(1) Reflects transfer by the trustees by appointment under North Carolina law, without consideration, of shares held by two family trusts that previously held the shares to two newly created trusts. The shares were previously reported as beneficially owned by the reporting person, and the transfers resulted only in a change in the form of her beneficial ownership.

(2) Reflects transfer by the trustees by appointment under North Carolina law, without consideration, of shares held by three family trusts that previously held the shares to three newly created trusts. The reporting person did not previously have a reportable interest in the shares but, under the terms of the new trusts, she may be considered to have acquired beneficial ownership of the shares as a result of the transfers.

(3) The reporting person is a beneficiary of the trust without investment power and disclaims beneficial ownership of these securities. This report shall not be deemed an admission that the reporting person is the beneficial owner of such securities for purposes of Section 16 of the Securities Exchange Act of 1934.
