Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On November 5, 2014, the compensation committee of our board of directors approved a performance cash bonus program for the members of our executive committee and executive leadership team, including our executive officers (the **Cash Bonus Program**). Participants in the Cash Bonus Program will be eligible for a specified cash bonus, the amount of which bonus is determined by whether our total compounded annualized shareholder rate of return (**TSR**) for the period from November 5, 2014 to May 6, 2015 is greater than or equal to a specified threshold that ranges between 15% and 60%, and which bonus will be earned and payable only if the TSR for the period from November 5, 2014 to November 4, 2017 is greater than 15%.

The total bonus pool that may be payable under the Cash Bonus Program will be calculated as of May 6, 2015 and may range from \$4.5 to \$17.0 million, depending upon the TSR for the period from November 5, 2014 to May 6, 2015. The portion of the total bonus pool payable to individual participants will be based on pre-determined allocations established by our compensation committee. Participants must remain employed by us through November 4, 2017 unless a participant's earlier departure from employment by us is due to death, disability, termination without cause or a change in control transaction, to be further defined in a written plan. Bonus payments under the Cash Bonus Program, if any, will be made after November 4, 2017.

The TSR for the period from November 5, 2014 to May 6, 2015 will be calculated using the 20-day volume weighted average trading price of our ordinary shares (**20-day VWAP**) on each of November 5, 2014 and May 6, 2015, and the TSR for the period from November 5, 2014 to November 4, 2017 will be calculated using the 20-day VWAP on each of November 5, 2014 and November 4, 2017. The 20-day VWAP on November 5, 2014 was \$12.08. If the 20-day VWAP as of May 6, 2015 is less than \$12.95, the TSR for the period from November 5, 2014 to May 6, 2015 would be less than 15%, so no cash bonuses would be paid under the Cash Bonus Program. Even if the TSR for the period from November 5, 2014 to May 6, 2015 is 15% or greater, if the 20-day VWAP as of November 4, 2017 is less than or equal to \$18.37, the TSR for the period from November 5, 2014 to November 4, 2017 would not be greater than 15%, so no cash bonuses would be paid under the Cash Bonus Program.
