**Item 1.01 Entry into a Material Definitive Agreement**

On July 9, 2012, WellPoint, Inc., an Indiana corporation ( WellPoint ), WellPoint Merger Sub, Inc., a Delaware corporation and an indirect wholly owned subsidiary of WellPoint ( Merger Sub ), and AMERIGROUP Corporation, a Delaware corporation ( Amerigroup ), entered into an Agreement and Plan of Merger (the Merger Agreement ), pursuant to which Amerigroup would merge with and into Merger Sub (the Merger ), with Amerigroup continuing as the surviving corporation.

Subject to the terms and conditions of the Merger Agreement, which has been approved by the Boards of Directors of both WellPoint and Amerigroup, stockholders of Amerigroup will receive consideration of \$92.00 in cash for each share of Amerigroup stock.

Each option to acquire Amerigroup common stock that is outstanding and vested by its terms (including by reason of the Merger) at the effective time of the Merger will be canceled in exchange for the right to receive the Merger Consideration minus the exercise price per share of the option. Each option to acquire Amerigroup common stock that is outstanding but unvested by its terms at the effective time of the Merger will be converted into an option to acquire WellPoint common stock. Each Amerigroup equity award, including shares of restricted Amerigroup common stock and restricted stock units, that is outstanding and vested by its terms (including by reason of the Merger) at the effective time of the Merger will convert into the right to receive the Merger Consideration per share of the equity award. All other Amerigroup equity awards will convert into an equity award in respect of shares of WellPoint common stock.

WellPoint and Amerigroup have made customary representations, warranties and covenants in the Merger Agreement, including, among others, covenants not to engage in certain kinds of transactions during the period between the execution of the Merger Agreement and the consummation of the Merger. In addition, Amerigroup has agreed to cause a stockholder meeting to be held to consider adoption of the Merger Agreement and the Amerigroup Board of Directors will, subject to certain exceptions, recommend adoption by its stockholders of the Merger Agreement. Amerigroup has also agreed not to (i) solicit proposals relating to alternative business combination transactions or (ii) subject to certain conditions, enter into discussions concerning, or providing confidential information in connection with, alternative business combination transactions.

Consummation of the Merger is subject to customary conditions, including, among others, (i) approval of Amerigroup s stockholders, (ii) receipt of regulatory approvals and the absence of the imposition of certain material restrictions in connection with receipt of certain of these approvals, (iii) the other party s representations and warranties in the Merger Agreement being true and correct, subject to the materiality standards contained in the Merger Agreement, (iv) material compliance of the other party with its covenants and (v) absence of any law or order prohibiting the consummation of the Merger. The Merger is not subject to any financing condition.

The Merger Agreement contains certain termination rights for both WellPoint and Amerigroup, and further provides that, upon termination of the Merger Agreement under specified circumstances, Amerigroup may be required to pay WellPoint a termination fee of \$146,000,000. However, such termination fee would be \$73,000,000 if the basis for

termination of the Merger Agreement is for Amerigroup to enter into an alternative transaction with a third party from whom Amerigroup receives a bona fide written proposal for an alternative transaction prior to 11:59 p.m. on August 8, 2012 (the Excluded Period ), which Amerigroup's board of directors determines, prior to the end of the Excluded Period, is or is reasonably likely to lead to, a Superior Proposal (as defined in the Merger Agreement).

The foregoing description of the Merger and the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 2.1 hereto, and is incorporated herein by reference. A copy of the Merger Agreement has been included to provide shareholders with information regarding its terms and is not intended to provide any factual information about WellPoint or Amerigroup.

The Merger Agreement contains representations and warranties by WellPoint and Amerigroup as of specific dates. The representations and warranties reflect negotiations between the parties to the Merger Agreement and are not intended as statements of fact to be relied upon by WellPoint's shareholders; in certain cases, merely represent allocation decisions among the parties; have been modified or qualified by certain confidential disclosures that were made between the parties in connection with the negotiation of the Merger Agreement, which disclosures are not reflected in the Merger Agreement itself; may no longer be true as of a given date; and may apply standards of materiality in a way that is different from what may be viewed as material by stockholders. As such, the representations and warranties are solely for the benefit of the parties to the Merger Agreement and may be limited or modified by a variety of factors, including: subsequent events, information included in public filings, disclosures made during negotiations, correspondence between the parties and disclosure schedules to the Merger Agreement. Accordingly, the representations and warranties may not describe the actual state of affairs at the date they were made or at any other time and you should not rely on them as statements of fact. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the WellPoint's public disclosures. WellPoint acknowledges that, notwithstanding the inclusion of the foregoing cautionary statements, it is responsible for considering whether additional specific disclosures of material information regarding material contractual provisions are required to make the statements in this Form 8-K not misleading.
