OUR COMPANY

We are one of the largest domestic producers of commercial silica, a specialized mineral that is a critical input into a variety of attractive end markets. During our 116-year history, we have developed core competencies in mining, processing, logistics and materials science that enable us to produce and cost-effectively deliver over 260 products to customers across these markets. We operate 18 production facilities across the United States and own one of the largest frac sand processing plants in the United States. Including the purchase of reserves adjacent to our Ottawa, Illinois, facility in May 2016, we controlled 436 million tons of reserves of commercial silica as of June 30, 2016, 240 million tons of which can be processed to meet American Petroleum Institute frac sand size specifications. The reserves acquired through the acquisition of New Birmingham, Inc., a Nevada corporation, in August 2016 added 41.4 million tons of commercial silica, all of which can be processed to meet American Petroleum Institute frac sand size specifications. Our operations are organized into two segments based on end markets served: (1) Oil & Gas Proppants and (2) Industrial & Specialty Products. Our segments are complementary because our ability to sell to a wide range of customers across end markets allows us to maximize recovery rates in our mining operations, optimize our asset utilization and reduce the cyclicity of our earnings.

We were incorporated under the laws of the State of Delaware on November 14, 2008. Our principal executive offices are located at 8490 Progress Drive, Suite 300, Frederick, Maryland 21701 and our telephone number is (301) 682-0600.

We maintain an Internet website at <http://www.ussilica.com>. We have not incorporated by reference into this prospectus the information on our website, and you should not consider it to be a part of this prospectus.

RISK FACTORS

Our business is subject to uncertainties and risks. You should carefully consider and evaluate all of the information included and incorporated by reference in this prospectus, including the risk factors incorporated by reference from our most recent annual report on Form 10-K, as updated by our quarterly reports on Form 10-Q, current reports on Form 8-K and other filings we make with the SEC. It is possible that our business, financial condition, liquidity or results of operations could be materially adversely affected by any of these risks.

FORWARD-LOOKING STATEMENTS

This prospectus and the documents we incorporate by reference contain forward-looking statements that are subject to risks and uncertainties. All statements other than statements of historical fact included in this prospectus and the documents we incorporate by reference are forward-looking statements. Forward-looking statements give our current expectations and projections relating to our financial condition, results of operations, plans, objectives, future performance and business. You can identify forward-looking statements by the fact that they do not relate strictly to historical or current facts. These statements may include words such as anticipate, estimate, expect, project, plan, intend, believe, may, will, should, can have, likely and other words and terms of similar meaning in connection with any discussion of the timing or nature of future operating or financial performance or other events. For example, all statements we make relating to our estimated and projected costs, expenditures, cash flows, growth rates and financial results, our plans and objectives for future operations, growth or initiatives, strategies or the expected outcome or impact of pending or threatened litigation are forward-looking statements. All forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially from those that we expected.

We derive many of our forward-looking statements from our operating budgets and forecasts, which are based on many detailed assumptions. While we believe that our assumptions are reasonable, we caution that it is very difficult

to predict the impact of known factors, and it is impossible for us to anticipate all factors that could affect our actual results. Important factors that could cause actual results to differ materially from our expectations, or cautionary statements, are disclosed under Item 1A. Risk Factors in Part I and Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations of our most recent annual report on

Table of Contents

Form 10-K, as updated by our quarterly reports on Form 10-Q, current reports on Form 8-K and other filings we make with the SEC. All written and oral forward-looking statements attributable to us, or persons acting on our behalf, are expressly qualified in their entirety by these cautionary statements as well as other cautionary statements that are made from time to time in our other filings with the SEC and public communications. You should evaluate all forward-looking statements made in our most recent annual report on Form 10-K, as updated by our quarterly reports on Form 10-Q, current reports on Form 8-K and other filings we make with the SEC in the context of these risks and uncertainties.

We caution you that the important factors disclosed under Item 1A, *Risk Factors* and Item 7, *Management's Discussion and Analysis of Financial Condition and Results of Operations* of our most recent annual report on Form 10-K, as updated by our quarterly reports on Form 10-Q, current reports on Form 8-K and other filings we make with the SEC may not contain all of the factors that are important to you. In addition, we cannot assure you that we will realize the results or developments we expect or anticipate or, even if substantially realized, that they will result in the consequences or affect us or our operations in the way we expect. The forward-looking statements included in this prospectus and the documents we incorporate by reference are made only as of the date they are made. We undertake no obligation to update or revise any forward-looking statement as a result of new information, future events or otherwise, except as otherwise required by law.

Table of Contents**USE OF PROCEEDS**

We will not receive any proceeds from the sale of Common Stock by any selling stockholders. All of the shares of our Common Stock offered by the selling stockholders pursuant to this prospectus will be sold by the selling stockholders. We have agreed to pay certain expenses in connection with the registration of shares being offered by the selling stockholders.

SELLING STOCKHOLDERS

This prospectus relates to the possible resale by the selling stockholders of shares of Common Stock that we issued to them pursuant to (i) the Agreement and Plan of Merger, dated as of July 15, 2016, by and among the Company, New Birmingham Merger Corp., a Nevada corporation and wholly-owned subsidiary of the Company, NBI Merger Subsidiary II, Inc. (n/k/a Tyler Silica Company), a Delaware corporation and wholly-owned subsidiary of the Company, New Birmingham, Inc., a Nevada Corporation (NBI) and each of David Durrett and Erik Dall as representatives of the sellers and optionholders (the NBI Merger Agreement), pursuant to which we acquired NBI and its subsidiaries (the NBI Acquisition), and (ii) the Membership Unit Purchase Agreement, dated as of August 1, 2016, by and among the Company, U.S. Silica Company, a Delaware corporation and wholly-owned subsidiary of the Company (U.S. Silica), Sandbox Enterprises, LLC, a Texas limited liability company (Sandbox), each of the owners of membership units of Sandbox (the Sandbox Sellers) and Sandy Creek Capital, LLC, a Texas limited liability company, in its capacity as representative of the Sandbox Sellers (the Sandbox Purchase Agreement), pursuant to which we acquired Sandbox and its subsidiaries (the Sandbox Acquisition). The selling stockholders may from time to time offer and sell pursuant to this prospectus any or all of the shares that such selling stockholders acquired under the NBI Merger Agreement or Sandbox Purchase Agreement, as applicable.

The following table presents information regarding the selling stockholders and the shares that each such selling stockholder may offer and sell from time to time under this prospectus. This table is prepared based on information supplied to us by the selling stockholders and reflects holdings as of September 15, 2016. As used in this prospectus, the term selling stockholder includes those selling stockholders identified below and any donees, pledgees, transferees or other successors in interest selling shares received after the date of this prospectus from a selling stockholder as a gift, pledge, or other non-sale related transfer. The number of shares in the column Prior to the Offering Number of Shares of Common Stock Being Registered for Resale represents all of the shares that a selling stockholder may offer under this prospectus. The column After the Offering (Assuming All Shares of Common Stock Being Offered Hereby are Sold) Number of Shares of Common Stock Beneficially Owned assumes that the selling stockholders sell all of the shares offered under this prospectus. However, because the selling stockholders may offer from time to time all, some or none of their shares under this prospectus, or in another permitted manner, no assurances can be given as to the actual number of shares that will be sold by the selling stockholders or that will be held by the selling stockholders after completion of the sales. In addition, we do not know how long the selling stockholders will hold their shares before selling them.

Unless otherwise described below, to our knowledge, none of the selling stockholders nor any of their affiliates has held any position or office or otherwise had any material relationship with us or our affiliates during the three years prior to the date of this prospectus.

In the table below, the percentage of shares beneficially owned is calculated pursuant to Rule 13d-3 under the Exchange Act and is based on 70,598,788 shares of our Common Stock outstanding at September 15, 2016. Beneficial ownership includes any shares over which the selling stockholder has sole or shared voting power or investment power and also any shares that the selling stockholder has the right to acquire within 60 days of such date through the exercise of any options or other rights. Common stock issuable under stock options that are exercisable within 60 days

of September 15, 2016 are deemed outstanding for purposes of computing the percentage ownership of the person holding the options but are not deemed outstanding for purposes of computing the ownership of any other person. Unless indicated below, to our knowledge, all persons named in the table have sole voting and investment power with respect to their common stock, except to the extent authority is shared by spouses under applicable law. The inclusion of any shares in this table does not constitute an admission of beneficial ownership for the persons named below.

the sale or distribution of any Common Stock received pursuant to the NBI Merger Agreement, each NBI Holder is required to give us prior written notice. We may suspend use of the registration statement if in our good faith judgment, such sale or distribution thereunder would require disclosure of non-public material information not otherwise required to be disclosed under applicable law and we have a bona fide business purpose for preserving the confidentiality of such information; provided, we cannot invoke such suspension on more than four occasions during any 360 consecutive days and no single suspension may last for longer than 45 consecutive days.

We will generally pay all expenses incurred in connection with the registration, other than underwriting discounts, broker or selling commissions and taxes applicable to the sale of the registrable securities and fees and expenses of any NBI Holder's legal counsel, accountant or other advisor. We are not obligated to participate in, or provide any assistance with, any underwritten offering by the selling stockholders.

Sandbox Registration Rights Agreement

The Sandbox Purchase Agreement required us to file a Form S-3 shelf registration statement to register the Common Stock issued pursuant to the Sandbox Purchase Agreement within 60 days after the closing of the Sandbox Acquisition and to use our reasonable best efforts to keep such registration statement continuously effective until the earlier of (x) the date following the third anniversary of such registration statement's effectiveness and (y) the date on which each of the Sandbox Sellers is permitted to sell all of its Common Stock pursuant to Rule 144 without limitation or restriction under any of the requirements of Rule 144. Prior to the sale or distribution of any Common Stock received pursuant to the Sandbox Purchase Agreement, each Sandbox Seller is required to give us prior written notice. We may suspend use of the registration statement if in our good faith judgment, such sale or distribution thereunder would require disclosure of non-public material information not otherwise required to be disclosed under applicable law and we have a bona fide business purpose for preserving the confidentiality of such information; provided, we cannot invoke such suspension on more than four occasions during any 360 consecutive days and no single suspension lasts for longer than 30 consecutive days. Shares held by the Sandbox Sellers are subject to a lock-up agreement until October 22, 2016, with the exception of certain shares held by Messrs. Cummings, Glynn, Massalone and Joshua Oren, which are subject to a lock-up agreement until December 13, 2018, and therefore the Sandbox Sellers may not sell, transfer or otherwise dispose of their shares until after the October 22, 2016 or December 13, 2018, as applicable.

We will generally pay all expenses incurred in connection with the registration, other than underwriting discounts, broker or selling commissions and taxes applicable to the sale of the registrable securities and fees and expenses of any Sandbox Holder's legal counsel, accountant or other advisor. We are not obligated to participate in, or provide any assistance with, any underwritten offering by the selling stockholders.

PLAN OF DISTRIBUTION

Additional selling stockholders not named in this prospectus may not be able to use this prospectus for resales until they are named in the selling stockholders table by prospectus supplement or post-effective amendment. Transferees, successors and donees of identified selling stockholders may not be able to use this prospectus for resales until they are named in the selling stockholders table by prospectus supplement or post-effective amendment. If required, we may add transferees, successors and donees by prospectus supplement in instances where the transferee, successor or donee has acquired its shares from holders named in this prospectus after the effective date of this prospectus. See Selling Stockholders.

Any or all of the selling stockholders may offer the shares of Common Stock from time to time, either in increments or in a single transaction. The selling stockholders may also decide not to sell all the shares they are allowed to sell under this prospectus. The selling stockholders will act independently of us in making decisions with respect to the timing, manner and size of each sale.

All or any portion of such Common Stock may be sold from time to time directly by the selling stockholders (and any of their pledgees, donees, transferees, assignees and successors-in-interest) or, alternatively, through one or more underwriters, broker-dealers or agents. Such Common Stock may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of sale, at varying prices determined at the time of sale, or at negotiated prices. Such sales may be effected in transactions (which may involve crosses or block transactions):

on any national securities exchange or quotation service on which the Common Stock may be listed or quoted at the time of sale;

in the over-the-counter market;

in transactions otherwise than on such exchanges or services or in the over-the-counter market;

through the writing of options, whether such options are listed on an options exchange or otherwise;

in ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

in block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

in purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

through an exchange distribution in accordance with the rules of the applicable exchange;

in privately negotiated transactions;

in short sales;

with broker-dealers who may agree with the selling stockholders to sell a specified number of shares at a stipulated price per share;

in an underwritten offering;

in a combination of any such methods of sale; and

any other method permitted pursuant to applicable law.

Table of Contents

The selling stockholders may also sell shares under any available exemption to the registration requirements of the Securities Act, including but not limited to Rule 144, rather than under this prospectus.

In connection with sales of the Common Stock or otherwise, the selling stockholders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the Common Stock in the course of hedging the positions they assume. The selling stockholders may also sell the Common Stock short and deliver Common Stock to close out such short positions, or loan or pledge the Common Stock to broker-dealers that in turn may sell such Common Stock.

Notwithstanding anything in this prospectus to the contrary, in no event will such method(s) of distribution take the form of an underwritten offering of the Common Stock except in accordance with the terms of the applicable Registration Rights Agreement. We are not obligated to participate in, or provide any assistance with, any underwritten offering by the selling stockholders.

We have advised the selling stockholders that it is the view of the Commission that it may not use shares registered on the Registration Statement to cover short sales of the Common Stock made prior to the date on which the Registration Statement is declared effective by the Commission. If a selling stockholder uses this prospectus for any sale of the Common Stock, it will be subject to the prospectus delivery requirements of the Securities Act. The selling stockholders will be responsible for complying with the applicable provisions of the Securities Act and Exchange Act, and the rules and regulations thereunder promulgated, including, without limitation, Regulation M, as applicable to such selling stockholders in connection with resales of its Common Stock under the Registration Statement.

Resales by selling stockholders may be made directly to investors or through securities firms acting as underwriters, brokers or dealers. Broker-dealers engaged by the selling stockholders may arrange for other brokers-dealers to participate in sales. When resales are to be made through a securities firm, the securities firm may be engaged to act as the selling stockholder's agent in the resale of the shares of common stock by the selling stockholder, or the securities firm may purchase shares of common stock from the selling stockholder as principal and thereafter resell those shares from time to time. Securities firms may, to the extent permissible, receive commissions or discounts from the selling stockholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. The selling stockholders do not expect these commissions and discounts, if any, to exceed what is customary in the types of transactions involved.

The selling stockholders may from time to time pledge or grant a security interest in some or all of the shares of Common Stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell shares of Common Stock from time to time under this prospectus, or under an amendment to this prospectus or a prospectus supplement to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus.

The selling stockholders and any broker-dealers or agents that are involved in selling the shares may be deemed to be underwriters within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Discounts, concessions, commissions and similar selling expenses, if any, that can be attributed to the sale of Common Stock sold hereunder will be paid by the selling stockholder and/or the purchasers.

We are required to pay certain fees and expenses incident to the registration of the shares, but we will not receive any proceeds from the sale of the Common Stock sold pursuant to this prospectus. We have agreed to indemnify the selling stockholders against certain losses, including losses which the stockholders may become subject under the

Securities Act or the Exchange Act.

Item 15. Indemnification of Directors and Officers.

Section 102(b)(7) of the General Corporation Law of the State of Delaware (the "DGCL") allows a corporation to provide in its certificate of incorporation that a director of the corporation will not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except where the director breached the duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware corporate law or obtained an improper personal benefit. Our second amended and restated certificate of incorporation provides for this limitation of liability.

Section 145 of the DGCL (Section 145) provides that a Delaware corporation shall have power to indemnify any person who was, or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that such person's conduct was illegal. A Delaware corporation may indemnify any persons who are, or were a party or are threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. The indemnity may include expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, provided such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the corporation's best interests, provided that no indemnification is permitted without judicial approval if the officer, director, employee or agent is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the

defense of any action referred to above, the corporation must indemnify him against the expenses which such officer or director has actually and reasonably incurred.

Section 145 further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would otherwise have the power to indemnify him under Section 145.

II-1

Table of Contents

Our second amended and restated bylaws provide that we will indemnify our directors and officers to the fullest extent authorized by the DGCL and must also pay expenses incurred in defending any such proceeding in advance of its final disposition upon delivery of an undertaking, by or on behalf of an indemnified person, to repay all amounts so advanced if it should be determined ultimately that such person is not entitled to be indemnified under this section or otherwise.

We have entered into indemnification agreements with each of our executive officers and directors. The indemnification agreements provide the executive officers and directors with contractual rights to indemnification, expense advancement and reimbursement, to the fullest extent permitted under the DGCL.

The indemnification rights set forth above shall not be exclusive of any other right which an indemnified person may have or hereafter acquire under any statute, provision of our second amended and restated certificate of incorporation or second amended and restated bylaws, agreement, vote of stockholders or disinterested directors or otherwise.

We maintain standard policies of insurance that provide coverage (1) to our directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act and (2) to us with respect to indemnification payments that we may make to such directors and officers.

Item 16. Exhibits.

The Exhibit Index attached hereto and the exhibits listed therein are incorporated herein by reference.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that: paragraphs (a)(1)(i), (a)(1)(ii), and (a)(1)(iii) above do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration

statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

Table of Contents

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
