Item 5.02 Departures of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On December 9, 2009, the Board of Directors of TechTeam Global, Inc. (the “Company”) authorized the execution of indemnification agreements with directors and officers of the Company. A form of the Indemnification Agreement to be entered into is attached hereto as Exhibit 2.1 and is incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On December 9, 2009 and effective immediately, the Board of Directors of the Company approved amendments to, and the restatement of, the Company’s Bylaws. The material provisions of these amendments (a) clarify the indemnification rights of directors, officers, employees and other persons, and (b) reduce the percentage of shareholders required to call a special meeting of shareholders from sixty (60%) percent to thirty (30%) percent.

The amendments, among other things:

- Provide that indemnification of current and former officers and directors is mandatory, while indemnity of employees and agents will be at the discretion of the Board of Directors.
- Provide that the mandatory indemnification of officers and directors will be made to the fullest extent permitted by Delaware law, including any future amendments to or repeals of the applicable Delaware provisions.
- Provide that a person’s right to indemnification is not limited to alleged actions taken in such person’s official capacity.
- Provide that a person’s right to indemnification and advancement of expenses, as applicable, is a contractual right and vests at the time of such person’s service to, or at the request of, the Company.
- Provide for indemnified persons to receive an advance of expenses for indemnifiable proceedings, subject to certain conditions, and allow the Board of Directors to authorize the advancement of expenses to other persons.
- Establish the rights and procedures for a claimant to bring suit against the Company for indemnification amounts if such amounts are not paid within 30 days.
- Provide that no person shall be entitled to indemnity for amounts paid (i) in settlement of any claims unless the Company consents in writing to such settlement or (ii) in satisfaction of any judicial award if the Company was not given a reasonable and timely opportunity to participate in the defense of such claim.

- Provide that if the Bylaws are amended, modified or repealed, such provisions cannot alter a person's right to indemnification or the advancement of expenses prior to the date of such amendment, modification or repeal.
- Provide that shareholders owning at least thirty (30%) percent of all of the issued and outstanding capital stock of the Company and entitled to vote at such meeting can call a special meeting of the shareholders.

In addition, technical changes were made to conform to current Delaware law, expand the scope of proceedings and types of expenses to be covered by indemnification rights, as well as other clarifications and enhancements generally.

The foregoing summary is qualified in its entirety by reference to the Company's Bylaws, as Amended and Restated, as of December 9, 2009, which are attached hereto as Exhibit 3.1 and are incorporated herein by reference.
