Registration Statement No. 333-176013, registering 2,500,000 shares of Company common stock under The 2003 Incentive Award Plan of Gen-Probe Incorporated.

On August 1, 2012, the Company was acquired by Hologic, Inc., a Delaware corporation (Hologic), pursuant to the merger of Gold Acquisition Corp., a Delaware corporation and a direct wholly owned subsidiary of Hologic (Merger Sub), with and into the Company, with the Company surviving the merger as a wholly owned subsidiary of Hologic (the Merger). The Merger was effected pursuant to the previously announced Agreement and Plan of Merger, dated as of April 29, 2012 (the Merger Agreement), by and among the Company, Hologic, and Merger Sub. Pursuant to the Merger Agreement, at the effective time of the Merger (the Effective Time), each outstanding share of Company common stock was converted into the right to receive \$82.75 in cash, without interest and less any applicable withholding taxes (the Merger Consideration), other than (i) treasury shares, (ii) shares held by the Company or any of its subsidiaries, (iii) shares held by Hologic, Merger Sub or any other subsidiary of Hologic, and (iv) shares held by stockholders who have properly demanded, exercised and perfected and not withdrawn a demand for statutory appraisal rights under Delaware law, if any.

Also at the Effective Time, each outstanding option to purchase shares of Company common stock, other than options granted on or after February 8, 2012, was cancelled in exchange for the right to receive an amount in cash equal to the excess of the Merger Consideration over the exercise price for each share subject to the applicable option, less any applicable withholding taxes. With respect to stock options granted on or after February 8, 2012, each such option (i) was assumed by Hologic and will continue to have, and be subject to, the same terms and conditions applicable to such option, and (ii) will be, or will become, exercisable for a number of shares of Hologic common stock equal to the product of (x) the number of shares that would have been issuable upon exercise of such option and (y) the Option Exchange Ratio (as defined in the Merger Agreement). With respect to each share of restricted stock, the vesting restrictions lapsed at the Effective Time and each such share became fully vested and was converted into the right to receive a cash payment in an amount equal to the product of (i) the number of shares subject to the award and (ii) the Merger Consideration. With respect to each award representing the right to receive shares of Company common stock that is subject to performance-based conditions, the performance periods thereunder terminated at the Effective Time, and 150% of the target number of shares subject to the performance award with respect to such performance periods fully vested and were converted into the right to receive a cash payment in an amount equal to the product of (i) the number of vested shares subject to the award and (ii) the Merger Consideration.

As a result of the Merger, the Company has terminated any and all offerings of securities pursuant to the Registration Statements. Accordingly, the Company hereby terminates the effectiveness of each Registration Statement and, in accordance with an undertaking made by the Company in Part II of each Registration Statement to remove from registration, by means of a post-effective amendment, any securities that had been
