FREDERICK'S OF HOLLYWOOD GROUP INC.

PROXY STATEMENT

GENERAL INFORMATION

This proxy statement and the enclosed proxy card are furnished in connection with the solicitation of proxies by the board of directors of Frederick's of Hollywood Group Inc. (referred to as the "Company," "we" or "us"), a New York corporation, for use at the Annual Meeting of Shareholders ("Annual Meeting") to be held at 10:00 a.m. Eastern Time on Wednesday, January 11, 2012, at Club 101 on the Main Floor at 101 Park Avenue, New York, New York.

This proxy statement and the enclosed proxy card, together with the Annual Report to Shareholders for the year ended July 30, 2011 ("annual report"), are first being mailed on or about November 28, 2011, to shareholders of record on November 14, 2011.

What matters am I voting on?

You are being asked to vote on the following matters:

- The election of five directors to serve for the ensuing one-year period and until their successors are elected and qualified – we refer to this proposal as the "director election proposal"; and
- To transact such other business as may properly come before the Annual Meeting and any and all postponements or adjournments.

Who is entitled to vote?

Persons who were holders of our common stock as of the close of business on November 14, 2011, the record date, are entitled to vote at the Annual Meeting. As of November 14, 2011, we had issued and outstanding 38,762,491 shares of common stock, par value \$0.01 per share, our only class of voting securities outstanding. Each holder of our common stock is entitled to one vote for each share held on the record date.

What is the effect of giving a proxy?

Proxies in the form enclosed are solicited by and on behalf of our board of directors. The persons named in the proxy card have been designated as proxies by our board of directors. If you sign and return the proxy card in accordance with the procedures set forth in this proxy statement, the persons designated as proxies by the board will vote your shares at the Annual Meeting as specified in your proxy card.

If you sign and return your proxy card in accordance with the procedures set forth in this proxy statement but you do not provide any instructions as to how your shares should be voted, your shares will be voted "FOR" the election of the nominees listed below under the director election proposal. If you give your proxy, your shares also will be voted in the discretion of the proxies named on the proxy card with respect to any other matters properly brought before the Annual Meeting and any postponements or adjournments. If any other matters are properly presented at the Annual Meeting for action, the persons named in the proxy card will vote the proxies in accordance with their best judgment.

May I change my vote after I return my proxy card?

Yes. Any proxy given pursuant to this solicitation may be revoked by you at any time before it is exercised. You may effectively revoke your proxy by:

- delivering written notification of your revocation to the Corporate Secretary of Frederick's of Hollywood Group Inc.;
- voting in person at the Annual Meeting; or
- delivering another proxy bearing a later date.

Please note that your attendance at the Annual Meeting will not alone serve to revoke your proxy.

What is a quorum?

A quorum is the minimum number of shares required to be present at the Annual Meeting for it to be properly held under our bylaws and New York law. The presence, in person or by proxy, of a majority of the votes entitled to be cast at the Annual Meeting will constitute a quorum at the meeting. A proxy submitted by a shareholder may indicate that all or a portion of the shares represented by the proxy are not being voted (“shareholder withholding”) with respect to a particular matter. Similarly, a broker may not be permitted to vote stock (“broker non-vote”) held in street name on a particular matter in the absence of instructions from the beneficial owner of the stock. The shares subject to a proxy which are not being voted on a particular matter because of either shareholder withholding or broker non-vote will not be considered shares present and entitled to vote on that matter. These shares, however, may be considered present and entitled to vote on other matters and will count for purposes of determining the presence of a quorum if the shares are being voted with respect to any matter at the Annual Meeting. If the proxy indicates that the shares are not being voted on any matter at the Annual Meeting, the shares will not be counted for purposes of determining the presence of a quorum. Abstentions are voted neither “for” nor “against” a matter, but are counted in the determination of a quorum.

How many votes are needed for approval of each matter?

The election of directors requires a plurality vote of the votes cast at the Annual Meeting. “Plurality” means that the individuals who receive the largest number of votes cast “FOR” are elected as directors. Consequently, any shares not voted “FOR” a particular nominee, whether as a result of a direction of the shareholder to withhold authority, abstentions or a broker non-vote, will not be counted in the nominee’s favor. As there are five directors to be elected, the five persons receiving the highest votes will be elected if nominees other than those nominated by the board are presented.

Any other proposal properly brought at the Annual Meeting must be approved by a majority of the votes cast at the meeting with respect to the proposal.

How do I vote?

You may vote your shares by returning the enclosed proxy card either by mail or facsimile or by delivering it in person at the Annual Meeting. The prompt return of the completed proxy card will assist us in preparing for the meeting. Complete, date, sign and return the enclosed proxy card in the envelope provided for that purpose (to which no postage needs to be affixed if mailed in the United States). You can specify your choices by marking the appropriate boxes on the proxy card. If you attend the Annual Meeting, you may deliver your completed proxy card in person or fill out and return a ballot that will be supplied to you. If you wish to fax your proxy, please copy both the front and back of the signed proxy card and fax it to American Stock Transfer & Trust Co. at (718) 921-8355.

Shareholders who hold their securities through a broker or bank will also have the option to authorize their proxies to vote their securities electronically through the Internet or by telephone. If you hold your securities through a broker, bank or other nominee, you should check your proxy card or voting instruction card forwarded by your broker, bank or other nominee who holds your securities for instructions on how to vote by these methods.

Do you provide electronic access to the proxy statement and annual report?

DIRECTOR ELECTION PROPOSAL

Our board of directors currently consists of five members. All directors hold office for the ensuing one-year period and until their successors are elected and qualified. Upon the recommendation of the nominating and governance committee, the board of directors has nominated Thomas J. Lynch, Peter Cole, John L. Eisel, William F. Harley and Milton J. Walters to serve as directors for the ensuing one-year period and until their successors are elected and qualified.

The election of directors requires a plurality vote of the shares of common stock present in person or represented by proxy and entitled to vote at the Annual Meeting. "Plurality" means that the individuals who receive the highest number of votes cast "FOR" election are elected as directors. Any shares not voted "FOR" a particular nominee (whether as a result of abstentions, a direction to withhold authority or a broker non-vote) will not be counted in the nominee's favor.

Unless authority is withheld, the proxies solicited by the board of directors will be voted "FOR" the election of these nominees. In case any of the nominees becomes unavailable for election to the board of directors, an event which is not anticipated, the persons named as proxies, or their substitutes, will have full discretion and authority to vote or refrain from voting for any other candidate in accordance with their judgment. The five nominees for directors, their current positions, term of office and business background are set forth below.

Mr. Jones began his retail career in department store operations, holding managerial positions at May Company, Marshalls, Inc., Macy's, Inc., Filene's and Lechmere Inc. From December 2007 to September 2011, Mr. Jones served as Chairman of the Board of Total Apparel Group, Inc. (OTC Pink: TLAG), a licensing, distribution and merchandising company. Mr. Jones currently serves as a member of the board of directors of two privately-held companies – Elaine Turner Design, a shoe and handbag company, and Amenity, a men's skincare company. He also serves on the Advisory Board of the Ridgefield Library and as a member of the board of directors of the Connecticut Retail Merchants Association, the Trinity High School Foundation, and George Jackson Academy, a private school for at risk boys. Mr. Jones is also a frequent lecturer and speaker on the subjects of small business, retail and consumer products, and is a contributor to CNBC.com.

Thomas Rende, 51 years old, has served as our Chief Financial Officer since January 2008, and served as Chief Financial Officer of our wholesale division from February 1999 until it was sold in October 2010. He also served as a member of our board of directors from January 2008 to May 2010 and from April 2004 to April 2007. Since joining the company in 1989, Mr. Rende has held various positions within the finance department. Mr. Rende received a B.S. degree in economics from the State University of New York at Oneonta.

Independence of Directors

Our common stock is listed on the NYSE Amex. As a result, we follow the rules of the NYSE Amex in determining whether a director is independent. The board of directors also consults with our counsel to ensure that the board's determinations are consistent with those rules and all relevant securities and other laws and regulations regarding the independence of directors. The current NYSE Amex listing standards define an "independent director" generally as a person, other than an officer or employee of a company, who does not have a relationship with the company that would interfere with the director's exercise of independent judgment. The NYSE Amex requires that a majority of the board of directors be considered independent, as determined by the board. Consistent with these considerations, the board of directors affirmatively has determined that John Eisel, William Harley and Milton Walters will be our independent directors for the ensuing year. Thomas Lynch is not independent because he is a current executive officer, and Peter Cole is not independent because he served as an executive officer within the past three years.

Code of Ethics

Our board of directors has adopted a code of ethics that applies to our directors, officers and employees as well as those of our subsidiaries. Our code of ethics can be found on our corporate website at www.fohgroup.com. In addition, requests for copies of the code of ethics should be sent in writing to Frederick's of Hollywood Group Inc., 6255 Sunset Boulevard, Hollywood, California 90028, Attention: Corporate Secretary.

Meetings and Committees of the Board of Directors

During the year ended July 30, 2011, our board of directors met four times and acted by unanimous written consent on seven occasions. All of our directors attended the 2011 Annual Meeting of Shareholders, except for Mr. Harley, who was unable to attend due to adverse weather conditions. Although we do not have a formal policy regarding director attendance at annual shareholder meetings, we attempt to schedule annual meetings so that all directors can attend. In addition, we expect our directors to attend all board meetings and the meetings of the committees of the board upon which they serve and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. No member of the board of directors attended fewer than 75% of the total number of meetings of the board and committees upon which they served during fiscal year 2011, except for Mr. Harley, who attended 71% of such meetings. We have standing audit, compensation and nominating and governance committees. Copies of our committee charters are available free of charge on our corporate website at www.fohgroup.com.

Leadership Structure

Our company is led by Thomas J. Lynch, who has served as our Chairman of the Board and Chief Executive Officer since January 2009. We believe that combining the role of Chairman of the Board and Chief Executive Officer promotes unified leadership and direction for our company and provides for a single focus for management to execute our strategy and business plan. Mr. Lynch's financial expertise and intimate knowledge of our operations and strategy make him uniquely positioned and qualified to serve in these capacities, and we believe Mr. Lynch is seen by our business partners, investors and other stakeholders as providing strong leadership for our company.

We do not have a lead director and do not believe that appointing a lead director would materially impact the performance of the board of directors, as it currently employs a variety of structural and operational controls that serve the same purpose. For example, our independent directors meet regularly in executive sessions. These sessions provide an opportunity for the independent directors to speak candidly on any matter of interest, without the Chief Executive Officer or other members of management present. All board members are free to suggest the inclusion of items on board of directors and committee meeting agendas, and, to the fullest extent possible, all meeting materials and presentations are distributed to the board members in advance, allowing efficient use of time during meetings for questions and comprehensive deliberations. All board members have direct and complete access to our company's management.

Risk Oversight

Our board of directors oversees an enterprise wide approach to risk management, designed to support the achievement of our objectives and to maintain shareholder value. The independent audit committee is primarily responsible for overseeing our exposure to financial risk and reviewing the steps management has taken to monitor and control that exposure. The audit committee meets at least once per quarter in addition to periodic meetings with management and our independent auditors to accomplish its purpose. While the audit committee has primary responsibility for overseeing risk management, the full board of directors participates in an annual enterprise risk management assessment, which is led by management. This assessment includes a discussion of our most significant risks as well as a centralized evaluation and determination of risk appetite to ensure consensus and mutual understanding between the board and management. In addition, each of our committees considers the risks within its area of responsibility.

Compensation Committee Information

Our compensation committee, which held two meetings during fiscal year 2011, is currently comprised of Peter Cole (chairman), William F. Harley and John L. Eisel. Messrs. Eisel and Harley are each independent directors under the NYSE Amex listing standards. Mr. Cole does not qualify as an independent director under the NYSE Amex standards

because he served as an executive officer of our company within the past three years. However, pursuant to an exception under Section 805(b) of the NYSE Amex Company Guide, which only may be relied upon for two years, Mr. Cole is permitted to serve as a member of our compensation committee despite his lack of independence because our board of directors determined that his membership on the compensation committee is in the best interests of our company and its shareholders due to his knowledge and depth of experience with compensation related issues. Since Mr. Cole last served as an executive officer of our company in May 2009, we do not intend to rely on the exception subsequent to May 2012.

The compensation committee does not have a formal written charter. The responsibilities of the compensation committee include:

- establishing the general compensation policy for our executive officers, including the chief executive officer;
- administering our equity compensation plans; and

- determining who participates in each of these plans, establishing performance goals and target payouts, and determining specific grants and bonus awards to participants.

Our compensation committee makes all final approvals with respect to compensation of executive officers based on its assessment of the value of each executive's contribution, the results of recent past fiscal years in light of prevailing business conditions, our goals for the ensuing fiscal year and, to a lesser extent, prevailing compensation levels at companies considered to be comparable to our company. Our compensation committee considers recommendations from our chief executive officer relating to the compensation of our other executive officers, but the chief executive officer does not make recommendations regarding his own compensation. Executive officers other than our chief executive officer generally are not involved in determining executive compensation. The compensation committee did not engage any compensation consultants during fiscal year 2011.

Nominating and Governance Committee Information

General

Our nominating and governance committee, which held one meeting and acted by unanimous consent on one occasion during fiscal year 2011, is currently comprised of John L. Eisel (chairman), Milton J. Walters and William F. Harley, each an independent director under the NYSE Amex listing standards. The nominating and governance committee is responsible for overseeing the selection of persons to be nominated to serve on the board of directors. The nominating and governance committee considers persons identified by its members, management, shareholders and others. There have been no material changes to the procedures by which shareholders may recommend nominees to the board. Our board of directors has adopted a written charter and established guidelines for selecting nominees and a method by which shareholders may propose to the nominating committee candidates for selection as nominees for directors.

Guidelines for Selecting Director Nominees

The guidelines for selecting nominees generally provide that persons to be nominated should be actively engaged in business endeavors, have an understanding of financial statements, corporate budgeting and capital structure, be familiar with the requirements of a publicly traded company, be familiar with industries relevant to our business endeavors, be willing to devote significant time to the oversight duties of the board of directors of a public company, and be able to promote a diversity of views based on the person's education, experience and professional employment. The nominating and governance committee evaluates each individual in the context of the board as a whole, with the objective of recommending a group of persons that can best implement our business plan, perpetuate our business and represent shareholder interests. The nominating and governance committee may require certain skills or attributes, such as financial or accounting experience, to meet specific board needs that arise from time to time. The nominating and governance committee does not distinguish among nominees recommended by shareholders and other persons.

Procedure for Shareholders to Recommend Director Candidates

Shareholders and others who wish to recommend candidates to the nominating and governance committee for consideration as directors must submit their written recommendations to the nominating and governance committee and include all of the information described in the section "Shareholder Proposals and Nominations."

Our nominating and governance committee recommended to our board of directors to nominate Thomas J. Lynch, Peter Cole, John L. Eisel, William F. Harley and Milton J. Walters for re-election as directors. Our nominating and governance committee did not receive proposals from any shareholders or others for suggested director candidates.

Audit Committee Information and Report

General. Our audit committee, which met four times during fiscal year 2011, consists of Milton J. Walters (chairman) and John L. Eisel, each an independent director under the NYSE Amex listing standards. As required by the NYSE Amex, since we are a “smaller reporting company,” our audit committee is comprised of at least two independent directors who are also “financially literate.” The NYSE Amex standards define “financially literate” as being able to read and understand fundamental financial statements, including a company’s balance sheet, income statement and cash flow statement. The functions of the audit committee include oversight of the integrity of our financial statements, compliance with legal and regulatory requirements, and the performance, qualifications and independence of our independent auditors. The purpose and responsibilities of our audit committee are set forth in a written audit committee charter which has been adopted by the board.

Financial Expert on Audit Committee. We must certify to the NYSE Amex that the audit committee has, and will continue to have, at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual's financial sophistication. The board of directors has determined that John L. Eisel and Milton J. Walters both satisfy the NYSE Amex's definition of financial sophistication and also both qualify as "audit committee financial experts," as defined under the rules and regulations of the SEC.

Audit Committee Pre-Approval Policies and Procedures. In accordance with Section 10A(i) of the Exchange Act, before we engage our independent registered public accounting firm to render audit or permitted non-audit services, the engagement is approved by the audit committee. The audit committee approved all of the fees referred to in the section below entitled "Principal Accountant Fees" for fiscal year 2011.

Principal Accountant Fees. The following table summarizes the aggregate fees (rounded to the nearest \$1,000) billed to us by Mayer Hoffman McCann CPAs (The New York Practice of Mayer Hoffman McCann P.C.) ("MHM") for professional services for the years ended July 30, 2011 and July 31, 2010:

Audit Committee Report for the Fiscal Year Ended July 30, 2011

The audit committee reviews the Company's financial reporting process on behalf of the board of directors. Management has the primary responsibility for the financial statements and reporting process. The independent registered public accounting firm is responsible for auditing those financial statements and expressing an opinion on the fairness of the audited financial statements based on the audit conducted in accordance with the standards of the Public Company Accounting Oversight Board ("PCAOB").

In this context, the audit committee has met and held discussions with management and the independent registered public accounting firm. Management represented to the audit committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles in the United States of America, and the audit committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The audit committee discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, and PCAOB AU 380, "Communication with Audit Committees". The independent registered public accounting firm

also provided the audit committee with the written disclosures required by PCAOB Rule 3526, "Communication with Audit Committee Concerning Independence," and the audit committee discussed with the independent registered public accounting firm and management the auditor's independence, including with regard to fees for services rendered during the fiscal year and all other professional services rendered by the independent registered public accounting firm.

In reliance on the reviews and discussions referred to above, the audit committee recommended to the board of directors, and the board has approved, that the Company's audited financial statements be included in the Annual Report on Form 10-K for the year ended July 30, 2011, for filing with the SEC.

Compensation Arrangements for Executive Officers

Thomas J. Lynch

On June 29, 2010, we entered into an employment agreement with Thomas J. Lynch, which provides for Mr. Lynch to serve as our Chief Executive Officer until January 2, 2014 at a base salary of \$540,000 per year. Pursuant to the terms of the employment agreement, in addition to his base salary, Mr. Lynch was eligible to receive for the year ended July 30, 2011, and is eligible to receive for the years ending July 28, 2012, July 27, 2013 and July 26, 2014, an annual incentive bonus under our Annual Incentive Bonus Plan equal to 65% of his base salary based on achieving certain targeted performance goals established by the compensation committee and approved by the board of directors for each fiscal year. The bonus for the year ending July 26, 2014 will be prorated for the partial year. No participant in the Annual Incentive Bonus Plan, including Mr. Lynch, received an annual performance bonus for the fiscal year ended July 30, 2011. From time to time, Mr. Lynch also will be eligible to receive such discretionary bonuses as the compensation committee deems appropriate.

Compensation Plans

Non-Equity Compensation Plan

Annual Incentive Bonus Plan

On June 29, 2010, our board of directors adopted the Annual Incentive Bonus Plan. Our compensation committee selects employees to participate in the plan. Participants are eligible to receive an annual cash bonus of up to a percentage of the participant's base salary as determined by the compensation committee. The maximum cash bonus award for the named executive officers participating in the Annual Incentive Bonus Plan, expressed as a percentage of base salary as set forth in their respective employment agreements, is as follows: Thomas J. Lynch, 65%, Donald Jones, 50%, and Thomas Rende, 35%.

The bonus payment for each participant is calculated based on two components: (1) our annual financial performance ("Company Performance Component"), representing up to 80% of the total eligible bonus; and (2) the participant's individual performance ("Individual Performance Component"), representing up to 20% of the total eligible bonus. If we achieve less than 80% of the Target Adjusted EBITDA (as defined below), no participant will be eligible to receive any bonus. Since we achieved less than 80% of the Target Adjusted EBITDA established by the board of directors for the year ended July 30, 2011, no bonuses were given to any participant under the Annual Incentive Bonus Plan for fiscal year 2011.

Company Performance Component. The Company Performance Component is based upon an evaluation of our Adjusted EBITDA (defined as earnings before interest, taxes, depreciation, amortization, stock compensation expense, any bonus awarded under the plan, and adjustments for non-recurring items as determined by the board of directors) against a target Adjusted EBITDA approved annually by the board of directors ("Target Adjusted EBITDA"). If we achieve 100% or more of the Target Adjusted EBITDA, each participant's total eligible bonus will range from 10% of the total eligible bonus upon achievement of 100% of the Target Adjusted EBITDA up to a maximum of 80% of the total eligible bonus upon achievement of 140% or more of the Target Adjusted EBITDA.

Individual Performance Component. The Individual Performance Component is based on an individual's achievement of performance objectives, as approved annually by the compensation committee. If we achieve 80% or more of the Target Adjusted EBITDA, up to 20% of the participant's total eligible bonus may be paid out upon the achievement of such individual performance objectives.

On September 19, 2006, our board of directors approved an amended and restated 1988 plan, which (i) increased the time period in which an employee terminated for any reason other than death or disability has to exercise the portion of the option which is exercisable on the date of termination from 30 days to 90 days following the date of termination; (ii) provided for continued exercisability of options after termination in the discretion of the compensation committee as set forth in the stock option agreement at the time of grant; (iii) increased the time period in which an employee terminated due to disability has to exercise the option from 180 days to one year from the date of termination; and (iv) increased the time period in which the legal representative or legatee under the will of an employee who dies within 90 days (instead of 30 days) after the date of termination of employment or while employed by us or a subsidiary has to exercise the decedent employee's option from 180 days to one year from the date of

Compensation Arrangements for Directors

We pay our non-employee directors in accordance with the terms of our Non-Employee Director Compensation Plan, which was adopted by our board of directors in December 2004 and became effective on January 1, 2005. Under the plan, each non-employee director receives (i) an annual stipend of \$20,000, payable quarterly in arrears, (ii) \$2,000 per day for board or committee meetings attended in person, regardless of the number of meetings held that day and (iii) \$1,000 per meeting for board or committee meetings attended telephonically, unless two or more teleconference call meetings are held back-to-back on the same call, in which case each non-employee director will receive \$1,000 for the entire call. Payment of the annual stipend and meeting fees are made, at the election of each non-employee director, in cash and/or shares of common stock under our 2000 Performance Equity Plan in such proportion as is determined by each non-employee director. If a non-employee director elects to be paid in stock, either in full or in part, the number of shares of common stock to be issued is determined by dividing the dollar amount of the stipend and meeting fees earned during the quarter (or a percentage thereof, if the non-employee director elects to receive stock payment in part) by the last sale price of our common stock on the last trading day of each calendar quarter in which the fees were earned.

We also pay or reimburse each non-employee director for all transportation, hotel and other expenses reasonably incurred by the non-employee director in connection with attendance at board and committee meetings against itemized reports and receipts submitted with respect to any such expenses and approved in accordance with our customary procedures.

On November 8, 2010, we made a one-time issuance of 20,000 shares of fully vested common stock to each of our non-employee directors under the 2000 Performance Equity Plan.

On January 12, 2011, each non-employee director was issued 7,500 shares of restricted stock and options to purchase 17,500 shares of common stock at an exercise price of \$1.05 per share under the 2010 Long-Term Incentive Equity Plan. 33.3% of the shares and options vested on January 12, 2011, and 33.3% will vest on each of January 12, 2012 and 2013.

The following table summarizes the compensation of our non-employee directors for the year ended July 30, 2011. Directors who are employees of our company do not receive separate compensation for their service as a director.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our officers, directors and persons who beneficially own more than ten percent of our common stock to file reports of ownership and changes in ownership with the SEC. These reporting persons are also required to furnish us with copies of all Section 16(a) forms they file. To our knowledge, based solely on the review of the copies of these forms furnished to us and representations that no other reports were required, all Section 16(a) reporting requirements were complied with during the fiscal year ended July 30, 2011.

Certain Relationships and Related Transactions

Related Party Policy

Our Code of Ethics requires us to avoid, wherever possible, all related party transactions that could result in actual or potential conflicts of interest, except under guidelines approved by the board of directors (or the audit committee). Related party transactions are defined under SEC rules as transactions in which (1) the aggregate amount involved will or may be expected to exceed the lesser of \$120,000 or one percent of the average of our total assets in any calendar year, (2) we or any of our subsidiaries is a participant, and (3) any related party, which includes (a) an executive officer, director or nominee for election as a director, (b) a greater than 5 percent beneficial owner of our common stock, or (c) an immediate family member of the persons referred to in clauses (a) and (b), has or will have a direct or indirect material interest. A conflict of interest situation can arise when a person takes actions or has interests that may make it difficult to perform his or her work objectively and effectively. Conflicts of interest may also arise if a person, or a member of his or her family, receives improper personal benefits as a result of his or her position.

Our audit committee, pursuant to its written charter, is responsible for reviewing and approving related-party transactions to the extent we enter into such transactions. The audit committee will consider all relevant factors when determining whether to approve a related party transaction, including whether the related party transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. No director may participate in the approval of any transaction in which he or she is a related party, but that director is required to provide the audit committee with all material information concerning the transaction. Additionally, we require each of our directors and executive officers to complete a directors' and officers' questionnaire on an annual basis that elicits information about related party transactions. These procedures are intended to determine whether any such related party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, employee or officer.

Related Party Transactions

We did not engage in any related party transactions during the year ended July 30, 2011.
