Item 8.01 Other Events

On May 10, 2007, Bunge Limited (Bunge) filed its Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2007 (the First Quarter 10-Q) with the Securities and Exchange Commission (the SEC). In the First Quarter 10-Q, Bunge presented updated operating segment reporting disclosures reflecting a reclassification of certain product lines from the edible oil products segment to the agribusiness segment. As a result, amounts previously reported by Bunge under its edible oils products segment have been reclassified to its agribusiness segment. Bunge is filing this Current Report on Form 8-K to conform its historical consolidated financial statements included in its Annual Report on Form 10-K for the year ended December 31, 2006 (the 2006 Annual Report) to the presentation reflected by this reclassification.

The information included in this Current Report on Form 8-K does not in any way restate or revise Bunge s net income, consolidated statements of income, consolidated statements of cash flows and consolidated statements of shareholders equity for the years ended December 31, 2006, 2005 and 2004 and the consolidated balance sheets at December 31, 2006 and 2005.

This Current Report on Form 8-K does not reflect any other events occurring after Bunge filed its 2006 Annual Report other than this reclassification, as described above. For a discussion of events and developments occurring subsequent to the filing by Bunge of its 2006 Annual Report, see Bunge s Quarterly Reports on Form 10-Q for the quarterly periods ended March 31, 2007, June 30, 2007 and Bunge s Current Reports on Form 8-K filed since December 31, 2006, all of which are filed with the SEC.

Exhibit 99.1 of this Current Report on Form 8-K contains a statement regarding forward-looking statements included in this Current Report on Form 8-K and the following updates to Bunge s 2006 Annual Report to reflect the reclassification described above: (a) an updated table showing net sales to external customers by operating segment contained in the section entitled Operating Segments and Geographic Areas of Item 1. Business of the 2006 Annual Report, (b) an updated Other Data section and Note 4 to the table contained in Item 6. Selected Financial Data of the 2006 Annual Report and (c) an updated Results of Operations Segment Results section and Results of Operations 2006 Compared to 2005 section contained in Item 7. Management s Discussion and Analysis of Financial Condition and Results of Operations of the 2006 Annual Report, which, in each case, shall replace the corresponding section in Bunge s 2006 Annual Report.

Exhibit 99.2 of this Current Report on Form 8-K contains Deloitte & Touche LLP s Report of Independent Registered Public Accounting Firm relating to the Consolidated Financial Statements included in this Exhibit 99.2, and the Consolidated Financial Statements and the Notes to the Consolidated Financial Statements of Bunge as of December 31, 2006, containing an update to Note 3 Inventories, Note 24 Operating Segments and Geographic Areas and Note 25 Quarterly Financial Information (Unaudited) to reflect the reclassification described above.

Exhibit 99.3 of this Current Report on Form 8-K contains Deloitte & Touche LLP s Consent of Independent Registered Public Accounting Firm.

The financial statements included in Exhibit 99.2 shall now serve as the historical audited consolidated financial statements of Bunge for the year ended December 31, 2006.
