EXPLANATORY NOTE

This Post-Effective Amendment No. 1 to the Registration Statement on Form S-3, File No. 333-221993 (the **Registration Statement**), is being filed pursuant to Rule 414 under the Securities Act of 1933, as amended (the **Securities Act**), by Ashford Inc. (formerly known as Ashford Holdings Corp.), a Maryland corporation (the **Company** or the **Registrant**), as the successor registrant to Ashford OAINC Inc. (formerly named Ashford Inc.), a Maryland corporation and the former publicly-traded parent of the **Company** (the **Predecessor**).

On August 8, 2018, in connection with the business combination and transactions contemplated by that certain Combination Agreement, dated April 6, 2018, the Predecessor effected a holding company reorganization in which the **Company** became the parent company of the Predecessor (the **Reorganization**). To effect the Reorganization, the Predecessor formed the **Company** and in turn caused the **Company** to form Ashford Merger Sub Inc., a Maryland corporation and wholly owned subsidiary of the **Company** (**Merger Sub**). The Reorganization and change in holding company organizational structure was implemented by merging Merger Sub with and into the Predecessor, with the Predecessor surviving as a wholly owned subsidiary of the **Company** and, by virtue of the merger, each issued and outstanding share of common stock, par value \$0.01 per share, of the Predecessor was converted into one share of common stock, par value \$0.01 per share, of the **Company** having the same rights, powers and preferences and the same qualifications, limitations and restrictions as a share of the Predecessor's common stock. The **Company** is the successor issuer of the Predecessor under Rule 12g-3 of the Securities Exchange Act of 1934, as amended (the **Exchange Act**).

In accordance with Rule 414(d) under the Securities Act, the **Company**, as the successor issuer to the Predecessor, hereby expressly adopts the Registration Statement as its own registration statement (except as specifically amended by this Post-Effective Amendment No. 1) for all purposes of the Securities Act and the Exchange Act, as updated by subsequent filings under the Exchange Act. Registration fees were paid at the time of the original filing of the Registration Statement. No changes are being made hereby to the prospectus which forms a part of the Registration Statement.

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in this registration statement; *provided, however*, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

PART II-1

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x), for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; *provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, in a primary offering of securities of the registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the registrant to the purchaser.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable.
