Part III Narrative

As previously reported, on October 15, 2018, Sears Holdings Corporation (the Company) and certain of its subsidiaries (collectively with the Company, the Debtors) filed voluntary petitions (the Chapter 11 Cases) in the United States Bankruptcy Court for the Southern District of New York (the Bankruptcy Court) seeking relief under chapter 11 of title 11 of the United States Code (the Bankruptcy Code). As reported in the Company's Current Report on Form 8-K dated April 18, 2019, on April 17, 2019, the Debtors filed a chapter 11 plan of liquidation (the Plan of Liquidation) with the Bankruptcy Court.

The Company has two classes of securities, common stock and warrants to purchase common stock, as to which it has reporting obligations under Section 12(g) of the Securities Exchange Act of 1934 (the Exchange Act). Both classes of securities were delisted by the Nasdaq Stock Market on October 24, 2018 and are now traded on the OTC Pink Market.

As reported in the Company's Current Report on Form 8-K dated January 24, 2019, the Company sold substantially all of its assets to Transform Holdco LLC (the Buyer) on February 11, 2019 (the Asset Sale Closing). The Board of Directors of the Company (the Board), upon the recommendation of the Audit Committee of the Board (the Audit Committee), has determined that, following the Asset Sale Closing, the Company will be unable to continue filing the periodic reports required by Section 13(a) under the Exchange Act (collectively, Periodic Reports) without unreasonable effort and expense. Accordingly, the Company will not file an Annual Report on Form 10-K for the fiscal year ended February 2, 2019 or any quarterly reports on Form 10-Q for subsequent periods ended prior to the confirmation of the Plan of Liquidation. Instead, the Company will file Current Reports on Form 8-K containing (i) disclosure of all material events in the Chapter 11 Cases and any other information required by the instructions to Form 8-K and (ii) as exhibits, the operating reports and any other documents that include unaudited financial information that are filed by the Company with the Bankruptcy Court.

In making its recommendation to the Board, the Audit Committee considered that, under the Employee Leasing Agreement entered into by the Company and the Buyer at the Asset Sale Closing, the Company's employees, including the Company's executive officers and its financial reporting personnel, take direction from and are compensated by the Buyer pending their formal transfer to the Buyer. As a result, the Company does not have the requisite personnel to prepare the Periodic Reports and, in particular, the Company does not have a principal executive officer or a principal financial officer responsible to the Board to complete the process necessary for the preparation of financial statements or the certifications required by the Sarbanes-Oxley Act of 2002, as amended. The Audit Committee also considered that the Current Reports on Form 8-K to be filed by the Company as described above would provide information about the Chapter 11 Cases and the assets, liabilities and wind-down of the Company relevant to the decisions of investors to buy, sell or hold the Company's securities.

Part IV (3) Explanation

For the reasons described in Part III – Narrative of this Form 12b-25, the Board has concluded that the Company would be unable to file the Fiscal 2018 Form 10-K (or other Periodic Reports) without unreasonable effort and expense. The Company believes, however, that its results of operations for the fiscal year ended February 2, 2019 differed significantly from its results of operations for the fiscal year ended February 3, 2018 due to significant adverse developments that occurred with respect to the Company's business and liquidity during the fiscal year, including the commencement of the Chapter 11 Cases.

The Company has filed a Quarterly Report on Form 10-Q containing unaudited condensed consolidated financial statements of the Company prepared on the basis of accounting standards applicable to reorganizations for the three and nine months ended November 3, 2018.

The Company has filed operating reports with the Bankruptcy Court relating to periods subsequent to November 3, 2018 and has included these operating reports as exhibits to its Current Reports on Form 8-K. The period covered by each of these operating reports and the date of the Company's Current Report on Form 8-K in which it was included as an exhibit are as follows:

<u>Period of Operating Report</u>	<u>Date of Form 8-K</u>
November 4 – December 1, 2018	January 28, 2019
December 2, 2018 – January 5, 2019	January 28, 2019
January 6 – February 2, 2019	March 11, 2019
February 3 – March 2, 2019	April 16, 2019

Various statements in this Form 12b-25 or documents referred to herein, including those that express a belief, expectation or intention, as well as those that are not statements of historical fact, are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act"), and Section 21E of the Exchange Act. The Company's actual results may differ materially from those anticipated in these forward-looking statements as a result of certain risks and other factors, which include the following: risks and uncertainties relating to the Chapter 11 Cases, including but not limited to, the Company's ability to obtain Bankruptcy Court approval with respect to motions in the Chapter 11 Cases, the effects of the Chapter 11 Cases on the Company and on the interests of various constituents, the effects of the Chapter 11 Cases on the Company and on the interests of various constituents, Bankruptcy Court rulings in the Chapter 11 Cases and the outcome of the Chapter 11 Cases in general, the duration of the Chapter 11 Cases, risks associated with third-party motions in the Chapter 11 Cases, and the Company's ability to realize proceeds from remaining assets; risks related to the trading of the Company's common stock and warrants on the OTC Pink Market, particularly because the Plan of Liquidation provides that there will not be sufficient funds or other assets in the Estate to allow holders of the Company's common stock or warrants to receive any distribution of value in respect of their equity interests; risks relating to the Company's ability to confirm the Plan of Liquidation; the uncertainty as to when or whether the effective date of the Plan of Liquidation will occur; the risk that the Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code; as well as other risk factors set forth in the Company's Disclosure Statement included as Exhibit 99.2 to the Company's Current Report on Form 8-K filed on April 18, 2019. The Company therefore cautions readers against relying on these forward-looking statements.
