Item 1.01 Entry Into A Material Definitive Agreement

On October 24, 2008, China Holdings Acquisition Corp. (CHAC) entered into an amendment (the Amendment) to the previously executed definitive undertaking agreement with World Sharehold Limited (World Share), the majority stockholder of Bright World Precision Machinery Limited (Bright World), Wang Wei Yao and Shao Jian Jun (collectively, with World Share, the Sellers), pursuant to which the Sellers agreed to accept with respect to all of the shares of Bright World held by Sellers CHAC's voluntary conditional cash offer (the Offer) to acquire all of the issued shares in the capital of Bright World. Immediately prior to the first closing of the Offer (the Closing), and contingent upon consummation of the Closing, CHAC shall merge with and into a newly-formed, wholly-owned subsidiary incorporated under the laws of the British Virgin Islands (Newco), with Newco surviving the merger (the Merger, and together with the Offer, the Transactions). Pursuant to the Merger, Newco will assume all rights and obligations of CHAC under the Offer. For purposes of clarification, after the Merger every reference to CHAC in this current report on Form 8-K shall be to Newco. The board of directors of CHAC has approved the Transactions.

As previously disclosed in CHAC's Form 8-K filed on July 21, 2008, at Closing, in exchange for World Share's 309,697,000 shares of Bright World, which represent 77.42% of the issued shares of Bright World, CHAC will issue to World Share a promissory note (the CHAC Note) in the amount of a approximately USD\$159 million or USD\$170 million (depending on the per share offer price for the Bright World shares), which shall be automatically convertible into a minimum of 19.9 million initial shares of CHAC (representing approximately 54% of CHAC's enlarged issued share capital) immediately after the Closing.

Pursuant to the Amendment, World Share's eligibility to receive additional CHAC shares pursuant to the CHAC Note has been modified by changing the triggers for the issuance of the additional CHAC shares from triggers based on the financial performance of CHAC to triggers based on market-based stock price performance of CHAC. In addition to the initial shares of CHAC that World Share will receive immediately after the Closing, World Share will be eligible to receive up to a maximum of 15,765,000 additional CHAC shares upon satisfaction of the following criteria (provided such maximum award will be reduced, share-for-share, by the number of initial shares in excess of 19.9 million):

- 3,500,000 shares if the closing price of CHAC's shares exceeds \$12.50 per share for any 20 days within any 30-day trading period beginning 90 days after the day on which the Closing occurs (the Closing Date).
- 3,500,000 shares if the closing price of CHAC's shares exceeds \$13.00 per share for any 20 days within any 30-day trading period beginning 90 days after the Closing Date.
- Up to 8,765,000 shares if the closing price of CHAC's shares exceeds \$13.50 per share for any 20 days within any 30-day trading period beginning 90 days after the Closing Date.

The total number of CHAC shares that will be awarded to World Share will not exceed a combined maximum total of 35,665,000 CHAC shares (representing approximately 60% of CHAC's enlarged issued share capital). All CHAC shares issued to World Share will be subject to a lock-up period of six (6) months from the date of their issue.

In addition, the Sellers agreed to take all reasonable and lawfully permissible steps to encourage and/or to cause Newco to lawfully declare and pay a cash dividend of USD\$0.50 per issued share of Newco (the Newco Cash Dividend) to the holders thereof, immediately after the consummation of the Transactions; and to waive their right to receive the Newco Cash Dividend in respect of any shares of Newco held by the Sellers.

The foregoing summary of the Amendment does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Amendment attached as Exhibit 10.1 and incorporated herein by reference.

On October 24, 2008, CHAC entered into an agreement (the Founders Agreement) with the persons whose names are set forth on Exhibit A attached thereto (the Founders), pursuant to which, each Founder agreed that, subject to the consummation of the Merger, the shares of common stock beneficially owned by such Founders will be converted into warrants (the New Founder Warrants) to purchase an equal number of shares of Newco. Each New Founder Warrant will be immediately exercisable when the closing sale price of Newco's shares exceeds \$13.50 per share for any 20 days within any 30-day trading period beginning 90 days after the Closing Date. The shares of Newco to be issued upon exercise of the warrants will be subject to terms and conditions of a warrant agreement, a warrant certificate and an amended and restated registration rights agreement substantially in the forms attached as Exhibits B, C and D to the Founders' Agreement.

The foregoing summary of the Founders' Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Founders' Agreement attached as Exhibit 10.2 and incorporated herein by reference.
