Item 7.01 Regulation FD Disclosure.

Citizens Financial Group, Inc. (the Company or CFG) is making changes to its noninterest income presentation for 2017. To assist investors in understanding these changes, the Company has prepared historical supplemental quarterly financial information for 2014, 2015 and 2016, which is attached as Exhibit 99.1.

CFG has determined that the reclassification of its noninterest income will enhance transparency and provide additional granularity, particularly with regard to fee income related to customer activity.

Specifically, the fees tied to loan-related activity such as annual line of credit fees, prepayment penalties and letters of credit and trade services that were previously included in either Service charges and fees or Foreign exchange and letter of credit fees are now reported in Letter of credit and loan fees. Fees related to customer interest rate and foreign exchange risk management products that were previously included in Foreign exchange or Other income are now reported in Foreign exchange and interest rate products fees. Additionally, syndication fee income related to our leasing business previously included in Other income is now included in Capital markets fees. Finally, Bank-owned life insurance is now included in Other income.

The supplemental information contained in this Form 8-K, including in Exhibit 99.1, is being provided to assist investors in understanding how the Company's noninterest income reporting would have been presented in previously filed reports had such results been reported to reflect the realignment discussed above. This realignment does not affect any previously reported results. The Company's first quarter 2017 earnings release and subsequent financial reports that include noninterest income information will reflect this realignment.

The supplemental information is being furnished pursuant to Item 7.01, and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall the supplemental information be deemed incorporated by reference into any filings under the Securities Act of 1933, as amended.

Item 9.01 Financial Statements and Exhibits.

- (d) Exhibit 99.1 Citizens Financial Group, Inc. supplemental information to reflect noninterest income realignment for full year and quarterly periods of 2016, 2015, and 2014, respectively.
