The proxy statement contains important information about the Annual Meeting, the proposals we will consider and how you can vote your shares. The Securities and Exchange Commission has adopted a Notice and Access rule that allows companies to deliver a Notice of Internet Availability of Proxy Materials, which we refer to as the Notice of Internet Availability, to shareholders in lieu of a paper copy of the proxy statement and related materials and the Company's Annual Report to Shareholders, which we refer to as the Proxy Materials. The Notice of Internet Availability provides instructions as to how shareholders can access the Proxy Materials online, contains a listing of matters to be considered at the meeting and sets forth instructions as to how shares can be voted. Shares must be voted either by telephone or online or by completing and returning a proxy card. **Shares cannot be voted by marking, writing on and/or returning the Notice of Internet Availability. Any Notices of Internet Availability that are returned will not be counted as votes.** Instructions for requesting a paper copy of the Proxy Materials are set forth on the Notice of Internet Availability.

Your vote is very important to us. We encourage you to promptly vote your shares either by telephone or online or by completing, signing, dating and returning the enclosed proxy card, which contains instructions on how you would like your shares to be voted. **Please submit your proxy regardless of whether you will attend the Annual Meeting.** This will help us ensure that your vote is represented at the Annual Meeting. Signing this proxy will not prevent you from voting in person should you be able to attend the meeting, but will assure that your vote is counted, if for any reason, you are unable to attend.

On behalf of the board of directors and the management of Compass Group Diversified Holdings LLC, I extend our appreciation for your investment in Compass Diversified Holdings. We look forward to seeing you at the Annual Meeting.

Sincerely,

Check-in Procedure for Attending the Annual Meeting

Shareholders of Record. The documents you will need to provide to be admitted to the Annual Meeting depend on whether you are a shareholder of record or you represent a shareholder of record.

Individuals. If you are a shareholder of record holding shares in your own name, you must bring to the Annual Meeting a form of government-issued photo identification (e.g., a driver's license or passport). Trustees who are individuals and named as shareholders of record are in this category.

Individuals Representing a Shareholder of Record. If you attend on behalf of a shareholder of record, whether such shareholder is an individual, corporation, trust or partnership:

you must bring to the Annual Meeting a form of government-issued photo identification (e.g., a driver's license or passport); AND

either:

a letter from that shareholder of record authorizing you to attend the Annual Meeting on their behalf; OR

we must have received by 5:00 p.m., Eastern Time, on May 28, 2014 a duly executed proxy card from the shareholder of record appointing you as proxy.

Beneficial Owners. If your shares are held by a bank or broker (often referred to as "holding in street name") you should go to the Beneficial Owners check-in area at the Annual Meeting. Because you hold in street name, your name does not appear on the share register of the Trust. The documents you will need to provide to be admitted to the Annual Meeting depend on whether you are a beneficial owner or you represent a beneficial owner.

Individuals. If you are a beneficial owner, you must bring to the Annual Meeting:

either:

a form of government-issued photo identification (e.g., a driver's license or passport); AND

a legal proxy that you have obtained from your bank or broker; OR

your most recent brokerage account statement or a recent letter from your bank or broker showing that you own shares of the Trust.

Individuals Representing a Beneficial Owner. If you attend on behalf of a beneficial owner, you must bring to the Annual Meeting:

a letter from the beneficial owner authorizing you to represent its shares at the Annual Meeting; AND

the identification and documentation specified above for individual beneficial owners.

Voting in Person at the Annual Meeting

Shareholders of Record. Shareholders of record may vote their shares in person at the Annual Meeting by ballot. Each proposal has a separate ballot. You must properly complete, sign, date and return the ballots to the inspector of election at the Annual Meeting to vote in person. To receive ballots, you must bring with you the documents described below:

Individuals. You will receive ballots at the check-in table when you present your identification. If you have already returned your proxy card to us and do not want to change your votes, you do not need to complete the ballots. If you do complete and return the ballots to us, your proxy card will be automatically revoked.

Individuals Voting on Behalf of Another Individual. If you will vote on behalf of another individual who is a shareholder of record, **we must have received by 5:00 p.m., Eastern Time, on May 28, 2014** a duly executed proxy card from such individual shareholder of record appointing you as his or her proxy. If we have received the proxy card, you will receive ballots at the check-in table when you present your identification.

Individuals Voting on Behalf of a Legal Entity. If you represent a shareholder of record that is a legal entity, you may vote that legal entity's shares if it authorizes you to do so. The documents you must provide to receive ballots at the check-in table depend on whether you are representing a corporation, trust, partnership or other legal entity.

If you represent a corporation, you must:

bring to the Annual Meeting a letter or other document from the corporation, on the corporation's letterhead and signed by an officer of the corporation, that authorizes you to vote the corporation's shares on its behalf; OR

we must have received by 5:00 p.m., Eastern Time, on May 28, 2014 a duly executed proxy card from the corporation appointing you as its proxy.

Table of Contents

If you represent a trust, partnership or other legal entity, we must have received by 5:00 p.m., Eastern Time, on May 28, 2014 a duly executed proxy card from the legal entity appointing you as its proxy. A letter or other document will not be sufficient for you to vote on behalf of a trust, partnership or other legal entity other than a corporation.

Beneficial Owners. If you hold your shares in street name, these proxy materials are being forwarded to you by your bank, broker or their appointed agent. Because your name does not appear on the share register of the Trust, you will not be able to vote in person at the Annual Meeting unless you request a legal proxy from your bank or broker and bring it with you to the Annual Meeting.

Individuals. As an individual, the legal proxy will have your name on it. You must present the legal proxy at check-in to the inspector of election at the Annual Meeting to receive your ballots.

Individuals Voting on Behalf of a Beneficial Owner. Because the legal proxy will not have your name on it, to receive your ballots you must:

present the legal proxy at check-in to the inspector of election at the Annual Meeting; AND

bring to the Annual Meeting a letter from the person or entity named on the legal proxy that authorizes you to vote its shares at the Annual Meeting.

APPOINTMENT OF PROXY

Shareholders of Record. We encourage you to appoint a proxy to vote on your behalf by promptly submitting the enclosed proxy card, which is solicited by our board of directors, which we refer to as our Board or the Board, and which, when properly completed, signed, dated and returned to us, will ensure that your shares are voted as you direct. We strongly encourage you to return your completed proxy to us regardless of whether you will attend the Annual Meeting to ensure that your vote is represented at the Annual Meeting.

PLEASE RETURN YOUR PROXY CARD TO US IN THE ACCOMPANYING ENVELOPE, OR SUBMIT YOUR VOTE BY TELEPHONE OR ONLINE, NO LATER THAN 5:00 P.M., EASTERN TIME, ON MAY 28, 2014. IF WE DO NOT RECEIVE YOUR PROXY CARD BY THAT TIME, YOUR PROXY WILL NOT BE VALID. IN THIS CASE, UNLESS YOU ATTEND THE ANNUAL MEETING, YOUR VOTE WILL NOT BE REPRESENTED.

The persons named in the proxy card have been designated as proxies by our Board. The designated proxies are officers of the Company. They will vote as directed by the completed proxy card.

Shareholders of record may appoint another person to attend the Annual Meeting and vote on their behalf by crossing out the Board-designated proxies, inserting such other person's name on the proxy card and returning the duly executed proxy card to us. When the person you appoint as proxy arrives at the Annual Meeting, the inspector of election will verify such person's authorization to vote on your behalf by reference to your proxy card. If you would like to appoint a person as proxy other than those designated by our Board, you must do so by using the proxy card, as described above.

If you wish to change your vote, you may do so by revoking your proxy before the Annual Meeting. Please see APPOINTMENT OF PROXY Revocation of Proxy below for more information.

Beneficial Owners. If you hold your shares in street name, these proxy materials are being forwarded to you by your bank, broker or their appointed agent. You should also have received a voter instruction card instead of a proxy card. Your bank or broker will vote your shares as you instruct on the voter instruction card. We strongly encourage you to promptly complete and return your voter instruction card to your bank or broker in accordance with their instructions so that your shares are voted. As described above, you may also request a legal proxy from your bank or broker to vote in person at the Annual Meeting.

Voting by the Designated Proxies

The persons who are the designated proxies will vote as you direct in your proxy card or voter instruction card. Please note that proxy cards returned without voting directions, and without specifying a proxy to attend the Annual Meeting and vote on your behalf, will be voted by the proxies designated by our Board in accordance with the recommendations of our Board. Our Board recommends:

a vote **FOR** each of the two nominees for director, each to serve for a three-year term (Proposal 1);

a vote **FOR** the approval of the compensation of our executive officers as disclosed in the proxy statement (Proposal 2); and

a vote **FOR** the proposal to ratify the selection of Grant Thornton LLP as the Trust s and the Company s independent auditor for the fiscal year ending December 31, 2014 (Proposal 3).

If any other matter properly comes before the Annual Meeting, your proxies will vote on that matter in their discretion.

Table of Contents

Revocation of Proxy

You may revoke or change your proxy before the Annual Meeting by:

sending us a duly executed written notice of revocation prior to the Annual Meeting;

attending the Annual Meeting and voting in person; OR

ensuring that we receive from you, **prior to 5:00 p.m., Eastern Time, on May 28, 2014** a new proxy card with a later date, including receipt of a new proxy card submitted online.

Any written notice of revocation must be sent to the attention of Carrie W. Ryan, Secretary, Compass Group Diversified Holdings LLC, Sixty One Wilton Road, Second Floor, Westport, Connecticut 06880 or by facsimile to (203) 221-8253.

APPROVAL OF PROPOSALS AND SOLICITATION

Each shareholder who owned shares of Trust stock on April 1, 2014, the record date for the determination of shareholders entitled to vote at the Annual Meeting, is entitled to one vote for each share of Trust stock. On April 1, 2014, we had 48,300,000 shares of Trust stock issued and outstanding that were held by approximately 20,000 beneficial holders.

Quorum

Under the Amended and Restated Trust Agreement of the Trust, dated April 25, 2006, as amended, which we refer to as the Trust Agreement, the shareholders present in person or by proxy holding a majority of the outstanding shares of Trust stock entitled to vote shall constitute a quorum at a meeting of shareholders of the Trust. Holders of shares of Trust stock are the only shareholders entitled to vote at the Annual Meeting. Shares represented by proxies that are marked `abstain` will be counted as shares present for purposes of determining the presence of a quorum. Shares of Trust stock that are represented by broker non-votes will be counted as shares present for purposes of determining the presence of a quorum. A broker non-vote occurs when the broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power to vote on that proposal without specific voting instructions from the beneficial owner. Proposals 1 and 2 described in this proxy are non-discretionary items and Proposal 3 described in this proxy is a discretionary item.

If the persons present or represented by proxies at the Annual Meeting do not constitute a majority of the holders of outstanding Trust stock entitled to vote as of the record date, we will postpone the Annual Meeting to a later date.

Approval of Proposals

For the election of directors (Proposal 1), the affirmative vote of at least a plurality of the votes cast on such proposal is required. The advisory vote on executive compensation (Proposal 2) requires the affirmative vote of at least a majority of the outstanding shares present in person or represented by proxy at the Annual Meeting. Because your votes on Proposal 2 are advisory, they will not be binding on the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions regarding executive

compensation. For the approval of the proposal to ratify the selection of Grant Thornton LLP as the independent auditor for the Trust and the Company (Proposal 3), the affirmative vote of at least a majority of the outstanding shares present in person or represented by proxy at the Annual Meeting is required. An abstention will not be counted as a vote cast. With the exception of certain business combinations, as such term is defined in the Trust Agreement, any other proposal that properly comes before the Annual Meeting must be approved by the affirmative vote of at least a majority of the outstanding shares present in person or represented by proxy at the Annual Meeting. A broker non-vote would also not be counted as a vote cast.

Proposal 3 is a discretionary item. New York Stock Exchange (NYSE) member brokers that do not receive instructions from beneficial owners may vote your shares in their discretion. Proposals 1 and 2 are non-discretionary items and member brokers may not vote on the proposal without specific voting instructions from beneficial owners, resulting in a broker non-vote.

Under the terms of the Fourth Amended and Restated Operating Agreement of the Company, dated as of January 1, 2012, which we refer to as the LLC Agreement, and the Trust Agreement, with respect to those matters subject to vote by the members of the Company, the Company will act at the direction of the Trust. The Trust Agreement requires the Trust to vote 100% of the limited liability interests of the Company, or the LLC interests, of which it is the sole holder, in the same proportion as the vote of holders of the Trust stock. In this way the voting rights of members of the Company will effectively be exercised by the shareholders of the Trust by proxy. The LLC Agreement provides that the members are entitled, at the annual meeting of members of the Company, to vote for the election of all of the directors other than the director appointed by the Company's Allocation Member. At this meeting, Class II directors will be elected in accordance with the LLC Agreement. See PROPOSAL 1: ELECTION OF DIRECTORS Board Composition for a description of Class II directors. The Trust will vote its LLC interests as directed at the Company's annual members meeting promptly following the tabulation of votes cast at this Annual Meeting.

All votes will be tabulated by Broadridge, the proxy tabulator and inspector of election appointed for the Annual Meeting. Broadridge will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Table of Contents

Solicitation of Proxies

We will bear the cost of the solicitation of proxies, including the preparation, printing and mailing of this proxy statement and the proxy card. We have also retained Broadridge to distribute copies of these proxy materials to banks, brokers, fiduciaries and custodians, or their agents holding shares in their names on behalf of beneficial owners so that they may forward these proxy materials to our beneficial owners.

We may supplement the original solicitation of proxies by mail with solicitation by telephone, telegram and other means by directors, officers and/or employees of our Manager. We will not pay any additional compensation to these individuals for any such services.

Our Board has the ability to decrease or increase its size to no less than five or up to thirteen directors, respectively. Six of our directors are elected by our shareholders and one director is appointed by the Company's Allocation Member (as defined herein). The Board is divided into three classes serving staggered three year terms. Pursuant to the LLC Agreement, the Company's Allocation Member has the right to appoint one director to the Board. Any appointed director will not be required to stand for election by the shareholders.

Director Independence

Pursuant to our governing documents, our Board will consist of at least a majority of independent directors at all times. Our Board has reviewed the materiality of any relationship that each of our directors has with the Trust or the Company, either directly or indirectly. Based on this review, the Board has determined that the following directors are independent directors as defined by the NYSE: Messrs. Burns, Day, Edwards, Ewing and Lazarus.

Election of Directors

Our Board and our compensation committee value the opinions of our shareholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider the results of the vote in future compensation deliberations and evaluate whether any actions are necessary to address shareholder concerns.

The Company will include a proposal seeking shareholder approval, on an advisory basis, of the compensation of our named executive officers in the proxy statement every year until the annual meeting of shareholders in 2017. In 2017, the Company will include a proposal seeking shareholder approval, on an advisory basis, of the frequency at which the Company shall seek shareholder approval, on an advisory basis, of the compensation of the named executive officers.

Table of Contents**BOARD OF DIRECTORS, EXECUTIVE OFFICERS AND COMMITTEES****Certain Information Regarding our Directors and Executive Officers**

C. Sean Day	64	2006	Chairman/Director
Gordon M. Burns	62	2008	Director
Harold S. Edwards	48	2006	Director

Alan B. Offenberg	46	2011	Director, Chief Executive Officer

Ryan J. Faulkingham	37	2013	Chief Financial Officer

Effective November 30, 2013, Mr. Bottiglieri retired as our chief financial officer and Mr. Faulkingham became our new chief financial officer. The following paragraph describes the business experience and education of Mr. Faulkingham.

Ryan J. Faulkingham has served as chief financial officer of the Company since November 2013. Mr. Faulkingham joined the Company in 2008 and most recently was the Company's Director of Financial Reporting. Prior to joining us in 2008, Mr. Faulkingham served as a Vice President at Merrill Lynch & Co., a financial management and advisory company, where he prepared regulatory filings, performed technical accounting research and implemented policies to ensure compliance with internal control standards. From 2003 to 2006, he was Manager, Accounting and External Reporting at WebMD Health Corp., a medical information company, serving as a key contributor to the company's 2005 initial public offering and lead finance member for numerous mergers and acquisitions. Board Leadership Structure and Role of Risk Oversight

Generally. The LLC Agreement provides that the chairman is elected by a majority of the Board and must also be a member of the Board. The chairman is not required to be an employee of the Company. Likewise, the LLC Agreement provides that the chief executive officer is elected by the Board. Although there is no requirement that the chief executive officer and the chairman be separate positions, the Board has currently chosen to separate the chief executive officer and chairman positions. The Board believes the current separation of these roles helps to ensure good Board governance and fosters independent oversight to protect the long-term interests of the Company's private and institutional shareholders. In addition, the Board believes this separation is presently appropriate as it allows our chief executive officer to focus primarily on leading the Company's day-to-day business and affairs while the chairman can focus on leading the Board in its consideration of strategic issues and monitoring corporate governance and shareholder matters.

Risk Oversight. The Board performs a majority of its role in risk oversight through the audit committee. The audit committee charter provides that the audit committee shall assist the Board in fulfilling its oversight responsibility relating to the evaluation of enterprise risk issues. In addition, the audit committee, pursuant to its charter, discusses with management, the vice president of internal audit and internal audit service providers, as the case may be, and the independent accountant, the Company's major risk exposures (whether financial, operational or both) and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. The Company's internal audit department supervises the day-to-day risk management responsibilities of the Company and reports directly to the audit committee, which is comprised solely of independent directors. In addition, during each quarterly meeting of the audit committee, the members of the audit committee meet with the Company's vice president of internal audit and independent accountant, in each case, without management present, to discuss the specific areas of risk identified during the quarter, if any. The audit committee is authorized to utilize outside lawyers, internal staff, independent experts and other consultants to assist and advise the committee in connection with its responsibilities, including the evaluation of the Company's major risk exposures. The Company's management team, including Company counsel, regularly evaluates the risks inherent to the businesses of the Company's subsidiaries and periodically reports the results of such evaluations to the full Board for consideration. The Board believes that the foregoing processes for overseeing risk ensures that independent directors are aware of the Company's major risk exposures.

Board Meetings and Committees

Our Board met nine times during 2013. All directors attended at least 75% of the combined Board and committee meetings on which they served in 2013. Although we have no formal policy regarding director attendance at the annual meeting of the shareholders, directors are encouraged to attend. All of the Company's directors attended the 2013 Annual Meeting.

Table of Contents

The LLC Agreement gives our Board the authority to delegate its powers to committees appointed by the Board. All of our standing committees are composed solely of independent directors, as defined by the applicable NYSE committee membership independence standards. Our committees are required to conduct meetings and take action in accordance with the directions of the Board, the provisions of our LLC Agreement and the terms of the respective committee charters. We have three standing committees: the audit committee, the compensation committee and the nominating and corporate governance committee. Each of the audit committee, compensation committee and nominating and corporate governance committee may not delegate any of its authority to subcommittees unless otherwise authorized by the Board. Copies of all committee charters are available on our website at www.compassdiversifiedholdings.com, and in print from us without charge upon request by writing to Investor Relations at our principal executive offices at Sixty One Wilton Road, Second Floor, Westport, Connecticut 06880. The information on our website is not, and shall not be deemed to be, incorporated by reference into this proxy statement or incorporated into any other filings that the Company or the Trust makes with the SEC.

Audit Committee. The audit committee is comprised entirely of independent directors who meet the independence requirements of the NYSE and Rule 10A-3 of the Exchange Act of 1934, as amended, which we refer to as the Exchange Act, and includes at least one audit committee financial expert, as required by applicable SEC regulations. The audit committee is responsible for, among other things:

retaining and overseeing our independent accountants;

assisting the Board in its oversight of the integrity of our financial statements, the qualifications, independence and performance of our independent auditors and our compliance with legal and regulatory requirements;

reviewing and approving the plan and scope of the internal and external audit;

pre-approving any audit and non-audit services provided by our independent auditors;

approving the fees to be paid to our independent auditors;

reviewing with our chief executive officer and chief financial officer and independent auditors the adequacy and effectiveness of our internal controls;

preparing the audit committee report to be filed with the SEC; and

reviewing and assessing annually the audit committee's performance and the adequacy of its charter. Messrs. Edwards, Ewing and Burns serve on our audit committee, and the Board has determined that Mr. Ewing qualifies as an audit committee financial expert, as defined by the SEC. The audit committee met six times during 2013.

Compensation Committee. The compensation committee is comprised entirely of independent directors who meet the compensation committee independence requirements of the NYSE. In accordance with the compensation committee charter, the members are outside directors as defined in Section 162(m) of the Internal Revenue Code of 1986, as amended, and non-employee directors within the meaning of Section 16 of the Exchange Act. The responsibilities of the compensation committee include:

reviewing our Manager's performance of its obligations under the Management Services Agreement;

reviewing the remuneration of our Manager and approving the remuneration paid to our Manager as reimbursement for the compensation paid by our Manager to our chief financial officer and the chief financial officer's staff;

determining the compensation of our independent directors;

granting rights to indemnification and reimbursement of expenses to the Manager and any seconded individuals; and

making recommendations to the Board regarding equity-based and incentive compensation plans, policies and programs.

Neither the compensation committee nor management has engaged compensation consultants to provide advice with respect to the form or amount of director compensation. In early 2013, the compensation committee conducted a survey of the director compensation practices of other companies that it considered reasonably comparable to the Company. The compensation committee targets cash and equity compensation for the Company's directors at the average of the peer group. The committee also considered the time commitment, responsibilities and related burdens of Board service over the Company's history. Based upon the compensation committee's review, the committee recommended to the full Board that the annual cash retainer paid to directors be increased by \$17,000 and the annual cash retainer paid to the Chairman be increased by \$34,000. The full Board ratified the compensation committee's recommendation on February 28, 2013. The increases in compensation became effective as of January 1, 2013. The Company's Manager is responsible for establishing the form and amount of compensation paid to our chief financial officer and his staff by our Manager. The Company's Compensation Committee is responsible for approving the remuneration paid to our Manager as reimbursement for the compensation paid by our Manager to our chief financial officer and the chief financial officer's staff. Mr. Offenberg, our chief executive officer, in his capacity as a member of our Manager, participates in the establishment of the form and amount of compensation paid to our chief financial officer and his staff by our Manager.

Messrs. Edwards, Ewing and Lazarus serve on our compensation committee. The compensation committee met one time during 2013.

Nominating and Corporate Governance Committee. The nominating and corporate governance committee is comprised entirely of independent directors who meet the independence requirements of the NYSE. The nominating and corporate governance committee is responsible for, among other things:

recommending the number of directors to comprise the Board;

identifying and evaluating individuals qualified to become members of the Board, other than our Manager's appointed director and his or her alternate, and soliciting recommendations for director nominees from the chairman and chief executive officer of the Company;

recommending to the Board the director nominees for each annual shareholders' meeting, other than our Manager's appointed director;

recommending to the Board the candidates for filling vacancies that may occur between annual shareholders meetings, other than our Manager's appointed director;

reviewing independent director compensation and Board processes, self-evaluations and policies;

overseeing compliance with our code of ethics and conduct by our officers and directors; and

monitoring developments in the law and practice of corporate governance.

Messrs. Burns, Edwards, and Lazarus serve on our nominating and corporate governance committee. The nominating and corporate governance committee met one time during 2013.

Compensation Committee Interlocks and Insider Participation

None of the members of our compensation committee are, or have been, an officer or employee of the Company. During 2013, no member of our compensation committee had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K. None of our executive officers serves on a board of directors or compensation committee of a company that has an executive officer serving on our Board or compensation committee.

Executive Sessions of our Board

Our corporate governance guidelines provide that the non-management directors will meet without management directors at regularly scheduled executive sessions at least quarterly and at such other times as they deem appropriate. The independent directors meet in executive session at least quarterly. In accordance with our corporate governance guidelines, the chairman of the Board, audit committee, nominating and corporate governance committee or compensation committee will preside at these executive sessions of the non-management directors and independent directors as determined by the non-executive directors based upon the subject matter to be discussed. Mr. Day presided, and continues to preside, over sessions of the non-management and independent directors. Our

non-management directors met four times during 2013.

Nominations of Directors

As provided in its charter, the nominating and corporate governance committee will identify and recommend to the Board nominees for election or re-election to the Board. In addition, the committee may review candidates for the Board recommended by executive search firms, the Company's management and other members of the Board who are not members of the committee, as well as candidates recommended by shareholders, in accordance with the following criteria and as discussed in "Shareholder Nominations of Directors" below.

The nominating and corporate governance committee, in making its recommendations regarding Board nominees, may consider some or all of the following factors, among others:

the candidate's judgment, skill, and experience with other organizations of comparable purpose, complexity and size, and subject to similar legal restrictions and oversight;

the relationship of the candidate's experience to the experience of other Board members;

the extent to which the candidate would be a valuable addition to the Board and any committees thereof;

whether or not the person has any relationships that might impair his or her independence, including any business, financial or family relationships with the Manager or the Company's management; and

the candidate's ability to contribute to the effective management of the Company, taking into account the needs of the Company and such factors as the individual's experience, perspective, skills, and knowledge of the industries in which the Company operates.

In recommending candidates for election as directors, the nominating and corporate governance committee will also take into consideration the need for the Board to have a majority of directors that are independent under the requirements of the NYSE and other applicable laws, and at least three directors that are independent under these requirements and are not appointed by the Allocation Member pursuant to the terms of the LLC Agreement or otherwise affiliated with our Manager.

Table of Contents

In addition, the nominating and corporate governance committee will recommend candidates for election as directors based on the following criteria and qualifications:

Complementary Attributes. Such person shall have skills and talents which would be a valuable addition to the Board and any committees thereof and that shall complement the skills and talents of our existing directors.

Reputation and Integrity. Such person shall be of high repute and integrity.

Neither the nominating and corporate governance committee nor the Board has a formal policy with regard to the consideration of diversity in identifying director nominees; however, diversity is one of the criteria evaluated by the nominating and corporate governance committee when selecting Board nominees and re-electing Board members. The nominating and corporate governance committee seeks and recommends candidates for election or re-election with differences of viewpoint, professional experience, education, skill, background and other individual qualities. The nominating and corporate governance committee charter provides that the committee endeavor to solicit as director candidates individuals possessing skills and talents which would complement the skills and talents of the Company's existing directors. In addition, before recommending that the Board nominate each new director candidate or re-nominate each incumbent director, the nominating and corporate governance committee assesses to what extent such individual's contributions will enhance the effectiveness of the Board and its committees given its overall current composition. Each year, the Board assesses the effectiveness of its diversity efforts, among other items, during its annual self-evaluation process. The nominating and corporate governance committee assesses annually the composition of the Board and each long standing committee. Under the Company's corporate governance guidelines, directors must inform the chairman of the Board and the chairman of the nominating and corporate governance committee in advance of accepting an invitation to serve on another public company board or any committee thereof.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

We have entered into a management services agreement, which we refer to as the Management Services Agreement with Compass Group Management LLC, which we refer to as our Manager. The Management Services Agreement defines our Manager's duties and responsibilities and is subject to the oversight and supervision of our Board. Our Manager is responsible for the conduct of the Company's day-to-day business and affairs and is entitled to receive a management fee for the provision of its services. The current executive officers, Messrs. Offenberg and Faulkingham, are employed by our Manager and are seconded to the Company, which means that they have been assigned by our Manager to work for the Company during the term of the Management Services Agreement between us and our Manager. Mr. Faulkingham began his role as chief financial officer on November 30, 2013 which was the same day Mr. Bottiglieri retired from his position as chief financial officer. The Company does not have any other executive officers. Our Manager determines and pays the compensation of these officers who we refer to as the named executives, subject to the reimbursement described below.

Overview of our Executive Compensation

We do not pay any compensation to our executive officers seconded to us by our Manager. Our Manager is responsible for the payment of compensation to the executive officers seconded to us. We do not reimburse our Manager for the compensation paid to our chief executive officer, Alan B. Offenberg. We do, however, pay our Manager a quarterly management fee and our Manager uses the proceeds from the management fee, in part, to pay compensation to Mr. Offenberg. The Company has the right to require the Manager to replace Mr. Offenberg as the Company's chief executive officer, subject to the terms of the Management Services Agreement with our Manager.

Pursuant to the Management Services Agreement with our Manager, we reimburse our Manager for the compensation paid to our chief financial officer. We reimbursed our Manager for Mr. James J. Bottiglieri through November 30, 2013 and reimbursed our Manager for Mr. Ryan J. Faulkingham from November 30, 2013. Such reimbursement is approved by the Company's compensation committee. The terms and conditions of Mr. Faulkingham's employment are governed by an employment agreement between Mr. Faulkingham and our Manager. The terms and conditions of Mr. Bottiglieri's employment were governed by an employment agreement between Mr. Bottiglieri and our Manager through the date of his resignation on November 30, 2013. A description of each of Mr. Faulkingham's and Mr. Bottiglieri's compensation is set forth below.

The discussion that follows relates to the compensation policies and philosophy for Mr. Faulkingham and Mr. Bottiglieri only, as the compensation of the Company's chief executive officer is not reimbursed by the Company.

Elements of Our Executive Compensation and How Each Relates to Our Overall Compensation Objectives

Mr. Faulkingham's employment agreement provides that his annual compensation is to be paid through a combination of a base salary and an annual cash bonus. Both elements are designed to be competitive with comparable employers in our industry and intended to provide incentives and reward Mr. Faulkingham for his contributions to the Company.

Mr. Bottiglieri's employment agreement provided that his annual compensation was to be paid through a combination of a base salary and an annual cash bonus. Both elements were designed to be competitive with comparable employers in our industry and intended to provide incentives and reward Mr. Bottiglieri for his contributions to the Company.

Objectives of Our Executive Compensation and What it is Designed to Reward

The primary objective of the aforementioned elements of our executive compensation is to attract and retain a qualified and talented individual to serve as chief financial officer. Through payment of a competitive base salary, we recognize particularly the experience, skills, knowledge and responsibilities required of the chief financial officer position. An annual cash bonus is designed to reward our chief financial officer's individual performance during the year and can therefore be variable from year to year.

How We Determine the Amount of Each Element for our Chief Financial Officer

To determine the amount of our chief financial officer's compensation, we consider competitive market practices by reviewing publicly available information across our industry and related industries. We do not use compensation consultants at this time. When establishing each of Mr. Faulkingham's and Mr. Bottiglieri's 2013 base salary, the compensation committee and management considered a number of factors including: his seniority, the functional role of his position, the level of his responsibility, the ability to replace him and his base salary during the prior year. The compensation committee also considered the most recent advisory vote on executive compensation, which overwhelmingly approved the compensation of our named executive officers, and whether such compensation continues to achieve the objective of appropriately rewarding our chief financial officer for his contributions to our business, including its growth and profitability.

Our chief financial officer's compensation is reviewed on an annual basis. Factors considered in determining increases to our chief financial officer salary level are: the employment market for chief financial officers of public entities comparable to the Company in size and industry, the breadth and scope of the responsibilities of the chief financial officer within our organization, his performance in prior years (as assessed by our compensation committee in accordance with the factors as outlined below) and the retention of our chief financial officer. We expect the salary of our current chief financial officer, Mr. Faulkingham, to increase annually with adjustments largely reflecting additional responsibilities assumed, growth of the Company and the related increase in the complexity of the position of chief financial officer within our organization, to appropriately reward Mr. Faulkingham for his contributions to our growth and profitability, thereby retaining his services and to compensate for cost of living increases.

Table of Contents

The annual cash bonus element of our executive compensation policy is determined on a discretionary basis and is largely based upon the job performance of our chief financial officer in completing his responsibilities. In determining the amount of each of Mr. Faulkingham and Mr. Bottiglieri's annual cash bonus, our compensation committee assesses his performance in respect of: (i) the nature and quality of the internal and financial reporting controls; (ii) management of the Company's financial accounting staff; (iii) the performance of the Company's financial accounting function and its ability to perform assigned tasks on a timely basis; (iv) his and the financial accounting staff's interactions with the Company's outside independent auditors on the strength of the controls environment, the strength of the Company's finance function generally and the level of cooperation received by such independent auditors in the conduct of the Company's audit; (v) his and the financial accounting staff's interaction with the management of the businesses in which the Company owns a controlling interest; and (vi) his lead role in capital raises and in investor relations. Our chief financial officer's bonus is not based upon the performance of the Company and is unrelated to the amount of his base salary.

Employment Agreements

Employment Agreement with Ryan J. Faulkingham. During fiscal year 2013, our Manager entered into an employment agreement with Mr. Faulkingham. The Manager has seconded Mr. Faulkingham to the Company to act as its chief financial officer.

On February 27, 2014, the compensation committee considered and approved an increase in Mr. Faulkingham's base salary from \$335,000 to \$350,000. Such increase in base salary became effective as of January 1, 2014. The Manager has the right to increase, but not decrease, Mr. Faulkingham's base salary during the term of his employment agreement. The employment agreement with our Manager provides that Mr. Faulkingham is entitled to receive an annual bonus as determined in the sole judgment of our Manager, subject to ratification and approval of the reimbursement of such amount by the compensation committee of our Board. Pursuant to Mr. Faulkingham's employment agreement, if Mr. Faulkingham terminates his employment for good reason, or if the Manager terminates his employment without proper cause, Mr. Faulkingham will be entitled to receive his base salary rate plus an amount equal to his bonus for the immediately preceding year. The employment agreement prohibits Mr. Faulkingham from soliciting any of the Manager's or the Company's employees for a period of two years after the termination of his employment. The employment agreement also requires that Mr. Faulkingham protect the Company's confidential information.

Employment Agreement with James J. Bottiglieri. During fiscal year 2008, our Manager entered into an amended and restated employment agreement with Mr. Bottiglieri. The Manager had seconded Mr. Bottiglieri to the Company to act as its chief financial officer. Mr. Bottiglieri retired from his position as chief financial officer on November 30, 2013.

On March 1, 2013, the compensation committee considered and approved an increase in Mr. Bottiglieri's base salary from \$415,000 to \$427,500. Such increase in base salary became effective as of January 1, 2013. The Manager had the right to increase, but not decrease, Mr. Bottiglieri's base salary during the term of his employment agreement. Mr. Bottiglieri's employment agreement provided that Mr. Bottiglieri was entitled to receive an annual bonus, which could not be less than \$100,000, as determined in the sole judgment of our Manager, subject to ratification and approval of the reimbursement of such amount by the compensation committee of our Board. Pursuant to Mr. Bottiglieri's employment agreement, if Mr. Bottiglieri terminated his employment for good reason or without good reason, or if the Manager terminated his employment other than for cause, Mr. Bottiglieri would be entitled to receive his accrued but unpaid base salary plus \$400,000. As a result of Mr. Bottiglieri's termination of his employment, the Company will pay Mr. Bottiglieri \$400,000 in June of 2014. The employment agreement prohibits Mr. Bottiglieri from soliciting any of the Manager's or the Company's employees for a period of two years after the termination of his employment. The employment agreement also requires that Mr. Bottiglieri protect the Company's confidential information.

To prevent speculation or hedging of named executive officers and directors interests in our equity, the Compass Diversified Holdings, Compass Group Diversified Holdings LLC (Including Subsidiaries) and Compass Group Management LLC Policy Regarding Insider Trading, Tipping and Other Wrongful Disclosures, which we refer to as our Insider Trading Policy, prohibits short sales, hedging transactions and short-term trading (unless pursuant to stock option exercises or other employee benefit plan acquisitions) of the Trust s stock, and the purchase or sale of options, puts, calls or any derivative security that has similar characteristics, by our named executives and directors.

Potential Payments upon Termination or Change in Control

The following summarizes potential payments payable to our executive officers upon termination of employment or a change in control.

Employment Agreement with Ryan J. Faulkingham. Pursuant to his employment agreement, if Mr. Faulkingham terminates his employment for good reason, or if the Manager terminates his employment without proper cause, Mr. Faulkingham will be entitled to receive a lump sum payment equal to his base salary rate plus an amount equal to his bonus for the immediately preceding year.

Employment Agreement with James J. Bottiglieri. Mr. Bottiglieri terminated his employment on November 30, 2013. Mr. Bottiglieri's employment agreement provided that, if he terminated his employment for good reason or without good reason, or if the Manager terminated his employment without cause, Mr. Bottiglieri would be entitled to receive a lump sum payment equal to his accrued but unpaid base salary plus \$400,000. The Company accrued this obligation to Mr. Bottiglieri over a six year period and this obligation during fiscal year 2012 became a fully accrued obligation to Mr. Bottiglieri. The payment of this \$400,000 obligation will be made in June of 2014.

Supplemental Put Agreement. Certain individuals at our Manager are also the owners of allocation interests in the Company. The owners of the allocation interests in the Company are sometimes referred to herein collectively as the Allocation Member. Mr. Offenberg, through his ownership interest in our Manager, shares in a portion of the proceeds of the allocation interests. Additionally, Mr. Bottiglieri indirectly shared in approximately 5% of the proceeds of the allocation interests prior to resignation on November 30, 2013. Concurrent with our initial public offering, we entered into a supplemental put agreement with our Manager, which we refer to as the Supplemental Put Agreement. The Supplemental Put Agreement was terminated on July 1, 2013. Pursuant to the Supplemental Put Agreement our Manager had the right to cause the Company to purchase the allocation interests then owned by our Manager upon either (i) the termination of the Management Services Agreement (other than as a result of our Manager's resignation), or (ii) the resignation of our Manager on any date that is at least three years after the closing of our initial public offering. Essentially, the put rights granted to our Manager required us to acquire our Manager's initial allocation interests in the Company at a price based on the increase in fair value in the Company's businesses over its basis in those businesses. If we terminated the Management Services Agreement, the payment to the Manager would have been determined at two times the increase in fair value in the Company's businesses over the Company's initial basis in those businesses. Each fiscal quarter the fair value of our subsidiaries was estimated for the purpose of determining the Company's potential liability associated with the Supplemental Put Agreement. Any change in the potential liability was accrued currently as a non-cash charge to earnings. See the section "CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS - Contractual Arrangements with Related Parties - Termination of Supplemental Put Agreement" for additional information related to the termination of the Supplemental Put Agreement.

AUDIT COMMITTEE REPORT

Our audit committee is composed of three independent directors, all of whom are financially literate. In addition, the Board has determined that Mr. Ewing, an independent director and the chairman of the audit committee, qualifies as an audit committee financial expert as defined by the SEC. The audit committee operates under a written charter, which reflects the NYSE listing standards and Sarbanes-Oxley Act requirements regarding audit committees. A copy of the audit committee charter is available on the Company's website at www.compassdiversifiedholdings.com.

The audit committee's primary role is to assist the Board in fulfilling its responsibility for oversight of (1) the quality and integrity of the consolidated financial statements and related disclosures, (2) compliance with legal and regulatory requirements, (3) the independent auditors' qualifications, independence and performance and (4) the performance of our internal audit and control functions.

The Company's management is responsible for the preparation of the financial statements, the financial reporting process and the system of internal controls. The independent auditors are responsible for performing an audit of the financial statements in accordance with auditing standards generally accepted in the United States, and issuing an opinion as to the conformity of those audited financial statements to U.S. generally accepted accounting principles. The audit committee monitors and oversees these processes.

The audit committee has adopted a policy designed to ensure proper oversight of our independent auditor. Under the policy, the audit committee is directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing any other audit review (including resolution of disagreements among management, the Manager, and the auditor regarding financial reporting), or attestation services. In addition, the audit committee is responsible for pre-approving any non-audit services provided by the Company's independent auditors. The audit committee's charter also ensures that the independent auditor discusses with the audit committee important issues such as internal controls, critical accounting policies, any instances of fraud and the consistency and appropriateness of our accounting policies and practices.

The audit committee has reviewed and discussed with management and Grant Thornton LLP, the Company's independent auditor, the audited financial statements as of and for the year ended December 31, 2013. The audit committee has also discussed with Grant Thornton LLP the matters required to be discussed by Statement on Auditing Standards No. 16. In addition, the audit committee has received from the independent auditor its written report required by Public Company Accounting Oversight Board Rule 3526 (Auditor Independence) and has discussed its independence from the Company and its management. The audit committee also considered whether the non-audit services provided by Grant Thornton LLP to us during 2013 were compatible with its independence as auditor.

Based on these reviews and discussions, the audit committee has recommended to the Board, and the Board has approved, the inclusion of the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2013.

Relationships with Related Parties

Our Manager

Our Manager manages the day-to-day operations of the Company and oversees the management and operations of our subsidiary businesses. Our relationship with our Manager is governed principally by the Management Services Agreement.

While our Manager provides management services to the Company, our Manager is also permitted to provide services, including services similar to the management services provided to us, to other entities. In this respect, the Management Services Agreement and the obligation to provide management services does not create a mutually exclusive relationship between our Manager and the Company or our businesses. As such, our Manager, and our management team, will be permitted to engage in other business endeavors. Mr. Ryan Faulkingham, our chief financial officer, devotes a substantial portion of his time to our affairs.

Table of Contents

Our Manager, receives management fees, offsetting management fees, fees under any integration services agreements and expense reimbursements related to the foregoing, and uses such proceeds to pay the compensation, overhead, out-of-pocket and other expenses of our Manager, to satisfy its contractual obligations and otherwise distributes such proceeds to the members of our Manager, which includes Mr. Offenberg, our chief executive officer, in accordance with our Manager's organizational documents.

Contractual Arrangements with Related Parties

Loan Agreements with each of our Subsidiaries

The Company is a party to a loan agreement with each of our subsidiaries pursuant to which the Company will make loans and financing commitments to each of our businesses.

Management Services Agreement

The Company and our Manager are parties to the Management Services Agreement pursuant to which we pay our Manager a quarterly management fee equal to 0.5% (2.0% annualized) of the Company's adjusted net assets as of the last day of each fiscal quarter in respect of the services performed by our Manager. The management fee paid to our Manager is required to be paid prior to the payment of any distributions to shareholders. The management fee is offset by fees paid to our Manager by our businesses under management services agreements that our Manager entered into with, or was assigned with respect to, our businesses, which we refer to as offsetting management services agreements. We incurred approximately \$15.5 million of management fees under the Management Services Agreement during fiscal year 2013.

Offsetting Management Services Agreements

Our Manager has entered into and may, at any time in the future, enter into offsetting management services agreements directly with the businesses that we own relating to the performance by our Manager of offsetting management services for such businesses. All fees, if any, paid by the businesses that we own to our Manager pursuant to an offsetting management services agreement during any fiscal quarter offset, on a dollar-for-dollar basis, the management fee otherwise due and payable by the Company to our Manager under the Management Services Agreement for such fiscal quarter. The Manager is a party to offsetting management services agreements with all of the Company's subsidiaries, other than Fox Factory Holding Corp. The offsetting management services agreement with Fox Factory Holding Corp. was terminated in 2013, concurrent with its initial public offering. Offsetting management fees were approximately \$3.2 million during fiscal year 2013, including the offsetting management fees paid to Fox Factory Holding Corp. prior to the termination of its offsetting management services agreement in 2013.

LLC Agreement

The Company has two types of equity interests: trust interests and allocation interests. The Trust is the sole owner of 100% of the trust interests of the Company. Pursuant to the LLC Agreement, the Trust owns an identical number of trust interests in the Company as exist for the number of outstanding shares of stock of the Trust. During 2013, our Manager owned 100% of the Company's allocation interests. On June 27, 2013, our Manager assigned its allocation interests to Sostratus LLC. Certain members of our Manager, including Mr. Offenberg, own allocation interests in the Company through their ownership of Sostratus LLC. The holder of the allocation interests is referred to in the LLC Agreement as the Allocation Member. The LLC Agreement sets forth the Allocation Member's rights with respect to its profit allocation interest among other things.

The Company will pay a profit allocation with respect to its businesses to the Allocation Member upon the occurrence of certain events, if the Company's profits with respect to a business exceed an annualized hurdle rate of 7%, which hurdle is tied to such business's adjusted net assets (as defined in the LLC Agreement) relative to the sum of all of our subsidiaries' adjusted net assets. The calculation of profit allocation with respect to a particular business will be based on:

such business's contribution-based profit, which generally will be equal to such business's aggregate contribution to the Company's profit during the period such business is owned by the Company; and

the Company's cumulative gains and losses to date.

Generally, a profit allocation will be paid in the event that the amount of profit allocation exceeds the annualized hurdle rate of 7% in the following manner: (i) 100% of the amount of profit allocation in excess of the hurdle rate of 7% but that is less than the hurdle rate of 8.75%, which amount is intended to provide the Allocation Member with an overall profit allocation of 20% once the hurdle rate of 7% has been surpassed; and (ii) 20% of the amount of profit allocation in excess of the hurdle rate of 8.75%. Prior to the assignment of its allocation interests on June 27, 2013, our Manager had the right to cause the Company to purchase the allocation interests it then owned, as described below under the heading Supplemental Put Agreement. The Supplemental Put Agreement was terminated July 1, 2013.

Table of Contents

The Company paid approximately \$5.6 million in June of 2013 for the five year holding event of Fox Factory Holding Corp. and \$16.0 million in November of 2013 related to Fox Factory Holding Corp.'s initial public offering. The Company paid approximately \$13.7 million in March of 2012 for the profit allocation due for the sale of Staffmark Holdings, Inc., which we refer to as Staffmark, and in November of 2012 paid approximately \$0.2 million for the profit allocation due for the sale of Halo Holding Corp., which we refer to as Halo. The Company paid approximately \$6.9 million in fiscal year 2011 for the Manager's share of the profit allocation for the five year holding event of Advanced Circuits, Inc.

Termination of the Supplemental Put Agreement

The Company entered into a Supplemental Put Agreement with the Manager at the time of the Company's Initial Public Offering in connection with the Management Service Agreement. Pursuant to the Supplemental Put Agreement, the Manager had the right to cause the Company to purchase the allocation interests then owned by the Manager upon termination of the Management Services Agreement for a price to be determined in accordance with the Supplemental Put Agreement. The allocation interests entitle the holders to receive distributions pursuant to a profit allocation formula upon the occurrence of certain events. The distributions of the profit allocation will be paid only upon the occurrence of the sale of a material amount of capital stock or assets of one of the Company's businesses ("Sale Event") or, at the option of the Allocation Member, at each five year anniversary date of the acquisition of one of the Company's businesses ("Holding Event"). The Company historically recorded the Supplemental Put obligation at an amount equal to the fair value of the profit allocation. This amount is determined using a model that multiplies the trailing twelve-month EBITDA for each business unit by an estimated enterprise value multiple to determine an estimated selling price of the business unit. This amount represented the obligation of the Company to physically settle the purchase of the allocation interest at the option of the Manager upon the termination of the Management Services Agreement. Prior to July 1, 2013, the Company recorded increases or decreases in the obligation through the consolidated statement of operations.

On July 1, 2013, the Company and the Manager amended the Management Services Agreement to provide for certain modifications related to the Manager's registration as an investment adviser under the Investment Advisers Act of 1940 ("Adviser's Act"), as amended. In connection with the amendment resulting from the Manager's registration as an investment adviser under the Adviser's Act, the Company and the Manager agreed to terminate the Supplemental Put Agreement, which had the effect of eliminating the Manager's right to require the Company to purchase the allocation interests upon termination of the Management Services Agreement. Pursuant to the Management Services Agreement, as amended, the Manager will continue to manage the day-to-day operations and affairs of the Company, oversee the management and operations of the Company's businesses, perform certain other services for the Company and receive management fees, and the Allocation Member will continue to receive the profit allocation upon the occurrence of a Sale Event or a Holding Event.

See the financial statements included in our annual report accompanying this proxy statement and footnotes B, H and P thereto for further information concerning the termination of the Supplemental Put Agreement.
