Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

e) Approval of the Amendment and Restatement of the Company's Flexible Stock Plan. The Company's Flexible Stock Plan, amended and restated effective as of May 10, 2012 (the "Plan") was approved by shareholders at the Company's annual meeting held May 10, 2012. The Plan provides for the award of stock based benefits (including stock options, stock appreciation rights (SARs), restricted stock, stock units, performance awards, and other stock based awards) to attract and retain valuable employees, align the interest of directors, employees and other key individuals with the interests of shareholders; and reward outstanding performance. The Plan has a term of 10 years.

David S. Haffner (President & Chief Executive Officer), Matthew C. Flanigan (Senior Vice President - Chief Financial Officer), and our other current named executive officers, Karl G. Glassman (Executive Vice President & Chief Operating Officer) and Joseph D. Downes, Jr. (Senior Vice President, President - Industrial Materials), along with our non-employee directors and other key employees are eligible to participate in the Plan. The material terms and conditions of the Plan and the amendments adopted by the shareholders at the annual meeting have been previously reported under Proposal Three in the Company's Proxy Statement (beginning on page 20), filed March 30, 2012, and in the Plan document attached as Appendix A to the Proxy Statement. The amendments to the Plan included:

- (a) An increase in the number of shares available under the Plan by 10.7 million; and
- (b) A change in the way awards granted under the Plan are charged against the number of shares available. Each Option or SAR will count as one share against the shares available under the Plan, but each share granted under all other awards (for example: restricted stock, stock units, performance awards, or other stock based awards) will count as three shares against the Plan. Prior to the amendment, each share granted under an award other than Options or SARs could potentially count as three shares against the Plan (but only if these types of awards exceeded 3.3 million shares measured from the last Plan amendment date, which was May 13, 2010).

The above disclosure is only a brief description of the Plan, as amended and restated, and is qualified in its entirety by the description in Proposal Three in the Proxy Statement, and the Plan document, each of which is incorporated herein by reference. The Plan document is also incorporated as Exhibit 10.1 hereto.

Paul R. Hauser, a named executive officer in the Company's Proxy Statement filed March 30, 2012, retired as Senior Vice President, President Residential Furnishings on February 18, 2012. As such, Mr. Hauser will not participate in the Plan.
