**SOLICITATION OF PROXIES**

This Proxy Statement is furnished in connection with the solicitation of proxies by the board of directors of Encision Inc., a Colorado corporation, for use at our Annual Meeting of Shareholders to be held at 10:00 A.M. Mountain Time, on August 5, 2009, at the offices of Faegre & Benson LLP, 1900 Fifteenth Street, Boulder, Colorado, 80302 and at any and all adjournments of such meeting (the Annual Meeting ).

If the enclosed Proxy Card is properly executed and returned in time to be voted at the meeting, the shares of common stock represented will be voted in accordance with the instructions contained therein. Executed Proxy Cards that contain no instructions will be voted for each of the nominees for director indicated herein and for the ratification of Eide Bailly LLP as our independent public accountants. It is anticipated that this Proxy Statement and the accompanying Proxy Card and Notice of Annual Meeting will be mailed to our shareholders on or about June 29, 2009.

**Shareholders who execute proxies for the Annual Meeting may revoke their proxies at any time prior to their exercise by delivering written notice of revocation to our secretary, by delivering a duly executed Proxy Card bearing a later date, or by attending the meeting and voting in person.**

We will bear the costs of the meeting, including the costs of preparing and mailing the Proxy Statement, Notice of Annual Meeting and Proxy Card. We may, in addition, use the services of our directors, officers and employees to solicit proxies, personally or by telephone, but at no additional salary or compensation. We will also request banks, brokers, and others who hold shares of our common stock in nominee names to distribute annual reports and proxy soliciting materials to beneficial owners, and we will reimburse such banks and brokers for reasonable out-of-pocket expenses which they may incur in so doing.

**Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Shareholders to be held on August 5, 2009.**

---

### **QUORUM AND VOTING**

The presence in person or by proxy of the holders of a majority of the total issued and outstanding shares of our common stock that are entitled to be voted at the Annual Meeting is necessary in order to constitute a quorum for the meeting. Abstentions and broker non-votes will be counted for purposes of attaining a quorum. If a quorum is present, the election of directors will require a plurality of the votes cast in person or by proxy at the Annual Meeting, and the affirmative vote of a majority of the shares represented at the meeting and entitled to vote will be required to ratify appointment of our independent public accountants and approve any other matter to be voted on by the shareholders at the meeting. Proxies marked withhold and broker non-votes will have no effect on the election of directors. Except for Mr. Odell, who did not attend one meeting, all directors nominated for re-election to the board of directors attended all of the meetings of the board of directors and all meetings of the committees of the board of directors on which they were members during fiscal year 2009. There were four meetings of the audit committee, two telephonic meetings of the compensation committee and one meeting of the nominating committee, attended by all directors who were members of the committees at the time of the meetings. The audit committee held two telephonic meetings with our independent auditors.

We encourage our incumbent directors to attend the Annual Meeting of Shareholders, subject to their travel schedule and other demands on their time. All incumbent directors, who were directors at that time, attended the 2008 Annual Meeting of Shareholders.

Our board of directors determines whether a director is independent through a broad consideration of facts and circumstances, including an assessment of the materiality of any relation between us and a director not merely from the director's standpoint, but also from that of persons or organizations with which the director has an affiliation. In making this determination, the board of directors adheres to the independence criteria under applicable Securities and Exchange Commission rules. Using these rules, our board of directors has determined that Bruce L. Arfmann, Robert H. Fries, Vern D. Kornelsen and Ruediger Naumann-Etienne qualify as independent directors.

**Compensation of Directors**

Currently, and except for Ruediger Naumann-Etienne who elected not to receive his compensation, our outside directors receive \$1,250 a month for their services and are reimbursed for their out-of-pocket expenses incurred in connection with their service as directors. Currently, and except for Vern D. Kornelsen who elected not to receive his compensation for audit committee service, directors who serve on the audit committee receive an additional \$750 a month for their services. Option grants to our directors are at the discretion of the board of directors.

The following table details the total compensation earned by our non-employee directors in fiscal year 2009.

**Nominating Committee**

The members of our nominating committee are Robert H. Fries and Vern D. Kornelsen. Our nominating committee recommends to our board of directors nominees for election to the board. Our nominating committee will consider recommendations for director nominees by shareholders if the names of those nominees and relevant biographical information are properly submitted in writing to our corporate secretary in the manner described for shareholder nominations above under the heading Shareholder Proposals. A director nominee must have a strong professional or other background, a reputation for integrity and responsibility and experience relevant to our business and operations. A director nominee must be able to commit appropriate time to prepare for, attend and participate in all meetings of our board of directors and its committees, as applicable, and the annual meeting of shareholders and must not have any conflicts of interest with our business and operations. Our nominating committee will also require some director nominees to be independent as defined under the American Stock Exchange listing standards. All director nominees, whether submitted by a shareholder or our nominating committee, will be evaluated in the same manner. All

current members of the nominating committee are independent for purposes of the American Stock Exchange listing standards.

The nominating committee does not have an express policy with regard to the consideration of any director candidates recommended by our shareholders because the nominating committee believes that it can adequately evaluate any such nominees on a case-by-case basis. The nominating committee will consider director candidates proposed by shareholders in accordance with the procedures set forth above under Shareholder Proposals, and will evaluate shareholder-recommended candidates for director under the same criteria as internally generated candidates. Although the nominating committee does not currently have formal minimum criteria for nominees, substantial relevant business and industry experience would generally be considered important qualifying criteria, as would the ability to attend and prepare for board, committee and shareholder meetings. Any candidate must state in advance his or her willingness and interest in serving on our board and its committees.

Our board of directors has adopted a written Nominating Committee Charter, a copy of which was attached as Appendix A to our Proxy Statement for the 2007 Annual Meeting of Shareholders and is available on our website at [www.Encision.com](http://www.Encision.com). Our nominating committee held one meeting during the fiscal year ended March 31, 2009.

#### **Compensation Committee**

The members of the compensation committee are Vern D. Kornelsen, Robert H. Fries and Ruediger Naumann-Etienne. Our compensation committee reviews and approves compensation for our executive officers whose compensation is approved by our board of directors upon recommendation of the compensation committee. Our compensation committee also administers our stock option plans. Our board of directors has adopted a written Compensation Committee Charter, a copy of which is available on our website at [www.Encision.com](http://www.Encision.com). Our compensation committee held two telephonic meetings during the fiscal year ended March 31, 2009.

#### **Audit Committee**

Our board of directors maintains an audit committee comprised of our outside directors. The board of directors and the audit committee believe that the audit committee's current members are independent directors as defined by the applicable regulations of the Securities and Exchange Commission (SEC) as currently in effect and applicable to us. The audit committee oversees our financial process on behalf of the board of directors. The audit committee has adopted a written charter. The audit committee has adopted a complaint procedure policy.

Bruce L. Arfmann and Vern D. Kornelsen comprise the audit committee. Their backgrounds are more fully disclosed in their biographies under Election of Directors.

Our board of directors has determined that Bruce L. Arfmann qualifies as an audit committee financial expert and is independent as defined by the applicable regulations of the SEC as currently in effect and applicable to us.

The audit committee has adopted a written charter, a copy of which is available on the investors relations page of our website at [www.Encision.com](http://www.Encision.com). Our audit committee held four meetings during the fiscal year ended March 31, 2009 and held two telephonic meetings with

our independent auditors during the fiscal year ended March 31, 2009.

**Shareholder Communications with Directors**

Shareholders and other interested parties wishing to contact any member (or all members) of our board of directors or any committee of the board may do so by mail, addressed, either by name or title, to the board of directors or to any such individual director or group or committee of the directors, and all such correspondence should be sent to our principal office. Our administrative staff may review any such communications to ensure that inappropriate material is not forwarded to the board of directors or to any individual director. The board of directors intends to continuously evaluate its communication process with our shareholders and may adopt additional procedures to facilitate shareholder communications with the board of directors, consistent with standards of professionalism and our administrative resources.

**Code of Ethics**

We have adopted a Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer and all other directors and executive officers. The Code of Ethics is available on the investor relations page of our website at [www.Encision.com](http://www.Encision.com). We intend to satisfy the requirements under Item 5.05 of

#### **SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, executive officers and holders of more than 10% of our common stock to file initial reports of ownership and reports of changes in ownership of our common stock with the Securities and Exchange Commission. Based solely upon a review of Forms 3 and 4 and amendments thereto furnished to us during the fiscal year ended March 31, 2009, to our knowledge, our directors, officers and holders of more than 10% of our common stock have timely filed all Section 16(a) reports.

#### **Audit Committee Report**

Our board of directors maintains an audit committee comprised of our outside directors. The board of directors and the audit committee believe that the audit committee's current members are independent directors as defined by the applicable regulations of the SEC as currently in effect and applicable to us.

The audit committee reviews and reassesses the adequacy of its charter on an annual basis. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The audit committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards, including Statement on Auditing Standards No. 61. In addition, the audit committee has discussed with the independent auditors the auditors' independence from management and us including the matters in the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communication with the audit committee concerning independence.

The audit committee discussed with our independent auditors the overall scope and plans for their audit. The audit committee meets with the independent auditors to discuss the results of their examination, their evaluation of our

internal controls, and the overall quality of our financial reporting. In reliance on the reviews and discussions referred to above, the audit committee recommended to the board of directors, and the board of directors has approved, that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended March 31, 2009, for filing with the Securities and Exchange Commission.

### **RATIFICATION OF INDEPENDENT PUBLIC ACCOUNTANTS**

#### **(Proxy Item #2)**

Our board of directors and audit committee have selected Eide Bailly LLP as our independent registered public accounting firm to audit our financial statements for the fiscal year ending March 31, 2010. The decision to engage Eide Bailly LLP was approved by our board of directors and audit committee, and this appointment is being submitted to our shareholders for ratification at the Annual Meeting.

Eide Bailly LLP served as the principal accountant to audit our financial statements for the fiscal year ended March 31, 2009 and Gordon, Hughes & Banks, LLP for the fiscal year ended March 31, 2008. On November 1, 2008, Gordon, Hughes & Banks, LLP resigned as the Company's independent registered public accounting firm. Gordon, Hughes & Banks, LLP had entered into an agreement with Eide Bailly LLP, pursuant to which Eide Bailly LLP acquired the operations of Gordon, Hughes & Banks, LLP and certain of the professional staff and shareholders of Gordon, Hughes & Banks, LLP joined Eide Bailly LLP either as employees or partners of Eide Bailly LLP and will continue to practice as members of Eide Bailly LLP. Concurrent with the resignation of Gordon, Hughes & Banks, LLP, the Company, through and with the approval of its Audit Committee, engaged Eide Bailly LLP as its independent registered public accounting firm.

We expect that a representative of Eide Bailly LLP will be present at the Annual Meeting and will be available to respond to appropriate questions, and such representative will have the opportunity to make a statement at the meeting.

During our two most recent fiscal years and any subsequent interim period preceding June 29, 2009, there were no disagreements between us and Eide Bailly LLP, on any matter of accounting principles or practices, financial disclosure, or auditing scope or procedure.
