**PROSPECTUS SUPPLEMENT NO. 3**

**TO PROSPECTUS DATED DECEMBER 18, 2006**

**BROADCASTER, INC.**

**33,114,562 Shares of Common Stock**

This prospectus supplement supplements and amends the prospectus dated December 18, 2006 and replaces supplements numbers 1 and 2 dated January 23, 2007 and February 8, 2007 respectively relating to the resale by certain selling stockholders of up to 33,114,562 shares of common stock of Broadcaster, Inc.

This prospectus supplement should be read in conjunction with the prospectus. This prospectus supplement is not complete without, and may not be delivered or utilized except in connection with, the prospectus.

On January 4, 2007, Broadcaster, Inc., AccessMedia Networks, Inc., Andrew Garroni, as stockholders representative, and the former stockholders of AccessMedia Networks, Inc. entered into an Amendment to the Amended and Restated Agreement and Plan of Merger (the Amendment), which modified the earn-out payment provision. The definition of revenue used to measure whether certain target revenue performance levels are met was amended to include the number of monthly unique visitors to Broadcaster's website multiplied by one dollar (\$1.00).

The Amendment was made in response to Broadcaster's shift from a subscription revenue model to an advertising revenue model based on unique page visits similar to that used by YouTube and other Internet entertainment portals. The subscription model is currently in the process of being phased out. Broadcaster anticipates it will take approximately seven to eight months to fully switch over to an advertising based revenue model.

At a meeting of the Broadcaster Board of Directors ( Board ) on February 1, 2007, the Board of Directors concluded that the first revenue target of \$20 million had been exceeded as of December 31, 2006. Accordingly, Broadcaster issued 7,000,000 additional shares of common stock, with the four limited liability companies controlled by Mr. Nolan Quan receiving 5,040,000 shares of common stock and Mr. Michael Gardner receiving 1,960,000 shares. In addition, another 350,000 additional shares were issued to Baytree Capital Associates, LLC ( Baytree ), a company controlled by Mr. Gardner under a Consulting Agreement through which Baytree receives an additional 5% of any earn-out shares. As the result of the issuance of these shares, Messrs. Gardner and Quan beneficially owned a majority of the outstanding shares. As a result, the Parent and Company Voting Agreements which controlled selection of the Board of Directors expired. At the same meeting, the Board approved the issuance of 100,000 shares of its common stock to a third party for services rendered or to be rendered and 1,645,500 stock options to various employees.

At a meeting of the Broadcaster Board of Directors on March 14, 2007, the Board concluded that the second, third and fourth revenue targets of \$40 million, \$55 million, and \$80 million respectively had been exceeded as of that date. Accordingly, it approved the issuance of 21,000,000 additional shares of common stock, with the four limited liability companies controlled by Mr. Nolan Quan receiving 15,120,000 shares of common stock and Mr. Michael Gardner receiving 5,880,000 shares. In addition, another 1,050,000 additional shares were issued to Baytree under its Consulting Agreement. Baytree received an additional 50,000 shares under the same Consulting Agreement for services rendered in connection with a related transaction, the asset acquisition of America's Biggest, Inc. which closed in September 2006. Baytree waived the \$25,000 cash fee to which it was entitled.

Applicable percentages are based on 95,132,118 shares outstanding on March 14, 2007, including 21,100,000 shares authorized for issuance on March 14, 2007, adjusted as required by rules of the SEC. Beneficial ownership is determined under the rules of the SEC and generally includes voting or investment power with respect to securities. Shares of common stock subject to options, warrants and convertible notes currently exercisable or convertible, or exercisable or convertible within 60 days after the date of this Information Statement are deemed outstanding for computing the percentage of the person holding such options but are not deemed outstanding for computing the percentage of any other person. Unless otherwise indicated in the footnotes to this table and subject to any applicable community property laws, Broadcaster believes that each of the shareholders named in the table have sole voting and investment power with respect to the shares of common stock indicated as beneficially owned by them.

(12)

As a result of a mutual understanding to act together with respect to all matters affecting or relating to the common stock of Broadcaster, Inc., Mr. Gardner, Baytree Capital, a company controlled by him, Mr. Gardner, and Mr. Nolan Quan are deemed to be the beneficial owners of each others shares of common stock. Mr. Quan controls four limited liability companies and is deemed to be the beneficial owner of the shares owned by these companies. The actual numbers used in computing this sum are:

- 

Mr. Quan 41,140,000 shares, 100,000 of which are owned by a family trust of which Mr. Quan is a trustee and the balance by the limited liability companies, and

- Mr. Gardner 19,984,300 shares, including 3,900,000 shares owned by Baytree Capital.

Edgar Filing: BROADCASTER INC - Form 424B3

The numbers owned of record and beneficially by Mr. Gardner do not include 3,089,188 shares of our common stock owned by MBYI Liquidating Trust. Mr. Gardner owns a 6.7% interest in the trust, but is not a beneficial owner of the shares under the rules of the SEC as described in footnote (1) above.
