Item 1.01. Entry Into a Material Definitive Agreement

Effective December 7, 2005, in connection with a second closing of a private placement, we entered into a Subscription Agreement and Stock Purchase Agreement with an investor ("Investor") pursuant to which such Investor purchased, in the aggregate, 187,500 Units for a purchase price per Unit of \$.80, or \$150,000 gross proceeds in the aggregate. Each Unit consists of (i) one share of our common stock, (ii) a warrant to purchase one share of our common stock at an exercise price of \$1.00 per share, which warrant is exercisable for a three-year period from the date of issuance (such private placement referred to as the "Offering").

Edgar Filing: BRAINSTORM CELL THERAPEUTICS INC - Form 8-K

The Subscription Agreement provides certain registration rights in connection with the Offering as follows. We intend to raise up to an additional \$600,000 in gross proceeds pursuant to additional closings under the Offering (the shares of common stock issued as part of the Offering and the shares of common stock into which the warrants that are being issued as part of the Offering are exercisable are referred to below as "Common Shares"). We intend to file a Registration Statement on Form SB-2 (or an alternative available form if we are not eligible to file a Form SB-2) covering the Common Shares no later than forty five (45) days after the final closing under the Offering and will use our reasonable best efforts to cause such Registration Statement to be declared effective within ninety (90) days thereafter. In the event the Registration Statement has not been declared effective within 135 days of such closing of the Offering, we will pay to the Investors liquidated damages equal to 1.0% of the amount invested for each subsequent 30-day period until such Registration Statement is declared effective. The above registration rights will also be applicable to the first closing of the Offering reported in our Current Report on Form 8-K dated September 30, 2005.

Item 3.02. Unregistered Sales of Equity Securities

Effective December 7, 2005 we had a second closing of a private placement and received gross proceeds of \$150,000 in the aggregate from an investor pursuant to which such investor purchased, in the aggregate, 187,500 Units for a purchase price per Unit of \$.80. Each Unit consists of (i) one share of our common stock and (ii) a warrant to purchase one share of our common stock at an exercise price of \$1.00 per share, which warrant is exercisable for a three-year period from the date of issuance.

We retained Octagon Trading Group LLC as a placement agent in connection with the Offering. Under the terms of our agreement, Octagon will (i) receive a cash fee of ten percent (10%) of the total proceeds raised in the Offering (and six percent (6.0%) of the proceeds actually received by us from the exercise of any warrants issued as part of the Offering) and (ii) be issued a warrant valid for five years post closing to purchase a total of ten percent (10.0%) of the total proceeds raised in the Offering at an exercise price of \$1.50 per share, which will be determined using a black scholes calculation. The warrant will be issued following subsequent closings under the Offering.

We believe that such transactions were exempt from the registration requirements of the Securities Act of 1933 by virtue of Regulation D promulgated thereunder.
