Item 2.03 Creation of a Direct Financial Obligation

Item 3.02 Unregistered Sales of Equity Securities

Closing on Second Tranche of Private Placement. On October 30, 2007, we completed the second tranche of a private placement of up to 20 units at a price of \$100,000 per unit for sale to “accredited investors,” as defined in regulations promulgated under the Securities Act of 1933, as amended. In this second tranche, we sold five and a half units for aggregate gross proceeds of \$550,000. Each such unit consists of (i) a \$100,000 Principal Amount 10% Secured Convertible Promissory Note and (ii) a warrant to purchase 200,000 shares of our common stock, \$0.001 par value, exercisable for cash or on a cashless basis for a period of four years commencing on October 30, 2008, at a price of \$0.50 per share.

The promissory notes and accrued but unpaid interest thereon shall automatically convert on October 30, 2008 at a conversion price of \$0.104750019 per share, which is equal to a 30% discount to the average volume, weighted average price of our common stock for the ten trading days prior to issuance, and are convertible into shares of our common stock at the option of the holder at any time prior to such automatic conversion at a price equal to the greater of (i) 50% of the average price of our common stock for the ten trading days prior to the date of the notice of conversion and (ii) the automatic conversion price. In addition, any time prior to conversion, we have the irrevocable right to repay the unpaid principal and accrued but unpaid interest under the notes on three days notice. The promissory notes bear interest at the rate of 10% per annum and are due and payable in full on October 30, 2008.

Until the principal and accrued but unpaid interest under the promissory notes is paid in full, or converted into our common stock, the promissory notes will be secured by a security interest in all of our assets. This security interest will be *pari passu* with the security interest granted to the holders of an aggregate principal amount of \$1,650,000 of secured convertible promissory notes bearing interest at 10% per annum issued between April 2007 through October 4, 2007.

The Warrants are exercisable for a four year period commencing on October 30, 2008, and expiring on October 29, 2012, at a price of \$0.50 per share. Each warrant may be redeemed at our option at a redemption price of \$0.01 upon the earlier of (i) October 30, 2010, and (ii) the date our common stock has traded on The Over the Counter Bulletin Board at or above \$1.00 per share for 20 consecutive trading days.

Issuance and Sale of Promissory Notes and Warrants. In addition to the second tranche of a private placement on the terms described above, on October 30, 2007, we issued and sold two \$50,000 10% Secured Convertible Promissory Notes and two warrants to purchase 100,000 shares of our common stock. The notes and accrued but unpaid interest thereon are convertible into shares of our common stock at a price of \$0.50 per share by the holder at any time from October 30, 2007 to October 29, 2008, and shall automatically convert at a conversion price of \$0.119714308 per share, which is equal to a 20% discount to the average volume, weighted average price of our common stock for the ten trading days prior to issuance. At any time prior to conversion, we have the right to prepay the notes and accrued but unpaid interest thereon upon three days notice (during which period the holders can elect to convert the notes). Until the principal and interest under the notes are paid in full, or converted into our common stock, the notes will be secured by a security interest in all of our assets. This security interest will be *pari passu* with the security interest granted to the holders of \$550,000 10% Principal Amount Secured Promissory Notes issued as of the same date on the terms described above and with the security interest granted to the holders of an aggregate principal amount of \$1,650,000 of secured convertible promissory notes bearing interest at 10% per annum issued between April 2007 through October 4, 2007.

The warrants are exercisable for a four year period commencing on October 30, 2008, and expiring on October 29, 2012, at a price of \$0.50 per share. Each warrant may be redeemed at our option at a redemption price of \$0.01 upon the earlier of (i) October 29, 2010, and (ii) the date our common stock has traded on The Over the Counter Bulletin Board at or above \$1.00 per share for 20 consecutive trading days.

We claim an exemption from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”), for the private placement of the units pursuant to Section 4(2) of the Securities Act because each of the units was made in a sale by the issuer not involving a public offering.

Arjent Limited, a registered broker dealer firm, (the “Placement Agent”), is our exclusive placement agent. In connection with the sale of the securities described above, we paid the Placement Agent commissions and discounts aggregating \$162,500.
