ITEM 5.02. DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENT OF CERTAIN OFFICERS.

(b) On December 10, 2013, Guy Nohra submitted his resignation from the Board of Directors (the Board) of AcelRx Pharmaceuticals, Inc. (the Company), effective immediately. Mr. Nohra served in the class of directors whose term of office expires at the Company's 2015 Annual Meeting of Stockholders. Mr. Nohra's resignation was not the result of a disagreement with the Company on any matter relating to the Company's operations, policies or practices.

(d) Effective immediately upon Mr. Nohra's resignation from the Board, the Board elected Richard Afable to the Board, to serve in the class of directors whose term of office expires at the Company's 2015 Annual Meeting of Stockholders and until his successor is duly elected and qualified, or until his earlier death, resignation or removal. Mr. Afable's election was recommended to the Board by the Nominating and Corporate Governance Committee of the Board (the Governance Committee). Mr. Afable was also named as a member of the Compensation Committee, effective immediately upon his election to the Board.

In accordance with the Company's Director Compensation Policy, as amended, Mr. Afable is entitled to receive a \$40,000 annual retainer for service as a Board member. Additionally, Mr. Afable will receive a supplemental annual retainer of \$3,750 as a member of Compensation Committee.

In connection with his election to the Board, Mr. Afable, as a non-employee director and pursuant to the Company's 2011 Equity Incentive Plan (the Plan) and the Director Compensation Policy, was granted an option to purchase 15,000 shares of Common Stock (the Initial Option) on December 10, 2013. The Initial Option vests as to 1/36 of the shares subject to the option per month on an equal monthly basis over a three-year period. Additionally, on the date of each Annual Meeting of Stockholders in which he is elected or is then serving as a director, Mr. Afable will receive a grant of a stock option to purchase 15,000 shares of Common Stock, which will vest as to 1/24th of the shares subject to the option on an equal monthly basis over a two-year period. All these options will be granted with an exercise price equal to the fair market value of the Company's common stock on the date of the grant, and shall be entitled to full vesting acceleration as of immediately prior to the effective date of certain change in control transactions involving the Company, such as our liquidation or a dissolution of or an event that results in a material change in the ownership of the Company.

The Company also entered into a standard form of indemnification agreement with Mr. Afable (the Indemnification Agreement). The Indemnification Agreement provides, among other things, that the Company will indemnify Mr. Afable, under the circumstances and to the extent provided for therein, for certain expenses which he may be required to pay in connection with certain claims to which he may be made a party by reason of his position as a director of the Company, and otherwise to the fullest extent permitted under Delaware law and the Company's Bylaws.

The Company's standard form of indemnification agreement was previously filed as Exhibit 10.1 to the Company's Registration Statement on Form S-1 (No. 333-170594), as amended, as filed on January 7, 2011, and is incorporated herein by reference.

There are no arrangements or understandings between Mr. Afable and any other persons pursuant to which he was elected as a director of the Company. There are no family relationships between Mr. Afable and any director, executive officer, or any person nominated or chosen by the Company to become a director or executive officer. There are no related person transactions (within the meaning of Item 404(a) of Regulation S-K promulgated by the Securities and Exchange Commission) between Mr. Afable and the Company.

A copy of the Company's press release announcing the appointment of Mr. Afable is attached hereto as Exhibit 99.1 and is incorporated by reference.
