Voting Agreement

Items 3 and 5 are incorporated herein by reference.

Voting Trust Agreements

Edgar Filing: MOLSON COORS BREWING CO - Form SC 13D/A

The Adolph Coors Jr. Trust, Pentland, Subco and the Canadian Trustee entered into the Canadian Voting Trust Agreement with respect to the Class A Exchangeable Shares owned by Pentland and Subco following the completion of the merger. The Adolph Coors Jr. Trust, Pentland and the U.S. Trustee entered into the U.S. Voting Trust Agreement with respect to the Class A Common Stock owned by the Adolph Coors Jr. Trust and Pentland following the completion of the merger. The Voting Trust Agreements provide that other members of the Molson family group or Coors family group, each as defined in the Voting Trust Agreements, may become parties to these agreements from time to time. Each of the Voting Trust Agreements is incorporated by reference to Exhibit 99.2 and Exhibit 99.3, respectively. Each of the Voting Trust Agreements contains substantially identical terms.

The Adolph Coors Jr. Trust, Pentland and Subco entered into the Voting Trust Agreements in order to secure their respective obligations to vote the Class A Common Stock beneficially owned by the Adolph Coors Jr.

Trust and Pentland; and the Class A Exchangeable Shares owned by Pentland and Subco in the manner agreed upon in the Voting Agreement and more generally to combine their voting power over the Class A Common Stock and the Class A Exchangeable Shares owned by them. The shares of Class A Common Stock and the Class A Exchangeable Shares deposited with the Trustees, will be voted as a block by the U.S. Trustee and the Canadian Trustee, respectively, as follows:

- All securities subject to the Voting Trust Agreements will be voted at any Company stockholder meeting in favor of director nominees that have been nominated by the nominating committee of the Board of Directors of the Company or the Class A-M or Class A-C Nominating Subcommittees (as such subcommittees exist under the Company's Restated Certificate of Incorporation) of the Board of Directors of the Company, and against any other director nominees;
- If the representative of the Molson family beneficiaries or the representative of the Coors family beneficiaries under the Voting Trust Agreements so instructs the Trustees, the Trustees will vote at any Company stockholder meeting all securities subject to the Voting Trust Agreements in favor of the removal of a director nominated or appointed by the Class A-M Nominating Subcommittee of the Board of Directors of the Company or the Class A-C Nominating Subcommittee of the Board of Directors of the Company, respectively, from the Board of Directors of the Company; the Trustees will otherwise vote at any Company stockholder meeting all the shares against a removal of those directors;
- Unless the representatives of both the Molson family group beneficiaries and the Coors family group beneficiaries under the Voting Trust Agreements instruct the Trustees to vote otherwise, all securities subject to the Voting Trust Agreements will be voted at any Company stockholder meeting in accordance with the recommendation of the Board of Directors of the Company with respect to any other proposal at any Company stockholder meeting to remove a director from the Board of Directors of the Company;
- With respect to all corporate matters other than those described above relating to the election and removal of directors and those described below relating to the Class A Exchangeable Shares, all securities subject to the Voting Trust Agreements will be voted at any Company stockholder meeting against the approval of any matter unless the Trustees receive instructions from the representatives of both the Molson family beneficiaries and the Coors family beneficiaries under the Voting Trust Agreements to vote in favor of the approval of the matter; and
- If the holders of Class A Exchangeable Shares (in their capacity as shareholders of Exchangeco and not in their capacity as indirect holders of voting rights with respect to the Company) are required to vote on certain proposals that would materially adversely affect the terms of either class of exchangeable shares of Exchangeco or modify or terminate a voting and exchange trust agreement between the Company and Exchangeco, then the Class A Exchangeable Shares will be voted against any proposal if the representative of the Molson family group, has instructed the Trustees to vote against the proposal (even if the representative of the Molson family group has otherwise forfeited the right to provide instructions to the Trustees as described below).

Edgar Filing: MOLSON COORS BREWING CO - Form SC 13D/A

The LLC, as sole trustee of the Adolph Coors Jr. Trust, is the representative to act on behalf of the beneficiaries of the Coors family group and Pentland is the representative to act on behalf of the beneficiaries of the Molson family group under the Voting Trust Agreements. Pentland will forfeit the right to provide instructions to the Trustees with respect to any of the above matters other than as indicated above if Pentland and any other beneficiary of the Molson family group cease to beneficially own, in the aggregate, a number of shares of Class A Common Stock, Class B Common Stock, Class A Exchangeable Shares and Class B Exchangeable Shares (as adjusted for any stock split, recapitalization, reclassification, reorganization or similar transaction) equal to at least 3,379,552 shares of the Class A Common Stock, Class B Common Stock, Class A Exchangeable Shares and Class B Exchangeable Shares outstanding on the date of the completion of the merger, of which at least 1,650,000 shares must be Class A Common Stock (and/or Class A Exchangeable Shares) subject to the Voting Trust Agreements. Similarly, the LLC, as sole trustee of the Adolph Coors Jr. Trust, will forfeit the right to provide instructions to the Trustees with respect to the above matters other than as indicated above if the Adolph Coors Jr. Trust and any other beneficiaries of the Coors family group cease to beneficially own, in the aggregate, a number of shares of Class A Common Stock, Class B Common Stock, Class A Exchangeable Shares and Class B Exchangeable Shares (as adjusted for any stock split, recapitalization, reclassification, reorganization or similar transaction) equal to at least 5,069,328 shares of Class A

Common Stock, Class B Common Stock, Class A Exchangeable Shares and Class B Exchangeable Shares outstanding on the date of the completion of the merger, of which at least 1,650,000 shares must be Class A Common Stock (and/or Class A Exchangeable Shares) subject to the Voting Trust Agreements. In the event of a forfeiture by either family of the above rights, the U.S. Trustee or Canadian Trustee, as applicable, under the Voting Trust Agreements will vote all shares at the direction of the representative of the other family acting on its own. If both families forfeit the above rights, the Voting Trust Agreements will terminate.

The Voting Trust Agreements also contain restrictions on the transfer of the securities subject to the Voting Trust Agreements. A Molson family beneficiary or a Coors family beneficiary under the Voting Trust Agreements may transfer its interest in securities subject to the Voting Trust Agreements to any other beneficiary under the relevant Voting Trust Agreements or to members of its family group, so long as the transferee is or becomes a party to the Voting Trust Agreements with respect to such transferred securities. Shares of Class A Common Stock and Class A Exchangeable Shares subject to the Voting Trust Agreements must be converted into shares of Class B Common Stock (or Class B Exchangeable Shares, as applicable) before they can be transferred to any persons that are not beneficiaries under the Voting Trust Agreements or members of the Molson or Coors family groups. Any shares of Class A Common Stock and Class A Exchangeable Shares so converted will no longer be subject to the Voting Trust Agreements.

The Voting Trust Agreements prohibit any Molson family beneficiary from transferring its interest in shares of Class A Common Stock and Class A Exchangeable Shares subject to the Voting Trust Agreements to a third party (or converting these shares into shares of Class B Common Stock or Class B Exchangeable Shares) if the remaining shares subject to the Voting Trust Agreements would constitute less than 50.1% of the aggregate voting power of the outstanding shares of Class A Common Stock and Class A Exchangeable Shares, unless prior to the proposed transfer or conversion, the number of shares of the Coors family beneficiaries subject to the Voting Trust Agreements, is less than 2,520,000 (as adjusted for any stock split, recapitalization, reclassification, reorganization or similar transactions).

Each of Pentland and any other Molson family group beneficiary, and the Adolph Coors Jr. Trust and any other Coors family beneficiary who become parties to the Voting Trust Agreements is also prohibited from transferring its interest in shares of Class A Common Stock and Class A Exchangeable Shares subject to the Voting Trust Agreements if, as a result of the transfer, the right of holders of shares of Class B Common Stock or the right of holders of Class B Exchangeable Shares to convert into shares of Class A Common Stock or Class A Exchangeable Shares, respectively, in limited circumstances relating to specified offers which are not made to holders of Class B Common Stock or Class B Exchangeable Shares would be triggered. The Trustees under these Voting Trust Agreements are authorized, unless both family group beneficiaries give instructions to the contrary, in the event of such specified offers, to deliver a notice providing the Company with adequate assurances that the family group beneficiaries will not participate in the specified offers.

The foregoing descriptions of the U.S. Voting Trust Agreement and the Canadian Voting Trust Agreement are qualified in their entirety by reference to the full and complete text of the U.S. Voting Trust Agreement and the Canadian Voting Trust Agreement, which are filed herewith as [Exhibit 99.2](#) and [Exhibit 99.3](#), respectively, and incorporated herein by reference.

Registration Rights Agreement

The Registration Rights Agreement provides that the beneficiaries of the Voting Trust Agreements and the Other Molson Stockholders, as well as members of the Coors family group and the Molson family group, collectively referred to as the **eligible stockholders**, that propose to sell Registrable Securities (as defined below) may request that the Company effect the registration on Form S-3 or other available form under the Securities Act and, if applicable, a Canadian prospectus under the Canadian securities laws and the multi-jurisdictional disclosure system. Upon receipt of such a request, the Company is required to promptly give written notice of such requested registration to all holders of registrable securities and, thereafter, to use its reasonable best efforts to effect such a registration of all registrable securities which it has been requested to register pursuant to the terms of the Registration Rights Agreement. The Company may choose to register such stock pursuant to a U.S. and

Edgar Filing: MOLSON COORS BREWING CO - Form SC 13D/A

Canadian shelf registration statement. Each beneficiary representative under the Voting Trust Agreements and each Other Molson Stockholder is eligible to request no more than five registrations. The Company will not be required to effect such registration if such requests relate to a sale of less than \$25 million of Registrable Securities.

The term **Registrable Securities** means Class B Common Stock issued or issuable upon conversion of Class A Common Stock, Class B Exchangeable Shares, or Class A Exchangeable Shares or other Class B Common Stock, held by eligible stockholders.

If an eligible stockholder requests registration of any of its Registrable Securities, the Company is required to prepare and file a registration statement with the Commission as soon as possible, and no later than 90 days after receipt of the request.

The Company will pay all of its expenses and the expenses of the eligible stockholders, other than underwriting discounts and selling commissions of the seller, in connection with the successfully effected registrations requested.

The eligible stockholders may request that any offering requested by them under the Registration Rights Agreement be an underwritten offering. The eligible stockholders may also select one or more underwriters to administer the requested offering, but the selection of underwriters will be subject to approval, which approval will not be unreasonably withheld, by the Company.

The Registration Rights Agreement also provides that, with certain exceptions, the eligible stockholders will have certain piggy-back registration rights.

The Registration Rights Agreement will terminate as to an eligible stockholder on the earliest of the date on which the sale of the securities of such eligible stockholder subject to the Registration Rights Agreement do not require registration under the United States securities laws or are subject to limitations under Rule 144 promulgated under the Securities Act, would not be a distribution under Canadian securities law, or the date upon which there are no holders of registrable securities that have not been sold to the public.

The foregoing description of the Registration Rights Agreement is qualified in its entirety by reference to the full and complete text of the Registration Rights Agreement, which is filed herewith as Exhibit 99.4 and incorporated herein by reference.

Loan Agreement

On December 12, 2014, a total of 10,960,860 shares of Class B Common Stock beneficially owned by the LLC have been pledged as collateral security for guaranty of repayment of a loan made by a bank to ACC Financing LLC, a Delaware limited liability company (**ACC Financing**). The sole members of ACC Financing are limited liability companies wholly owned by respective Coors Family Trusts. This pledge is evidenced by customary security agreement and other loan agreements to secure the collateral pledged thereunder. The terms of the loan require the pledged shares of Class B Common Stock to meet minimum value requirements in respect of the size of the loan, which could result in additional of shares of Class B Common Stock being pledged if the value of the Class B Common Stock decreases.

Other than as described in this Schedule 13D and in the agreements and documents attached as exhibits hereto or incorporated herein by reference, to the best knowledge of the Reporting Persons, there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the Reporting Persons and any other person with respect to any securities of the Company. The following, however, describes certain relationships between and among the LLC, the Coors Family Trusts, and the individuals identified on Schedule A attached hereto.

Pursuant to the Operating Agreement of the LLC, each of the Coors Family Trusts are administered and managed by a Trust Committee consisting of three to five LLC Directors whose actions and decisions are final and binding, and constitute the actions and decisions of all LLC Directors as if the LLC Directors had so acted or decided, except that the LLC Directors have the limited power and authority to act or decide for a Trust Committee only if:

- (i) the Trust Committee is unable to act or decide and makes a formal appeal to the LLC Directors to resolve the matter, or if the matter involves a legally required act or decision, no formal appeal is necessary for the LLC Directors to so act or decide when the Trust Committee is unable to do so; and
- (ii) the act or decision of a Trust Committee with respect to investment of an individual trust's assets is in conflict with the investment strategy and best interests of the Coors Family Trusts as a whole as reflected in the investment strategy of the other Trust Committees.
