NOTICE OF ANNUAL MEETING AND PROXY STATEMENT

The accompanying proxy is solicited by the board of directors (the Board of Directors) of Station Casinos, Inc., (the Company) to be used at the Annual Meeting of Stockholders on May 18, 2005 (the Annual Meeting) to be held at 10:00 a.m. local time at Green Valley Ranch Station Casino, 2300 Paseo Verde, Henderson, Nevada. This Proxy Statement and the enclosed form of proxy are being sent to stockholders on or about April 15, 2005.

At the Annual Meeting, stockholders will be asked to consider and vote upon the following matters:

ITEM I The election of two directors to serve until the 2008 Annual Meeting.

ITEM II Approval of the Company's 2005 Stock Compensation Program.

ITEM III A proposal to ratify the appointment of Ernst & Young LLP as the Company's independent auditors for 2005.

ITEM IV A stockholder proposal from a single stockholder, UNITE HERE, an affiliate of the Culinary Workers Union Local 226, which is a labor union that is attempting to organize our employees (the Union), to urge the Board to lower the voting requirements to amend the Company's Restated Bylaws from the current supermajority to a simple majority.

ITEM V A stockholder proposal from the Union to urge the Board to declassify the Board of Directors and institute annual election of directors.

ITEM VI A stockholder proposal from the Union to urge the Board to submit the Company's Rights Agreement to stockholders for approval.

Any stockholder giving a proxy may revoke it at any time prior to its exercise at the Annual Meeting by giving notice of such revocation either personally or in writing to the Secretary of the Company at the Company's executive offices, by subsequently executing and delivering another proxy or by voting in person at the Annual Meeting.

Your Board of Directors believes that the election of its director nominees, the approval of the Company's 2005 Stock Compensation Program and the ratification of Ernst & Young LLP as the Company's independent auditors for 2005 are in the best interests of the Company and its stockholders. **Therefore, your Board of Directors unanimously recommends voting FOR each of the proposals contained in items I, II and III.**

The Board of Directors believes that lowering the voting requirement to amend the Company's Restated Bylaws from the current supermajority to a simple majority, that declassifying the Board of Directors and that submitting the Company's Rights Agreement to stockholders for approval are not in the best interest of the Company and its stockholders. **Therefore, your Board of Directors unanimously recommends voting AGAINST each of the Union's proposals contained in items IV, V and VI.**

VOTING

Shares represented by duly executed and unrevoked proxies in the form of the enclosed white proxy card received by the Board of Directors will be voted at the Annual Meeting in accordance with the specifications made therein by the stockholders, unless authority to do so is withheld. If no specification is made, shares represented by duly executed and unrevoked proxies in the form of the enclosed white proxy card will be voted **FOR** the election as directors of the nominees listed herein, **FOR** the approval of the Company's 2005 Stock Compensation Program, **FOR** the ratification of Ernst & Young LLP as the Company's independent auditors for 2005, **AGAINST** the Union stockholder proposal urging the Board to amend the Company's Restated Bylaws from the current supermajority to a simple majority, **AGAINST** the Union stockholder proposal urging the Board to declassify the Board of Directors, **AGAINST** the Union stockholder proposal urging the Board to submit the Company's Rights Agreement to stockholders for approval and, in the discretion of the persons voting the respective proxies with respect to any other matter that may properly come before the Annual Meeting.

The cost of preparing, assembling and mailing of proxy materials will be borne by the Company. Directors, executive officers and other employees may also solicit proxies but without receiving special compensation. Brokerage houses, nominees, fiduciaries and other custodians will be requested to forward soliciting materials to beneficial owners and will be reimbursed for their reasonable out-of-pocket expenses incurred in sending proxy materials to beneficial owners. The Company has retained D. F. King & Co., Inc. to assist in the solicitation of proxies for an estimated fee of \$100,000, plus reimbursement of certain out-of-pocket expenses.

Only holders of record at the close of business on March 24, 2005 (the Record Date) of the Company's common stock, \$0.01 par value, will be entitled to vote at the Annual Meeting. On the Record Date, there were 67,737,543 shares of common stock outstanding. Each share of common stock is entitled to one vote on all matters presented at the Annual Meeting.

Vote Required

The election of the director nominees (Item I) requires a plurality of the votes cast in person or by proxy at the Annual Meeting. Each of approval of the Company's 2005 Stock Compensation Program (Item II), approval of the proposal to ratify Ernst & Young LLP as the Company's independent auditors for 2005 (Item III) and approval of the three stockholder proposals (Items IV, V and VI) requires the affirmative vote of holders of a majority of the voting power represented in person or by proxy and entitled to vote at the Annual Meeting. Under Nevada law and the Company's Restated Bylaws (the Bylaws), shares as to which a stockholder abstains or withholds from voting and shares as to which a broker indicates that it does not have discretionary authority to vote (broker non-votes) will have the same legal effect as a vote against a proposal; however, such shares will have no effect on the election of directors.

If your shares are held in the name of a broker, only your broker can execute a proxy and vote your shares and only after receiving your specific instructions on proposals as to which it does not have discretionary authority. PLEASE SIGN, DATE AND PROMPTLY MAIL THE WHITE PROXY CARD (OR VOTING INSTRUCTION FORM) IN THE ENVELOPE PROVIDED BY YOUR BROKER OR ITS AGENT. Remember, your shares cannot be voted unless you return a signed and executed proxy card (or Voting Instruction Form) to your broker on proposals as to which it does not have discretionary authority. However, please be advised that broker non-votes with respect to any matter to be voted on at the Annual Meeting will not be voted but will be counted as present to determine whether there is a quorum for voting purposes on such matters at the Annual Meeting and will have the same legal effect as a vote against the proposals other than the proposal for the election of directors. Broker non-votes occur when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular proposal and

has not received instructions from the beneficial owner. Under applicable rules of conduct, brokers do not have discretionary authority over any proposal to be presented at the Annual Meeting when the matter to be voted upon is being opposed by management, subject to a contest or pursuant to applicable NYSE rules.

The stockholders of the Company have no dissenters or appraisal rights in connection with any of the items to be voted upon at the meeting.

Meetings of the Board of Directors

The Board of Directors met 12 times during 2004. The Board of Directors has a standing Audit Committee and Governance and Compensation Committee. Each committee is comprised solely of independent directors. None of the members of the Board of Directors attended less than 75% of the meetings of the Board of Directors held, or of the total number of meetings held by all committees of the Board of Directors on which various members served during 2004. On December 1, 2004, Blake L. Sartini resigned as a member of the Board of Directors. The current members of each of the Board of Directors' committees are listed below.

All of the members of the Board of Directors were in attendance at the 2004 annual stockholders' meeting, which included Frank J. Fertitta III, Lorenzo J. Fertitta, Dr. James E. Nave, Lowell H. Lebermann and Lee S. Isgur. It is the Company's policy that all members of the Board of Directors are expected to attend the annual stockholders' meeting.

Director Independence

The Board of Directors has determined that each of Messrs. Lebermann, Nave, Isgur and Lewis are independent directors (as independence is defined in Sections 303.01 (B)(2)(a) and 3 of the New York Stock Exchange (NYSE) Listing Standards). As part of its analysis, the Board of Directors determined that none of Messrs. Lebermann, Nave, Isgur or Lewis has a direct or indirect material relationship with the Company.

Executive Sessions of Non-Management Directors

In order to promote open discussion among the non-management directors, the Board of Directors intends to schedule executive sessions, at least four times each year, in which those directors meet without management participation. The Chairman of each executive session will rotate between the chairpersons of the Company's Audit Committee and Governance and Compensation Committee, depending upon the primary subject matter of the meeting. During 2004, the non-management directors met 6 times without management participation following Audit Committee or Compensation and Governance Committee meetings.

The Audit Committee

The Board of Directors has a separately designated standing Audit Committee that was established in accordance with Section 3(a) (58) (A) of the Securities Exchange Act of 1934. The current members of the Audit Committee are James E. Nave, D.V.M., Chairman, Lowell H. Lebermann, Jr., Lee S. Isgur and Robert E. Lewis. Ms. Boggs McDonald served as a member of the Audit Committee prior to her resignation from the Board of Directors in March 2004. During 2004, the Audit Committee met 9 times.

The Audit Committee, comprised solely of independent directors (as independence is defined in Sections 303.01(B)(2)(a) and (3) of the NYSE listing standards), meets periodically with the Company's independent auditors, management, internal auditors and legal counsel to discuss accounting principles, financial and accounting controls, the scope of the annual audit, internal controls, regulatory compliance and other matters. The Audit Committee also advises the Board of Directors on matters related to accounting and auditing and selects the Company's independent auditors. The independent auditors and the internal auditors have complete access to the Audit Committee without management present to discuss results of their audit and their opinions on adequacy of internal controls, quality of financial reporting and other accounting and auditing matters. The responsibilities of the Audit Committee are outlined in a

written charter, which is available on the Company's website at www.stationcasinos.com. Printed copies are also available upon request directed to the Company's Corporate Secretary.

Audit Committee Financial Expert

The Board of Directors has determined that all Audit Committee members are financially literate under the current listing standards of the NYSE. The Board of Directors also determined that Lee S. Isgur qualifies as an audit committee financial expert as defined by the Securities and Exchange Commission rules adopted pursuant to the Sarbanes-Oxley Act of 2002.

The Governance and Compensation Committee

In April 2004, the Board of Directors changed the name of the Human Resources Committee to the Governance and Compensation Committee and expanded the responsibilities of the Committee to include matters relating to the nomination of directors and corporate governance policies in addition to compensation matters. The current members of the Governance and Compensation Committee are Lowell H. Lebermann, Jr., Chairman, James E. Nave, D.V.M., Lee S. Isgur and Robert E. Lewis. Ms. Boggs McDonald served as a member of the Governance and Compensation Committee prior to her resignation from the Board of Directors in March 2004.

The Governance and Compensation Committee, currently comprised solely of independent directors (as independence is defined in Sections 303.01(B)(2)(a) and (3) of the NYSE listing standards), reviews and takes action regarding terms of compensation, employment contracts and pension matters that concern officers and key employees of the Company. The Governance and Compensation Committee also reviews and takes action regarding grants of stock options and restricted shares to employees. The Governance and Compensation Committee is also responsible for matters concerning the nomination of directors and corporate governance policies. The Governance and Compensation Committee also evaluates and recommends candidates for election as directors, makes recommendations concerning the size and composition of the Board of Directors, implements the Company's corporate governance policies and assesses the effectiveness of the Board of Directors. The Governance and Compensation Committee met 17 times during 2004. The responsibilities of the Governance and Compensation Committee are outlined in a written charter, which is available on the Company's website at www.stationcasinos.com. Printed copies are also available upon request directed to the Company's Corporate Secretary.

In evaluating and determining whether to nominate a candidate for a position on the Company's Board of Directors, the Committee will consider the criteria outlined in the Company's corporate governance policy, which include high professional ethics and values, relevant management experience and a commitment to enhancing stockholder value. In evaluating candidates for nomination, the Committee utilizes a variety of methods. The Company regularly assesses the size of the Board of Directors, whether any vacancies are expected due to retirement or otherwise, and the need for particular expertise on the Board of Directors. Candidates may come to the attention of the Committee from current Board of Directors members, stockholders, professional search firms, officers or other persons. The Committee will review all candidates in the same manner regardless of the source of the recommendation. The Committee will consider stockholder recommendations of candidates when the recommendations are properly submitted. Any stockholder recommendations which are submitted under the criteria summarized above should include the candidate's name and qualifications for Board of Directors membership, which must be

Each person is an independent director (as independence is defined in Sections 303.01(B)(2)(a) and (3) of the NYSE listing standards) of the Company.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely on the Company's review of the copies of such forms it has received, the Company believes that all of its executive officers, directors and greater than 10% beneficial owners complied with all of the filing requirements applicable to them with respect to transactions during 2004, with the exception of one Form 4 transaction for each of Messrs. The Company entered into employment agreements dated as of May 20, 2003 with Frank J. Fertitta III, Lorenzo J. Fertitta, Glenn C. Christenson, William W. Warner and Scott M. The Employment Agreements provide that the Executive Officers shall devote reasonable time and attention to the business and affairs of the Company. Frank Fertitta III and Lorenzo Fertitta's Employment Agreements do not prohibit them from engaging in any business or assisting any other entity in competition with the Company during the term of their employment or at any time thereafter.

Each Employment Agreement provides for a base salary (to be reviewed annually for increase but not decrease), an annual cash bonus in an amount determined based on achievement of predetermined goals set by the Governance and Compensation Committee of the Board of Directors, and the inclusion of the Executive Officer in all benefit plans and programs of the Company made available to the Company's Executive Officers or salaried employees generally. Christenson, Warner and Nielson, participation in the Company's Special Long-Term Disability Plan, group health insurance coverage through the Company's Exec-U-Care Medical Plan and supplemental life insurance in the following amounts: not less than \$70 million aggregate coverage for Frank Fertitta III, \$35 million for Lorenzo Fertitta, \$4 million for Mr. Warner, \$7.5 million for Mr. Christenson and \$7.5 million for Mr. Nielson. In addition, each Executive Officer will receive any awarded but unpaid annual bonus and a pro-rated bonus for the year of death or Disability, plus, in the event of death, payment of any deferred compensation, and, in the event of Disability, immediate vesting of any deferred compensation or bonuses, and in the case of Frank Fertitta III and Lorenzo Fertitta, immediate vesting of restricted stock and unvested stock options and continuation of health and welfare benefits for 60 months. In the event an Executive Officer (other than Frank Fertitta III and Lorenzo Fertitta) is terminated without Cause (as defined in his Employment Agreement), other than due to death or Disability, prior to a Change in Control (as defined in his Employment Agreement), the Executive Officer will receive a payment equal to three times 160% of such Executive Officer's base salary, a portion of which is conditioned upon the Executive Officer not engaging in certain competitive acts. In the event of Frank Fertitta III's termination without Cause or for Good

Reason (as defined in Frank Fertitta III's Employment Agreement) prior to a Change in Control, he will receive a payment equal to four times 220% of his base salary. If Lorenzo Fertitta is terminated without Cause prior to a Change in Control, he will receive a payment equal to three times 190% of his base salary. If any Executive Officer (other than Frank Fertitta III or Lorenzo Fertitta) is terminated without Cause, other than due to death or Disability, prior a Change in Control, he will also receive any bonus awarded but not yet paid, any deferred compensation, 180 days to exercise all vested options, and continuation of health and welfare benefits for 36 months. If the employment of Frank Fertitta III or Lorenzo Fertitta is terminated without Cause or for Good Reason (in the case of Frank Fertitta III only) prior to a Change in Control, he will receive any bonus awarded but not yet paid, any deferred compensation, continuation of health and welfare benefits for 60 months and immediate vesting of all restricted stock and unvested stock options and the ability to exercise the vested options for the remaining term of such stock options.

Immediately upon the occurrence of a Change in Control, the Executive Officers will be entitled to immediate vesting of all restricted stock, stock options, phantom stock units and stock appreciation rights and each of Frank Fertitta III and Lorenzo Fertitta will also be entitled to (i) minimum annual salary increases of at least 5%, (ii) annual bonuses of at least 120% of base salary in the case of Frank Fertitta III and 90% of base salary in the case of Lorenzo Fertitta, (iii) immediate vesting and payout of all amounts awarded under the long-term stay-on performance incentive agreement (in the case of Lorenzo Fertitta only), (iv) a lump-sum payment equal to the economic equivalent of such Executive Officer receiving payments under the Supplemental Executive Retirement Plan (the "SERP") for a period of fifteen years (with such amount determined as if the Executive Officer were immediately eligible for early retirement under the SERP as of the termination date without penalty for early retirement), and (v) continued funding of life insurance policies. Additionally, if the employment of any Executive Officer (other than Frank Fertitta III or Lorenzo Fertitta) is terminated following a Change in Control, either by the Company without Cause, by the Executive Officer for Good Reason (as defined in his Employment Agreement) or by the Executive Officer without Good Reason within 90 days following the first anniversary of a Change in Control, the Executive Officer will be entitled to a payment equal to the greater of three times 160% of his base salary at the time of the Change in Control or at the time of termination, a pro-rata bonus, immediate vesting and payout of all shares or cash awarded under the Long-Term Stay-On Performance Incentive Plan (except in the event of a termination by the Executive Officer without Good Reason within 90 days following the first anniversary of a Change in Control), immediate vesting of his supplemental retirement benefits under the Supplemental Management Retirement Benefits Plan, continued funding of life insurance policies, and continuation of medical insurance for 36 months. In the event that Frank Fertitta III or Lorenzo Fertitta's employment is terminated following a Change in Control, either by the Company without Cause, by such Executive Officer with Good Reason or by such Executive Officer without Good Reason at any time following the first anniversary of a Change in Control, such Executive Officer will be entitled to receive, in the case of Frank Fertitta III, a payment equal to four times 220% of his base salary, and in the case of Lorenzo Fertitta, a payment equal to four times 190% of his base salary, a pro-rata bonus and continuation of medical insurance for 60 months.

If any payment or benefit paid or payable, or received or to be received, by or on behalf of the Executive Officer in connection with a Change in Control or the termination of the Executive Officer's employment following a Change in Control, will be subject to the excise tax imposed by Section 4999 of the Code, the Employment Agreements provide that the Company will pay the Executive Officer an additional amount such that, after payment by the Executive Officer of all taxes, the Executive Officer retains an amount of such additional payment equal to the excise tax imposed on such payments and benefits paid or payable or received or to be received.

The Company entered into First Amendments to Employment Agreements with Glenn Christenson and Scott Nielson, effective as of July 13, 2004, which expand the scope of their non-competition obligations thereunder.

The Company also entered into First Amendments to Employment Agreements with Frank Fertitta III and Lorenzo Fertitta, effective as of January 21, 2005, which provide for a lump-sum payment to each of them under the SERP in the event of a Change in Control (as defined in their respective Employment Agreements). See Supplemental Executive Retirement Plan as described hereinafter.

Stock Compensation Program

The Company has adopted a Stock Compensation Program which includes (i) an Incentive Stock Option Plan under which incentive stock options are granted, (ii) a Compensatory Stock Option Plan under which nonqualified stock options are granted, (iii) a Restricted Share Plan under which restricted shares of common stock are granted, and (iv) a Non-employee Director Stock Option Plan under which nonqualified stock options are granted. The Company has also adopted the 1999 Stock Compensation Program (combined with the Stock Compensation Program (the Programs)), which includes (i) the 1999 Compensatory Stock Option Plan under which the majority of nonqualified stock options are granted to employees who are not officers or directors of the Company and (ii) the 1999 Share Plan under which shares of common stock are granted to employees based on their length of service with the Company and restricted shares of common stock are granted. Officers, key employees, directors (whether employee or non-employee) and independent contractors or consultants of the Company and its subsidiaries are eligible to participate in the Programs. However, only employees of the Company and its subsidiaries are eligible to receive incentive stock options. Only non-employee directors are eligible to participate in the Non-employee Directors Stock Option Plan.

The Programs are administered by a committee of at least two non-employee directors (as defined in Rule 16b-3 of the Exchange Act (the Program Administrators)) appointed by the Board of Directors. The Board of Directors has designated the Governance and Compensation Committee as the Program Administrator. Subject to the provisions of the Programs, the Program Administrators have sole authority, in their absolute discretion to determine, except with regard to awards under the Non-employee Directors Stock Option Plan: (a) the individuals to whom options and restricted shares shall be granted under the Programs; (b) the time or times at which the options and restricted shares may be granted under the Programs; (c) the number of shares subject to each option and restricted share grant, the option price and the duration of each option granted under the Programs; and (d) all of the other terms and conditions of options and restricted shares granted under the Programs.

Under the Non-employee Directors Stock Option Plan, each non-employee director previously received options to acquire shares of common stock. In 2004, under the Restricted Share Plan, the non-employee directors received restricted shares in lieu of options under the Non-Employee Directors Stock Option Plan pursuant to the following formula: (a) 7,500 restricted shares of common stock that vest equally over five years upon the effective date of his or her initial appointment to serve as a member of the Board of Directors and (b) an additional 5,000 restricted shares of common stock per year that vest equally over five years. The previously issued options were exercisable immediately and expire on the tenth anniversary of the grant. The exercise price of the options is the fair market value of the shares at the time of the grant of the option. Non-employee directors are also eligible for discretionary option grants.

A maximum of 18,710,500 shares of common stock has been reserved for issuance under the Programs. As of December 31, 2004, options to purchase an aggregate of 3,952,700 shares of common stock under the Programs were outstanding, 1,972,850 of which were exercisable as of such date. The Programs will terminate ten (10) years from the date of adoption or ten (10) years from the date of extension, with respect to the Stock Compensation Program, unless terminated earlier by the Board of Directors, and no options or restricted shares may be granted under the Programs after such date.

Supplemental Executive Retirement Plan

Effective as of November 30, 1994, the Company adopted the Supplemental Executive Retirement Plan (the SERP), which is a defined benefit plan. On January 21, 2005, the Company amended the SERP (the SERP Amendment). The purpose of the SERP Amendment was to (i) increase the Early Retirement Date (as defined in the SERP) for participants from age 45 to age 50, (ii) increase the Normal Retirement Date (as defined in the SERP) for participants from age 55 to age 60, (iii) add the President of the Company as a participant, and (iv) include the average annual bonus (in addition to base salary) earned by participants for the three most recent fiscal years in determining Final Annual Compensation (as defined in the SERP). Table I below sets forth the total benefits payable to the Chief Executive Officer and the President as the sole participants in SERP (each, a SERP Participant). Amounts shown in Table I represent the annual benefits to which each the SERP Participant is entitled under the SERP.

Subject to the limitations set forth below, the SERP provides a monthly supplemental retirement benefit (the SERP SRB), in addition to any other qualified or non-qualified retirement plan of the Company, equal to one-twelfth of the product of (a) 50% and (b) the Chief Executive Officer's Final Annual Compensation (as defined in the SERP) of the SERP Participant, as determined under the SERP, as amended; provided, however, that for purposes of determining Final Annual Compensation, the average annual bonus shall be limited to a maximum amount equal to 100% of the product of (i) the Average Monthly Salary (as defined in the SERP), multiplied by (ii) twelve. Amounts shown in Table I represent the annual benefits to which each SERP Participant is entitled under the SERP, as amended, which amounts are then reduced by monthly benefits payable under all qualified and non-qualified defined benefit retirement plans of the Company. The amounts listed in Table I are not currently subject to any deductions for social security because the Company currently has no other defined benefit plans. Each SERP Participant will become vested in accrued SERP SRBs upon the later of (a) the attainment of age 50 and (b) the completion of ten years of service after the effective date of the plan, or, if a Change of Control (as defined in the SERP) occurs, the SERP Participants will become fully vested in the SERP SRB.

The SERP SRB is payable upon the later of the date on which the SERP Participant attains age 60 or the SERP Participant's termination of employment. Alternatively, the SERP Participant may elect to commence receiving the SERP SRB upon the later of the date on which the SERP Participant attains age 50 or the SERP Participant's termination of employment. In the event of such an early retirement election, the SERP SRB shall be reduced by 6% of such otherwise payable benefit for each year that the SERP Participant is less than age 60.

The SERP SRB payments will be made for no less than 15 years after the date on which the SERP Participant begins to receive payments; provided, however, that in the event of a Change of Control (as defined in the Employment Agreement of the SERP Participant), the SERP Participant will be entitled to receive, in lieu of any other payments under the SERP, a lump-sum payment of the economic equivalent of

the SERP Participant receiving payments under the SERP for a period of 15 years (with such amount determined as if the SERP Participant were immediately eligible for retirement under the SERP without penalty for early retirement). If the SERP Participant dies after he becomes vested and prior to the date on which the SERP Participant begins to receive SERP SRB payments, the Company will pay a survivors benefit to the SERP Participant's spouse equal to the amount that would have been payable to such spouse if the SERP Participant had commenced receiving the SERP SRB at age 60 in the form of a joint and 50% survivor annuity. The Company has no duty to set aside or invest any amounts under or in respect of the SERP. As of December 31, 2004, Frank J. Fertitta III has ten years of credited service under the SERP and Lorenzo Fertitta has four years of credited service under the SERP.

Supplemental Management Retirement Plan

Effective November 30, 1994, the Company adopted the Supplemental Management Retirement Plan (the SMRP), which is a defined benefit plan. Table II below sets forth the total benefits payable to Executive Officers (other than the Chief Executive Officer and the President) selected by the Governance and Compensation Committee to participate in the SMRP. Amounts shown in Table II represent the annual benefits to which the covered Executive Officers are entitled under the SMRP.

TABLE II*

Remuneration(\$)		At Least 60 Years Old and 10 or More Years of Service

1,050,000		420,000
1,150,000		460,000

* Assumes normal retirement

The SMRP provides a monthly supplemental retirement benefit (the SMRP SRB), in addition to any other qualified or non-qualified retirement plan of the Company, equal to one-twelfth of the product of (a) 40% and (b) the Executive Officer's final annual compensation, as determined under the SMRP (equal to the amount reported as annual salary in the Summary Compensation Table), which amounts are then reduced by monthly benefits payable under all qualified and non-qualified defined benefit retirement plans of the Company. The amounts shown in Table II are not currently subject to any deductions for social security or other offset amounts because the Company currently has no other defined benefit plans. The Executive Officer will become vested in the accrued SMRP SRBs upon the later of (a) the attainment of age 55 and (b) the completion of ten years of service after the effective date of the plan, or, if a Change of Control (as defined in the SMRP) occurs, the Executive Officer will become fully vested in the SMRP SRB.

The SMRP SRB is payable upon the later of the date on which the Executive Officer attains age 60 or the Executive Officer's termination of employment. Alternatively, the Executive Officer may elect to commence receiving the SMRP SRB upon the later of the date on which the Executive Officer attains age 55 or the Executive Officer's termination of employment. In the event of such an early retirement election, the SMRP SRB shall be reduced by 6% of such otherwise payable benefit for each year that the Executive Officer is less than age 60.

The SMRP SRB payments will be made for no less than 15 years after the date on which the Executive Officer begins to receive payments. If the Executive Officer dies after becoming vested and prior to the date on which the Executive Officer begins to receive SMRP SRB payments, the Company will pay a survivor's benefit to the Executive Officer's spouse equal to the amount that would have been payable to such spouse if the Executive Officer had commenced receiving the SMRP SRB at age 60 in the form of a joint and 50% survivor annuity. The Company has no duty whatsoever to set aside or invest any amounts under or in respect to the SMRP. As of December 31, 2004, Mr. Christenson and Mr. Nielson have ten years of service credited under the SMRP and Mr. Warner has eight years of service credited under the SMRP.

Deferred Compensation Plan For Executives

The Deferred Compensation Plan For Executives (the "DCPE"), in effect as of November 30, 1994 and amended as of September 12, 2001, is a deferred compensation plan for Executive Officers whose base salaries are at a rate in excess of the amount specified in Section 401(a)(17) of the Code, and who are selected for participation by the Governance and Compensation Committee of the Board of Directors. Executive Officers may defer up to 50% of their regular base salary and 100% of any special and/or discretionary bonuses and receive a Company match of up to 10% of any base salary and bonus deferred under the plan. The Company has elected to match the first 5% of any base salary and bonus deferred under the plan for 2003, 2004 and 2005. Additionally, the Company may, in its sole discretion, credit supplemental contributions to an Executive Officer's account. If the Executive Officer is terminated without cause or if a Change in Control (as defined in the DCPE) occurs prior to completion of five years of continuous service, any accrued balance existing under the matching and supplemental accounts becomes fully vested as of the date of such event. Hardship distributions are permitted under the plan in the event of an unforeseeable emergency, and will be limited to the amount shown to be necessary to meet the emergency.

Special Long-Term Disability Plan

The Special Long-Term Disability Plan provides disability benefits equal to a combined monthly benefit amount of 66% of the average of base salary plus bonus for the two plan years immediately preceding (but not including) the plan year in which the participant's employment is terminated due to disability divided by twelve; provided, however, that the monthly benefit will be reduced by any benefit the participant receives from all other disability plans sponsored by the Company, if any. Benefits begin on the first day of the second month succeeding the month in which the participant's termination of employment due to disability occurs. Individuals eligible to participate in the plan consist of the Executive Officers as chosen by the Governance and Compensation Committee of the Board of Directors from key executives nominated by the Chief Executive Officer. The Governance and Compensation Committee may, in its sole discretion, terminate the participation of any participant prior to the disability of such participant. Each of the Executive Officers is a participant in this plan.

Long-Term Stay-On Performance Incentive Plan

Mr. Lorenzo Fertitta entered into a Long-Term Stay-On Performance Incentive Agreement dated March 15, 2002, whereby the Company will pay him \$1.0 million in cash in three equal installments on each of July 31, 2004, July 31, 2007 and July 31, 2010, provided that he will have been continuously employed with the Company through those respective dates. Mr. Warner entered into a Long-Term Stay-On Performance Incentive Agreement dated April 1, 2002, whereby the Company will pay him \$250,000 in cash on each of April 1, 2003, 2005, 2007 and 2009, provided that he will have been continuously employed with the Company through those respective dates.

Limitation Of Liability And Indemnification Of Directors And Officers

The Company's Articles of Incorporation eliminate liability of its directors and officers for damages for breach of fiduciary duty as directors and officers except to the extent otherwise required by the Nevada Revised Statutes (NRS) and in cases in which the breach involves intentional misconduct, fraud or a knowing violation of the law.

Sections 78.7502 and 78.751 of Chapter 78 of the NRS and the Bylaws contain provisions for indemnification of officers and directors of the Company and, in certain cases, employees and other persons. The Bylaws require the Company to indemnify such persons to the full extent permitted by Nevada law. Each such person will be indemnified in any proceeding if such person acted in good faith and in a manner which such person reasonably believed to be in, or not opposed to, the best interest of the Company and, with respect to any criminal action, had no reasonable cause to believe was unlawful. Indemnification would cover expenses, including attorneys' fees, judgments, fines and amounts paid in settlement.

Section 78.752 of Chapter 78 of the NRS and the Bylaws also provide that the Board of Directors may cause the Company to purchase and maintain insurance on behalf of any present or past director or officer insuring against any liability asserted against such person incurred in the capacity of director or officer or arising out of such status, whether or not the Company would have the power to indemnify such person. The Company maintains directors' and officers' liability insurance.

The Company has entered into indemnification agreements (the Indemnification Agreements) with each director and certain officers, employees and agents of the Company. Each Indemnification Agreement provides for, among other things: (i) indemnification to the fullest extent permitted by law for an indemnified party (the Indemnitee) unless it is determined, as provided in the Indemnification Agreement, that indemnification is not permitted under law; and (ii) prompt advancement of expenses to any Indemnitee in connection with his or her defense against any claim.

REPORT ON EXECUTIVE COMPENSATION¹

This report is provided by the Governance and Compensation Committee of the Board of Directors to assist stockholders in understanding the Company's objectives and procedures in establishing the compensation of the Company's Chief Executive Officer and other executive officers. The Governance and Compensation Committee is responsible for (i) reviewing and approving all elements of the total compensation program for the Company, (ii) aligning the total compensation program with stockholders' interests and the Company's business strategy and (iii) assuring stockholders that the pay delivery programs are effective, responsible, and competitive when compared to similarly situated organizations.

Executive Compensation Program Philosophy and Objectives

The Governance and Compensation Committee's primary objectives in setting compensation policies are to develop a program designed to attract and retain those individuals needed to successfully implement the Company's strategy and to reward them relative to the Company's performance. The Governance and Compensation Committee sets compensation policies to promote profitable growth and to retain highly talented, motivated individuals with a long-term vision for the Company. The Governance and Compensation Committee also seeks to align the financial interest of the Company's executives with that of its stockholders. To achieve this goal, the Governance and Compensation Committee believes that a significant portion of the Company's executives' compensation should be at risk and tied to the achievement of annual and long-term corporate performance criteria. The Governance and Compensation Committee retains a nationally recognized human resources consulting firm to assist with the design, implementation and communication of the Company's compensation program.

Base Salary

Base salaries are reviewed annually and may be adjusted based on an evaluation of the executive's performance in conjunction with a review of compensation received by individuals holding similar positions at other organizations with similar scope of operations. For the year ended December 31, 2004, the Governance and Compensation Committee identified a group of casino and gaming companies (the Peer Companies) that it believes are the Company's competition for executive level employees. As part of its strategy to attract and retain high quality executive employees, the Governance and Compensation Committee has established a policy to pay executive base salaries based on competitive base salaries paid by the Peer Companies, with the Company's salaries being at or near the high end of the range. Actual salaries are determined based upon an assessment of the individual's contribution and value to the organization and the competitive market for that position.

Annual Incentives

The Governance and Compensation Committee also sets executive compensation in a manner designed to make it dependent upon the performance of the Company. To create incentives for superior performance and to allow executives to share in the success of the Company, the Governance and Compensation Committee has made a portion of an executive's compensation dependent upon the annual and long-term performance of the Company.

Annual incentive awards for the year 2004 performance were based upon the Company's performance and assessments of the individual executive's contribution to the success of the Company during 2004. The Governance and Compensation Committee targeted total cash compensation paid to the Company's executives to pay for similar positions in the Peer Companies, with the Company's total cash compensation

¹ Notwithstanding anything to the contrary set forth in any of the Company's previous or future filings under the Securities Act or the Exchange Act, this Report on Executive Compensation shall not be incorporated by reference in any such filings.

being at or near the high end of the range. Actual annual incentive payouts were adjusted for the Company's performance and the individual's contribution during the performance period.

The Governance and Compensation Committee has adopted an incentive program that makes a portion of the participant's compensation dependent upon the annual performance of the Company and a portion dependent on achievement of superior individual performance in the event targets are not met. The purpose of this program is to focus each executive on the attainment of financial objectives that the Governance and Compensation Committee believes are primary determinants of the Company's share price over time. Each year, specific cash flow and earnings per share goals are approved by the Governance and Compensation Committee under the program. To ensure that the award amounts under the program are competitive, target award amounts are set at the beginning of each performance period for each executive based upon comparable award amounts paid by the Peer Companies. The amount of the target award is determined by comparison of actual earnings before interest, taxes, depreciation and amortization (EBITDA) versus the Company's EBITDA goal. The actual award may vary from zero to 233% of the target award. The Governance and Compensation Committee has retained the ability to award a discretionary bonus.

Long-Term Incentives

The Company has provided stock-based incentives to its executives since its inception. The Governance and Compensation Committee attempts to give the Company's executives a stake in the long-term success of the business and pay a considerable portion of such executives' total compensation in stock in order to give the executives a long-term stake in the business and to align executives' interests with those of the Company's stockholders. These grants of stock options and restricted stock align the executive's interests with the stockholder's interests as the size of the executive's reward is dependent on the Company's stock performance. Grants made to the Company's executives are based on the grant values for similar positions among the Peer Companies, with the Company's grant values being at or near the high end of the range. The value of any stock option awards are estimated using the Black-Scholes option valuation model. Awards have generally been granted with 20% of the award vesting on each anniversary from the date of grant until fully vested. All of the restricted shares granted to the Company's executives (excluding shares granted to such executives as part of their 2003 annual bonus) in the year ended December 31, 2004, a portion of the restricted shares granted to such executives in the year ended December 31, 2001 and all of the restricted shares granted to such executives in the year ended December 31, 1999, were granted with 10% of the award vesting on each anniversary from the date of grant until fully vested.

Other Executive Programs

The Company also maintains certain executive benefits and perquisites that are considered necessary to offer fully competitive opportunities to its executives. These include, but are not limited to, supplemental retirement arrangements, employment agreements, and change in control agreements. The details of these programs are explained under the Executive Compensation section of this proxy statement.

2004 Compensation for the Chief Executive Officer

The same philosophies described above for each executive position were used by the Governance and Compensation Committee to determine the compensation for Frank J. Fertitta III, the Chairman of the Board and Chief Executive Officer of the Company.

The Chief Executive Officer's 2004 Base Salary

The Governance and Compensation Committee established Mr. Fertitta's annual base salary for the year 2004 based upon a review of base salaries paid by the Peer Companies, together with an evaluation of the Company's results in 2004.

The Chief Executive Officer's 2004 Annual Incentive

The annual incentive earned by the Chief Executive Officer for the year 2004 performance was \$3,150,000. Of that amount, 50% was paid in January 2005 and 50% is expected to be paid in January 2006. This annual incentive award reflects the Company's performance and the Chief Executive Officer's individual contribution to the Company as evaluated by the Governance and Compensation Committee for the year.

Limitation of Tax Deduction for Executive Compensation

Internal Revenue Code Section 162(m) prevents publicly traded companies from receiving a tax deduction on compensation paid to proxy-named executive officers in excess of \$1 million in any taxable year, effective for compensation paid after 1993. The Governance and Compensation Committee believes that there will be approximately \$15 million of non-deductible compensation in 2004. While the Governance and Compensation Committee is mindful of the provisions of Section 162(m), the Governance and Compensation Committee has the discretion to grant non-deductible compensation to proxy-named executive officers, depending upon the circumstances.

REPORT OF AUDIT COMMITTEE²

The Audit Committee of the Board of Directors developed a charter for the Committee that was approved by the Board of Directors. The Audit Committee has adopted a policy that requires advance approval of all audit-related, tax services and other services performed by the independent auditors. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditors are engaged to perform it. The Audit Committee has delegated to the Chairman of the Audit Committee authority to approve permitted services provided that the Chairman reports any decisions to the Committee at its next scheduled meeting.

In conjunction with its activities during the Company's year, the Audit Committee has reviewed and discussed the Company's audited financial statements with management of the Company. The members of the Audit Committee have also discussed with the Company's independent auditors the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380). The Audit Committee has received from the Company's independent auditors the written disclosures and the letter required by Independence Standards Board Standard No. 1, and has discussed with the independent auditors the independent auditors' independence. Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors of the Company that the audited financial statements be included in the Company's Annual Report on Form 10-K for the Company's year ended December 31, 2004.

Auditor Fees and Services

On September 29, 2003, the Company dismissed its certifying accountant, Deloitte & Touche LLP, and appointed Ernst & Young LLP. Deloitte & Touche performed the review of the Company's March 31, 2003 and June 30, 2003 consolidated financial statements prior to their dismissal. Deloitte & Touche's reports on the financial statements of the Company did not contain an adverse opinion or a disclaimer of opinion, nor was their opinion qualified or modified as to uncertainty, audit scope or accounting principles. The Company's decision to change its certifying accountants was recommended and approved by the Audit Committee and the Board of Directors. During the periods audited by Deloitte & Touche, there were no disagreements between them and the Company on any matter of accounting principles or practices, financial statement disclosure, or auditing scope of procedure. During the periods audited by Deloitte & Touche, there were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K promulgated by the SEC). On October 6, 2003, Deloitte & Touche furnished the Company with a letter addressed to the SEC stating that they agree with the statements above. A copy of the letter was included as an exhibit to the Company's Current Report on Form 8-K dated September 29, 2003.

In addition to performing the audit of the Company's consolidated financial statements for the years ended December 31, 2003 and 2004, Ernst & Young also performed reviews of the Company's consolidated financial statements for the periods ended September 30, 2003, March 31, 2004, June 30, 2004 and September 30, 2004 and various other services during 2003 and 2004 (including services incurred under Section 404 of the Sarbanes-Oxley Act of 2002). The aggregate fees billed for 2004 and 2003 for each of the following categories of services are set forth below:

	Ernst & Young		Deloitte & Touche

Audit Fees	\$ 1,056,560	\$ 223,500	\$ 18,740	\$ 90,600
Audit-Related Fees	37,430	197,900	2,000	591,500
Tax Fees	67,740	17,225	2,000	45,500
All Other Fees				

Ernst & Young and Deloitte & Touche did not provide any services related to financial information systems design and implementation during 2004 or 2003. The fees paid for tax services were primarily related to reviews of the Company's tax returns, IRS examinations and technical services. Audit-related fees include fees paid for audits of employee benefit plans, review of internal control procedures and review of gaming regulations and controls. All of the fees were approved by the Audit Committee. Representatives of the firm of Ernst & Young LLP are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax and other services performed by the independent auditors. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. ITEM II

PROPOSED APPROVAL OF THE STATION CASINOS, INC. STOCK COMPENSATION PROGRAM

On March 16, 2005, the Board of Directors of the Company (the Board) adopted the 2005 Stock Compensation Plan (the 2005 Plan), subject to approval by the Company's stockholders at the Annual Meeting. If the 2005 Plan is approved, no additional grants of awards will be made under the following plans of the Company (the Prior Plans): (i) the Incentive Stock Option Plan, (ii) the Compensatory Stock Option Plan, (iii) the Restricted Share Plan, (iv) the Non-employee Director Stock Option Plan, (v) the 1999 Compensatory Stock Option Plan, and (vi) the 1999 Share Plan. The 2005 Plan is integral to the Company's compensation strategies and programs for directors, employees and independent contractors. The Board believes that the 2005 Plan will provide the flexibility the Company needs to keep pace with its competitors and effectively recruit, motivate, and retain the caliber of employees and directors essential for the Company's success.

The 2005 Plan provides for grants of stock options, stock appreciation rights (SARs), restricted stock, restricted stock units, and other stock awards (collectively, the Awards). Stockholder approval of the 2005 Plan, among other things, is intended to: (i) comply with applicable securities law requirements; (ii) permit the performance-based awards discussed below to qualify for deductibility under Section 162(m) of the Internal Revenue Code; and (iii) allow for the issuance of incentive stock options described below. Individuals eligible to receive Awards under the 2005 Plan include employees, directors, and independent contractors of the Company and its subsidiaries and other entities controlled by the Company (affiliates). However, incentive stock options may be granted only to an employee of the Company or a subsidiary of the Company.

The following is a summary of certain principal features of the 2005 Plan. This summary is qualified in its entirety by reference to the complete text of the 2005 Plan, which is attached to this Proxy Statement as Appendix A. Stockholders are urged to read the actual text of the 2005 Plan in its entirety.

Purpose

The purpose of the 2005 Plan is to further the growth and profitability of the Company by increasing incentives and encouraging ownership of shares of the Company's common stock (Shares) by the Company's employees, independent contractors and directors. The 2005 Plan provides a means through

which the Company and its subsidiaries and affiliates may attract key personnel (collectively, the Participants) to enter into and remain in the employ of the Company and its subsidiaries and affiliates, as well as to provide a means whereby those key persons upon whom the responsibilities of the successful administration and management of the Company rest, can acquire and maintain ownership of Shares, thereby strengthening their commitment to the success of the Company and promoting the mutuality of interests between Participants and the Company's stockholders.

Administration

The 2005 Plan will be administered by the Governance and Compensation Committee of the Board (the Committee). References to the Committee shall refer to the Board if the Governance and Compensation Committee ceases to exist and the Board does not appoint a successor Committee. It is intended that each member of the Committee will qualify as a non-employee director as defined under Rule 16b-3 under the Securities Exchange Act of 1934, as amended, an outside director for purposes of Section 162(m) of the Code and an independent director under the rules of any national securities exchange or national securities association, as applicable. Subject to the terms of the 2005 Plan, the Committee is authorized to select persons eligible to receive Awards and to determine the form, amount, timing and other terms of the Awards to be granted. The Committee may delegate to one or more members of the Board or to officers of the Company its authorities regarding awards to individuals not subject to Section 16 of the Securities Exchange Act of 1934 or Section 162(m) of the Internal Revenue Code. The Committee is authorized to interpret the 2005 Plan and any Award Agreements issued under the Plan, to adopt such rules and procedures as it may deem necessary or advisable for the administration of the 2005 Plan, to interpret and amend any of such rules or procedures and to make all other decisions and determinations required pursuant to the Plan or any Award Agreement or as the Committee deems necessary or advisable to administer the Plan. The Committee's determinations under the 2005 Plan need not be uniform and may be made selectively among Participants, whether or not such Participants are similarly situated. Each member of the Committee is entitled to, in good faith, rely or act upon any report or other information furnished to that member by any employee of the Company or any of its subsidiaries or affiliates, the Company's independent certified public accountants or any executive compensation consultant or other professional retained by the Company to assist in the administration of the 2005 Plan.

Shares Available for Awards

Subject to adjustment as described below under the heading Changes in Capital Structure , the maximum number of Shares that will be available for the grant of Awards under the 2005 Plan will be 3,868,064 Shares. This includes 3,000,000 new Shares and 868,064 Shares that currently remain available for awards under the various Prior Plans. For purposes of this authorization, each Share subject to an Award of restricted stock, restricted stock units or an other stock award shall be treated as 1.9 Shares. If the 2005 Plan is approved by stockholders, no additional awards will be made under any of the Prior Plans after the date of such approval, although awards previously granted under any of the Prior Plans will continue in effect in accordance with their terms.

The number of Shares otherwise available for the grant of Awards under the 2005 Plan will be increased by that number of Shares subject to awards granted under any of the Prior Plans that are currently outstanding which are cancelled, terminated, or forfeited or expire after the effective date of the 2005 Plan. The number of Shares subject to awards granted under the Prior Plans that are outstanding as of February 28, 2005 is 5,906,932. The Shares awarded or acquired upon the exercise of Awards under the 2005 Plan may be authorized but unissued Shares, authorized and issued Shares reacquired and held as treasury Shares, or any combination thereof. If any Award granted under the 2005 Plan should expire, terminate, or be forfeited or canceled, the Shares subject thereto shall be released and shall again be available for the grant of new Awards under the 2005 Plan. To the extent permitted by applicable law or

exchange rules, Shares issued in assumption of, or in substitution for, any outstanding awards of any entity acquired in any form of combination by the Company or any of its subsidiaries or affiliates will not be counted against the Shares available for issuance under the 2005 Plan.

Subject to adjustment as described below under the heading "Changes in Capital Structure", the number of Shares with respect to which Awards (other than restricted stock, restricted stock units and other stock awards that are not subject to the achievement of performance goals established by the Committee in accordance with Section 162(m) of the Code) may be made during any year to any person may not exceed 500,000 Shares.

The closing price of Shares of the Company's stock on March 16, 2005 was \$69.47.

Term of the 2005 Plan

Unless earlier terminated by the Board, as described below under the heading "Amendment and Termination", the 2005 Plan will terminate ten years after adoption by the Board, and no further Awards may be granted under the 2005 Plan after that date. The termination (or early termination) of the 2005 Plan will not affect any Awards granted prior to the termination (or early termination) of the 2005 Plan.

Eligibility

The persons eligible to receive Awards under the 2005 Plan are the directors, employees and independent contractors of the Company and any its subsidiaries and affiliates who are designated by the Committee. As of the Record Date, there are approximately 10,800 employees and four independent directors. Although the 2005 Plan authorizes Awards to independent contractors, the Committee does not presently plan to issue Awards to independent contractors. Persons receiving Awards will enter into individual Award Agreements with the Company that contain the terms and conditions of the Award established by the Committee.

Stock Options

The Committee is authorized to grant stock options, including both incentive stock options under Section 422 of the Code ("ISOs"), which can result in potentially favorable tax treatment to the Participant, and non-qualified stock options. The exercise price per Share subject to an option is determined by the Committee, but must not be less than 100% of the fair market value of a Share on the date of grant; provided, however, that with respect to a Participant that owns stock representing more than 10% of the voting power of all class of stock of the Company, the exercise price per share subject to an ISO shall not be less than 110% of the fair market value of a Share on the date of grant. For purposes of the 2005 Plan, the term "fair market value" shall mean, except as otherwise specified in a particular Award agreement, (a) while the Shares are traded on an established national or regional securities exchange, the closing transaction price of such Shares as reported by the principal exchange on which such Shares are traded on the date as of which such value is being determined or, if there is no reported transaction for such date, on the next preceding date for which a transaction was reported, (ii) if the Shares are not traded on an established national or regional securities exchange, the average of the bid and ask prices for such a Share, where quoted for such Shares. However, if "fair market value" cannot be determined under clause (i) or clause (ii) above, or if the Committee determines in its sole discretion that the Shares are too thinly traded for "fair market value" to be determined pursuant to clause (i) or clause (ii), "fair market value" shall be the value determined by the Committee, in its sole discretion, on a good faith basis.

The maximum term of each option, the times at which each option will be exercisable, and provisions requiring forfeiture of unexercised options at or following termination of employment generally will be established by the Committee in the individual Award Agreements, except that no ISO may have a term exceeding 10 years and no ISO granted to a Participant who owns stock representing more than 10% of the

voting power of all class of stock of the Company may have a term exceeding 5 years. Options may be exercised by payment of the exercise price in cash or, in the discretion of the Committee, either (i) by tendering previously acquired Shares which have been held by the holder of the option for at least six months having an aggregate fair market value at the time of exercise equal to the aggregate exercise price of the Shares with respect to which the option is to be exercised, or (ii) by any other means that the Committee, in its sole discretion, determines to both provide legal consideration for the Shares and to be consistent with the purposes of the 2005 Plan.

SARs

The Committee is authorized to grant SARs entitling the Participant to receive the amount by which the fair market value of a Share on the date of exercise exceeds the grant price of the SAR. The grant price of a SAR is determined by the Committee but must not be less than 100% of the fair market value of a Share on the date of grant. SARs may be granted by themselves or in tandem with grants of stock options. The maximum term of each SAR, the times at which each SAR will be exercisable, and provisions requiring forfeiture of unexercised SARs at or following termination of employment generally are established by the Committee in the individual Award Agreements, except that no SAR granted in tandem with an option may have a term exceeding the term of the related option. SARs may be exercised by (i) delivery of a written notice of exercise, (ii) in the case of a tandem SAR, by surrendering any options which would be canceled by reason of the exercise of such SAR, or (iii) by executing such documents as the Company may reasonably request. Payment of the amount by which the fair market value of each SAR exercised exceeds the grant price shall be made, as determined by the Committee in its discretion, in cash, Shares, or a combination thereof, as set forth in the individual Award Agreement.

Restricted Stock and Restricted Stock Units

The Committee is authorized to grant awards of restricted stock and restricted stock units. A grant of restricted stock is an Award of Shares which may not be sold or disposed of prior to the end of a restricted period specified by the Committee. The Committee may set additional restrictions on restricted stock as it may deem advisable or appropriate in the individual Award Agreements. A Participant who has been granted restricted stock generally has the right to vote the Shares, unless otherwise determined by the Committee. During the restricted period, Participants holding Shares of restricted stock are entitled to receive all dividends and other distributions paid with respect to such Shares, unless otherwise determined by the Committee. However, dividends and other distributions with respect to restricted stock that are paid in Shares will be held by the Company subject to the same restrictions that apply to the restricted Shares.

Restricted stock units are similar to restricted shares except that no Shares are actually awarded to the Participant on the date of grant. Instead, Shares are delivered to the Participant when all applicable terms and conditions specified under the Award have been satisfied. A holder of a restricted stock unit does not have voting rights or any entitlement to dividends or other distributions until the Shares are delivered in the future upon the completion of the restricted period.

In addition, the Committee may make restricted stock and restricted stock unit Awards that are subject to the achievement of performance goals as may be determined by the Committee and specified in the relevant Award Agreement. The performance goals may be based on such factors including but not limited to: (a) revenue, (b) earnings per Share, (c) net income per Share, (d) Share price, (e) pre-tax profits, (f) net earnings, (g) net income, (h) operating income, (i) cash flow, (j) earnings before interest, taxes, depreciation and amortization, (k) sales, (l) total stockholder return relative to assets, (m) total stockholder return relative to peers, (n) financial returns (including, without limitation, return on assets, return on equity and return on investment), (o) cost reduction targets, (p) customer satisfaction, (q) customer growth, (r) employee satisfaction, (s) gross margin, (t) revenue growth, or (u) any combination of the foregoing, or such other criteria as the Committee may determine. The Committee may

determine performance goals in respect of the performance of the Company, any of its subsidiaries or affiliates or any combination thereof on either a consolidated, business unit or divisional level. Performance goals may be absolute or relative and may be expressed in terms of a progression within a specified range.

Awards contingent on performance goals granted to persons whom the Committee expects will, for the year in which a deduction arises, be covered employees (as defined below) will, if and to the extent intended by the Committee, be subject to provisions that should qualify such Awards as performance-based compensation not subject to the limitation on tax deductibility by the Company under Section 162(m) of the Code. For purposes of Section 162(m) of the Code, the term covered employee means the Company's chief executive officer and each other person whose compensation is required to be disclosed in the Company's filings with the SEC by reason of that person being among the four highest compensated officers of the Company on the last day of a taxable year.

Other Stock Awards

The Committee is authorized to grant other types of Awards that are denominated or payable in, valued by reference to, or otherwise based on or related to the Shares on such terms and conditions as may be established by the Committee in the relevant Award Agreement.

Tax Withholding; Other Terms of Awards

The Committee or the Board may condition any payment relating to an Award on the withholding of taxes and may provide that a portion of any Shares to be distributed will be withheld (or previously acquired Shares or other property be surrendered by the Participant) to satisfy withholding and other tax obligations. Awards granted under the 2005 Plan generally may not be pledged or otherwise encumbered and are not transferable except by will or by the laws of descent and distribution, or to a designated beneficiary upon the participant's death, except that a Participant may, unless otherwise specified in a particular Award agreement, transfer, without consideration, Awards other than ISOs to such Participant's immediate family as defined in the Plan.

Changes in Capital Structure

In the event that the Board determines that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, change of control or exchange of Shares or other securities of the Company, or other corporate transaction or event (each a Corporate Event) affects the Shares such that an adjustment is determined by the Board, in its sole discretion, to be necessary or appropriate in order to prevent dilution or enlargement of benefits or potential benefits intended to be made available under the 2005 Plan, the Board may, in such manner as it in good faith deems equitable, adjust any or all of (i) the number of Shares or other securities of the Company (or number and kind of other securities or property) with respect to which Awards may be granted, (ii) the number of Shares or other securities of the Company (or number and kind of other securities or property) subject to outstanding Awards, and (iii) the exercise price with respect to any Award, or make provision for an immediate cash payment to the holder of an outstanding Award in consideration for the cancellation of such Award.

If the Company enters into or is involved in any Corporate Event, the Board may, prior to such Corporate Event and effective upon such Corporate Event, take such action as it deems appropriate, including, but not limited to, replacing Awards with substitute awards in respect of the Shares, other securities or other property of the surviving corporation or any affiliate of the surviving corporation on such terms and conditions, as to the number of shares, pricing and otherwise, which shall substantially preserve the value, rights and benefits of any affected Awards granted hereunder as of the date of the consummation of the Corporate Event.

Amendment and Termination

The Board may amend, suspend, or terminate the 2005 Plan or any part thereof, at any time and for any reason, subject to stockholder approval required by applicable law, rule or regulation, including Sections 162(m) and 422 of the Code and the rules of the New York Stock Exchange. Thus, stockholder approval may not necessarily be required for every amendment to the 2005 Plan which might increase the cost of the 2005 Plan. In addition, the Board may amend the Plan and any Award Agreement, including, without limitation, retroactive amendments, without shareholder approval as necessary to avoid the imposition of any taxes under Section 409A of the Code.

Federal Income Tax Consequences of Awards of Options

The following is a brief description of the federal income tax consequences generally arising with respect to Awards of options under the 2005 Plan.

The grant of an option gives rise to no tax consequences for the Participant or the Company. The exercise of an option has different tax consequences depending on whether the option is an ISO or a non-qualified option. On exercising an ISO, the Participant recognizes no income for regular income tax purposes, but the option spread is taken into account in computing liability for the alternative minimum tax. On exercising a non-qualified option, the Participant recognizes ordinary income equal to the excess, on the date of exercise, of the fair market value of the Shares acquired on exercise of the option over the exercise price.

The disposition of Shares acquired on exercise of an option may have different tax consequences depending on whether the option is an ISO or a non-qualified option and the timing of the disposition. On a disposition of Shares acquired on exercise of an ISO before the Participant has held those Shares for at least two years from the date the option was granted and at least one year from the date the option was exercised (the ISO holding periods), the Participant recognizes ordinary income equal to the lesser of (i) the excess of the fair market value of the Shares on the date of exercise of the ISO over the exercise price and (ii) the excess of the amount realized on the disposition of those Shares over the exercise price. On a disposition of Shares acquired on the exercise of a non-qualified option or on exercise of an ISO when the ISO holding periods have been met, the Participant will recognize capital gain or loss equal to the difference between the sales price and the Participant's tax basis in the Shares. That gain or loss will be long-term if the Shares have been held for more than one year as of the date of disposition. The Participant's tax basis in the Shares generally will be equal to the exercise price of the option plus the amount of any ordinary income recognized in connection with the option.

Section 409A of the Code provides that participants in certain deferred compensation arrangements will be subject to immediate taxation and, among other penalties, will be required to pay an additional 20% tax on the value of vested deferred compensation if the requirements of Section 409A are not satisfied. Options may be considered deferred compensation for purposes of Section 409A unless certain requirements are met. The Company expects that options granted under the 2005 Plan will meet these requirements and will thus not be subject to Code Section 409A, but no assurances to this effect can be given.

The Company generally will be entitled to a tax deduction equal to the amount that the Participant recognizes as ordinary income in connection with an option. The Company is not entitled to a tax deduction relating to any amount that constitutes a capital gain for a Participant. Accordingly, the Company will not be entitled to any tax deduction with respect to an ISO if the Participant holds the Shares for the ISO holding periods prior to disposing of the Shares.

Section 162(m) of the Code generally disallows a public company's tax deduction for compensation in excess of \$1 million paid in any taxable year to the Company's chief executive officer or any of its other four highest compensated officers (a covered employee). Compensation that qualifies as performance-

based compensation, however, is excluded from the \$1.0 million deductibility cap. The Company intends that options and certain other Awards granted to employees whom the Committee expects to be covered employees at the time a deduction arises in connection with the Awards qualify as performance-based compensation so that deductions with respect to options and such other Awards will not be subject to the \$1.0 million cap under Section 162(m) of the Code. Future changes in Section 162(m) of the Code or the regulations thereunder may adversely affect the ability of the Company to ensure that options or other Awards under the 2005 Plan will qualify as performance based compensation so that deductions are not limited by Section 162(m) of the Code.

Section 280G of the Code provides special rules in the case of golden parachute payments. Those rules could apply if, on a change in control of the Company, the acceleration of options or other Awards held by a Participant who is an officer, director or highly-compensated individual with respect to the Company, and any other compensation paid to the Participant that is contingent on a change in control of the Company and have a present value of at least three times the Participant's average annual compensation from the Company over the prior five years (the average compensation). In that event, the contingent compensation that exceeds the Participant's average compensation, adjusted to take account of any portion thereof shown to be reasonable compensation, is not deductible by the Company and is subject to a nondeductible 20% excise tax, in addition to regular income tax, in the hands of the Participant.

The foregoing discussion, which is general in nature and is not intended to be a complete description of the federal income tax consequences of the 2005 Plan, is intended for the information of stockholders considering how to vote at the Annual Meeting and not as tax guidance to Participants in the 2005 Plan. This discussion does not address the effects of other federal taxes or taxes imposed under state, local or foreign tax laws. Participants in the 2005 Plan should consult a tax adviser as to the tax consequences of participation.

New Plan Benefits

The Company believes that Awards granted under the 2005 Plan will be granted primarily to those persons who possess a capacity to contribute significantly to the successful performance of the Company. No determinations have been made as to the types or amounts of Awards that will be granted to specific individuals under the 2005 Plan. Because persons to whom Awards may be made are to be determined from time to time by the Committee in its discretion, it is not possible at this time to indicate the precise number, names or positions of persons who will hereafter receive Awards under the 2005 Plan or the nature and terms of such Awards. Similarly, it is not possible to determine the benefits or amounts that would have been received by or allocated to such persons in 2004 if the 2005 Plan had been in effect during 2004. See the Summary Compensation Table above for information on prior equity awards granted to named executive officers.

Approval of the 2005 Plan requires the affirmative vote of the holders of a majority of the common shares represented in person or by proxy and entitled to vote at the Annual Meeting. A copy of the 2005 Plan is attached as Appendix A.

THE BOARD OF DIRECTORS RECOMMENDS UNANIMOUSLY THAT THE STOCKHOLDERS VOTE FOR APPROVAL OF THIS PROPOSAL.

Unless a contrary indicator is made on the enclosed proxy card, it is the intention of the persons named to vote **FOR** approval.

ITEM III

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Subject to ratification by the stockholders, the Audit Committee and the Board of Directors have selected Ernst & Young LLP (E&Y) to continue as independent auditors to audit the financial

statements of the Company for the year ended December 31, 2005. E&Y has served as the Company's principal auditors since September 29, 2003, and have provided certain tax and other services (see REPORT OF AUDIT COMMITTEE, *Auditor Fees and Services*). Representatives of E&Y are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Stockholder ratification of the Company's independent auditors is not required under Nevada law or under the Company's Articles of Incorporation or its By-Laws. If the stockholders do not ratify the selection of E&Y as the Company's independent auditors for 2005, the Audit Committee will evaluate what would be in the best interests of the Company and its stockholders and consider whether to select new independent auditors for the current year or whether to wait until the completion of the audit for the current year before changing independent auditors. Even if the selection of E&Y is ratified by the stockholders, the Audit Committee, in its discretion, may direct the appointment of a different independent auditing firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

THE BOARD OF DIRECTORS RECOMMENDS UNANIMOUSLY, ON THE ADVICE OF ITS AUDIT COMMITTEE, THAT THE STOCKHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR 2005.

Unless a contrary indication is made on the enclosed proxy card, it is the intention of the persons named therein to vote **FOR** the selected independent auditors.

THE UNION'S PROPOSALS

UNITE HERE, an affiliate of the Culinary Worker's Union Local 226 (together, the Union) and the owner of 262 shares of common stock, has submitted, and notified the Board of Directors that it intends to solicit proxies from the Company's stockholders with respect to, three non-binding proposals (the Union's Proposals) discussed below.

The Board unanimously urges you to vote **AGAINST** each of the Union's Proposals generally because the Board believes that the Union's Proposals would, among other things, weaken integral parts of the Company's system of corporate governance. This system was designed, in part, to enable the Board to adequately evaluate and potentially negotiate an acquisition proposal, consistent with its fiduciary duties and current laws and regulations. The Board believes that the Union's Proposals, which seek to weaken parts of this system, are not in the best interests of the Company and its stockholders. Further, the Board believes that the Union's proposals are nothing more than a thinly-disguised pressure tactic to promote its own union organizing agenda. The Board believes that the Union's ongoing organizing efforts at the Company, coupled the small number of Company shares owned by the Union, provide clear evidence of the Union's ulterior motive. The Board's specific reasons for opposing each of the Union's Proposals are set forth below.

THE BOARD OF DIRECTORS RECOMMENDS UNANIMOUSLY THAT THE STOCKHOLDERS VOTE AGAINST APPROVAL OF EACH OF THE UNION'S PROPOSALS.

Unless a contrary indication is made on the enclosed proxy card, it is the intention of the persons named therein to vote **AGAINST** each of the Union's Proposals.

ITEM IV

The Union has submitted the following proposal:

RESOLVED, that the stockholders of Station Casinos, Inc. urge the Board of Directors to increase stockholder rights by lowering the voting requirement to amend the Company's Restated Bylaws from the current supermajority to a simple majority.

Board of Directors Recommendation

Currently, the Company's bylaws require the affirmative vote at a meeting of the holders of not less than 66 $\frac{2}{3}$ % of the outstanding shares of stock entitled to vote to amend, alter or repeal the Company's Bylaws.

- The Board believes that the Company's current greater-than-majority vote requirements help to assure that carefully considered corporate governance rules are not replaced without the consensus of a substantial majority for change. Moreover, these provisions have been in place since the Company's initial public offering in 1993. Many other public corporations have similar greater-than-majority vote requirements.
- The Board further believes that the Company's current greater-than-majority vote requirements help protect all stockholders against self-interested actions by one or a few large stockholders. This provision encourages persons making an unsolicited bid for the Company to negotiate with the Board to reach terms that are fair and provide the best result for all stockholders. The Board, therefore, strongly believes that the current greater-than-majority vote requirements are in the best interests of the stockholders.

THE BOARD OF DIRECTORS RECOMMENDS UNANIMOUSLY THAT THE STOCKHOLDERS VOTE AGAINST ITEM IV.

Unless a contrary indication is made on the enclosed proxy card, it is the intention of the persons named therein to vote AGAINST Item IV.

ITEM V

The Union has submitted the following proposal:

RESOLVED, that the stockholders of Station Casinos, Inc. urge the Board of Directors to take necessary steps, in compliance with state law, to declassify the board and institute annual election of directors. The board's new election system shall be instituted in a manner that does not affect the unexpired terms of directors previously elected.

Board of Directors Recommendation

The Board believes that its classified structure, which has been in place since the Company's initial public offering in 1993, continues to be in the best interest of the Company and its stockholders. In accordance with the Company's Articles of Incorporation, the Board is divided into three classes with the directors in each class serving a three-year term.

Potential benefits from this structure include the following:

- The Board believes that its classified board structure provides continuity and stability which facilitates long-term planning by the Board. The three-year staggered terms preclude sudden disruptive changes to the composition of the Board by preventing the election of an entire new Board in any one year. This also ensures that a majority of the directors have prior experience as directors of the Company. The Board believes that the in-depth knowledge and experience of Board members are particularly important now, given opportunities the Company possesses as it continues its growth into a much larger business enterprise dedicated to enhancing shareholder value.
- The Board believes that its classified board structure enhances the independence of non-management directors by providing them with a longer elected term of office. Four of the six members of the Company's Board are independent directors. The existence of three year terms for directors also assists the Company in attracting director candidates

who are willing to make

36

a longer-term commitment to the Company. As a result, independent directors voice their views without having to continually consider an upcoming nomination for re-election the following year.

- The Board believes that its classified board structure enhances the Board's ability to negotiate the best results for stockholders in the event of a takeover situation. Because at least two annual stockholder meetings will generally be required to effect a change in control of the Board, a potential acquirer cannot quickly replace the entire board and, thus, circumvent negotiations with the incumbent Board. This structure provides incumbent directors with the time and leverage to evaluate any takeover proposal, assess thoughtfully available alternatives to the Company and negotiate to maximize value for all stockholders. It is important to note that the classified Board structure does not, by itself, preclude a hostile acquisition. However, in certain circumstances an acquisition that may be favored by a majority of the stockholders, but not supported by the incumbent Board, could be prevented if the potential acquirer is unwilling to negotiate further with the incumbent Board or wait for the majority stockholders to effect a change of control of the Board. Nonetheless, the Board believes that the classified Board structure is most likely to maximize value for stockholders in an acquisition context.

Although some argue that annual elections of directors could provide greater accountability to stockholders, the Board believes the benefits of a classified Board do not come at the expense of accountability to stockholders. All of the Company's directors, regardless of the length of their terms, are required to fulfill their fiduciary duties to the Company and its stockholders. Moreover, since one-third of the directors must stand for election each year the stockholders have the opportunity annually to nominate and vote for an alternative slate. The Board believes that the strong financial performance of the Company validates the Board's commitment to the Company and its stockholders and demonstrates the responsibility each director feels personally to guide the Company in a manner that benefits all of the stockholders in the Company.

The Nevada General Corporation Law, the Company's Articles of Incorporation and Bylaws, employment agreements and loan agreements contain provisions, requirements and limitations that may have the effect of discouraging unsolicited takeover bids from third parties, including Nevada's Combination with Interested Stockholder Statute and Control Share Acquisition Statute, the Company's Rights Plan, advance notice requirements for stockholder proposals and director nominations, limitations on stockholder action by written consent, voting requirements for amendment of certain provisions of the Articles of Incorporation and Bylaws, provision for a classified board of directors, and change of control provisions. The Board believes that such measures maximize value to stockholders in takeover situations and also assist the Board and management in the orderly operation of the Company's business.

THE BOARD OF DIRECTORS RECOMMENDS UNANIMOUSLY THAT THE STOCKHOLDERS VOTE AGAINST ITEM V.

Unless a contrary indication is made on the enclosed proxy card, it is the intention of the persons named therein to vote AGAINST Item V.

ITEM VI

The Union has submitted the following proposal:

RESOLVED, that the stockholders of Station Casinos, Inc. urge the Board of Directors to submit the Company's Rights Agreement to stockholders for approval or, if such approval is not granted by a majority vote of stockholders, redeem it, and to seek stockholder approval for extending this poison pill or adopting other similar plans in the future.

Board of Directors Recommendation

Your Board believes that the Company's Rights Agreement (the Rights Plan), which it adopted in 1997, is one of the most effective tools available to the Board to protect stockholders against takeover abuses and to assure all stockholders of a fair price and fair treatment in the context of a unsolicited takeover of the Company, whether through open market purchases or a hostile tender offer. In essence, the Company's Rights Plan provides the Board with bargaining power and practical leverage with respect to timing and other factors that it would not otherwise have in the face of an unsolicited takeover attempt. The Company's Rights Plan is not intended to prevent a takeover of the Company and will not do so. However, it should deter any attempt to acquire the Company in a manner or on terms not approved by the Board. The Company's Rights Plan is designed to induce a potential hostile acquiror to deal directly with the Board in connection with its acquisition proposal rather than permitting it to use abusive tactics to deprive the Board and the stockholders of any meaningful opportunity to determine the destiny of their Company.

It is important to note that the Company's Rights Plan does not interfere with the ability of the Company, prior to a flip-in, to solicit, pursue or consummate a negotiated takeover transaction. The Company's Rights Plan is intended to empower the Board to protect and pursue the interests of the Company and all of its stockholders, which may include the sale of the Company by merger or otherwise, and does not achieve this result by limiting the opportunities that may be available to the Company.

Potential takeover abuses that the Company's Rights Plan is designed to protect against include the following:

- The traditional function of the Board is to act and negotiate in the best interest of and on behalf of the Company's stockholders in connection with a merger or other business combination. The commencement of a tender offer, as opposed to negotiation with the Board, could leave the Company with a highly compressed time frame for considering alternatives and no meaningful bargaining power to seek a higher price or better terms for stockholders.
- By use of the so-called creeping tender offer, a potential hostile acquiror, through selective open-market purchases in which it offers different prices to different stockholders, could gain control of the Company without affording stockholders the protections of the Federal tender offer rules which require, among other things, that all stockholders receive the same price in a tender offer.
- The commencement of a tender offer by a hostile acquiror could result in professional short-term stock traders (arbitrageurs) acquiring large numbers of shares. Once this takes place, the hostile acquiror could terminate the tender offer (possibly causing the stock price to fall) and sweep the street, thereby acquiring control from the arbitrageurs but leaving other public stockholders as minority stockholders.
- The takeover of the Company by a hostile acquiror through a creeping or partial tender offer would enable the hostile acquiror to take advantage of the public minority stockholders through self-dealing and conflict transactions or to squeeze out the public stockholders, forcing them to accept questionable securities.

State courts, including Nevada courts, have generally upheld the validity of Rights Plans, while recognizing that, depending on circumstances, a Board may ultimately have a duty to redeem the rights and let stockholders choose whether to accept an offer once the Board has determined to engage in a change of control transaction.

A 1997 study of 319 merger and acquisition transactions completed between 1992 and 1996 was published by Georgeson Shareholder Communications Inc. (Georgeson), a nationally recognized proxy solicitation and investor relations firm. This study found that stockholders of target companies with

stockholder rights plans received significantly larger takeover premiums than did stockholders of target companies without such plans. This study also concluded : Companies with pills appeared more likely to be targets of takeover bids than companies without pills. Finally, the study found that takeover bids were more likely to be completed when the target company had a poison pill. This study is currently available at Georgeson's website, www.georgeson.com.

The Board believes that the Union's Proposal could impair the ability of the Board, as well as any future Board, to maximize stockholder value consistent with its fiduciary duties to all of the Company's stockholders. The Board is committed to enhancing stockholder value and is proud of the Company's record with respect to shareholder returns. The Board further believes that it is not necessary to submit the stockholders rights plan to stockholders for approval because the stockholder rights plan was properly adopted over seven years ago and serves to benefit and protect all of the Company's stockholders. The Board believes that redeeming the stockholders rights plan would remove an important tool that allows the Board more time to evaluate an acquisition offer and to bargain with a potential bidder on behalf of all Company stockholders.

THE BOARD OF DIRECTORS RECOMMENDS UNANIMOUSLY THAT THE STOCKHOLDERS VOTE AGAINST ITEM VI.

Unless a contrary indication is made on the enclosed proxy card, it is the intention of the persons named therein to vote AGAINST Item VI.

OTHER MATTERS

The Board of Directors is not aware of any other matters to be presented at the Annual Meeting. If any other matters should properly come before the Annual Meeting, the persons named in the proxy will vote the proxies according to their best judgment.

STOCKHOLDER PROPOSALS

Stockholder proposals, if any, that may be considered for inclusion in the Company's proxy materials for the 2006 Annual Meeting must be received by the Company at its offices at 2411 West Sahara Avenue, Las Vegas, Nevada 89102 not later than December 1, 2005. A stockholder who wishes to make a proposal at the 2006 Annual Meeting of Stockholders without including the proposal in the Company's proxy statement must give written notice of that proposal to the Company at the above address not less than 35 days prior to the 2006 Annual Meeting of Stockholders. If a stockholder fails to timely give that notice, then the persons named as proxies in the proxy cards solicited by the Company's board of directors for that meeting will be entitled to vote the proxy cards held by them regarding that proposal, if properly raised at the meeting, in their discretion.

4.1. *Number of Shares.* Subject to adjustment as provided in Section 9.12, the number of Shares available for grants of Awards under the Plan shall be the sum of (a) 3,868,064 Shares plus (b) the number of Shares subject to awards granted under any of the following plans of the Company (the Prior Plans): (i) the Incentive Stock Option Plan, (ii) the Compensatory Stock Option Plan, (iii) the Restricted Share Plan, (iv) the Non-employee Director Stock Option Plan, (v) the 1999 Compensatory Stock Option Plan, and (vi) the 1999 Share Plan, that thereafter would meet the requirements of Section 4.3 if such awards had been granted under this Plan. For purposes of this Section 4.1, each Share subject to a Restricted Stock Award, RSU Award or Other Stock Award shall be deemed to be 1.9 Shares. Shares awarded under the Plan may be either authorized but unissued Shares, authorized and issued Shares reacquired (including Shares reacquired under any of the Prior Plans) and held as treasury Shares or a combination thereof. To the extent permitted by applicable law or exchange rules, Shares issued in assumption of, or in substitution

for, any outstanding awards of any entity acquired in any form of combination by the Company or any Subsidiary or Affiliate shall not reduce the Shares available for grants of Awards under this Section 4.1.

4.2 *Limit on Individual Awards.* Subject to adjustment as provided in Section 9.12, the maximum number of Shares with respect to which (i) Options and SARs, (ii) Restricted Stock, RSUs and Other Stock Awards that vest only if the Participant achieves Performance Goals established by the Committee in accordance with Section 162(m) of the Code or (iii) any combination of (i) and (ii), may be granted during any year to any person shall be 500,000 Shares.

4.3 *Lapsed Awards.* To the extent that Shares subject to an outstanding Option (except to the extent Shares are issued or delivered by the Company in connection with the exercise of a tandem SAR) or other Award are not issued or delivered by reason of the expiration, cancellation, forfeiture or other termination of such Award, then such Shares shall again be available under this Plan.

ARTICLE 5

STOCK OPTIONS

5.1 *Grant of Options.* Subject to the provisions of the Plan, Options may be granted to Participants at such times, and subject to such terms and conditions, as determined by the Committee in its sole discretion. An Award of Options may include Incentive Stock Options, Non-Qualified Stock Options, or a combination thereof; *provided, however*, that an Incentive Stock Option may only be granted to an Employee of the Company or a Subsidiary and no Incentive Stock Option shall be granted more than ten years after the earlier of (i) the date this Plan is adopted by the Board or (ii) the date this Plan is approved by the Company's shareholders.

5.2 *Award Agreement.* Each Option shall be evidenced by an Award Agreement that shall specify the Exercise Price, the expiration date of the Option, the number of Shares to which the Option pertains, any conditions to the exercise of all or a portion of the Option, and such other terms and conditions as the Committee, in its discretion, shall determine. The Award Agreement pertaining to an Option shall designate such Option as an Incentive Stock Option or a Non-Qualified Stock Option. Notwithstanding any such designation, to the extent that the aggregate Fair Market Value (determined as of the Grant Date) of Shares with respect to which Options designated as Incentive Stock Options are exercisable for the first time by a Participant during any calendar year (under this Plan or any other plan of the Company, or any parent or subsidiary as defined in Section 424 of the Code) exceeds \$100,000, such Options shall constitute Non-Qualified Stock Options. For purposes of the preceding sentence, Incentive Stock Options shall be taken into account in the order in which they are granted.

5.3 *Exercise Price.* Subject to the other provisions of this Section, the Exercise Price with respect to Shares subject to an Option shall be determined by the Committee in its sole discretion; *provided, however*, that the Exercise Price shall be not less than one hundred percent (100%) of the Fair Market Value of a Share on the Grant Date; and *provided further*, that the Exercise Price with respect to an Incentive Stock Option granted to a Ten Percent Holder shall not be less than one hundred-ten percent (110%) of the Fair Market Value of a Share on the Grant Date.

5.4 *Expiration Dates.* Each Option shall terminate not later than the expiration date specified in the Award Agreement pertaining to such Option; *provided, however*, that the expiration date with respect to an Option shall not be later than the tenth anniversary of its Grant Date and the expiration date with respect to an Incentive Stock Option granted to a Ten Percent Holder shall not be later than the fifth anniversary of its Grant Date.

5.5. *Exercisability of Options.* Subject to Section 5.4, Options granted under the Plan shall be exercisable at such times, and shall be subject to such restrictions and conditions, as the Committee shall determine in its sole discretion. The exercise of an Option is contingent upon payment by the Optionee of the amount sufficient to pay all taxes required to be withheld by any governmental agency. Such payment may be in any form approved by the Committee.

5.6. *Method of Exercise.* Options shall be exercised by the Participant's delivery of a written notice of exercise to the Chief Financial Officer of the Company (or his or her designee), setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment of the Exercise Price with respect to each such Share and an amount sufficient to pay all taxes required to be withheld by any governmental agency. The Exercise Price shall be payable to the Company in full in cash or its equivalent. The Committee, in its sole discretion, also may permit exercise (a) by tendering previously acquired Shares which have been held by the Optionee for at least six months having an aggregate Fair Market Value at the time of exercise equal to the aggregate Exercise Price of the Shares with respect to which the Option is to be exercised, or (b) by any other means which the Committee, in its sole discretion, determines to both provide legal consideration for the Shares, and to be consistent with the purposes of the Plan. As soon as practicable after receipt of a written notification of exercise and full payment for the Shares with respect to which the Option is exercised, the Company shall deliver to the Participant Share certificates (which may be in book entry form) for such Shares with respect to which the Option is exercised.

5.7. *Restrictions on Share Transferability.* Incentive Stock Options are not transferable, except by will or the laws of descent. The Committee may impose such additional restrictions on any Shares acquired pursuant to the exercise of an Option as it may deem advisable, including, but not limited to, restrictions related to applicable federal securities laws, the requirements of any national securities exchange or system upon which Shares are then listed or traded, or any blue sky or state securities laws.

ARTICLE 6

STOCK AWARDS

6.1. *Grant of Stock Awards.* Subject to the provisions of the Plan, Stock Awards may be granted to such Participants at such times, and subject to such terms and conditions, as determined by the Committee in its sole discretion.

6.2. *Stock Award Agreement.* Each Stock Award shall be evidenced by an Award Agreement that shall specify the number of Shares granted, the price, if any, to be paid for the Shares and the Period of Restriction applicable to a Restricted Stock Award or RSU Award and such other terms and conditions as the Committee, in its sole discretion, shall determine.

6.3. *Transferability/Share Certificates.* Shares subject to an Award of Restricted Stock may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated during a Period of Restriction. During the Period of Restriction, a Restricted Stock Award may be registered in the holder's name or a nominee's name at the discretion of the Company and may bear a legend as described in Section 6.4.2. Unless the Committee determines otherwise, Shares of Restricted Stock shall be held by the Company as escrow agent during the applicable Period of Restriction, together with stock powers or other instruments of assignment (including a power of attorney), each endorsed in blank with a guarantee of signature if deemed necessary or appropriate by the Company, which would permit transfer to the Company of all or a portion of the Shares subject to the Restricted Stock Award in the event such Award is forfeited in whole or part.

6.4. *Other Restrictions.* The Committee, in its sole discretion, may impose such other restrictions on Shares subject to an Award of Restricted Stock as it may deem advisable or appropriate.

6.4.1. *General Restrictions.* The Committee may set restrictions based upon applicable federal or state securities laws, or any other basis determined by the Committee in its discretion.

6.4.2. *Legend on Certificates.* The Committee, in its sole discretion, may legend the certificates representing Restricted Stock during the Period of Restriction to give appropriate notice of such restrictions. For example, the Committee may determine that some or all certificates representing Shares of Restricted Stock shall bear the following legend: The sale or other transfer of the shares of stock represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the Station Casinos, Inc. 2005 Stock Compensation Plan (the Plan), and in a Restricted Stock Agreement (as defined by the Plan). A copy of the Plan and such Restricted Stock Agreement may be obtained from the Chief Financial Officer of Station Casinos, Inc.

6.5. *Removal of Restrictions.* Shares of Restricted Stock covered by a Restricted Stock Award made under the Plan shall be released from escrow as soon as practicable after the termination of the Period of Restriction and, subject to the Company's right to require payment of any taxes, a certificate or certificates evidencing ownership of the requisite number of Shares shall be delivered to the Participant.

6.6. *Voting Rights.* During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares, unless otherwise provided in the Award Agreement.

6.7. *Dividends and Other Distributions.* During the Period of Restriction, Participants holding Shares of Restricted Stock shall be entitled to receive all dividends and other distributions paid with respect to such Shares unless otherwise provided in the Award Agreement. If any such dividends or distributions are paid in Shares, the Shares shall be deposited with the Company and shall be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid.

6.8. *Performance Goals and Performance Periods.* The Committee may grant Stock Awards that become earned if the Participant achieves the applicable Performance Goals during and in respect of the designated Performance Period. The Performance Goals and the Performance Period shall be established by the Committee, in its sole discretion. The Committee shall establish Performance Goals for each Performance Period prior to, or as soon as practicable after, the commencement of such Performance Period. The Committee shall also establish a schedule or schedules for the Stock Awards setting forth the portion of the Award which will be earned or forfeited based on the degree of achievement, or lack thereof, of the Performance Goals at the end of the relevant Performance Period, as certified by the Committee in accordance with Section 162(m) of the Code. The Performance Goals shall be defined as to their respective components and meaning by the Committee (in its sole discretion). During any Performance Period, the Committee shall have the authority to adjust the Performance Goals and/or the Performance Period in such manner as the Committee, in its sole discretion, deems appropriate at any time and from time to time. The payout of any such Award to a Covered Employee may be reduced, but not increased, based on the degree of attainment of other performance criteria or otherwise at the discretion of the Committee. For purposes of the Plan, Covered Employee has the same meaning as set forth in Section 162(m) of the Code.

ARTICLE 7

STOCK APPRECIATION RIGHTS

7.1. *Grant of SARs.* Subject to the provisions of the Plan, SARs may be granted to such Participants at such times, and subject to such terms and conditions, as shall be determined by the Committee in its sole discretion; *provided, however*, that any tandem SAR (*i.e.*, a SAR granted in tandem

A-7

with an Option) related to an Incentive Stock Option shall be granted at the same time that such Incentive Stock Option is granted.

7.2. *Base Price and Other Terms.* The Committee, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of SARs granted under the Plan. Without limiting the foregoing, the Base Price with respect to Shares subject to a tandem SAR shall be the same as the Exercise Price with respect to the Shares subject to the related Option.

7.3. *SAR Agreement.* Each SAR grant shall be evidenced by an Award Agreement that shall specify the Base Price (which shall not be less than one hundred percent (100%) of the Fair Market Value of a Share on the Grant Date), the term of the SAR, the conditions of exercise, and such other terms and conditions as the Committee, in its sole discretion, shall determine.

7.4. *Expiration Dates.* Each SAR shall terminate no later than the tenth anniversary of its Grant Date; *provided, however,* that the expiration date with respect to a tandem SAR shall not be later than the expiration date of the related Option.

7.5. *Payment of SAR Amount.* Unless otherwise specified in the Award Agreement pertaining to a SAR, a SAR may be exercised (a) by the Participant's delivery of a written notice of exercise to the Chief Financial Officer of the Company (or his or her designee) setting forth the number of whole SARs which are being exercised, (b) in the case of a tandem SAR, by surrendering to the Company any Options which are cancelled by reason of the exercise of such SAR, and (c) by executing such documents as the Company may reasonably request. Except as otherwise provided in the relevant Award Agreement, upon exercise of a SAR, the Participant shall be entitled to receive payment from the Company in an amount determined by multiplying: (i) the amount by which the Fair Market Value of a Share on the date of exercise exceeds the Base Price specified in the Award Agreement pertaining to such SAR; by (ii) the number of Shares with respect to which the SAR is exercised.

7.6. *Payment Upon Exercise of SAR.* Payment to a Participant upon the exercise of the SAR shall be made, as determined by the Committee in its sole discretion, either (a) in cash, (b) in Shares with a Fair Market Value equal to the amount of the payment or (c) in a combination thereof, as set forth in the applicable Award Agreement.

ARTICLE 8

OTHER STOCK AWARDS

8.1. *Grant of Other Stock Awards.* Subject to the provisions of the Plan, the Committee may develop sub-plans or grant other equity-based awards (Other Stock Awards) on such terms as it may determine, including, but not limited to, Awards designed to comply with or take advantage of applicable local laws of jurisdictions outside of the United States.

9.2. *Participation.* No person shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

9.3. *Indemnification.* Each person who is or shall have been a member of the Committee, or of the Board, shall be indemnified and held harmless by the Company against and from (a) any loss, cost, liability,

or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any good faith action taken or good faith failure to act under the Plan or any Award Agreement, and (b) from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such claim, action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or By-Laws, by contract, as a matter of law, or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

9.4. *Successors.* All obligations of the Company under the Plan, with respect to Awards granted hereunder, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or otherwise, of all or substantially all of the business or assets of the Company.

9.5. *Beneficiary Designations.* Subject to the restrictions in Section 9.6 below, a Participant under the Plan may name a beneficiary or beneficiaries to whom any vested but unpaid Award shall be paid in the event of the Participant's death. For purposes of this Section, a beneficiary may include a designated trust having as its primary beneficiary a family member of a Participant. Each such designation shall revoke all prior designations by the Participant and shall be effective only if given in a form and manner acceptable to the Committee. In the absence of any such designation, any vested benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate and, subject to the terms of the Plan and of the applicable Award Agreement, any unexercised vested Award may be exercised by the administrator or executor of the Participant's estate.

9.6. *Nontransferability of Awards.* No Award granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will, by the laws of descent and distribution; *provided, however*, that except as provided by in the relevant Award Agreement, a Participant may transfer, without consideration, an Award other than an Incentive Stock Option to one or more members of his or her Immediate Family, to a trust established for the exclusive benefit of one or more members of his or her Immediate Family, to a partnership in which all the partners are members of his or her Immediate Family, or to a limited liability company in which all the members are members of his or her Immediate Family; *provided, further*, that any such Immediate Family, and any such trust, partnership and limited liability company, shall agree to be and shall be bound by the terms of the Plan, and by the terms and provisions of the applicable Award Agreement and any other agreements covering the transferred Awards. All rights with respect to an Award granted to a Participant shall be available during his or her lifetime only to the Participant and may be exercised only by the Participant or the Participant's legal representative.

9.7. *No Rights as Stockholder.* Except to the limited extent provided in Sections 6.6 and 6.7, no Participant (nor any beneficiary) shall have any of the rights or privileges of a stockholder of the Company with respect to any Shares issuable pursuant to an Award (or exercise thereof), unless and until certificates representing such Shares shall have been issued, recorded on the records of the Company or its transfer agents or registrars, and delivered to the Participant (or beneficiary).
