**Item 1.01. Entry into a Material Definitive Agreement.**

On July 5, 2016, Thompson Creek Metals Company Inc., a corporation incorporated under the laws of British Columbia, Canada (the Company), entered into an Arrangement Agreement (the Agreement) and an accompanying letter agreement with Centerra Gold Inc., a corporation incorporated under the laws of Canada (Centerra), pursuant to which Centerra will acquire all of the outstanding common shares of the Company (the TCM Common Shares) pursuant to a statutory plan of arrangement under the Business Corporations Act (British Columbia) (the Arrangement).

Subject to the terms and conditions of the Agreement, at the effective time of the Arrangement, each outstanding TCM Common Share, other than TCM Common Shares with respect to which dissent rights have been properly exercised and not withdrawn, will be exchanged for 0.0988 (the Share Exchange Ratio) of a common share of Centerra (a Centerra Common Share). Pursuant to the Arrangement, (i) all outstanding restricted stock unit awards and performance stock unit awards will be accelerated and exchanged for Centerra Common Shares at the Share Exchange Ratio, and (ii) each outstanding stock option to purchase TCM Common Shares, whether vested or unvested, will be converted automatically at the effective time of the Arrangement into a stock option denominated in Centerra Common Shares based on the Share Exchange Ratio and subject to terms and conditions substantially identical to those in effect at the effective time of the Arrangement. In addition, on or about the effective time of the Arrangement, the Company's 9.75% senior secured notes due 2017, 7.375% senior unsecured notes due 2018 and 12.5% senior unsecured notes due 2019 (collectively, the Notes) will be redeemed, or otherwise satisfied and discharged, in their entirety for cash pursuant to the terms of the Agreement and the respective indentures for the Notes.

The closing of the Arrangement is subject to satisfaction of certain conditions, including, among others: (i) approval of the Arrangement by the Company's shareholders; (ii) approval by the Supreme Court of British Columbia; (iii) receipt of any regulatory or stock exchange approvals, including approval of the Toronto Stock Exchange; (iv) the accuracy of representations and warranties of, and compliance with covenants by, the other party; (v) no legal proceeding that prohibits completion of the Arrangement; (vi) there shall have not occurred any event that could reasonably be expected to have a material adverse effect of the other party; and (vii) holders of not more than 5% of the TCM Common Shares exercising dissent rights.

The Company and Centerra have made customary representations, warranties and covenants in the Agreement, including, among other things, covenants (i) with respect to the conduct of their respective businesses during the interim period between the execution of the Agreement and consummation of the Arrangement and (ii) prohibiting the Company from soliciting alternative acquisition proposals and providing information to or engaging in discussions with third parties, except in the limited circumstances as provided in the Agreement.

The Agreement contains certain customary termination rights for both the Company and Centerra, including, among other things, a termination right for either party if the transaction is not consummated by October 31, 2016 or if Centerra's financing to fund the transactions contemplated by the Agreement is terminated. In addition, upon termination of the Agreement under specified circumstances, including a change in the recommendation of the Company's board of directors or in order to enter into an alternative transaction, the Company will be required to pay a cash termination fee to Centerra of \$35 million.

Concurrently, and in connection with entering into the Agreement, certain of the Company's directors and executive officers entered into voting and support agreements with Centerra (the Support Agreements) pursuant to which, subject to the conditions set forth therein, such directors and executive officers agree, among other things, (i) to vote all TCM Common Shares beneficially owned or controlled by them in favor of the approval and adoption of the Arrangement and the transactions contemplated thereby and (ii) to support actions necessary to consummate the Arrangement.
