**Item 1.01 Entry into a Material Definitive Agreement.**

On August 16, 2007, International Paper Company entered into a Share Purchase Agreement (the Agreement) with Ilim Holding S.A. for the purpose of forming a joint venture to operate as the Ilim Group. International Paper Investments (Luxembourg) S.à.r.l. ( LuxCo ), a party to the Agreement, will purchase the shares of Ilim Holding S.A. The current shareholders of Ilim Holding S.A., Pulp Holding Luxembourg S.à.r.l. and Ilim Holding Luxembourg S.à.r.l., are also parties to the Agreement, as well as Mr. Zakhar Smushkin, Mr. Mikhail Zingarevich, Mr. Leonid Eruhimovich and Mr. Boris Zingarevich, who each are guarantors under the Agreement.

Ilim Group currently operates the largest pulp and paper mills located in the European and Siberian regions of Russia. On July 1, 2007, the ownership of the mills (formerly, Ilim Pulp's Kotlas Pulp and Paper Mill, Bratsk Wood Industrial Complex and Ust-Ilimsk Wood Industrial Complex) was consolidated under the Russian open joint-stock company Ilim Group, a subsidiary of Ilim Holding S.A. These mills produce annually more than 2.5 million tons of market pulp, uncoated papers and packaging. Following the closing of the transaction, expected in the fourth quarter of 2007, the joint venture will operate this business.

Pursuant to the terms of the Agreement, International Paper Company, through its wholly-owned subsidiary LuxCo, will purchase a 50% interest in the joint venture by purchasing shares in Ilim Holding S.A. for approximately \$650 million, subject to certain conditions at closing.

A key element of the proposed joint venture strategy is a long-term investment program in which the joint venture would invest, through cash from operations and additional debt, approximately \$1.5 billion in Ilim's four mills over approximately five years. This investment in the Russian pulp and paper industry would be used to upgrade equipment, increase production capacity and allow for new high-value uncoated paper, pulp and corrugated packaging product development.

The joint venture will be headquartered in St. Petersburg, Russia, and its board of directors will contain eight members, four members each from International Paper and Ilim Group. Mr. Zakhar Smushkin, one of Ilim Group's representatives on the board, will be chairman of the board. In addition, International Paper's senior vice president Paul Herbert will become the joint venture's chief executive officer.

The pulp and paper mill that International Paper currently owns and operates in Svetogorsk, in Russia's Leningrad region, will not be owned by the joint venture. Similarly, Ilim Pulp's wood-products enterprises will not be integrated into the joint venture.

A copy of the press release announcing this transaction is furnished as Exhibit 99.1 to this Current Report on Form 8-K.
