferred Stock outstanding and entitled to vote. The foregoing shares of Common and Preferred Stock (collectively, "Shares") are the only voting securities of the Company.

The presence at the Meeting, in person or by proxy, of the holders of 18,055,082 Shares (a majority of the aggregate number of shares of Common Stock and Preferred Stock issued and outstanding and entitled to vote as of the Record Date) is necessary to constitute a quorum to transact business. Proxies marked "Abstain" and broker proxies that have not voted on a particular proposal ("Broker Non-Votes"), if any, will be counted in determining the presence of a quorum. Each holder of Common Stock and Preferred Stock as of the Record Date is entitled to one vote per Share.

Adoption of Proposal No. 1 requires the affirmative vote of a majority of the total number of shares of the Common Stock and Preferred Stock represented and entitled to vote at the Meeting, voting together as a single class. In determining whether the Proposal has received the requisite number of affirmative votes, abstentions will be counted and will have the same effect as votes against the proposal, and broker non-votes, if any, will have no effect on the votes for the proposal.

The expense of solicitation will be borne by the Company. The solicitation of Proxies will be largely by mail, but may include telephonic, telegraphic or oral communications by officers or other representatives of the Company. The Company will also reimburse brokers or other persons holding shares in their names or in the names of their nominees for reasonable out-of-pocket expenses in connection with forwarding Proxies and proxy materials to the beneficial owners of such shares.

1

It is expected that the Notice of Special Meeting, Proxy Statement and form of Proxy will first be mailed to shareholders on or about December 1, 2007.

PROPOSAL 1 AMENDMENT TO ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF SHARES OF AUTHORIZED COMMON STOCK

Under the Company's Amended and Restated Articles of Incorporation, the Company is authorized to issue up to 50,000,000 shares of Common Stock, par value \$.01 per share. The Company's Board of Directors has approved an amendment to the Articles of Incorporation that increases the maximum number of authorized shares of the Company's Common Stock by 100,000,000 shares to a total of 150,000,000 shares ("Common Stock Amendment") and has recommended that the Company's shareholders approve the Common Stock Amendment. If the Company's shareholders do not approve the Common Stock Amendment, then the number of authorized shares of the Company's Common Stock will remain at 50,000,000.

The purpose of the proposed Common Stock Amendment is to provide sufficient shares for corporate purposes including the exercise of stock options that have been granted to certain present and former officers, employees, directors and advisors of the Company, possible future acquisitions, stock splits and other corporate purposes. Once authorized, the additional shares of the Company's Common Stock may be issued by the Company's Board of Directors without further action by the Company's shareholders unless such action is required by law or applicable stock exchange requirements. If the Common Stock Amendment is not approved by the Company's shareholders, the Company will examine

Edgar Filing: DERMA SCIENCES, INC. - Form DEF 14A

other means to ensure that sufficient shares of Common Stock are available for the purposes enumerated above. These means could include the reverse split of the Company's Common Stock or the redesignation of previously authorized Preferred Stock as Common Stock.

The proposed amendment to the Company's Amended and Restated Articles of Incorporation is attached hereto as Appendix A.

The Board of Directors unanimously recommends that shareholders vote FOR approval of the Amendment of the Company's Articles of Incorporation to increase the shares of authorized Common Stock to 150,000,000.
