Item 2.02 Results of Operations and Financial Condition.

On November 4, 2010, Energy Partners, Ltd. (*EPL* or the *Company*) issued a press release announcing results for the fiscal quarter ended September 30, 2010. The Company's press release also stated that operational results since the Company's reorganization in late September 2009 include 22 successful exploration and development projects for a 79% success rate to date. A copy of the press release issued by the Company is attached hereto as Exhibit 99.1.

The Company's press release announcing its financial results for the fiscal quarter ended September 30, 2010 contains non-GAAP financial measures. Generally, a non-GAAP financial measure is a numerical measure of a company's performance, financial position, or cash flows that either excludes or includes amounts that are not normally excluded or included in the most directly comparable measure calculated and presented in accordance with United States generally accepted accounting principles (*GAAP*). Pursuant to the requirements of Regulation G, the Company has provided quantitative reconciliations within the press release of the non-GAAP financial measures to the most directly comparable GAAP financial measures.

The information furnished pursuant to this Item 2.02, including Exhibit 99.1, shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and will not be incorporated by reference into any registration statement filed under the Securities Act of 1933, as amended, unless specifically identified therein as being incorporated therein by reference.
