Item 1.01 - Entry into a Material Definitive Agreement

On November 7, 2007, at the Annual Meeting of Stockholders, the Company's stockholders approved the Great Lakes Dredge & Dock Corporation 2007 Long-Term Incentive Plan (the "Incentive Plan"). The Incentive Plan enables the Company to make stock-based and non-stock awards to its eligible employees, consultants, and non-employee directors who share the responsibility for the management, growth, and protection of the business of the Company or who, in the opinion of the Compensation Committee of the Board, provides services yielding significant benefits to the Company. The Plan provides for the grant of (i) incentive stock options, (ii) non-qualified stock options, (iii) stock appreciation rights, (iv) performance units, (v) restricted stock awards, (vi) restricted stock units, or (vii) any combination of the foregoing. The purpose of the Incentive Plan is to provide competitive incentives that will enable the Company to attract, retain, motivate, and reward persons who render services that benefit the Company or other enterprises in which the Company has a significant interest.

The full text of the Incentive Plan is filed as Exhibit 10.1 to this Current Report, and is incorporated herein by reference.

Item 5.03 - Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On November 6, 2007, the Board of Directors of the Company amended and restated the Company's Bylaws (the "Second Amended and Restated Bylaws") to allow for the issuance of uncertificated shares. By being able to issue uncertificated shares, the Company may now participate in the Direct Registration System, which is currently administered by The Depository Trust Company. The Direct Registration System allows investors to have securities registered in their names without the issuance of physical certificates and allows investors to electronically transfer securities to broker-dealers in order to effect transactions without the risks and delays associated with transferring physical certificates. All issuers listed on the NASDAQ Stock Market must be eligible for participation in the Direct Registration System by January 1, 2008. The second amendment and restatement of the Bylaws was in response to this requirement.

The full text of the Second Amended and Restated Bylaws is filed as Exhibit 3.1 to this Current Report.
