**Item 2.02 Results of Operations and Financial Condition**

On May 1, 2013, MasterCard Incorporated ( MasterCard ) issued a press release announcing financial results for its first quarter ended March 31, 2013.

A copy of the press release is attached hereto as Exhibit 99.1. All information in the press release is furnished but not filed.

Non-GAAP Financial Information

In the attached press release, MasterCard presents growth rates adjusted for currency, which is a non-GAAP financial measure. Due to the impact of foreign currency rate fluctuations on reported results, MasterCard's management believes the presentation of certain growth rates adjusted for currency, calculated by remeasuring the prior period's results using the current period's exchange rates, provides relevant information. MasterCard's management uses this non-GAAP financial measure to, among other things, evaluate its ongoing operations in relation to historical results, for internal planning and forecasting purposes and in the calculation of performance-based compensation.
