On December 6, 2005, PerkinElmer, Inc. (the "Company") entered into a supplemental agreement (the "Supplemental Agreement") to the master purchase and sale agreement (as modified by the Supplemental Agreement, the "Purchase Agreement") with Eaton Corporation ("Eaton") regarding the Company's sale to Eaton of the stock of P.T. Fluid Sciences Batam, an indirect subsidiary of the Company, and certain assets of the Company and its subsidiaries that comprise the business of developing, manufacturing, marketing, servicing and repairing sealing valve and pneumatic products and systems for the aerospace and industrial market, and design and manufacturing support services for aircraft engine manufacturers and airframe OEMs (collectively, the "Aerospace Business"). The Supplemental Agreement, among other things, provides for a delayed closing with respect to the Company's French operations related to the Aerospace Business (the "French Business") that are to be sold to Eaton.

On December 6, 2005, the Company completed its sale of the Aerospace Business (not including the French Business) to Eaton pursuant to the Purchase Agreement. The aggregate consideration paid for the Aerospace Business (not including the French Business) was \$299,214,298.40.

Prior to the execution of the Purchase Agreement, to the best of the knowledge of the Company, neither the Company nor any of its affiliates, any director or officer of the Company, or any associate of any such director or officer, had any material relationship with Eaton.

A copy of the press release announcing the completion of the transactions contemplated by the Purchase Agreement is filed with this report as Exhibit 99.2.
