Subject Company: CBS Corporation

Commission File No.: 333-196652

The following is the text of the website that is being maintained at <http://www.cbscorpexchange.com> in connection with the offer by CBS Corporation ( CBS ) to exchange up to an aggregate of 97,000,000 shares of common stock of CBS Outdoor Americas Inc., which are owned by CBS, for shares of CBS Class B common stock, as described in further detail in the Prospectus (as defined below).

### **CBS Corporation Investor Information**

On June 11, 2014, CBS Corporation ( CBS ) commenced an offer to exchange (the exchange offer ) up to 97,000,000 shares of CBS Outdoor Americas Inc. ( Outdoor Americas ) common stock, par value \$0.01 per share ( Outdoor Americas common stock ) in the aggregate that are owned by CBS for outstanding shares of CBS Class B common stock, par value \$0.001 per share ( CBS Class B common stock ) that are validly tendered and not validly withdrawn, as described in further detail in the Prospectus dated June 11, 2014, as amended (the Prospectus ).

Pursuant to the exchange offer, for each share of CBS Class B common stock tendered in the exchange offer and not validly withdrawn, and that is accepted by CBS, holders of CBS Class B common stock will receive a number of shares of Outdoor Americas common stock at a discount of 7%, subject to an upper limit of 2.1917 shares of Outdoor Americas common stock per share of CBS Class B common stock (the upper limit ). Stated another way, for each \$100 of shares of CBS Class B common stock that are accepted in the exchange offer, holders of CBS Class B common stock will receive approximately \$107.53 of Outdoor Americas common stock, based on the average trading prices of Outdoor Americas common stock and CBS Class B common stock on the New York Stock Exchange (the NYSE ) as described below, and subject to the upper limit.

The average values of the CBS Class B common stock and the Outdoor Americas common stock for purposes of calculating the exchange ratio will be determined by reference to the simple arithmetic average of the daily volume-weighted average prices ( VWAP ) of CBS Class B common stock and Outdoor Americas common stock, respectively, on the NYSE during the three consecutive trading days ending on and including the expiration date of the exchange offer (the Averaging Period ), which will be July 7, July 8 and July 9, 2014, unless the exchange offer is extended. The Averaging Period will not change, however, if the exchange offer is extended solely as a result of any extension triggered by the upper limit.

CBS will provide on this website the daily VWAP of both CBS Class B common stock and Outdoor Americas common stock, together with an indicative exchange ratio and the upper limit and whether the upper limit is in effect, for each of the trading days that the exchange offer is open, except that no indicative exchange ratios will be provided

for the first two days of the exchange offer period as such values require daily VWAP data for three trading days.

Shareholders of CBS Class A common stock, par value \$0.001 per share ( CBS Class A common stock ) may participate in the exchange offer either by converting their shares of CBS Class A common stock to shares of CBS Class B common stock in advance of the expiration of the exchange offer or by conditionally converting such shares of CBS Class A common stock to shares of CBS Class B common stock and, in either case, following the procedures for tendering such shares set forth in the Prospectus.

The exchange offer and withdrawal rights will expire at 12:00 midnight, New York City time, on July 9, 2014, unless the exchange offer is extended or terminated, except with respect to shares of CBS Class B common stock held through the CBS 401(k) Plan and the Outdoor 401(k) Plan (collectively, the Savings Plans ) which cannot be withdrawn after 1:00 p.m., New York City time, on July 3, 2014 (unless extended).

On the expiration date of the exchange offer, by 4:30 p.m., New York City time, CBS will announce on this website and by press release the final calculated per-share values and the final exchange ratio showing the number of shares of Outdoor Americas common stock that will be exchanged for each share of CBS Class B common stock accepted in the

exchange offer and state whether the upper limit is in effect. If the upper limit is in effect at that time, then the exchange ratio will be fixed at the upper limit and the exchange offer will be automatically extended until 12:00 midnight, New York City time, on the second following trading day to permit stockholders to tender or withdraw their shares of CBS Class B common stock during those days. Any changes in the price of the shares of CBS Class B common stock or Outdoor Americas common stock on these additional days of the exchange offer period will not, however, affect the exchange ratio.

If the exchange offer is oversubscribed and CBS cannot accept all tenders of CBS Class B common stock at the exchange ratio, then all shares of CBS Class B common stock that are validly tendered will generally be accepted for exchange on a pro rata basis in proportion to the number of shares tendered. We refer to this as proration. Stockholders who beneficially own odd-lots (less than 100 shares in the aggregate) of CBS Class B common stock and who validly tender all their shares will not be subject to proration (other than participants who hold odd-lot shares as a participant in the Savings Plans).

The completion of the exchange offer is subject to certain conditions as specified in the Prospectus. CBS may waive any or all of the conditions to the exchange offer, subject to limited exceptions.

The information on this website is being provided solely in connection with the exchange offer and should not be used for any other purpose. You should refer to the Prospectus for additional information about the exchange offer. A copy of the Prospectus, forms of a Letter of Transmittal, Notice of Guaranteed Delivery, Notice of Withdrawal and a Conditional Notice of Conversion, the CBS press release announcing the exchange offer, and information for Savings Plans participants are available through the links below.

## Glossary of Terms

**daily VWAP:** VWAP for the period beginning at 9:30 a.m., New York City time (or such other time as is the official open of trading on the NYSE), and ending at 4:00 p.m., New York city time (or such other time as is the official close of trading on the NYSE), except that such data will only take into account adjustments made to reported trades included by 4:10 p.m., New York City time.

**exchange ratio:** The number of shares of Outdoor Americas common stock that will be exchanged for each share of CBS Class B common stock accepted in the exchange offer. The final exchange ratio will be available on this website and separately published by press release by 4:30 p.m., New York City time, on the expiration date of the exchange offer. In addition, the final exchange ratio may be obtained from the information agent, Georgeson Inc., at 1 888 624 7035 (toll free for all stockholders in the United States) +1 781 575 3340 (all others outside the United States)

**final calculated per-share value:** The final per share value of CBS common stock and the final per share value of Outdoor Americas common stock to be used for purposes of calculating the final exchange ratio, equal to the simple arithmetic average of the daily VWAP for CBS Class B common stock and Outdoor Americas common stock, as applicable, on the NYSE during the Averaging Period.

**indicative calculated per-share value:** During the exchange offer, this website will display indicative calculated per-share values for CBS Class B common stock and Outdoor Americas common stock. These indicative values are displayed to assist tendering stockholders in understanding how the number of shares of Outdoor Americas common stock they would receive in the exchange offer will be calculated but are not indicative of the final exchange ratio.

From the third trading day until the first day of the Averaging Period, the indicative calculated per share value of (1) CBS Class B common stock published on this website will equal the average of the daily VWAP of CBS Class B common stock on that day and each of two prior trading days, and (2) Outdoor Americas common stock published on this website will equal the average of the daily VWAP of Outdoor Americas common stock on that day and each of the two prior trading days. The data used to calculate such indicative calculated per share values will not, however, be included in the calculation of the final calculated per-share value for either CBS Class B common stock or Outdoor Americas common stock. During the Averaging Period, the indicative calculated per-share values published on this website will equal (1) on the first day of the Averaging Period, the actual intra-day VWAP during the elapsed portion of the first day of the Averaging Period and (2) on the second day of the Averaging Period, the daily VWAP for the first day of the Averaging Period averaged with the actual intra day VWAP during the elapsed portion of the second day of the Averaging Period; and (3) on the third day of the Averaging Period, the daily VWAP for the first and second days of the Averaging Period averaged with the actual intra day VWAP for the elapsed portion of the third day of the Averaging Period. The data used to calculate such indicative calculated per share values will be used in determining the final calculated per share values.

**intra day VWAP:** Intra day VWAP means VWAP for the period beginning at the official open of trading on the NYSE and ending at a specified time in such day. Please note that the data used to derive the intra day VWAP published on this website during the Averaging Period is subject to a 30 minute reporting and upload delay.

**proration:** If the exchange offer is oversubscribed and CBS cannot fulfill all tenders of CBS Class B common stock at the exchange ratio, then all shares of CBS Class B common stock that are validly tendered will generally be accepted for exchange on a pro rata basis in proportion to the number of shares tendered. We refer to this as proration. Stockholders (other than participants in certain CBS savings plans) who beneficially own odd-lots (that is, less than 100 shares of CBS Class B common stock in the aggregate) and who validly tender all their shares will not be subject to proration. Proration for each tendering stockholder will be based on the number of shares of CBS Class B common stock tendered by that stockholder in the exchange offer, and not on that stockholder's aggregate ownership of CBS common stock.

**VWAP:** The volume-weighted average price per share of the applicable stock on the NYSE during the period specified, as obtained from Bloomberg L.P.
