May 28, 2010 (China time)

This Proxy Statement contains important information for you to consider when deciding how to vote on the matters to be brought before the Annual Meeting. Please read it carefully.

ABOUT THE ANNUAL MEETING

WHO IS SOLICITING MY VOTE?

The Board of Directors of the Company is soliciting your vote in connection with the 2010 Annual Meeting of Stockholders.

WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

The Annual Meeting will be the Company’s annual meeting of stockholders. You will be voting on the following matters at the Annual Meeting:

1. The election of five directors to the Board of Directors of the Company to serve until the next annual meeting of stockholders held to elect directors and until their successors are elected and qualified;
2. The ratification of the appointment of Goldman Parks Kurland Mohidin, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2010; and,
3. The transaction of such other business as may properly come before the Annual Meeting.

WHY IS THE COMPANY SEEKING STOCKHOLDER APPROVAL FOR THESE PROPOSALS?

Proposal No. 1: The Nevada Revised Statutes and rules applicable to the Company as a result of the listing of our common stock on the NASDAQ Global Market require corporations to hold elections for directors each year.

Proposal No. 2: The Company appointed Goldman Parks Kurland Mohidin, LLP to serve as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2010. The Company elects to have its stockholders ratify such appointment.

HOW DOES THE BOARD OF DIRECTORS RECOMMEND I VOTE?

The Board of Directors recommends a vote:

1. For the election of Messrs. Ying He, Zongshu Nie, Edward Hua, Arnold Staloff and Qi Hua Xu as directors; and,
2. For the ratification of the appointment of Goldman Parks Kurland Mohidin, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2010.

WHO MAY ATTEND THE ANNUAL MEETING?

All stockholders who held shares of our common stock on April 13, 2010 may attend. If your stock is held in the name of a broker, bank, or other holder of record, often referred to as being held in "street name," just bring a copy of your brokerage account statement or a proxy card, which you can get from your broker, bank or other holder of record of your stock.

WHO CAN VOTE AT THE MEETING?

The record date for the 2010 Annual Meeting of Stockholders is April 13, 2010 (the "Record Date"). Only stockholders of record at the close of business on the Record Date are entitled to:

- (a) receive notice of the meeting; and,
- (b) vote at the meeting and any adjournment or postponement of the meeting.

On the Record Date, 32,631,748 shares of our common stock, par value \$.001 per share, were outstanding. Each stockholder is entitled to one vote for each share of common stock held on the Record Date, as described under "Voting Securities" in this proxy statement. There is no cumulative voting.

HOW DO I VOTE?

You may vote in person at the Annual Meeting or you may appoint a proxy, by mail, to vote your shares. If you return a signed proxy card but do not provide voting instructions, your shares will be voted FOR all of the proposals to be voted on at the meeting.

WHAT ARE THE DIFFERENT METHODS THAT I CAN USE TO VOTE MY SHARES OF COMMON STOCK?

By Written Proxy: Stockholders of record can vote by marking, signing and timely returning the enclosed proxy card. Street name or beneficial holders must follow the directions provided by their broker, bank or other nominee in order to direct such broker, bank or nominee how to vote.

In Person: All stockholders of record may vote in person at the Annual Meeting. Street name or beneficial holders must obtain a legal proxy from their broker, bank or nominee prior to the Annual Meeting in order to vote in person.

HOW MANY VOTES MUST BE PRESENT TO HOLD THE MEETING?

At least a majority of our outstanding shares of common stock, as of the Record Date, must be present at the Annual Meeting in order for us to hold the Annual Meeting and conduct business. This is called a quorum. Shares of our common stock are counted as present at the Annual Meeting if the holder of such shares:

- (a) is present and votes in person at the Annual Meeting; or,
- (b) has properly submitted a proxy card.

Abstentions are counted as present for the purpose of determining the presence of a quorum.

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. You may revoke your proxy card at any time before its exercise at the Annual Meeting by giving our Corporate Secretary written notice revoking your proxy card, submitting a duly executed proxy card bearing a later date or by your attendance at the Annual Meeting and electing to vote in person.

WILL MY STOCK BE VOTED IF I DO NOT PROVIDE MY PROXY?

Your stock may be voted if it is held in the name of a brokerage firm even if you do not provide the brokerage firm with voting instructions. Brokerage firms have the authority under the rules of The NASDAQ Stock Market LLC (the "NASDAQ") to vote stock for which their customers do not provide voting instructions on certain "routine" matters. Proposals One and Two are considered "routine" matters under the NASDAQ Marketplace Rules.

HOW MANY VOTES ARE NEEDED TO APPROVE OUR PROPOSALS?

Directors are elected by the affirmative vote of a plurality of the shares of common stock present in person or by proxy and entitled to vote. Abstentions and broker non-votes are not counted for purposes of the election of directors and, therefore, will have no effect on the outcome of such election. The ratification of the appointment of Goldman Parks Kurland Mohidin, LLP as the Company's independent registered public accountants requires the affirmative vote of a majority of the votes cast on the proposal. Other matters that may properly come before the annual meeting may require a majority or more than a majority vote under our By-laws, our Articles of Incorporation, the laws of the state of Nevada or other applicable laws.

WHO PAYS FOR THIS PROXY SOLICITATION?

The Company bears the expense of printing and mailing proxy materials. In addition to this solicitation of proxies by mail, some of our employees may solicit proxies by personal interview, telephone, facsimile or email. These individuals will not be paid any additional compensation for any such solicitation.

VOTING SECURITIES

Our \$.001 par value common stock is the only class of capital stock authorized by our Articles of Incorporation. The number of shares of our common stock which may be voted at the meeting or any adjournment or postponement thereof is 32,631,748 shares, which was the number of shares outstanding as of April 13, 2010. Each stockholder is entitled to one vote for each share of our common stock held. There is no cumulative voting. Votes will be tabulated by an inspector of election appointed by our Board of Directors.

DELIVERY OF DOCUMENTS TO STOCKHOLDERS SHARING AN ADDRESS

Only one annual report and this proxy statement will be delivered to multiple stockholders sharing an address unless we have received contrary instructions from one or more of the stockholders. Upon written or oral request, the Company will deliver a separate copy of the annual report and this proxy statement to a stockholder at a shared address to which a single copy of the annual report and proxy statement was delivered. If you wish to receive a separate copy of the annual report or this proxy statement, please notify the Company by calling or sending a letter to our Corporate Secretary, Deer Consumer Products Inc., Area 2, 1/F, Building M-6, Central High-Tech Industrial Park, Nanshan, Shenzhen, China 518057. If requested, the Company will also provide such persons with copies of any exhibit to the Annual Report on Form 10-K for the year ended December 31, 2009 upon the payment of a fee limited to the Company's reasonable expenses in furnishing such exhibits.

PROPOSAL FOR ACTION AT THE ANNUAL MEETING

Proposal One:
Election of Directors

Our Articles of Incorporation and By-laws provide that the Board of Directors shall consist of at least one but not more than nine directors, the exact number of which may be fixed and changed from time to time by ordinary resolution of the stockholders of the Company. The Board of Directors has adopted a resolution establishing five (5) as the number of directors of the Company.

Our Articles of Incorporation and By-laws provide that the Board of Directors shall be elected at each annual meeting. Based on the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors has nominated its current members to be re-elected for another term.

Please see the section entitled “Director Nominees” below for information about the nominees for election as directors, their respective business experience and other pertinent information.

The person named in the accompanying proxy card intends to vote such proxy in favor of the election of the nominees named below, who are currently directors, unless authority to vote for the director is withheld in the proxy. Although the Board of Directors has no reason to believe that the nominees will be unable to serve as a director, if one of the nominees withdraws or otherwise becomes unavailable to serve, the person named as proxy will vote for any substitute nominee designated by the Board of Directors, unless contrary instructions are given on your proxy.

The affirmative vote of a plurality of the shares of our common stock present in person or by proxy at the meeting and entitled to vote is required for the election of directors. Proxies for which authority to vote for the nominee is withheld and broker non-votes will be tabulated for the purpose of computing the number of shares of our common stock present for the purpose of determining the presence of a quorum for the meeting. These proxies and broker non-votes will have no effect on the outcome of the election of the directors.

Our Board of Directors unanimously recommends a vote FOR the election of the nominees listed below as directors.

Dr. Xu has been appointed as the Chairman of our Compensation Committee and serves as a member of our Audit Committee and Nominating and Corporate Governance Committee. Dr. Xu has been a director of the Company since September 28, 2009.

CORPORATE GOVERNANCE

INDEPENDENCE OF DIRECTORS

Subject to certain exceptions, under the listing standards of NASDAQ, a listed company's board of directors must consist of a majority of independent directors. Our Board of Directors has determined that each of Messrs. Hua, Staloff and Xu are independent directors for the purposes of the NASDAQ's listed company standards currently in effect and approved by the SEC and all applicable rules and regulations of the SEC. We have established the following standing committees of the Board of Directors: Audit, Compensation and Nominating and Corporate Governance. All members of the Audit, Compensation and Nominating and Corporate Governance Committees satisfy the "independence" standards applicable to members of each such committee. The Board of Directors made this affirmative determination regarding these directors' independence based on discussions with the directors and on its review of the directors' responses to a standard questionnaire regarding employment and compensation history; affiliations, family and other relationships; and, on transactions by the directors with the Company, if any. The Board of Directors considered relationships and transactions between each director, or any member of his immediate family, and the Company, its subsidiaries and its affiliates. The purpose of the Board of Directors' review with respect to each director was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent under the NASDAQ rules.

MEETINGS OF THE BOARD OF DIRECTORS

Our Board of Directors held four quarterly meetings and one special meeting during fiscal year 2009, which does not include actions taken by written consent or committee meetings. Each director attended at least 75% of the meetings of the Board of Directors held during the period for which he has been a director and the meetings of the Board committees on which he served during the periods that he served in fiscal year 2009. Under our Corporate Governance Guidelines, directors are expected to attend all meetings of our Board of Directors, all meetings of any committee of which he is a member and the annual meeting of stockholders, and to spend the time necessary to discharge properly his respective duties and responsibilities. All members of the Board of Directors were in attendance at the Company's 2009 Annual Meeting of Stockholders.

BOARD LEADERSHIP STRUCTURE AND ROLE IN RISK OVERSIGHT

Mr. He has served as our Chairman of the Board of Directors and Chief Executive Officer since September 28, 2009. Mr. He had served previously as our Chairman, Chief Executive Officer and President since his appointment on September 3, 2008. We continue to believe that our leadership structure is appropriate because Mr. He is the largest individual stockholder, takes an active role in board functions, is intimately familiar with the Company's operations and was one of the original founders of Winder in 2001, which is now a wholly owned subsidiary of the Company. Under Mr. He's leadership, our management team has executed a strategy that has significantly improved our earnings growth, cash flow stability, and competitiveness in both the export market and China domestic market. We do not currently have a lead independent director because of the size of the Board of Directors.

As part of its oversight functions, the Board of Directors is responsible for the oversight of risk management at the Company. Our Board of Directors delegates risk oversight to our Audit Committee, which considers and addresses risk assessment and risk management issues and concerns, and reviews with management the Company's major risk exposures and the steps management has taken to monitor and control such exposures.

COMMITTEES OF THE BOARD OF DIRECTORS

Audit Committee

We established our Audit Committee in April 2009. The Audit Committee consists of Messrs. Hua, Staloff and Xu, each of whom is an independent director. Mr. Staloff, Chairman of the Audit Committee, is an “audit committee financial expert,” as defined under Item 407(d) of Regulation S-K. The purpose of the Audit Committee is to represent and assist our Board of Directors in its general oversight of our accounting and financial reporting processes, audits of the financial statements and internal control and audit functions. The Audit Committee held four meetings during fiscal year 2009, which does not include actions taken by written consent. The Board of Directors has adopted a written charter for the Audit Committee, the current copy of which is available on our website at www.deerinc.com.

As more fully described in its charter, the functions of the Audit Committee include the following:

- § appointment of independent auditors, determination of their compensation and oversight of their work;
- § review the arrangements for and scope of the audit by independent auditors;
- § review the independence of the independent auditors;
- § consider the adequacy and effectiveness of the internal controls over financial reporting;
- § pre-approve audit and non-audit services;
- § establish procedures regarding complaints relating to accounting, internal accounting controls, or auditing matters;
- § review and approve any related party transactions;
- § discuss with management our major financial risk exposures and our risk assessment and risk management policies;
and,
- § discuss with management and the independent auditors our draft quarterly interim and annual financial statements
and key accounting and reporting matters.

Compensation Committee

We established our Compensation Committee in April 2009. The Compensation Committee consists of Messrs. Hua, Staloff and Xu, each of whom is an independent director. Dr. Xu is the Chairman of the Compensation Committee. The Compensation Committee is responsible for the design, review, recommendation and approval of compensation arrangements for our directors, executive officers and key employees, and for the administration of our equity incentive plans, including the approval of grants under such plans to our directors, employees and consultants. The Compensation Committee also reviews and determines compensation of our executive officers, including our Chief Executive Officer. The Compensation Committee may delegate its authority to subcommittees, but may not delegate its responsibilities for any matters involving executive compensation unless all members of such subcommittee qualify as independent directors. The Compensation Committee may consult with the Chief Executive Officer and other members of management in the exercise of its duties. Notwithstanding such consultation, the Compensation Committee retains absolute discretion over all compensation decisions with respect to the executive officers, including the Chief Executive Officer. The Compensation Committee held no meetings during fiscal year 2009, which does not include actions taken by written consent. The Board of Directors has adopted a written charter

for the Compensation Committee, the current copy of which is available on our website at www.deerinc.com.

The compensation of our executive officers and other employees is composed of base salaries and equity compensation. The compensation of our executive officers appointed prior to the establishment of our Compensation Committee in April 2009, including our chief executive officer, was determined by our then existing executive officers. The Compensation Committee has determined the compensation of all executive officers appointed subsequent to the establishment of our Compensation Committee in April 2009. The Compensation Committee will review base salaries of the executive officers, taking into consideration the Company's overall financial position and the state of its business. The Compensation Committee will determine any increase in compensation, with respect to each officer, based on individual performance, level of responsibility, and skills and experience, taking into account the anticipated level of difficulty in replacing such officers and employees with persons of comparable experience, skill and knowledge.

Nominating and Corporate Governance Committee

We established our Nominating and Corporate Governance Committee (the “Nominating Committee”) in April 2009. The Nominating Committee consists of Messrs. Hua, Staloff and Xu, each of whom is an independent director. Mr. Hua is the Chairman of the Nominating Committee. The Nominating Committee assists in the selection of director nominees, approves director nominations to be presented for stockholder approval at our annual meeting and fills any vacancies on our Board of Directors, considers any nominations of director candidates validly made by stockholders (the process for which is set forth herein under the section entitled “Stockholder Nominations for Directors”), and reviews and considers developments in corporate governance practices. The Nominating Committee held no meetings during fiscal year 2009, which does not include actions taken by written consent. The Board of Directors has adopted a written charter for the Nominating Committee, the current copy of which is available on our website at www.deerinc.com.

The members of the Nominating Committee, other than incumbent director nominees, discuss the qualifications of the director nominees and the needs of the Company. The Nominating Committee will consider nominees recommended by our directors and officers. In evaluating director candidates, the Nominating Committee considers factors that are in the best interests of the Company and its stockholders, including, but not limited to: the knowledge, experience, integrity and judgment of possible candidates for nomination as directors; the potential contribution of each candidate to the diversity of backgrounds, experience and competencies the Nominating Committee desires to have represented on the Board of Directors, including familiarity with and experience in our specific industry; the NASDAQ’s requirements for directors, including any applicable independence standards and other qualifications and experience; each candidate’s ability to devote sufficient time and effort to his or her duties as a director of the Company; and, where applicable, prior service as a director of the Company. There are, however, no stated minimum criteria for director nominees. The Nominating Committee recommends candidates to the Board of Directors for election at the Company’s annual meetings of stockholders.

CODE OF BUSINESS CONDUCT AND ETHICS

Our Board of Directors has adopted a Code of Conduct, which applies to all directors, officers and employees. The purpose of the Code is to promote honest and ethical conduct. The Code is posted on our website, located at www.deerinc.com, and is available in print, without charge, upon written request to our Corporate Secretary, Deer Consumer Products, Inc., Area 2, 1/F, Building M-6, Central High-Tech Industrial Park, Nanshan, Shenzhen, China 518057. We intend to post promptly any amendments to or waivers of the Code on our website.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

There are no family relationships (as that term is defined in Item 401 in Regulation S-K) between any of our directors, director nominees, executive officers or other key personnel and any other of our directors, director nominees, executive officers or other key personnel.

There were no transactions with any related persons (as that term is defined in Item 404 in Regulation S-K) during the fiscal year ended December 31, 2009, or any currently proposed transaction, in which we were or are to be a participant, the amount involved was in excess of \$120,000 and in which any related person had a direct or indirect material interest.

We have adopted a written policy in connection with related party transactions involving the Company. The policy requires the prior approval by our Audit Committee for any transaction, arrangement or relationship in which (i) the aggregate amount involved will or may be expected to reach \$50,000 in any calendar year, (ii) we are a participant and (iii) any related person has or will have an interest. For the purposes of this proxy statement, “related persons” include

our executive officers, directors, greater than 5% stockholders or immediate family members of any of the foregoing. Pursuant to this policy, the Audit Committee, among other factors, is required to take into account whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances. In addition, the Chairman of the Audit Committee has the authority to approve or ratify any interested transaction with a related person in which the aggregate amount involved is expected to be less than \$25,000.

LEGAL PROCEEDINGS OF DIRECTORS AND EXECUTIVE OFFICERS

During the past ten years, none of the Company's directors or executive officers has been:

§ the subject of any bankruptcy petition filed by or against any business of which such person was a general partner or executive officer either at the time of the bankruptcy or within two years prior to that time;

§ convicted in a criminal proceeding or is subject to a pending criminal proceeding (excluding traffic violations and other minor offenses);

§ subject to any order, judgment or decree, not subsequently reversed, suspended or vacated, of any court of competent jurisdiction, permanently or temporarily enjoining, barring, suspending or otherwise limiting his involvement in any type of business, securities or banking activities;

§ found by a court of competent jurisdiction (in a civil action), the SEC or the Commodity Futures Trading Commission to have violated a federal or state securities or commodities law, that has not been reversed, suspended, or vacated;

§ subject of, or a party to, any order, judgment, decree or finding, not subsequently reversed, suspended or vacated, relating to an alleged violation of a federal or state securities or commodities law or regulation, law or regulation respecting financial institutions or insurance companies, law or regulation prohibiting mail or wire fraud or fraud in connection with any business entity; or

§ subject of, or a party to, any sanction or order, not subsequently reversed, suspended or vacated, of any self-regulatory organization, any registered entity or any equivalent exchange, association, entity or organization that has disciplinary authority over its members or persons associated with a member.

No director, officer or affiliate of the Company, or any beneficial owner of 5% or more of the Company's common stock, or any associate of such persons, is an adverse party in any material proceeding to, or has a material interest adverse to, the Company or any of its subsidiaries.

PROPOSAL FOR ACTION AT THE ANNUAL MEETING

Proposal Two:

Ratification of Appointment of Independent Registered Public Accounting Firm

The Audit Committee of the Board of Directors has appointed Goldman Parks Kurland Mohidin, LLP (“GPKM”) as our independent registered public accounting firm for its fiscal year ending December 31, 2010. GPKM has acted in such capacity since its appointment on September 3, 2008. The Company has been advised by GPKM that the firm has no relationship with the Company or its subsidiaries other than that arising from the firm’s engagement as auditors. The Audit Committee is directly responsible for the appointment, retention, compensation and oversight of the work of our independent auditors (including resolution of disagreements between management and the independent auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. In making its determination regarding whether to appoint or retain a particular firm of independent auditors, the Audit Committee takes into account the views of management. A representative of GPKM is expected to be available telephonically at the annual meeting, with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

Stockholder Ratification

We are not required to submit the appointment of GPKM as the Company’s independent registered public accounting firm for ratification by our stockholders. However, we are doing so as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the fiscal year if they determine that such an appointment would be in our best interests and that of our stockholders.

The ratification of the appointment of GPKM as the Company’s independent registered public accounting firm requires the affirmative vote of a majority of the votes cast on the proposal.

The Board of Directors unanimously recommends a vote FOR the ratification of the appointment of Goldman Parks Kurland Mohidin, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2010.

REPORT OF THE AUDIT COMMITTEE

The information set forth in this Report of the Audit Committee shall not be deemed incorporated by reference to any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act or the Exchange Act, except to the extent that the Company specifically incorporates this information by reference, and otherwise shall not be deemed “soliciting materials” or to be “filed” with the SEC or subject to Regulations 14A or 14C of the SEC or subject to the liabilities of Section 18 of the Exchange Act.

The Audit Committee of the Board of Directors is comprised of the three directors named below. Each member of the Audit Committee is an independent director as defined by NASDAQ rules. A written charter adopted by the Board of Directors governs the Audit Committee’s activities. The Audit Committee has reviewed and discussed our audited financial statements with management, which has primary responsibility for the financial statements.

Goldman Parks Kurland Mohidin, LLP (“GPKM”), our independent registered public accounting firm, is responsible for expressing an opinion on the conformity of our audited financial statements with accounting principles generally accepted in the United States of America. The Audit Committee has discussed with GPKM the matters required to be discussed by the statement on Auditing Standards No. 61, “Communication with Audit Committees,” as amended, which includes, among other items, matters relating to the conduct of an audit of our financial statements. The Audit Committee has received the written disclosures and the letter from GPKM required by the Public Company Accounting Oversight Board regarding GPKM’s communications with the Audit Committee concerning independence and has discussed with GPKM their independence from the Company. Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2009 and in our fiscal year 2009 Annual Report to Stockholders.

Submitted by the members of the Audit Committee of the Board of Directors,

Mr. Arnold Staloff, Chair
Mr. Edward Hua
Dr. Qi Hua Xu

AUDITOR INFORMATION

Change in Company’s Accountant

On September 3, 2008, we dismissed Dale Matheson Carr-Hilton Labonte LLP (“DMCHL”) as our independent accountant. DMCHL previously had been engaged as the principal accountant to audit our financial statements. The reason for the dismissal of DMCHL was that, following the consummation of the share exchange on September 3, 2008, (i) the former stockholders of Deer owned a significant amount of the outstanding shares of our common stock and (ii) our primary business became the business previously conducted by Deer. The independent registered public accountant of Deer for U.S. accounting purposes was GPKM. We believed that it was in our best interests to have GPKM continue to work with our business, and we therefore retained GPKM as our new principal independent registered accounting firm, effective as of September 3, 2008. The decision to change accountants was approved by our Board of Directors on September 3, 2008. GPKM is located at 16133 Ventura Blvd., Suite 880, Encino, CA 91436.

During our two most recent fiscal years and any subsequent interim period through to the date of our engagement of GPKM, neither we, nor anyone on our behalf, has consulted with GPKM or any other auditor regarding any accounting or audit concerns, including, without limitation, those stated in Item 304(a)(2) of Regulation S-K.

The report of DMCHL on our financial statements for the period from July 8, 2006 (inception) through our fiscal year ended September 30, 2007, did not contain an adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles, except that the report was qualified as to our ability to continue as a going concern.

From our inception through September 3, 2008, there were no disagreements with DMCHL on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of DMCHL, would have caused it to make reference to the matter in connection with its reports.

From our inception through September 3, 2008, we did not consult GPKM regarding either: (i) the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on our financial statements; or (ii) any matter that was the subject of a disagreement as described in Item 304(a)(1)(iv) of Regulation S-K.
