This Amendment is being filed pursuant to Rule 13d-2 of the General Rules and Regulations under the Securities and Exchange Act of 1934 as amended. The Reporting Persons have been dissatisfied with, among other matters, the financial position and results of United's operations and the price levels and liquidity of United's common shares. To have greater influence and input into the business, direction and operations of United the Reporting Persons formed the group referenced in the Reporting Person's Schedule 13Ds filed with the United States Securities and Exchange Commission on February 22, 2011. The Reporting Persons intend to review their investment in the Issuer on a continuing basis and intend to engage in further communications with members of the Board of Directors, management of the Issuer and other representatives of the Issuer, other stockholders of the Issuer, knowledgeable industry or market observers or other persons, regarding the Issuer, including but not limited to the Issuer's business, operations, assets, capitalization, financial condition, management, strategy and future plans and strategic alternatives that may be available to the Issuer. Such discussions may concern ideas or proposals that, if effected, may result in one or more of the events described in Item 4 of Schedule 13D, including but not limited to the acquisition or disposition by the Reporting Persons or other persons of shares of Common Stock, changes to the operating or other strategies of the Issuer, changes to the Issuer's governing documents, revisions to the Issuer's capitalization or dividend policy, extraordinary corporate transactions involving the Issuer, and/or further changes in the Board of Directors or management of the Issuer. Depending on various factors, including but not limited to the Issuer's financial position and strategic direction, actions taken by the Board, price levels of shares of the Common Stock, other investment opportunities available to the Reporting Persons, market conditions and general economic and industry conditions, the Reporting Persons may take such actions with respect to their investments in the Issuer as they deem appropriate, including, without limitation, purchasing additional shares of the Common Stock or selling some or all of their beneficial or economic holdings, engaging in hedging or similar transactions with respect to the securities relating to the Issuer and/or otherwise changing their intention with respect to any and all matters referred to in Item 4 of Schedule 13D.
