Item 2.02 Results of Operations and Financial Condition.

On September 29, 2006, Technical Olympic USA, Inc. (the "Company") issued a press release announcing additional information released in Greece by Technical Olympic, S.A., the majority shareholder of the Company, regarding certain results of operations information and guidance concerning the Company and the Transeastern joint venture (the "Transeastern joint venture"), of which one of its subsidiaries is a member. A copy of the press release is attached as an exhibit to this Current Report on Form 8-K and is incorporated herein by reference.

Item 2.06 Material Impairments.

On September 29, 2006, the Company determined that a material charge is required with respect to its investment in its Transeastern joint venture. Although the Company has not determined the exact amount of the impairment charge, the Company believes that the worst case scenario would require an after-tax charge of approximately \$89.0 million (or approximately \$1.50 per share). The Company does not anticipate that the impairment charge will result in any future cash expenditures.

Item 7.01 Regulation FD Disclosure.
