FOR IMMEDIATE RELEASE

**Dankner Investments Signs Non-Binding Memorandum to Sell As
Much as 19.99% of Matav to Delek Assets and Investments**

NETANYA, Israel, November 3, 2003 Matav-Cable Systems Media Ltd. (Nasdaq: MATV), a leading Israeli provider of digital cable television services, today announced that its parent company, Dankner Investments Ltd. (Dankner), signed a non-binding memorandum of understanding with Delek Assets and Investments (Delek), according to which Delek will purchase from Dankner 7% of Matav's outstanding shares and voting rights in consideration for US\$18.9 million. In addition, Dankner will issue to Delek convertible bonds that if converted will amount to 12.99% of Matav's outstanding shares and its voting rights, for consideration of US\$35.1 million, according to the memorandum of understanding.

The completion of the transaction and the issuance of the debentures depend on a number of conditions precedent, including the approval of regulatory bodies and the purchase of the cable activity of Tevel Israel International Communication Ltd. by Matav.

Matav is one of Israel's three cable television providers, serving roughly 25 percent of the population. Matav's investments include 7.4 percent of Partner Communications Ltd., a GSM mobile phone company and 10 percent of Barak I.T.C. (1995), one of the three international telephony providers in Israel.
