Item 1.01. Entry into a Material Definitive Agreement.

Bank of Montreal Credit Agreement

On August 26, 2013, Franklin Street Properties Corp. (the “Company”) and certain of its wholly-owned subsidiaries entered into a Credit Agreement (the “Credit Agreement”) with the lending institutions referenced in the Credit Agreement and those lenders from time to time party thereto (collectively, the “Lenders”) and Bank of Montreal as administrative agent (in such capacity, the “Administrative Agent”), to provide for a single unsecured term loan borrowing on the closing date in the amount of \$220,000,000 (the “Term Loan”). On August 26, 2013, the Company drew down \$220,000,000 million under the Term Loan.

The Term Loan has a seven year term that matures on August 26, 2020 on which date, all outstanding amounts are due and payable. The Term Loan bears interest at either (i) a LIBOR based rate plus 145 to 220 basis points depending on the Company’s total leverage ratio for the applicable period or (ii) a rate equal to the bank’s base rate plus 45 to 120 basis points depending on the Company’s total leverage ratio for the applicable period. The Credit Agreement also includes an accordion feature that allows up to \$50,000,000 of additional loans, subject to receipt of lender commitments and satisfaction of certain customary conditions.

On August 26, 2013, the Company entered into an ISDA Master Agreement (together with the schedule relating thereto, the “ISDA Master Agreement”) with Bank of Montreal, and entered into an interest rate swap that fixes the base LIBOR interest rate on the Term Loan at 2.32% per annum for seven years. Accordingly, based upon the Company’s leverage ratio, as of August 26, 2013, the effective interest rate on the Term Loan is 3.97% per annum.

The Credit Agreement contains customary affirmative and negative covenants for credit facilities of this type, including limitations with respect to indebtedness, liens, investments, mergers and acquisitions, disposition of assets, changes in business, certain restricted payments, the requirement to join certain subsidiaries as co-borrowers under the Credit Agreement and transactions with affiliates. The Credit Agreement also contains financial covenants that require the Company to maintain a minimum tangible net worth, a minimum fixed charge coverage ratio, a maximum secured leverage ratio, a maximum leverage ratio, a maximum unencumbered leverage ratio, a minimum unsecured debt service coverage ratio, a maximum ratio of certain investments to total assets and a maximum amount of secured recourse indebtedness. The Credit Agreement provides for customary events of default with corresponding grace periods, including failure to pay any principal or interest when due, certain cross defaults and a change in control of the Company (as defined in the Credit Agreement). In the event of a default by the Company, the Administrative Agent may, and at the request of the requisite number of lenders shall, declare all obligations under the Credit Agreement immediately due and payable, and enforce any and all rights of the lenders or Administrative Agent under the Credit Agreement and related documents. For certain events of default related to bankruptcy, insolvency, and receivership all outstanding obligations of the Company will become immediately due and payable. The Company may use the proceeds of the loans under the Credit Agreement to finance the acquisition of real properties and for other permitted investments; to finance investments associated with Sponsored REITs, to refinance or retire existing indebtedness and for working capital and other general business purposes, in each case to the extent permitted under the Credit Agreement.

Certain of the lenders party to the Credit Agreement, and their respective affiliates, have performed, and may in the future perform for the Company and its subsidiaries, various commercial banking, investment banking, underwriting and other financial advisory services, for which they have received, and will receive, customary fees and expenses.

The Credit Agreement is attached to this Current Report on Form 8-K as Exhibit 10.1 and the ISDA Master Agreement is attached to this Current Report on Form 8-K as Exhibit 10.2, and each is incorporated herein by reference. The foregoing summaries of the Credit Agreement and the ISDA Master Agreement are qualified in their entirety by the complete text of the Credit Agreement and the ISDA Master Agreement.
