(1) All historical share data in this Form 4 have been restated to reflect a one-for-four reverse stock split effective as of October 11, 2012.

As previously reported, on February 29, 2012, the reporting person received a grant of 57,500 performance restricted units that were subject to the issuer's attainment of a specified one-year performance metric for the year then-ending December 31, 2012. The performance metric was met; therefore, these restricted units vest ratably on each of the first, second and third anniversaries of the date of grant.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
