Item 1.01 Entry into a Material Definitive Agreement

On February 4, 2015, Propell Technologies Group, Inc. (the “Company”) entered into an Amended and Restated Employment Agreement (the “Employment Agreement”) with John Huemoeller II, that superseded the Company’s prior Employment Agreement with Mr. Huemoeller that was previously entered into on December 5, 2014 (the “Prior Agreement”).

Under the Employment Agreement, which has a stated term of three (3) years, for his continued service as the Chief Executive Officer and President of the Company, Mr. Huemoeller will continue to receive the same annual base salary of \$180,000 provided for under the Prior Agreement and will be entitled to bonuses at the discretion of the Company based on performance. The new Employment Agreement restated a previous grant to Mr. Huemoeller of 10,000,000 shares of the Company’s restricted stock, which vest on the following schedule: 1,250,000 shares vested on January 1, 2015 and thereafter 1,250,000 shares will vest on each quarter anniversary, commencing April 1, 2015 for seven (7) quarters. The Employment Agreement also provides that Mr. Huemoeller will receive a restricted stock grant of 750,000 shares of stock on an annual basis commencing January 1, 2016, which will vest upon issuance. In the event of a Change of Control (as defined in the Employment Agreement), termination without Cause (as defined in the Employment Agreement), termination due to disability (as defined in the Employment Agreement), death or termination by Mr. Huemoeller for Good Reason (as defined in the Employment Agreement), Mr. Huemoeller will receive: (i) a severance payment equal to two (2) months base salary together with payment of medical insurance or COBRA payments for two (2) months after termination; and (ii) all restricted stock grants that have been issued to Mr. Huemoeller will immediately vest. If Mr. Huemoeller terminates his employment at any time prior to January 1, 2016 Without Good Reason (as defined in the Employment Agreement) or is terminated for Cause (as defined in the Employment Agreement) then 5,000,000 of any restricted stock grants will immediately vest. The Employment Agreement also includes customary confidentiality obligations and inventions assignments by Mr. Huemoeller.

The information contained in this Item 1.01 regarding the Employment Agreement is qualified in its entirety by the copy of the Employment Agreement attached to this Current Report on Form 8-K as Exhibit 10.1 .

Item 3.02 Unregistered Sales of Equity Securities.

The disclosure in Item 1.01 is incorporated herein by reference thereto. The offer and issuance of the shares of restricted stock issued to Mr. Huemoeller were not registered under the Securities Act of 1933, as amended (the “Securities Act”), at the time of issuance, and therefore may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. For these issuances, the Company relied on the exemption from federal registration under Section 4(a)(2) of the Securities Act, based on the Company’s belief that the offer and sale of the shares has not and will not involve a public offering as the recipient of the shares is an “accredited investor” as defined under Section 501 promulgated under the Securities Act.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On February 4, 2015, the Company entered into the Employment Agreement with John Huemoeller II that superseded the previous employment agreement that was entered into between the Company and Mr. Huemoeller on December 5, 2014. See Item 1.01 for a description of the terms of the new Employment Agreement with Mr. Huemoeller.
