THE COMPANY

D.R. Horton, Inc. is the largest homebuilding company by volume in the United States. We construct and sell homes through our operating divisions in 79 markets in 27 states, under the names of D.R. Horton, *America's Builder*, Express Homes, Emerald Homes, Breland Homes, Regent Homes, Crown Communities and Pacific Ridge Homes. Our homebuilding operations primarily include the construction and sale of single-family homes with sales prices generally ranging from \$100,000 to more than \$1,000,000. For the year ended September 30, 2014, we closed 28,670 homes with an average closing price of approximately \$272,200. For the nine months ended June 30, 2015, we closed 26,072 homes with an average closing price of approximately \$284,500. For the three months ended June 30, 2015, we closed 9,856 homes with an average closing price of approximately \$290,000.

Through our financial services operations, we provide mortgage financing and title agency services to homebuyers in many of our homebuilding markets. DHI Mortgage, our 100% owned subsidiary, provides mortgage financing services primarily to our homebuilding customers and generally sells the mortgages it originates and the related servicing rights to third-party purchasers. DHI Mortgage originates loans in accordance with purchaser guidelines and sells substantially all of its mortgage production shortly after origination. Our subsidiary title companies serve as title insurance agents by providing title insurance policies, examination and closing services, primarily to our homebuilding customers.

Our financial reporting segments consist of six homebuilding segments and a financial services segment. Our homebuilding operations are the most substantial part of our business, comprising approximately 98% of consolidated revenues for both the year ended September 30, 2014 and the nine months ended June 30, 2015. Our homebuilding operations generate most of their revenues from the sale of completed homes, with a lesser amount from the sale of land and lots. Approximately 90% and 91% of home sales revenues were generated from the sale of single-family detached homes in the year ended September 30, 2014 and the nine months ended June 30, 2015, respectively. The remainder of home sales revenues were generated from the sale of attached homes, such as town homes, duplexes, triplexes and condominiums, which share common walls and roofs. Our financial services segment generates its revenues from originating and selling mortgages and collecting fees for title insurance agency and closing services.

For more information about our business, please refer to the **Business** section in our most recent annual report on Form 10-K filed with the SEC and incorporated by reference in this prospectus and the **Management's Discussion and Analysis of Financial Condition and Results of Operations** sections of our most recent annual report on Form 10-K and quarterly reports on Form 10-Q filed with the SEC and incorporated by reference in this prospectus.

Each prospectus supplement will describe, as to the debt securities to which it relates, any guarantees by our direct or indirect subsidiaries that may guarantee the debt securities, including the identity of the subsidiaries that will be the initial guarantors of the series and the terms of subordination, if any, of any such guarantee. The applicable prospectus supplement will also describe provisions for the release of guarantor subsidiaries from their guarantees.

The applicable prospectus supplement will also describe any material covenants to which a series of debt securities will be subject and the applicability of those covenants to any of our guarantor subsidiaries. The applicable prospectus

supplement will also describe provisions for guarantor subsidiaries to cease to be restricted by those covenants.

Events of Default and Remedies

Unless otherwise described in the applicable prospectus supplement, an event of default with respect to any series of debt securities will be defined in the indenture or applicable supplemental indenture or authorizing resolution as being:

our failure to pay interest on any debt security of such series when the same becomes due and payable and the continuance of any such failure for a period of 30 days;

our failure to pay the principal or premium of any debt security of such series when the same becomes due and payable at maturity, upon acceleration or otherwise;

our failure or the failure of any guarantor subsidiary to comply with any of its agreements or covenants in, or provisions of, the debt securities of such series, the guarantees (as they relate thereto) or the indenture (as they relate thereto) and such failure continues for a period of 60 days after our receipt of

notice of the default from the trustee or from the holders of at least 25 percent in aggregate principal amount of the then outstanding debt securities of that series (except in the case of a default with respect to the provisions of the indenture regarding the consolidation, merger, sale, lease, conveyance or other disposition of all or substantially all of the assets of us or any guarantor of the debt securities (or any other provision specified in the applicable supplemental indenture or authorizing resolution), which will constitute an event of default with notice but without passage of time);

the acceleration of any indebtedness (other than non-recourse indebtedness, as defined in the indenture) of us or any guarantor subsidiary that has an outstanding principal amount of \$50 million or more, individually or in the aggregate, and such acceleration does not cease to exist, or such indebtedness is not satisfied, in either case within 30 days after such acceleration;

our failure or the failure of any guarantor subsidiary to make any principal or interest payment in an amount of \$50 million or more, individually or in the aggregate, in respect of indebtedness (other than non-recourse indebtedness, as defined in the indenture) of us or any guarantor subsidiary within 30 days of such principal or interest becoming due and payable (after giving effect to any applicable grace period set forth in the documents governing such indebtedness);

certain events of bankruptcy, insolvency or reorganization occur with respect to us or any guarantor subsidiary that is a significant subsidiary (as defined in the indenture); or

any guarantee of any guarantor subsidiary that is a significant subsidiary ceases to be in full force and effect (other than in accordance with the terms of such guarantee and the indenture) or is declared null and void and unenforceable or found to be invalid or any guarantor denies its liability under its guarantee (other than by reason of release of a guarantor from its guarantee in accordance with the terms of the indenture and the guarantee).

The indenture provides, or will provide, that the trustee may withhold notice to the holders of any series of debt securities of any default, except a default in payment of principal, premium, if any, or interest, if any, with respect to such series of debt securities, if the trustee considers it in the interest of the holders of such series of debt securities to do so. The indenture provides, or will provide, that as long as any debt securities are outstanding we will be obligated to deliver written notice to the trustee of the occurrence of any default within 30 days after any of our senior officers obtains knowledge of such default.

The indenture provides, or will provide, that if any event of default (other than certain events of bankruptcy, insolvency or reorganization) has occurred and is continuing with respect to any series of debt securities, the trustee or the holders of not less than 25% in principal amount of such series of debt securities then outstanding may declare all the debt securities of such series to be due and payable immediately. If an event of default occurs due to certain events of bankruptcy, insolvency or reorganization as set forth in the indenture, all amounts due and payable on the debt securities of such series shall be due and payable immediately without any declaration, notice or other act by the trustee or any holder. However, the holders of a majority in principal amount of the debt securities of such series then outstanding by notice to the trustee may waive any existing default and its consequences with respect to such series of debt securities, other than any event of default in payment of principal or interest. Holders of a majority in principal amount of the then outstanding debt securities of any series may rescind an acceleration with respect to such series and its consequences, except an acceleration due to nonpayment of principal or interest on such series, if the rescission

would not conflict with any judgment or decree and if all existing events of default with respect to such series have been cured or waived.

The holders of a majority of the outstanding principal amount of the debt securities of any series will have the right to direct the time, method and place of conducting any proceedings for any remedy available to the trustee with respect to such series, subject to limitations specified in the indenture.

Defeasance

The indenture permits, or will permit, us and our guarantor subsidiaries to terminate all our respective obligations under the indenture as they relate to any particular series of debt securities, other than the obligation to pay interest, if any, on and the principal of the debt securities of such series and certain other obligations, at any time by:

depositing in trust with the trustee, under an irrevocable trust agreement, money or U.S. government obligations in an amount sufficient to pay principal of and interest, if any, on the debt securities of such series to their maturity or redemption; and

complying with other conditions, including delivery to the trustee of an opinion of counsel to the effect that holders will not recognize income, gain or loss for federal income tax purposes as a result of our exercise of such right and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case otherwise.

The indenture also permits, or will permit, us and our guarantor subsidiaries to terminate all of our respective obligations under the indenture as they relate to any particular series of debt securities, including the obligations to pay interest, if any, on and the principal of the debt securities of such series and certain other obligations, at any time by:

depositing in trust with the trustee, under an irrevocable trust agreement, money or U.S. government obligations in an amount sufficient to pay principal of and interest, if any, on the debt securities of such series to their maturity or redemption; and

complying with other conditions, including delivery to the trustee of an opinion of counsel to the effect that (A) we have received from, or there has been published by, the Internal Revenue Service a ruling, or (B) since the date such series of debt securities were originally issued, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion of counsel shall state that, holders will not recognize income, gain or loss for federal income tax purposes as a result of our exercise of such right and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case otherwise.

In addition, the indenture permits, or will permit, us and our guarantor subsidiaries to terminate substantially all our respective obligations under the indenture as they relate to a particular series of debt securities by depositing with the trustee money or U.S. government obligations sufficient to pay all principal and interest on such series at its maturity or redemption date if the debt securities of such series will become due and payable at maturity within one year or are to be called for redemption within one year of the deposit.

Transfer and Exchange

A holder will be able to transfer or exchange debt securities only in accordance with the indenture. The registrar may require a holder, among other things, to furnish appropriate endorsements and transfer documents, and to pay any taxes and fees required by law or permitted by the indenture.

Amendment, Supplement and Waiver

Without notice to or the consent of any holder, we and the trustee may amend or supplement the indenture or the debt securities of a series to:

cure any ambiguity, omission, defect or inconsistency;

comply with the provisions of the indenture regarding the consolidation, merger, sale, lease, conveyance or other disposition of all or substantially all of the assets of us or any guarantor of the debt securities;

Table of Contents

provide that specific provisions of the indenture shall not apply to a series of debt securities not previously issued or to make a change to specific provisions of the indenture that only applies to any series of debt securities not previously issued or to additional debt securities of a series not previously issued;

create a series and establish its terms;

provide for uncertificated debt securities in addition to or in place of certificated debt securities;

delete a guarantor subsidiary which, in accordance with the terms of the indenture, ceases to be liable on its guarantee of debt securities;

add a guarantor subsidiary in respect of any series of debt securities;

comply with requirements of the SEC in order to effect or maintain the qualification of the indenture under the Trust Indenture Act; or

make any change that does not adversely affect the rights of any holder.

With the exceptions discussed below, we and the trustee may amend or supplement the indenture or the debt securities of a particular series with the written consent of the holders of at least a majority in principal amount of the debt securities of such series then outstanding. In addition, the holders of a majority in principal amount of the debt securities of such series then outstanding may waive any existing default under, or compliance with, any provision of the debt securities of a particular series or of the indenture relating to a particular series of debt securities, other than any event of default in payment of interest or principal. These consents and waivers may be obtained in connection with a purchase of, or tender offer or exchange offer for, debt securities.

Without the consent of each holder affected, we and the trustee may not:

reduce the amount of debt securities of such series whose holders must consent to an amendment, supplement or waiver;

reduce the rate of or change the time for payment of interest, including defaulted interest;

reduce the principal of or change the fixed maturity of any debt security or alter the provisions with respect to redemptions of debt securities;

modify the ranking or priority of the debt securities or any guarantee, or, with respect to any subordinated debt securities, modify certain subordination provisions of the applicable indenture in any manner adverse to

the holders of debt securities that are senior to such subordinated debt securities;

release any guarantor from any of its obligations under its guarantee or the indenture except in accordance with the indenture;

make any change to any provision of the indenture relating to the waiver of existing defaults, the rights of holders to receive payment of principal and interest on the debt securities, or to the provisions regarding amending or supplementing the indenture or the debt securities of a particular series with the written consent of the holders of such series;

waive a continuing default or event of default in the payment of principal of or interest on the debt securities; or

make any debt security payable at a place or in money other than that stated in the debt security, or impair the right of any holder of a debt security to bring suit as permitted by the indenture.

The right of any holder to participate in any consent required or sought pursuant to any provision of the indenture, and our obligation to obtain any such consent otherwise required from such holder, may be subject to the requirement that such holder shall have been the holder of record of debt securities with respect to which such consent is required or sought as of a record date fixed by us in accordance with the indenture.

Concerning the Trustee

In the ordinary course of its business, American Stock Transfer and Trust Company, LLC, the initial trustee, provides, and may continue to provide, service to us as transfer agent for our common stock and trustee under indentures relating to our senior notes. The indenture contains, or will contain, limitations on the rights of the trustee, should it become our creditor, to obtain payment of claims in specified cases or to realize on property received in respect of any such claim as security or otherwise. The indenture permits, or will permit, the trustee to engage in other transactions; however, if it acquires any conflicting interest, it must eliminate such conflict or resign.

The indenture provides, or will provide, that in case an event of default occurs and is not cured, the trustee will be required, in the exercise of its power, to use the degree of care of a prudent person in similar circumstances in the conduct of such person's own affairs. The trustee may refuse to perform any duty or exercise any right or power under the indenture, unless it receives indemnity satisfactory to it against any loss, liability or expense.

Governing Law

The laws of the State of New York govern, or will govern, the indenture, the debt securities and the guarantees of the debt securities.

DESCRIPTION OF COMMON STOCK, PREFERRED STOCK AND DEPOSITARY SHARES

Our authorized capital stock is 1,000,000,000 shares of common stock, \$.01 par value, and 30,000,000 shares of preferred stock, \$.10 par value. At August 3, 2015, 367,273,835 shares of common stock and no shares of preferred stock were outstanding.

Common Stock

Holders of our common stock are entitled to one vote for each share held of record on all matters submitted to a vote of stockholders. The vote of the holders of a majority of the stock represented at a meeting at which a quorum is present is generally required to take stockholder action, unless a greater vote is required by law. The holders are not entitled to cumulative voting in the election of directors. Directors are elected by the affirmative vote of the majority of votes cast at a meeting at which a quorum is present, except that if the number of nominees exceeds the number of directors to be elected, the directors are elected by a plurality of the shares represented in person or by proxy at the meeting and entitled to vote. A majority of the votes cast means that the number of shares voted for a director must exceed the number of votes cast against that director.

Holders of common stock have no preemptive rights. They are entitled to such dividends as may be declared by our board of directors out of funds legally available for such purpose. The common stock is not entitled to any sinking fund, redemption or conversion provisions. On our liquidation, dissolution or winding up, the holders of common stock are entitled to share ratably in our net assets remaining after the payment of all creditors and liquidation preferences of preferred stock, if any. The outstanding shares of common stock are duly authorized, validly issued, fully paid and nonassessable. There will be a prospectus supplement relating to any offering of common stock offered by this prospectus.

The transfer agent and registrar for the common stock is American Stock Transfer & Trust Company, LLC, which currently serves as trustee for our senior notes as described in *Description of Debt Securities Concerning the Trustee* and may also serve as trustee under other indentures for debt securities offered by this prospectus.

The following provisions in our charter or bylaws may make a takeover of our company more difficult:

an article in our charter prohibiting stockholder action by written consent;

an article in our charter requiring the affirmative vote of the holders of two-thirds of the outstanding shares of common stock to remove a director;

an article in our charter and a bylaw limiting the persons who may call special meetings of stockholders to our board of directors or a committee authorized to call a meeting by the board or the bylaws; and

bylaws establishing an advance written notice procedure for stockholders seeking to nominate candidates for election to the board of directors or for proposing matters which can be acted upon at stockholders' meetings.

These provisions may delay stockholder actions with respect to business combinations and the election of new members to our board of directors. As such, the provisions could discourage open market purchases of our common

stock because a stockholder who desires to participate in a business combination or elect a new director may consider them disadvantageous. Additionally, the issuance of preferred stock could delay or prevent a change of control or other corporate action.

Table of Contents

Delaware Anti-Takeover Statute. As a Delaware corporation, we are subject to Section 203 of the Delaware General Corporation Law. In general, Section 203 prevents an interested stockholder from engaging in a business combination with us for three years following the date that person became an interested stockholder, unless:

before that person became an interested stockholder, our board of directors approved the transaction in which the interested stockholder became an interested stockholder or approved the business combination;

upon completion of the transaction that resulted in the interested stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of our voting stock outstanding at the time the transaction commenced, excluding stock held by persons who are both directors and officers of our corporation or by certain employee stock plans; or

on or following the date on which that person became an interested stockholder, the business combination is approved by our board of directors and authorized at a meeting of stockholders by the affirmative vote of the holders of at least $66\frac{2}{3}\%$ of our outstanding voting stock excluding shares held by the interested stockholder.

An interested stockholder is generally a person owning 15% or more of our outstanding voting stock. A business combination includes mergers, asset sales and other transactions resulting in a financial benefit to the interested stockholder.

Preferred Stock

We may issue preferred stock in series with any rights and preferences which may be authorized by our board of directors. We will distribute a prospectus supplement with regard to each particular series of preferred stock. Each prospectus supplement will describe, as to the series of preferred stock to which it relates:

the title of the series of preferred stock;

any limit upon the number of shares of the series of preferred stock which may be issued;

the preference, if any, to which holders of the series of preferred stock will be entitled upon our liquidation;

the date or dates on which we will be required or permitted to redeem the preferred stock;

the terms, if any, on which we or holders of the preferred stock will have the option to cause the preferred stock to be redeemed or purchased;

the voting rights, if any, of the holders of the preferred stock;

the dividends, if any, which will be payable with regard to the series of preferred stock, which may be fixed dividends or participating dividends and may be cumulative or non-cumulative;

the right, if any, of holders of the preferred stock to convert it into another class of our stock or securities, including provisions intended to prevent dilution of those conversion rights;

any provisions by which we will be required or permitted to make payments to a sinking fund to be used to redeem preferred stock or a purchase fund to be used to purchase preferred stock; and

any other material terms of the preferred stock.

Holders of shares of preferred stock will not have preemptive rights.

Depository Shares

General. We may, at our option, elect to offer fractional shares of preferred stock, rather than full shares of preferred stock. If we exercise this option, we will issue to the public receipts for depository shares, and each of these depository shares will represent a fraction (to be set forth in the applicable prospectus supplement) of a share of a particular series of preferred stock.

The shares of any series of preferred stock underlying the depository shares will be deposited under a deposit agreement between us and a bank or trust company selected by us. The depository will have its principal office in the United States and a combined capital and surplus of at least \$50 million. Subject to the terms of the deposit agreement, each owner of a depository share will be entitled, in proportion, to the applicable fraction of a share of preferred stock underlying that depository share, to all the rights and preferences of the preferred stock underlying that depository share. Those rights may include dividend, voting, redemption and liquidation rights.

The depository shares will be evidenced by depository receipts issued pursuant to the deposit agreement, which will be governed by New York law. Depository receipts will be distributed to those persons purchasing the fractional shares of preferred stock underlying the depository shares, in accordance with the terms of the offering. Copies of the forms of deposit agreement and depository receipt will be filed as exhibits to current or other reports we file with the SEC. The following summary of the deposit agreement, the depository shares and the depository receipts is not complete. You should refer to the forms of the deposit agreement and depository receipts that will be filed with the SEC in connection with the offering of the specific depository shares.

Pending the preparation of definitive depository receipts, the depository may, upon our written order, issue temporary depository receipts substantially identical to the definitive depository receipts but not in definitive form. These temporary depository receipts entitle their holders to all the rights of definitive depository receipts which are to be prepared without unreasonable delay. Temporary depository receipts will then be exchangeable for definitive depository receipts at our expense.

Dividends and Other Distributions. The depository will distribute all cash dividends or other cash distributions received with respect to the preferred stock to the record holders of depository shares relating to the preferred stock in proportion to the number of depository shares owned by those holders.

If there is a distribution other than in cash, the depository will distribute property received by it to the record holders of depository shares that are entitled to receive the distribution, unless the depository determines that it is not feasible to make the distribution. If this occurs, the depository may, with our approval, sell the property and distribute the net proceeds from the sale to the applicable holders.

Redemption of Depository Shares. If a series of preferred stock represented by depository shares is subject to redemption, the depository shares will be redeemed from the proceeds received by the depository resulting from the redemption, in whole or in part, of that series of preferred stock held by the depository. The redemption price per depository share will be equal to the applicable redemption fraction of the redemption price per share payable with respect to that series of the preferred stock. Whenever we redeem shares of preferred stock that are held by the depository, the depository will redeem, as of the same redemption date, the number of depository shares representing the shares of preferred stock so redeemed. If fewer than all the depository shares are to be redeemed, the depository shares to be redeemed will be selected by lot or pro rata as may be determined by the depository.

Voting the Preferred Stock. Upon receipt of notice of any meeting at which the holders of the preferred stock are entitled to vote, the depository will mail the information contained in such notice to the record holders of the

depository shares underlying the preferred stock. Each record holder of the depository shares on the record date, which will be the same date as the record date for the preferred stock, will be entitled to instruct the depository as to the exercise of the voting rights pertaining to the amount of the preferred stock represented by the holder's depository shares. The depository will then try, as far as practicable, to vote the number of shares of preferred stock underlying those depository shares in accordance with such instructions. We will agree to take all

Table of Contents

actions which may be deemed necessary by the depositary to enable the depositary to do so. The depositary will not vote the shares of preferred stock to the extent it does not receive specific instructions from the holders of depositary shares underlying the preferred stock.

Amendment and Termination of the Depositary Agreement. The form of depositary receipt evidencing the depositary shares and any provision of the deposit agreement may at any time be amended by agreement between us and the depositary. However, any amendment which materially and adversely alters the rights of the holders of depositary shares will not be effective unless the amendment has been approved by the holders of at least a majority of the depositary shares then outstanding. The deposit agreement may be terminated by us or by the depositary only if (a) all outstanding depositary shares have been redeemed or (b) there has been a final distribution of the underlying preferred stock in connection with our liquidation, dissolution or winding up and the preferred stock has been distributed to the holders of depositary receipts.

Charges of Depositary. We will pay all transfer and other taxes and governmental charges arising solely from the existence of the depositary arrangements. We will also pay charges of the depositary in connection with the initial deposit of the preferred stock and any redemption of the preferred stock. Holders of depositary receipts will pay other transfer and other taxes and governmental charges and those other charges, including a fee for the withdrawal of shares of preferred stock upon surrender of depositary receipts, as are expressly provided in the deposit agreement to be for their accounts.

Miscellaneous. The depositary will forward to holders of depositary receipts all reports and communications from us that we deliver to the depositary and that we are required to furnish to the holders of the preferred stock.

Neither we nor the depositary will be liable if either of us is prevented or delayed by law or any circumstance beyond our control in performing our respective obligations under the deposit agreement. Our obligations and those of the depositary will be limited to performance in good faith of our respective duties under the deposit agreement. Neither we nor the depositary will be obligated to prosecute or defend any legal proceeding in respect of any depositary shares or preferred stock unless satisfactory indemnity is furnished. We and the depositary may rely upon written advice of counsel or accountants, or upon information provided by persons presenting preferred stock for deposit, holders of depositary receipts or other persons believed to be competent and on documents believed to be genuine.

Resignation and Removal of Depositary. The depositary may resign at any time by delivering notice to us of its election to resign. We may remove the depositary at any time. Any resignation or removal will take effect upon the appointment of a successor depositary and its acceptance of the appointment. The successor depositary must be appointed within 60 days after delivery of the notice of resignation or removal and must be a bank or trust company having its principal office in the United States and having a combined capital and surplus of at least \$50 million.

DESCRIPTION OF WARRANTS

We may issue warrants for the purchase of common stock, preferred stock, depositary shares, debt securities or units of two or more of these types of securities. Each series of warrants will be issued under a separate warrant agreement governed by New York law to be entered into between us and a bank or trust company, as warrant agent. The warrant agent will act solely as our agent in connection with the warrants and will not assume any obligation or relationship of agency or trust for or with any registered holders of warrants or beneficial owners of warrants. A copy of the warrant agreement will be filed with the SEC in connection with any offering of warrants.

We will distribute a prospectus supplement with regard to each issue of warrants. Each prospectus supplement will describe:

the title of the warrants;

the offering price for the warrants, if any;

the aggregate number of warrants offered;

the designation, number and terms of the common stock, preferred stock, depositary shares, debt securities or other securities that may be purchased upon exercise of the warrants and procedures by which the number of these securities may be adjusted;

the exercise price of the warrants;

the period during which you may exercise the warrants;

any minimum or maximum amount of warrants that may be exercised at any one time;

any provision adjusting the securities that may be purchased on exercise of the warrants, and the exercise price of the warrants, to prevent dilution or otherwise;

if the exercise price is not payable in U.S. dollars, the foreign currency, currency unit or composite currency in which the exercise price is denominated;

any terms relating to the modification of the warrants;

information with respect to book-entry procedures, if any;

any terms, procedures and limitations relating to the transferability, exchange or exercise of the warrants;
and

any other material terms of the warrants.

Prior to the exercise of any warrants to purchase common stock, preferred stock, depositary shares, debt securities or other securities, holders of the warrants will not have any of the rights of holders of the common stock, preferred stock, depositary shares, debt securities or other securities purchasable upon exercise, including:

in the case of warrants for the purchase of common stock, preferred stock or depositary shares, the right to vote or to receive any payments of dividends on the common stock, preferred stock or depositary shares purchasable upon exercise; or

in the case of warrants for the purchase of debt securities, the right to receive payments of principal of, any premium or interest on the debt securities purchasable upon exercise or to enforce covenants in the applicable indenture.

DESCRIPTION OF STOCK PURCHASE CONTRACTS AND STOCK PURCHASE UNITS

We may issue stock purchase contracts, including contracts obligating holders to purchase from us, and obligating us to sell to the holders, a fixed or varying number of shares of common stock, preferred stock or depositary shares at a future date or dates. The stock purchase contracts will be governed by New York law. The consideration per share of common stock, preferred stock or depositary shares may be fixed at the time stock purchase contracts are issued or may be determined by reference to a specific formula set forth in the stock purchase contracts and may be subject to adjustment under anti-dilution formulas. The stock purchase contracts may be issued separately, or as part of stock purchase units consisting of a stock purchase contract and debt securities, preferred stock, depositary shares, debt obligations of third parties, including U.S. treasury securities, any other securities described in the applicable prospectus supplement, or any combination of the foregoing, in each case securing the holders' obligations to purchase the common stock, preferred stock or depositary shares under the stock purchase contracts. The stock purchase contracts may require us to make periodic payments to the holders of the stock purchase contracts or stock purchase units, as the case may be, or vice versa, and such payments may be unsecured or prefunded on some basis and may be paid on a current or on a deferred basis. The stock purchase contracts may require holders to secure their obligations thereunder in a specified manner and in certain circumstances we may deliver newly issued prepaid stock purchase contracts upon release to a holder of any collateral securing that holder's obligations under the original stock purchase contract. Any one or more of the above securities, common stock or the stock purchase contracts or other collateral may be pledged as security for the holders' obligations to purchase or sell, as the case may be, the common stock, preferred stock or depositary shares under the stock purchase contracts. The stock purchase contracts may also allow the holders, under certain circumstances, to obtain the release of the security for their obligations under such contracts by depositing with the collateral agent as substitute collateral U.S. government securities with a principal amount at maturity equal to the collateral so released or the maximum number of shares deliverable by such holders under stock purchase contracts requiring the holders to sell common stock, preferred stock or depositary shares to us.

The applicable prospectus supplement will describe the terms of any stock purchase contracts or stock purchase units and, if applicable, prepaid stock purchase contracts. The description in the prospectus supplement will not necessarily be complete, and reference will be made to the stock purchase contract, and, if applicable, collateral or depositary arrangements, relating to such stock purchase contracts or stock purchase units. Material United States federal income tax considerations applicable to the stock purchase units and the stock purchase contracts will be discussed in the related prospectus supplement.

The distribution of securities may be effected from time to time in one or more transactions by means of one or more of the following transactions, which may include cross or block trades:

transactions on the New York Stock Exchange or any other organized market where the securities may be traded;

in the over-the-counter market;

in negotiated transactions;

through put or call option transactions relating to the securities;

under delayed delivery contracts or other contractual commitments; or

a combination of such methods of sale.

Agents designated by us from time to time may solicit offers to purchase the securities. We will name any such agent involved in the offer or sale of the securities and set forth any commissions payable by us to such agent in the

prospectus supplement. Unless otherwise indicated in the prospectus supplement, any such agent will be acting on a best efforts basis for the period of its appointment. Any such agent may be deemed to be an underwriter, as that term is defined in the Securities Act, of the securities.

If underwriters are used in the sale of securities, securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions. Securities may be offered to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more firms acting as underwriters. If an underwriter or underwriters are used in the sale of securities, we will execute an underwriting agreement with such underwriter or underwriters at the time an agreement for such sale is reached. We will set forth in the prospectus supplement the names of the specific managing underwriter or underwriters, as well as any other underwriters, and the terms of the transactions, including compensation of the underwriters and dealers. Such compensation may be in the form of discounts, concessions or commissions. Underwriters and others participating in any offering of securities may engage in transactions that stabilize, maintain or otherwise affect the price of such securities. We will describe any such activities in the prospectus supplement. We may elect to list any class or series of securities on any exchange, but we are not currently obligated to do so. It is possible that one or more underwriters, if any, may make a market in a class or series of securities, but the underwriters will not be obligated to do so and may discontinue any market making at any time without notice. We cannot give any assurance as to the liquidity of the trading market for any of the securities we may offer.

If a dealer is used in the sale of the securities, we or an underwriter will sell such securities to the dealer, as principal. The dealer may then resell such securities to the public at varying prices to be determined by such dealer at the time of resale. The prospectus supplement may set forth the name of the dealer and the terms of the transactions.

Table of Contents

If a broker is used in the sale of the securities, the broker will not acquire the securities, and we will sell the securities directly to the purchasers in the applicable market. These will be conducted as at the market offerings within the meaning of the Securities Act. The prospectus supplement will set forth the terms of our arrangement with the broker.

We may directly solicit offers to purchase the securities, and we may sell directly to institutional investors or others. These persons may be deemed to be underwriters within the meaning of the Securities Act with respect to any resale of the securities. The prospectus supplement will describe the terms of any such sales, including the terms of any bidding, auction or other process, if utilized.

Agents, underwriters and dealers may be entitled under agreements which may be entered into with us to indemnification by us against specified liabilities, including liabilities under the Securities Act, or to contribution by us to payments they may be required to make in respect of such liabilities. The prospectus supplement will describe the terms and conditions of such indemnification or contribution. Some of the agents, underwriters or dealers, or their affiliates may be customers of ours, or engage in transactions with or perform services for us and our subsidiaries in the ordinary course of business.

Item 15. Indemnification of Directors and Officers.

D.R. Horton, Inc.'s certificate of incorporation provides that D.R. Horton, Inc. shall, to the full extent permitted by the Delaware General Corporation Law or other applicable laws presently or hereafter in effect, indemnify each person who is or was or had agreed to become a director or officer of D.R. Horton, Inc., or each such person who is or was serving or who had agreed to serve at the written request of the board of directors or an officer of D.R. Horton, Inc. as an employee or agent of D.R. Horton, Inc. or as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, in any such case owned or controlled by D.R. Horton, Inc., including the heirs, executors, administrators or estate of such person, and eliminates the personal liability of its directors to the full extent permitted by the Delaware General Corporation Law or other applicable laws presently or hereafter in effect. D.R. Horton, Inc. has entered into an indemnification agreement with each of its directors and executive officers.

Section 145 of the Delaware General Corporation Law permits a corporation to indemnify its directors and officers against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by them in connection with any action, suit or proceeding brought by third parties, if such directors or officers acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. In a derivative action, i.e., one by or in the right of the corporation, indemnification may be made only for expenses actually and reasonably incurred by directors and officers in connection with the defense or

settlement of an action or suit, and only with respect to a matter as to which they shall have acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made if such person shall have been adjudged liable for negligence or misconduct in the performance of his respective duties to the corporation, although the court in which the action or suit was brought may determine upon application that the defendant officers or directors are fairly and reasonably entitled to indemnity for such expenses despite such adjudication of liability.

Section 102(b)(7) of the Delaware General Corporation Law provides that a corporation may eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for breach of

II-1

fiduciary duty as a director, provided that such provisions shall not eliminate or limit the liability of a director (1) for any breach of the director's duty of loyalty to the corporation or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) under section 174 of the Delaware General Corporation Law, or (4) for any transaction from which the director derived an improper personal benefit. No such provision shall eliminate or limit the liability of a director for any act or omission occurring before the date when such provision becomes effective.

In addition to indemnification by D.R. Horton, Inc. pursuant to its certificate of incorporation, the partners, members, managers, directors and officers of the co-registrants are generally also entitled to indemnification and exculpation for certain monetary damages to the extent provided in the co-registrants' organizational documents or under the statutes under which the co-registrants are organized.

Any underwriting agreement, which will be filed as Exhibit 1.1 by amendment hereto or pursuant to a current report on Form 8-K to be incorporated herein by reference, will provide that the underwriters named therein will indemnify and hold harmless D.R. Horton, Inc., the co-registrants and each director, officer who signs this registration statement or controlling person of D.R. Horton, Inc. and the co-registrants from and against specific liabilities, including liabilities under the Securities Act.

D.R. Horton, Inc. also has obtained directors' and officers' liability insurance that provides insurance coverage for certain liabilities which may be incurred by directors and officers of D.R. Horton, Inc. and the co-registrants in their capacity as such.

Item 16. Exhibits and Financial Schedules.

A list of exhibits included as part of this registration statement is set forth in the Exhibit Index, which is incorporated herein by reference.

Item 17. Undertakings.

(a) The undersigned registrants hereby undertake:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price

set forth in the Calculation of Registration Fee table in the effective registration statement; and

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrants pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

Table of Contents

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
 - (i) Each prospectus filed by the registrants pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- (5) That, for the purpose of determining liability of the registrants under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrants undertake that in a primary offering of securities of the undersigned registrants pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrants will be sellers to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - (i) Any preliminary prospectus or prospectus of the undersigned registrants relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrants or used or referred to by the undersigned registrants;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrants or their securities provided by or on behalf of the undersigned registrants; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrants to the purchaser.

(b) The undersigned registrants hereby undertake that, for purposes of determining any liability under the Securities Act of 1933, each filing of D.R. Horton, Inc.'s annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the

II-3

Table of Contents

registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions described in Item 15, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of any registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, each appropriate registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d) The undersigned registrants hereby undertake to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under section 305(b)(2) of the Trust Indenture Act.
