PART I REGISTRANT INFORMATION

Key Energy Services, Inc.
Full Name of Registrant

Not Applicable
Former Name if Applicable

6 Desta Drive, Suite 4400
Address of Principal Executive Office (Street and Number)

Midland, Texas 79705
City, State and Zip Code

PART II RULES 12b-25(b) AND (c)

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate)

- (a) The reason described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense
- (b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, Form 11-K, Form N-SAR or Form N-CSR, or portion thereof, will be filed on or before the fifteenth calendar day following the prescribed due date; or the subject quarterly report or transition report on Form 10-Q or subject distribution report on Form 10-D, or portion thereof, will be filed on or before the fifth calendar day following the prescribed due date; and
- (c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Registrant was unable to file its Quarterly Report on Form 10-Q for the period ended March 31, 2005 within the prescribed time period. As previously reported, the Registrant has been unable to complete and file its Annual Report on Form 10-K for the year ended December 31, 2003 and its Annual Report on Form 10-K for the year ended December 31, 2004 due to its ongoing restatement process. The Registrant will file its Annual Report on Form 10-K for the year ended December 31, 2003 as soon as practicable. As soon as the Registrant files the Annual Report on Form 10-K for the year ended December 31, 2003, it will immediately begin work on the Annual Report on Form 10-K for the year ended December 31, 2004. The Registrant currently estimates that it will take 60 to 90 days after filing the 2003 Annual Report on Form 10-K to complete the filings for the fiscal year ended December 31, 2004 and the first three quarters of 2004. As soon as the Registrant files the Annual Report on Form 10-K for the year ended December 31, 2004, it will immediately begin work on the Quarterly Report on Form 10-Q for the period ended March 31, 2005. The Company can make no assurances as to when the filings will be made. Please see the attached additional pages.

ADDITIONAL INFORMATION (PART IV, ITEM 3)

As previously disclosed, Key Energy Services, Inc. (the Company or the Registrant) has not yet completed the financial statements to be included in its Annual Report on Form 10-K for the year ended December 31, 2003. When it finishes those financial statements, it plans to prepare and complete its 2004 and 2005 financial statements as soon as practicable. Until the 2003 financial statements have been completed, the Registrant cannot reasonably estimate its results for 2005, since certain items such as:

depreciation expense for the first quarter of 2005 will be based on the values of fixed assets as of the end of 2003;

non-cash interest expense for 2005 will be based on the prior period adjustments to eliminate improperly capitalized deferred costs in prior years; and

income taxes;

are not determinable until all other costs have been determined.

The Registrant has provided select financial data for each of the quarter ended March 31, 2005, and each of the quarters ended March 31, June 30, September 30, and December 31, for 2004 and 2003, respectively. The Registrant undertook to provide this information to investors in connection with obtaining consents from the holders of the Company's 6 3/8% senior notes due 2013 and its 8 3/8% senior notes due 2008. Set forth below is select operating items data for the quarters ended March 31, 2005 and 2004, respectively, using such information disclosed in connection with the Registrant's bond consent. This information is subject to revision pending the outcome of the restatement.

been audited or reviewed by the Company's independent accountants. Until the restatement of the Company's prior year financial statements is completed, the unaudited information herein may differ from its restated financial statements. It is possible that the process of restating the prior year financial statements could require additional changes to the Company's financial statements for 2004 or 2005 that individually or in the aggregate could be material to the Company's financial position, results of operations or liquidity.

Activity levels during the first quarter of 2005 were strong as the Company experienced continued growth in its well service rig hours. For the quarter ended March 31, 2005, the Company's well service rig hours increased 6.2% to approximately 621,228 from approximately 584,896 for the first quarter of 2004. Additionally, the Company's pressure pumping operations continued to operate at capacity and during the March 2005 quarter, benefited from the addition of new pressure pumping equipment purchased in late 2004.

Certain statements contained in this news release constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are based on current expectations, estimates and projections about the Company, the Company's industry, management's beliefs and certain assumptions made by management. Whenever possible, the Company has identified these forward-looking statements by words such as expects, believes, anticipates and similar phrases. Readers are cautioned that any such forward-looking statements are not guarantees of future performance or the results of the ongoing review and restatements and are subject to certain risks, uncertainties and assumptions that are difficult to predict, including, but not limited to: the impact of the Company's current restatement process on its results for prior and current periods; uncertainties surrounding the restatement process, including the timing and amount of the restatements; the risk of possible changes in the scope and nature of, the time required to complete, the issuance of audit opinions on the Company's prior year financial statements and the audit of the Company's 2003 and 2004 financial statements; risks that the Company will not be able to obtain necessary waivers from its bank group and other lenders; risks that the Company's inability to complete the restatement of its financial statements will impact operations; risks affecting the ability of the Company to complete the sale of the Michigan assets; risks affecting the ability of the Company to maintain or improve operations, including the ability to maintain price increases; and risks affecting activity levels for rig hours. Because such statements involve risks and uncertainties, the actual results and performance of the Company may differ materially from the results expressed or implied by such forward-looking statements. Given these uncertainties, readers are cautioned not to place undue reliance on such forward-looking statements. Unless otherwise required by law, the Company also disclaims any obligation to update its view of any such risks or uncertainties or to announce publicly the result of any revisions to the forward-looking statements made here; however, readers should review carefully reports or documents the Company files periodically with the Securities and Exchange Commission.
