**Notice regarding Judgment in Litigation against Subsidiaries**

**Tokyo, September 29, 2017** On September 28, 2017, the United States Court of Appeals for the Second Circuit issued a judgment with regard to the proceedings initially commenced by the Federal Housing Finance Agency ( FHFA ), as conservator for the government-sponsored enterprises Federal National Mortgage Association and Federal Home Loan Mortgage Corporation (the GSEs ), against Nomura Asset Acceptance Corporation ( NAAC ), Nomura Home Equity Loan Inc. ( NHEL ), Nomura Credit & Capital, Inc., Nomura Securities International, Inc. and Nomura Holding America Inc., each a U.S. subsidiary of Nomura Holdings, Inc. (the Company ), and RBS Securities Inc. as an underwriter (collectively, the Defendants ),. Details are as follows.

**1. The Court and Date of Judgment**

The United States Court of Appeals for the Second Circuit

September 28, 2017

**2. Details of the Judgment**

The United States Court of Appeals for the Second Circuit rejected the appeal of the Defendants.

**3. Background of the Litigation**

In September 2011, the FHFA commenced proceedings in the United States District Court for the Southern District of New York against numerous issuers, sponsors and underwriters of residential mortgage-backed securities ( RMBS ) and their controlling persons, including the Company 's U.S. subsidiaries. The action alleged that the GSEs purchased RMBS issued by NAAC and NHEL for which the offering materials contained untrue statements or omitted material facts concerning the underwriting standards used by the original lenders and the characteristics of the loans underlying the securities and sought rescission of its purchases.

On May 15, 2015, the District Court held that the FHFA proved that the offering materials for certificates issued by NAAC and NHEL and purchased by the GSEs contained material misstatements entitling FHFA to rescission. The District Court ordered the Defendants to pay \$806 million to the GSEs upon the GSEs ' delivery of the certificates at issue to the Defendants. On June 10, 2015, the Company appealed the judgment to the court stated above.

**4. Future Outlook**

The Company, upon a careful examination of the content of the judgment, will consider all options. This judgment is expected to have limited impact on the company 's consolidated performance. Further notice will be released if any matters requiring disclosure should occur in the future.
