Item 1.01. Entry into a Material Definitive Agreement

TDS Revolving Credit Agreement:

This Current Report on Form 8-K is being filed to disclose that, on May 10, 2018 (the "Effective Date"), Telephone and Data Systems, Inc. ("TDS" or the "Company") entered into a \$400,000,000 Credit Agreement by and among TDS as Borrower, Wells Fargo Bank, National Association, as Administrative Agent, and the other lenders party thereto and identified therein ("Revolving Credit Agreement").

The Revolving Credit Agreement provides TDS with a \$400,000,000 senior revolving credit facility for general corporate purposes, including working capital, non-hostile acquisitions, spectrum purchases and capital expenditures.

The following briefly describes the terms of the Revolving Credit Agreement:

Borrowings under the Revolving Credit Agreement bear interest, at TDS's option, either at a LIBOR rate or at an alternative base rate, plus an applicable margin. TDS's interest costs under the Revolving Credit Agreement are based on credit ratings from Standard & Poor's Rating Services, Moody's Investor Services or Fitch Ratings. If TDS's credit ratings were lowered, the credit facility would not cease to be available solely as a result of a decline in its credit ratings.

The two financial covenants described below are included in the Revolving Credit Agreement:

1. Consolidated Interest Coverage Ratio (the ratio of Consolidated EBITDA to Consolidated Interest Charges), may not be less than 3.00 to 1 as of the end of any fiscal quarter.

2. Consolidated Leverage Ratio (the ratio of Consolidated Funded Indebtedness to Consolidated EBITDA) may not be greater than the ratios indicated for each period specified below:

Period	Ratios
From the Effective Date through June 30, 2019	3.25 to 1.00
From July 1, 2019 and thereafter	3.00 to 1.00

The Revolving Credit Agreement will be unsecured.

The Revolving Credit Agreement provides, among other things, that TDS may not, and may not cause or permit any of its subsidiaries to sell, or incur or permit to exist any liens on, any property or assets now owned or hereafter acquired by TDS or by any such subsidiary, make investments, effect mergers or other fundamental changes, make dividends, distributions or other restricted payments, or enter into transactions with affiliates, other than as expressly excepted in the Revolving Credit Agreement.

The Revolving Credit Agreement includes representations and warranties, covenants, events of default and other terms and conditions that are substantially similar to TDS's existing revolving credit agreement.

A Change in Control, as such term is defined in the Revolving Credit Agreement, of TDS would constitute a default and would require all borrowings outstanding under the Revolving Credit Agreement to be repaid.

The continued availability of the Revolving Credit Agreement requires TDS to comply with certain negative and affirmative covenants, maintain the above financial ratios and provide representations on certain matters at the time of each borrowing.

Amounts under the Revolving Credit Agreement may be borrowed, repaid and reborrowed from time to time from and after the Effective Date until the maturity date. There are no outstanding borrowings under the Revolving Credit Agreement as of the Effective Date, except for letters of credit.

Amounts borrowed under the Revolving Credit Agreement will be due and payable in full on the fifth anniversary of the Effective Date.

The foregoing brief description is qualified by reference to the copy of the Revolving Credit Agreement attached hereto as Exhibit 4.1, which is incorporated herein by reference, and which identifies the lenders thereto.

Some of the lenders and/or agents under the Revolving Credit Agreement and/or their affiliates may have various relationships with TDS, its publicly-traded subsidiary, United States Cellular Corporation ("U.S. Cellular"), and their subsidiaries, involving banking or other financial services, including checking, cash management, brokerage, lending, investment banking, depository, indenture trustee and/or other services, including serving as a lender under Revolving Credit Agreement or other TDS and/or U.S. Cellular credit agreements.

TDS's first tier, wholly-owned subsidiaries (other than Suttle Straus, Inc.) have jointly and severally unconditionally guaranteed the payment and performance of the obligations of TDS under the Revolving Credit Agreement pursuant to a Guaranty dated the Effective Date. The form of the Guaranty is attached as an exhibit to the Revolving Credit Agreement attached hereto as Exhibit 4.1. Other subsidiaries that meet certain criteria will be required to provide a similar Guaranty in the future.

U.S. Cellular Revolving Credit Agreement and Term Loan Agreement:

Also, on May 10, 2018, U.S. Cellular, entered into a \$300,000,000 Credit Agreement (U.S. Cellular Revolving Credit Agreement), as disclosed in U.S. Cellular's Form 8-K dated May 10, 2018, which Form 8-K is incorporated by reference herein. The terms and conditions of the U.S. Cellular Revolving Credit Agreement are described in such Form 8-K and are substantially similar to those of TDS' Revolving Credit Agreement. A copy of the U.S. Cellular Revolving Credit Agreement, including the forms of the related Guaranty and Subordination Agreement attached thereto, is incorporated by reference herein as Exhibit 4.2.

In connection with the U.S. Cellular Revolving Credit Agreement, U.S. Cellular entered into an amendment dated May 10, 2018 to its Amended and Restated Credit Agreement dated June 15, 2016 (the Term Loan Agreement), in order to conform the Term Loan Agreement with the U.S. Cellular Revolving Credit Agreement. A copy of this amendment is incorporated by reference herein as Exhibit 4.3.

Item 1.02. Termination of a Material Definitive Agreement

In connection with and as a condition of entering into the Revolving Credit Agreement, on the Effective Date, TDS terminated its prior \$400,000,000 Credit Agreement by and among TDS as Borrower, Wells Fargo Bank, National Association, as Administrative Agent, and the lenders party thereto, dated as of June 15, 2016, except with respect to outstanding letters of credit. TDS did not incur any early termination penalties in connection with the termination. A description of such prior Credit Agreement and a description of any material relationships between TDS and its affiliates and any of the other parties to the prior Credit Agreement are included in TDS's Form 8-K dated June 15, 2016, and are incorporated by reference herein.

Also, on May 10, 2018, U.S. Cellular terminated its Revolving Credit Agreement dated June 15, 2016, except with respect to outstanding letters of credit, as disclosed in U.S. Cellular's Form 8-K dated May 10, 2018, which is incorporated by reference herein.
