Awards of Performance Unit Grants to Certain Named Executives

On December 1, 2009, the Compensation Committee of the Company, after thorough evaluation, granted the following awards of performance units (Performance Units) to certain named executive officers of the Company set forth below. The Performance Units vest upon the achievement of certain performance milestones as set forth below.

Name	Number of Performance Units

Gordon J. Coburn, Chief Financial and Operating Officer and Treasurer	28,000
Rajeev Mehta, Chief Operating Officer, Global Client Services	25,000
Ramakrishnan Chandrasekaran, President and Managing Director, Global Delivery	20,000

The above Performance Units shall be subject to attainment of certain performance milestones as well as certain continued service requirements. All or a portion of the Performance Units shall vest based upon the level of achievement of the revenue milestone set forth below (the Performance Milestone) as follows:

- (a) 0% of the Performance Units which are awarded shall vest upon the Company's achievement of 2010 revenue of less than \$3,663,000,000.
- (b) 50% of the Performance Units which are awarded shall vest upon the Company's achievement of 2010 revenue of \$3,663,000,000.

Whether and to what extent the Performance Milestone has been achieved shall be determined by the Compensation Committee in its sole and absolute discretion based upon the audited financials for the 2010 fiscal year. The number of Performance Units that will vest for performance between the applicable threshold targets will be determined using straight-line interpolation, rounded down to the preceding whole number (e.g., 101.74 rounded down to 101).

In addition, of the Performance Units which vest based upon attainment of the Performance Milestone, $\frac{1}{3}$ rd of such Performance Units shall be issued on the eighteen-month anniversary of the date of grant; provided that the grantee remains in the Company's service through such anniversary date, and the remaining $\frac{2}{3}$ rd of the Performance Units which vest based upon attainment of the Performance Milestone shall be issued on the thirty-six month anniversary of the date of grant; provided that the grantee remains in the Company's service through such anniversary date (each such date, an Issue Date). For the avoidance of doubt, a grantee shall only be entitled to have Performance Units issued to him if the applicable Performance Milestone is achieved based on the schedule set forth above and the grantee remains in the service of the Company through the applicable Issue Date. The number of Performance Units which shall vest and be issued on the Issue Date which occurs on the eighteen-month anniversary of the date of grant shall be rounded down to the preceding whole number (e.g., 101.74 rounded down to 101), and the number of Performance Units which shall vest and be issued on the Issue Date which occurs on the three-year anniversary of the date of grant shall equal the aggregate number of Performance Units that vested based upon attainment of the Performance Milestone minus the whole number of Performance Units that vested upon attainment of the Performance Milestone that were issued on the previous Issue Date. In no event shall any fractional shares be issued. The Compensation Committee approved the grant and issuance of the Performance Units pursuant to the terms and conditions of the Plan.
