Item 7.01 Regulation FD Disclosure.

Key Energy Services, Inc. (the Company) plans to present at the 2013 Global Hunter Securities GHS 100 Energy Conference, on June 26, 2013 in Chicago, Illinois. As previously announced in a news release issued by the Company on June 17, 2013, this presentation will be available via live webcast. A replay of the presentation will also be available at the Company's website, www.keyenergy.com, under Investor Relations. During the presentation, among other matters, the Company plans to discuss the following:

Pricing for U.S. services generally stable compared to first quarter 2013;

U.S. Segment experiencing seasonal revenue growth in second quarter as anticipated;

Fluid Management Services restructuring progressing well;

Expect to average approximately 16 active rigs in Mexico in second quarter;

Relocation of rigs from Mexico's ATG field underway;

Start-up of new 2-rig operation in Ecuador proceeding; and

Excluding restructuring and mobilization costs, consolidated operating income margins anticipated to be flat to up 100 basis points compared to first quarter 2013.

A copy of the slides to be used in connection with the presentation is attached as Exhibit 99.1, and is incorporated herein by reference. The information contained in this Item 7.01 shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

This Current Report on Form 8-K, the attached presentation materials and the Company's webcast presentation contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Any matters that are not of historic fact are forward-looking statements. These forward-looking statements are based on the Company's current expectations, estimates and projections about the Company, its industry, its management's beliefs and certain assumptions made by management, including the Company's activity levels and capital expenditure expectations. No assurance can be given that such expectations, estimates or projections will prove to have been correct. Whenever possible, these forward-looking statements are identified by words such as expects, believes, anticipates and similar phrases.

Because such statements involve risks and uncertainties, the Company's actual results and performance may differ materially from the results expressed or implied by such forward-looking statements. Given these risks and uncertainties, readers are cautioned not to place undue reliance on such forward-looking statements. Other important risk factors that may affect the Company's business, results of operations and financial position are discussed in its most recently filed Annual Report on Form 10-K, recent Quarterly Reports on Form 10-Q, recent Current Reports on Form 8-K and in other Securities and Exchange Commission filings. Unless otherwise required by law, the Company also disclaims any obligation to update its view of any such risks or uncertainties or to announce publicly the result of any revisions to the forward-looking statements made here. However, readers should review carefully reports and documents that the Company files periodically with the Securities and Exchange Commission.
